TITLEY WINS EASY VICTORY OVER WAGNER

1,069 VOTES CAST HERE, MONDAY; STICKER CONTEST BRINGS OUT ELECTORS

The appearance of a sticker candidate in last Monday's biennial election in Tecumseh township inspired old-fashioned interest in politics locally and a total of 1,069 votes were cast in Tecumseh — nearly three times as many as were polled in a similar election, two years ago.

LeRoy Titley, supervisor of Tecumseh township since 1942 and a Republican, proved to be an easy victor over the sticker-candidate opponent, T. J. Wagner. Mr. Wagner, last March, was elected village assessor. In Monday's election, Mr. Titley polled 701 votes to Wagner's 307.

Wagner first made his appearance in township politics when his name was entered as a candidate for the supervisor's job in the Republican caucus, last month. Titley opposed him in this contest and he (Titley) proved to be an easy victor. Rumor had it last week that Wagner would enter Monday's election as a sticker candidate, but his campaign literature and the stickers did not appear openly until late Sunday. Monday, the Wagner forces campaigned vigorously with the aid of a sound truck.

The race between Titley and Wagner was the only contest locally, there being only one ticket on the ballot, the Republican. Other officers named to township posts and their votes were as follows:

H. H. Hanna, clerk, 924; Lawrence Mohr, terasurer, 897; Geo. Sanford, highway commissioner, 875; Charles D. Branigin, sr., justice of the peace, 848; Faye VanValkenburg, justice of the peace, 867; Aden Mead, member board of review, 876; constables, W. J. Hanna, 883, Arthur Eaton, 837, Charles Manley, 825; Cecil Alderdyce, 827.

On the state ballot, Tecumseh voted solidly Republican giving Roscoe Bonisteel and Leland Doan easy majorities over their Democratic opponents for regents at the University of Michigan. Lee Thurston received 757 votes for the office of superintendent of public instruction to his Democrat opponent's 212. Votes between other Republican and Democratic candidates were similar.

On the non-partisan ballot for supreme court judgeships, Tecumseh favored Emerson Boyles and Neil Reid, incumbents, over the field of six. State wide, Boyles and Reid were re-elected.

On the three proposed amendments to the constitution, Tecumseh voted favorably on all of the issues. Proposal No. 1 carried by a 643-171 vote; Proposal No. 2 by a 561 to 300 vote, and Proposal No. 3 by a 450 to 359 vote.

In neighboring townships, election results were as follows:

Raisin township had only one ticket and Jas. Mitchell was named as supervisor. In Clinton township, William Schneirla was the unopposed choice. Cambridge township elected Russell Lapham supervisor by a vote of 273 to his opponent's 179. Thurman Stephenson was his opponent.

In Ridgeway township, where two tickets were entered, Earl Pennington and Raynor Benedict tied at 142 each for supervisor. Geo. Brabtec was named highway commissioner; Viva Brown, clerk; Everett Exelby, Alex Gibson, Warren Lewis, William Kuster and Jay Ferman, justices; Elmer Eberhardt, treasurer.

In Franklin township, Herman Titley was unopposed for election as supervisor, as was Mills Swick in Macon township.

W. A. Wright Named Chamber President

William A. Wright was elected president of the Tecumseh Chamber of Commerce by the new board of directors at their meeting last week. Donald Nixon was elected vice president, and Ralph B. Comfort, treasurer. Mr. Wright and Mr. Comfort are serving their second year as directors, while Mr. Nixon was elected to the board in the recently completed election.

Elected to the board at the same time as Mr. Nixon were Edward Boss and Ellsworth Collins. Because of the press of private affairs, Mr. Collins requested that he be allowed to resign from the board at least for the present year. The board accepted the resignation with regret.

The new board adopted a resolution of thanks to C. O. Butler, W. J. Bruce, and Robert H. Moore, the retiring directors. It was pointed out that these three men were the last of the original board and the only ones who had completed the maximum of three years' service.

High School Chorus To Present Operetta, Apr. 13

An operetta entitled, "The Beauty Contest," written by Theodosia Paynter and G. A. Grant-Schaeffer, will be presented April 13 at 8 p.m. in the Central School auditorium by the members of the Tecumseh high school chorus, under the direction of Mrs. Philip Gentile, jr.

The story concerns a group of young women who are staying at the Daisytown summer resort hotel. When the guests tell their hostess, Jonquil Jones, that they have decided to leave because they find the atmosphere too dull, Miss Jones confesses that she, too, has been bored, but that she has taken steps to pep things up a bit by entering the election for lady mayor of Daisytown. From that moment on, the atmosphere ceases to be dull, with the election, a beauty contest, and various romances to enliven the action.

Many chorus members are also taking part on various committees. The properties committee consists of Lucille Lawson, Barbara Smith, Gloria Ruttkofsky, Bernadine Frolich, Jane Stuart, and Mary Joan Furgason. Donna Craig, Ila Louden, Pat Craig, and Betty Kossey are on the make-up committee. Tickets and programs are in charge of Ila Louden and Betty Kossey.

M.F. Cheever Dies At Britton

FORMER TOWNSHIP SUPERVISOR FOR EIGHT YEARS, BURIED ON TUESDAY

Millard F. Cheever, aged 63 years, former Ridgeway township supervisor for eight years, died at 6 p.m., Saturday, at his home. He had been ill for several years and confined to his bed for the last three days. Mr. Cheever was born on a farm near Britton and had spent his entire life in that community.

Mr. Cheever owned and operated the Britton Produce Company for 27 years, assisted by his son, Ronald. He was a former member of the village council and the school board. He also was a member of the Masonic lodge in Tecumseh, the I.O.O.F. of Britton; the Goodfellow class of the Christian church, and the Grotto of Ann Arbor.

He is survived by his wife, Theresa; two sons, Ronald of Britton and Russell of Tecumseh; a daughter, Mrs. Geraldine Beal of Britton; five granddaughters; twin brothers, Clyde of Tecumseh and Clarence of Detroit, and several nieces and nephews. He was preceded in death by a sister, Mertie, and his parents, Mr. and Mrs. Andrew Cheever.

Funeral services were held Tuesday afternoon at 2:30 from the Niblack Funeral Home in Britton. The Rev. O. E. Priest of Clinton officiated. Burial was in Ridgeway cemetery where services were conducted by the Masonic lodge.

New Council Is Organized

CHARLES MENSING, CARL FOSBENDER TAKE SEATS AT TRUSTEES' TABLE

The Tecumseh village council was reorganized on Monday evening with two new members taking their places at the trustees' table.

Charles Mensing and Carl Fosbender, elected to the board in the March voting, were seated, as was Archie Porter, who was re-elected. They succeed Ray Sluyter and George McCombs, who were not candidates for re-election.

Before the old council adjourned, it voted to increase the salary of the village clerk from $450 to $600 annually. The increase is effective at once.

It also employed a firm of Ann Arbor engineers to begin the designing of an interceptor and sewage disposal plant for Tecumseh, as ordered by the state.

The re-elected village president, J. Floyd Elliott, then made his several committee and department head appointments, naming E. C. Hellman as president pro tem. Guy E. Belding was named to the cemetery board for a three-year term.

The newly organized council approved tavern licenses to the Tecumseh Tavern, Rocket Tavern and Tecumseh Recreation. It also approved a dance hall license to the American Legion Memorial Home. It requested bids on the purchase of gasoline, used in village vehicles in the future, on a storage tank price basis.

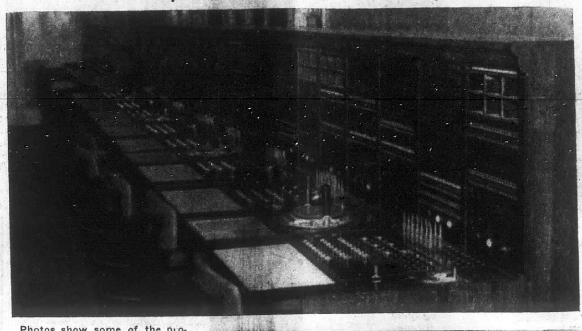
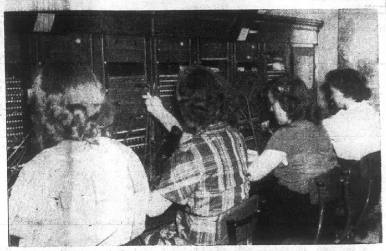
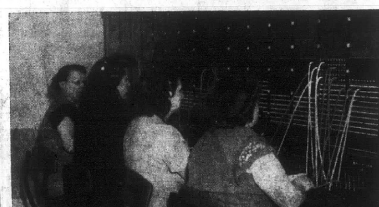
New Telephone Switchboard In Service April 20



Photos show some of the progress that is being made by the Michigan Associated Telephone Company in its $101,000 expansion program locally. Upper picture shows the new 12-position switchboard that will go into service April 20, replacing the present 4-position board, pictured second from top. At this board when the picture was taken are left to right, Dorothy Heberlein, Lois Tuckerman, Patricia Work and Martha Rebattaro. Lower photo shows the new 4-position local section of the new board. This section will handle nothing but calls within Tecumseh. Shown at the positions are, left to right, Mrs. Ila Mead, chief operator, instructing Jeanette Holcomb, Thelma Wilkins and Marie Phillips. When the change-over is made, there will be 12 operators on the switchboard instead of four. Long distance calls will be handled exclusively by eight operators. (Herald Photos)





Phone Company Spends $101,000 In Improvements

NEW 12-POSITION SWITCHBOARD WILL BE CUT-IN HERE ON APRIL 20TH

The Michigan Associated Telephone Company, furnishing telephone service to Tecumseh and in this area, announced today that it had spent, or contemplates spending within the very near future, a total of $101,113 in the improvement of its service.

Nearly half of this amount or $42,500 has been spent in installing a new 12-position switchboard at the local exchange offices. This board will be cut into service on Friday, April 20. The new board, now in place on the second floor of the telephone building, will replace the 4-position board now in service on the first floor. The old board will be discontinued, and the space that it occupies remodeled into office space. The second floor of the building also has been completely remodeled to serve the needs of the company and its employees.

Under the present arrangement, the 4-position board is used to handle not only local phone calls, but toll calls as well. Under the new arrangement, four positions of the new board will handle nothing but local calls, and eight positions will be used exclusively for long distance service.

When the new equipment is placed in service on April 20, the ringing of subscribers' phones by the operator will be entirely automatic, and will be audible to the party placing the call. After the operator has completed the connection the called party's telephone will continue to ring until such time as the called party answers, or the calling party breaks the connection by replacing the receiver. For this reason, the Telephone company has had to discontinue all "Ring 1" and "Ring 2" calls on certain lines, in the Tecumseh exchange.

The company also announced that the installation of the larger common battery switchboards that necessitated a change of telephone numbers for all rural subscribers, and that on April 14 a supplement telephone directory for the Tecumseh exchange would be delivered to the postoffice for distribution to all Tecumseh subscribers. The company requested that customers refer to the supplement directory on and after April 20, before placing local calls.

Included in the expansion program of the company that has and is going on at the present time are the construction of four Tecumseh-Britton toll circuits. These circuits are all within the Tecumseh exchange area and are nearly 100%

Parsons Will Speak At Farm Banquet, Tonight

The annual farm banquet will be held this evening at the Grange Hall and George Parsons of the Michigan State College faculty, formerly of Tecumseh, will be the speaker. He will discuss his recent trip to Germany and show pictures of that country. Keith Bottorff is the leader of the farm school which has met throughout the winter.

Delegates to the Pomona grange meeting at Madison grange, April 11, were named when Tecumseh grange met in regular session, last Thursday evening. The delegates are: Mr. and Mrs. Leland Bush, Mr. and Mrs. Charles Ricica, Mr. and Mrs. Nilwen Bishop and Mr. and Mrs. Herbert Long.

The grange also voted to buy 100 new chairs for the local hall, during a routine business session.

During the local meeting, four candidates received the first and second degree work. Fred Wood and his all-girl band of Adrian presented an Easter musical program that was greatly enjoyed. All local officers were present, as were the master and nine members from Deerfield. A potluck supper preceded the meeting.

The supper committee for the next meeting, April 12, includes Mr. and Mrs. Earl Pennington, Mr. and Mrs. Russell Schultz, Mr. and Mrs. Kenneth Knudson, Mr. and Mrs. James Tonneberger, Mr. and Mrs. Melvin Wagner, Samuel Rupp and Harriet Woodworth.

UNIVERSITY PROFESSOR ROTARY CLUB SPEAKER

Joseph Howell of Macon, a professor of journalism at the University of Michigan, was the guest speaker at the regular dinner meeting of the Rotary Club here, Tuesday evening, following dinner at the Legion Memorial Home. He was the guest of Earl L. Wickwire.

Mr. Howell, who spent several years actively practicing his profession in Tulsa, Okla., told many interesting experiences in news gathering. He was one of the newsmen assigned to "cover" President Truman on his first visit to Independence, Mo., following his elevation to the presidency.

TO OPEN DANCE STUDIO

Mrs. Taboo Dove of Tecumseh, will open a dance studio this week in the Scout Cabin in Elliott Park. Mrs. Dove will teach all types of dancing, including ballroom for adults. She will be there on Saturday afternoon for appointments.

Surveyor's Stake Snaps Phone Lines

300 TELEPHONES OUT OF ORDER, FRIDAY, DUE TO MISHAP IN DOWNTOWN AREA

Did your telephone go dead, Friday afternoon? If it did, here's probably the reason.

County surveyors were at work in the area back of the Rexall drug store, Friday, and shortly before 4 o'clock they drove a steel corner stake, to establish a lot line. They drove the stake directly through a 200-pair telephone cable, buried between two and three feet in the ground.

The result, 240 telephones went out of order, instantly.

The Michigan Associated Telephone Company called in two crews of linemen and the men worked all night Friday and until Saturday afternoon, making the needed repairs. The cable had to be cut, the damaged section removed, and the lines spliced together again.

Some folk had phone service reestablished Friday night, and more connections were made throughout the night, but it was not until after noon on Saturday that all of the repairs had been completed.

"It's quite a job," Ernest Green, Associated manager here, said, "to cut and splice a 300-line cable."

WINS MUSIC HONORS

Sally Rentschler, accompanied by Geraldine Handy, won first division on the piccolo and second division on the flute in the State Solo and Ensemble Festival which was held in Ann Arbor last Saturday. The entrants are judged on tone, technique, interpretation, accompaniment, memorization, tempo and general effect. The festival was non-competitive.

FIREMEN CALLED

The fire department answered a call to the Harold Patterson home, 805 South Union street, Monday morning at 6:10. The oil in a space burner had leaked out on the floor, endangering the dwelling. There was no fire, and the loss was negligible.

Show your appreciation to the team for a job well done and enjoy yourself at the same time by attending the THS Basketball Benefit Dance, Saturday eve., April 14, at the high school gym.

Date Is Extended For Warden Quesitonnaires

Due to an error in interpreting instructions, Civil Defense survey questionnaires were not placed in the hands of block wardens until recently. Therefore, the deadline for their completion has been extended to April 10. Completed questionnaires should be turned in to the section warden; and the section wardens, in turn, should turn them over to C. O. Butler, chief air raid warden, or D. E. Crisp, assistant chief air raid warden.

Block wardens are urged to appoint their assistants and to turn over the names to Mr. Butler as early as possible.

Section wardens are also urged to turn in signed and notarized loyalty oaths of their wardens to Mr. Butler immediately.

Arrangements are being completed for the showing of the film, "Pattern for Survival," which furnishes full information as to what to do in the event of an air raid, etc. The film will be shown to all children in the public schools from grades four through 12 during school hours, and one or more evening showings will be held for adults and civil defense workers. Watch The Herald for the date.

Spring Luncheon Ends Club Year

NEW MONDAY CLUB OFFICERS SEATED AT PROGRAM AT PRESBYTERIAN CHURCH

Ninety-five members and friends attended the spring luncheon and program in the Fellowship Center of the Presbyterian church on Monday which closed the work of the Tecumseh Monday Club for this year. The theme of Easter bonnets and April showers was carried out in the table decorations with miniature hats and umbrellas. Mrs. Herbert Murphy, Mrs. Robert Bonner, and Mrs. C. Ray Puffer were responsible for the decorations. Mrs. Jeanie Satterlee, Mrs. Jennie Temple, and Mrs. James Artman had charge of the reservations. The luncheon was served by the Presbyterian League.

Mrs. T. Rentschler presided at the business meeting during which annual reports of the officers were given. The members voted to wait until fall to decide on the disposition of the scholarship fund which is in bond form at present. However, it was voted to have a benefit party in the summertime for the elevator fund of Herrick Memorial Hospital. Mrs. Murray Day sang "In My Father's House Are Many Mansions" for the devotionals. The new officers were introduced and are as follows: President, Mrs. E. J. Aehersold; first vice president, Mrs. Earl Wood; second vice president, Mrs. R. J. McCoy; recording secretary, Mrs. Lynn Hubbard; treasurer, Mrs. Neil Pearson; corresponding secretary, Mrs. Herbert Murphy; directors, Mrs. T. Rentschler, Mrs. Joe Rice, Mrs. Mertie Waring, Mrs. Earl Place, and Mrs. Mabel Beardsley.

The drama department under the direction of Mrs. Earl Wood presented a clever minstrel show for the pleasure of the group entitled, "The Monday Club Mammies." They were accompanied by Mrs. Edna Staulter. Those participating were: Mrs. Ronald Harris, Interlocutrix, Mrs. Lynn Hubbard, Mrs. Ed Harper, Mrs. Jack Morehouse, Mrs. Blair Bashore, Mrs. R. G. Fuller, and Mrs. Earl Wood, end women, Mrs. Perry Hayden, Mrs. Nina Heath, Mrs. Tom O'Hara, Mrs. R. J. McCoy, Mrs. Herbert Murphy and Mrs. Kennard Wise were in the chorus.

At the close of the meeting Mrs. T. Rentschler, the retiring president, was accepted into the past president's club with appropriate remarks by Mrs. Lena Pocklington.

BURIED IN BROOKSIDE

Funeral services for Mrs. John A. Austin, aged 74 years, who died Monday, March 26, at her home, were held Wednesday afternoon, March 28, at the Collins Funeral Home with Dr. Norman MacNaughton of Adrian, pastor of the Methodist church here, officiating. Burial was in Brookside cemetery. The bearers were Oscar Bryan Robert Bryan, Irwin and Ernest Gove, Harry Duncan and Howard Truesdale. Friends and relatives attended from Royal Oak, Detroit, Grand Rapids, Lansing, Adrian, Macon, Clinton, Tipton and Tecumseh, and Buda and DeKalb, Illinois.

Wright Refuses Postmaster's Job

SAYS HE CONNOT AFFORD TO TAKE TIME FROM HIS BUSINESS IN TECUMSEH

William A. Wright, local druggist, said today that he had refused the appointment as postmaster in Tecumseh, and that he was notifying the Postoffice Department at Washington accordingly.

Mr. Wright, who is now the active head of the drug firm of C. A. Wright & Son, said, in making the announcement, that he felt that he could not afford to take the time away from his business that would be needed to operate the local postoffice successfully. Mr. Wright took the examination for postmaster here more than a year ago.

Announcement was made two weeks ago that the appointment had been offered to Mr. Wright. Last week, the local druggist said that he knew nothing about it, more than what he had read in the newspapers. This week, however, he said that he had now been notified of the appointment, but was forced to decline.

F. E. N. Thatcher is the acting postmaster here. He has held the appointment for more than a year.

Schools Plan Demonstration

ANNUAL PARENT - TEACHER PROGRAM AT CENTRAL SCHOOL HERE, APRIL 12

The annual spring gym demonstration of the Tecumseh Public Schools will be staged here on Thursday evening, April 12, in the Central School Building, it was announced today. The event is sponsored by the Parent-Teacher Association, and is open to the public. There is no admission charge.

Grades three through twelve will participate in the program, which will begin promptly at 7 o'clock. The following events are listed:

A tumbling and acrobatic show will begin the program with grades three to twelve participating.

The high school boys will stage a club swinging demonstration under the supervision of Coach Elven Duvall.

The third grade will play club snatch relay.

The fourth grade will play three circle dodge ball.

The fifth grade will have a kickball game.

The sixth grade girls will do four American and European folk dances.

The sixth grade boys will stage ten wrestling matches under the supervision of Miss E. Cauffield.

The seventh grade will challenge the eighth grade to a volleyball game.

The high school girls will play a basketball game.

The high school boys will play "Commando basketball."

The finale will be a modern dance composition of "Glow Worm," composed by approximately forty girls and Miss E. Cauffield.

Finland Folk Say Thank You

SIXTH GRADE STUDENTS GET NOTE OF APPRECIATION FOR CHRISTMAS PACKAGES

Miss Alice Hopkins' sixth grade of the Tecumseh public schools has just received a reply from a girl in Finland, expressing appreciation for Christmas packages, forwarded by local students at the holiday season. The practice of sending a Yule box to a foreign country was established when the grade was taught by the late Miss Bernice Parker. This year, the students sent five packages to a family named Karjalainen in Finland.

The reply, as translated, follows:

Dear and Esteemed Americans:

I extend most grateful thanks and God's blessings for your most kind deeds. The packages were so welcome to our large family.

I feel I can't thank you Americans enough for your kindness, your friendliness, toward our poor families. Although we work by "tooth and by nail" we can't seem to gain enough ever for bare necessities.

Greetings from beyond the many oceans—a pleasant Spring to you. You perhaps have summer by now. We are still having a bitter winter here.

History Is In The Making

The people of the United States, and the government as well, are confronted by the gravest possible problems; war and peace, ever-rising taxes and inflation, more disagreements between management and labor, the possibility of having to support a great military force here and abroad for many years, and so on down an almost endless list. But, in this as in the other democratic countries where free elections are still held, such problems never obscure the great old game of politics. So the question of who's going to run for President in unpredictable 1952 is beginning to be a hot topic of conversation among professionals and the rank-and-file of the people.

First of all, the feeling is very strong, in both Democratic and Republican circles, that Mr. Truman will not run again. The Constitutional amendment restricting any President to not more than ten years in the job has been passed and, while it specifically exempts the incumbent, it is an indication of public feeling. Moreover, men close to the President say he has had enough of the job, and that his family, whose wishes he respects very strongly, are tired of it all. Mr. Truman has intimated that he would like to return to the Senate. No one knows if he really means this or not but, if he does, he would have a famous precedent in the case of John Quincy Adams who retired from the Presidency and spent the rest of his life as a member of the House of Representatives.

The great question mark is the appealing and somewhat confusing figure of General Eisenhower. As Newsweek puts it, "If Washington is right about Harry S. Truman, there's a good chance that General Dwight D. Eisenhower can get the Democratic nomination for President in 1952 just by asking for it. Quite a few Democrats think he can get it even without asking . . . Strangely enough, some of the most powerful leaders of the Republican party want Ike just as desparately as the Democrats do."

In other words, no one knows whether the General is a Democrat of a Republican. A professional soldier has no politics. After he left the Army, he gave no public evidence of an attachment to either party. And now he is back in uniform again, so there is small chance of his clarifying his political position in the near future.

Newsweek explains the Democrats' keeness for the General in these words: "The Democratic party is split wide open on almost every conceivable domestic issue. On foreign policy, in contrast, the party is almost completely united. Ike's very vagueness on domestic problems, therefore, makes him an ideal Democratic candidate. There is nothing in his record that could alienate any of the groups which compose the Democratic party; the ADA (Americans for Democratic Action) liberals, the conservative Southerners, the big-city bosses, the labor-union leaders, the Negroes." That is certainly not true of any other potential Democratic candidate now visible to the eye.

On the Republican side of the fence, he has the strong support of such still-potent figures as Governor Dewey. But here he runs into the powerful Senator Taft, who clearly want the nomination for himself, and who in the view of millions is now "Mr. Republican." The probabilities are that the Senator now has the inside track, but many a change could occur by convention time.

One more quotation from Newsweek indicates the odd possibilities: "If the parties follow custom, the Republicans will hold their national convention first. And as things stand now, the choice will be Taft or Eisenhower. If Taft gets it, the Democratic convention may well open with Ike the almost certain unanimous choice."

Inflation Starts In Washington

The politically inspired motion that inflation is primarily the result of greed and black marketeering and can be controlled by decree from Washington, is rapidly running its course to disillusionment. A memorandum from the economists of Chicago University points to the real cause—the rising volume of money. During the last six months of 1950 this increase corresponded very closely to the increase in prices. "It is no accident," says the Chicago memorandum, "that these figures are so nearly of the same magnitude. This is about as clear a cause of purely monetary inflation as one can find."

It is time to call a spade a spade instead of calling our neighbors highway robbers. Monetary inflation is caused by governmental waste and financial juggling. It can never be corrected by threatening the private citizen with jail if he charges more for a pair of shoes or a pound of sugar than a bureaucratic policeman says he can. Government cannot give a fictitious value to money any more than a seive can be made to hold water.

The mass distributors of necessities at the retail level where consumers meet inflation head on, are, by and large, doing a good job. Competative efficiency and high volume sales at minimum prices have helped hold the havoc of inflation in check. Every day, business operation becomes more confused and complex, but business men are determined, somehow, to make order out of chaos.

Consumers, before they blame farmers, industrialists and retailers, should remember that the blame lies in Washington — where inflation actually starts.

ARMY RE-BUYS GI STOCK . . . Soldiers check merchandise in army truck in Philadelphia as bales of goods are piled on sidewalk outside a war surplus store for loading on three giant trailer trucks. The goods were bought by the army from the store. It was hinted that the army is buying up the stock on a rush order from Washington. This was a repurchase of stock sold to the store earlier by the army, and the transaction was very hush-hush. Goods included overshoes, cartridge belts, garrison caps.

BRITTON

The Britton Area Cancer drive is planned for the month of April. All organizations, lodges, church groups and clubs will be solicited by letter from the Cancer Society for their donation. A community benefit party, open to the public, is planned for the evening of April 10 to be held in the school gymnasium. The Britton Woman's Club is sponsoring this event with the Britton Kiwanis and Macon Women's Club cooperating. It is hoped that this area will reach its goal through the success of the benefit party and contributions by organizations. However, the society will welcome individual contributions, no matter how small. The officers for the area are: Chairman, Mrs. Forrest Barrett; vice chairman, Mrs. Warren Benham; commander and case investigator, Dr. W. J. Claxton; secretary, Mrs. Emma Bach; and educational chairman, Mrs. W. J. Claxton.

Miss Thelma Youngiove was host to the Congregational Dorcas Class last week in her home east of town. A cooperative dinner was served at noon. Devotions were led by Mrs. Grace Ramage. At the business session $3 was voted to the Red Cross and $3 to the Cancer fund. The work shop at the West Adrian Congregational church was announced as an all-day meeting on April 20. The remainder of the afternoon was spent making aprons. The next meeting will be Friendly Service Day with all women of the church uniting. The time and place will be announced later.

Mrs. Ida Smith who has been quite ill at her home here, shows considerable improvement.

The Senior Class sponsored a talent show last Friday evening at the school gymnasium which was very successful. The first prize went to Frank Prochaske who played an accordion; second, Miss Mary Bush and Ronald Croll, singing duet, and third to a group of Kniffin school children who featured a square dance number.

Mrs. Leland Downing will be host to the North East Britton Extension Club Friday evening at 7:30 p.m. A lesson on frozen foods will be presented by the leaders

Mrs. Emil Wellnitz of Palmyra and Mr. and Mrs. Wayne Jackson and children spent the week-end in Louisville, Ky., visiting Mr. and Mrs. Very Wellnitz and family.

William Gottschalk has been moved to Tecumseh hospital suffering from flu complications and pneumonia.

Mr. and Mrs. Wayne Dunbar, Mr. and Mrs. William Cundiff and Mrs. Andrew Crutchfield and sons were in Weston and Hudson, Sunday, visiting relatives.

Mrs. Lucy Church returned to her home in Detroit this week-end after spending a week in the home of Mr. and Mrs. Douglas Fairbanks.

Mr. and Mrs. Llewlyn Pilbeam entertained Sunday at dinner honoring their daughter, Roxanna, who was celebrating her fourth birthday. Those seated for dinner were Mr. and Mrs. R. E. Nelson and daughter of Detroit.

Mr. and Mrs. A. Musson and family of Musson were weeke-nd guests of Mr. and Mrs. Frank Hoagland.

Mrs. Cass Zeluff has been confined to her home by illness.

The Walther League of the Emmanuel Lutheran church north of Britton will serve their annual fish supper to the public, Friday evening, April 6.

Mrs. Forrest Barrett was host to the Methodist W.S.C.S. at her home. The assistant hostess was Mrs. Merle Crutchfield. Twenty were seated for a 12:30 luncheon. The afternoon devotions were led by Mrs. Crutchfield and an interesting program was presented by Mrs. Wendell Rinehart. At the business session, April 21 was set for a bake sale. The mother and daughter banquet will be May 11. The next meeting place will be announced later.

Mr. and Mrs. Forrest Barrett, Allan and Carol Ann and Mr. and Mrs. Gordon Barrett were in Detroit, Sunday, attending the Flower Show, held at Convention Hall.

HAVE you ever wondered how it would feel to go the limit on power and comfort and quality in an automobile?

Or how it would feel to be lord and master of a car that can take its place with the finest in the "fine-car field"?

Then, sir, this is a call to action.

The first action is yours—the simple action of getting in touch with a Buick dealer and planting yourself behind the wheel of a ROADMASTER.

Then let this great-powered and dazzling performer take over.

There's action in every one of the 152 horsepower in its Fireball engine—more action than most proud owners of this eager beauty will ever use.

There's counter-action in its gentle and sure-gripping brakes, the finest that Buick has ever engineered.

But there's also luxury—the luxury of double-depth Foamtex cushions and custom upholstery—and of ample roadweight magnificently poised on coil springs which individually cushion every wheel.

There's a spacious feeling of room, above and around you—room that is unsurpassed anywhere in the fine-car field.

And to make every mile effortless and relaxed, there's the very exclusive advantage of Dynaflow Drive—not as an "extra," but as a standard ROADMASTER feature.

So why not drop in and satisfy yourself, as our guest, that here indeed is a fine car that goes the limit—*in everything but price!*

Check for yourself what others ask—and what others offer—and you'll discover ROADMASTER prices a call to action that a wise man can't ignore.

Equipment, accessories, trim and models are subject to change without notice.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

OBITUARY

Mrs. Olive M. Hendershot

Mrs. Olive M. Hendershot, daughter of John A. and Barbara Markley Orth, was born October 20, 1889, in Dunkirk, Ohio. She died March 27, 1951, at 4:30 p.m. at the age of 81 years, five months and seven days in the Herrick Memorial Hospital, which institution she had entered on Sunday morning, March 25.

She was married to Dr. E. E. Hendershot in Dunkirk, Ohio, April 24, 1889. To this union was born three children, Veva, E. Edward, who died in infancy, and Fred.

Mrs. Hendershot was a kind and loving mother and had made many friends throughout the county, having lived in Tecumseh and vicinity since her marriage. She was an honorary member of the Tecumseh Chapter of the O.E.S., and the Past Matron's Club.

She is survived by the daughter, Veva Connor; the son, Fred of Chicago; grandchildren Mr. and Mrs. Fred Hendershot, jr., and great-granddaughters, Barbara J. of Oak Park, Illinois, and Susan, of Lyons, Illinois. She was preceded in death by Dr. Hendershot in March, 1938.

Funeral services were held Friday, March 30, 1951, at 2 p.m., in the Collins Funeral Home, Rev. Donald C. Wilson of the Presbyterian church officiating. Burial was in Macon cemetery. The bearers were John R. Thompson, William W. Swick, Glenn VanDenbergh, Allan Seager, Perry C. Satterthwaite and E. C. Heilman.

Eight Hospial Beds Available To Community

Thirty members met at th Legion Home, Monday evening for the April meeting of the American Legion Auxiliary. Mrs. John Snyder announced that the annual magazine drive in the community was a success, and the Auxiliary expressed appreciation to those in the community who participated. With the proceeds the Auxiliary has purchased another hospital bed which makes a total of eight beds one fracture bed and one wheel chair, now available to the public. Anyone in the community in need of a bed or chair may call Ella worth Collins.

The president, Mrs. Lalne Holley, announced the coming past commanders and past presidents' banquet to be held at the Legion Home on April 19. It will be a semi-formal dinner-dance and Driscoll's orchestra will furnish the music. Tickets may be purchased from Auxiliary members and from Mrs. Charles Howe, Mrs. Harold Easton is general chairman of the banquet. An announcement was made of a district meeting in Monroe on April 29.

Mrs. Dale Tingley, child welfare chairman, introduced Louis Schneider, who told of some of his past experiences as state child welfare chairman.

Mrs. Genevieve Sharp, district president and the district secretary, Mrs. Louella Gloeckner, both of Monroe, were guests of the unit.

Dessert was served by the hostess, Mrs. Kenneth Herrick.

Mr. Carl Thompson and Mr. Max Smith are the program chairmen for the May meeting which will be Poppy month, and the hostesses will be Mrs. Glen Driscoll, Mrs. Thomas Boyd and Mrs. Gerald Driscoll.

April Fool Banquet Is Enjoyed By Women

The Westminster League of the Presbyterian church entertained the Golden Rule Division at an April Fool's party Monday evening in the Fellowship Center with 60 ladies present. The ladies were received in the auditorium by a reception committee, made up of officers of the Westminster League. Each was presented with name cards and escorted through the dark church to the Fellowship Center where the 8 o'clock miniature banquet was served at tables decorated with newspapers. The "banquet" consisted of tiny meat balls, tiny potatoes, three peas, koolaid (colored water), and tiny olive slices. The dessert was tiny pieces of cheese with lifesavers and a toothpick.

Preceding the banquet, the Golden Rule Division held its meeting with Mrs. Norris Morehouse, president, presiding, and Mrs. Jessie Shuyter was in charge of devotions. Mrs. Harold Clark presided at the Westminster League meeting, with Mrs. Don C. Wilson in charge of devotions. A social hour including an April Fool's contests and games was enjoyed by all. In conclusion bountiful refreshments were served by Mrs. Wellington Wotring, chairman, assisted by Mrs. Fred Dickinson, jr., Mrs. Raymond Kempf, Mrs. Gerald Baker, Mrs. Don Wilson, Mrs. Carlyle Mason, Mrs. Harold Clark, Mrs. Stanley Kruse and Mrs. Elmer Wilt.

MACON

CONSERVATION LEAGUE

The regular monthly meeting of the Tecumseh Conservation League will be held this evening at 8 o'clock in the K. of P. hall. The program includes a general discussion of plans for the summer. Movies will be shown and refreshments served.

A HORSE AND A FIDDLE . . . Tete-a-teting with Mrs. Hans Ditlashcim at the "Bal des Chapeaux" in New York is Rene Jean Tellard, sporting a horse's head as fancy lid. Her bonnet is a violin. Society turned out in a big way for the event, staged for the benefit of the student ticket endowment fund of the New York Philharmonic Society, enabling public school children to get cutrate concert tickets. The motif of the evening seems to be "Hi diddle diddle, a horse and a fiddle."

Tourist Season Outlook Is Good

IS EXPECTED TO MAINTAIN POSITION AS ONE OF TOP INCOME BUSINESSES

The outlook for the summer tourist season in Michigan is good despite the country's defense economy, according to Robert J Furlong, executive secretary of the State Tourist Council.

"Barring unseasonable weather Michigan's tourist industry in 1951 should continue to maintain its position in the top bracket of the state's income producers," said Furlong.

He pointed out that there is no indication at this time that rigid restrictions will be placed on recreational travel during the summer tourist season. Authorities agree, he said, that ample supplies of gasoline and tires will be available for civilian use this year.

Furlong mentioned other factors which point to a successful year for Michigan's tourist industry. Estimates of some of the nation's top economists reveal that consumer expenditures for travel and recreation in 1951 may be 5 to 10 per cent above those of 1950. "Michigan's established position among the country's leading tourist states means that once again we will get a big share of those expenditures," said the Tourist Council official.

Management, labor, government and public health authorities are agreed that the vacation payment programs of industry must continue, even in an emergency, if peak production levels are to be maintained. Furlong added that today nine out of ten job holders in America are covered by some type of vacation payment plan.

Any cutbacks in the availability of durable goods will tend to increase the amount of money spent for travel, according to Furlong. He reported that consumer incomes and purchasing power are at new high levels despite a rise in taxes. With less money spent for durable goods, more money will be available for recreation. This was the experience in the immediate post war years when the tourist business reached unprecedented peaks.

There are some who predict that 1951 may see a trend toward brief but more frequent vacations. "Here again," said Furlong, "Michigan is in an enviable position. Our nearness to the nation's center of population gives our state an inside track. Tourists from the metropolitan areas of our neighboring states can reach Michigan's vacationland in a matter of hours, thus cutting their travel time considerably."

Furlong continued that this year Michigan is better equipped than ever before to entertain vacationists. For the past several months there has been a general improvement and expansion program carried out throughout the tourist and resort industry.

He concluded that although prices of many commodities have risen in recent months, in the tourist industry prices generally will remain at their 1949-50 levels. "Some of the best buys on the market this year will be in travel and recreation."

TO ENTERTAIN GUILD

The Ladies Union of the Baptist church will entertain the Junior League and the World Wide Guild in the church parlors (tonight) Thursday evening. Mrs. Dean VanValkenburg will be in charge of devotions and Mrs. Earl Place will be the guest speaker. Refreshments will be served at the conclusion of the program.

Phone Company

(Continued from Page 1)

completed. The cost of this project is $5,613. In addition, $28,000 was spent for cable additions and relief in certain sections of the Tecumseh exchange urban areas. A complete rural rehabilitation program with additional rural lines and line extensions also is scheduled for this year at a cost of $25,000. The total gross expenditure for all of these projects, including the cost of the new switchboard, is $101,113.

That the public may better realize the added burden that has been and is being placed upon the company, and some of the steps that have been taken by the company to relieve the situation, the local Michigan Associated offices today released these figures:

In January of 1946 the company here had 14 employees. This number had increased to 18 on September 1, 1947, and when the new board is cut in on April 20 will further increase to 21.

In January, 1946, the company here had a 3-position switchboard, and a fourth position was added in 1947.

The first of January in 1946 the company had 993 phones in service. As of today, this number has increased to 1,516. Local lines have increased from 400 to 1,000 since 1946.

In 1946 there were 12 toll or long-distance lines into Tecumseh. Today there are 30.

The average daily number of local calls in 1946 amounted to 1,812. This year the average number is 8,528. Toll calls five years ago amounted to 273 daily and as this year, the average is 541, or more than double.

The company now has nine toll lines to Detroit, two to Toledo, two to Jackson, three to Ann Arbor, five to Adrian, four to Britton, one each to Tipton, Holloway and Clinton, and two to Dundee.

Father And Son Banquet Is Planned By Baptists

The Happy Home Builders Class of the Baptist church met at the church parlors for a potluck supper at 6:30 Monday evening with thirty-one in attendance. Mr. and Mrs. Harold Black were host and hostess. The business meeting and program were held at the new home of Mr. and Mrs. Black on Occidental Rd., where Mr. and Mrs. Charles Beland led devotions and Mr. and Mrs. Lawrence Holdridge conducted games that proved to be fun for all.

Plans were made for the Baptist church father and son banquet to be held Friday, April 20. Committees are: Supper, Mrs. Lillian Bilby and Mrs. Claudine Swick; program, Mr. Ira Ashley and Mr. Harold Black; tickets, Mrs. Marion Cornell, Mrs. Dorothy Grigg, and Mrs. Anna Grigg; decorating, Mrs. Helen Beland, Mrs. Mary Davidson and Mrs. Norma Holdridge.

The May meeting will be held at the home of Mr. and Mrs. Leslie Becker with the Rev. B. O. Bashore in charge of the program and Harold Black in charge of devotions, both to be assisted by Harold Harper.

Goiter Danger Is Less If It Is Detected Early

Do not neglect any seemingly innocent lump in the neck, a University of Michigan doctor warns.

If it is a goiter, early treatment is neither difficult nor dangerous, according to Dr. Frederick S. Gillett, senior clinical instructor in surgery at the U-M Medical School.

However, once permanent damage has occurred from abnormal enlargement of the thyroid gland in the neck, treatment is not easily handled, he said.

Dr. Gillett explained that the thyroid gland, a butterfly-shaped organ at the base of the neck, helps to control the fundamental body processes of growth, heat and temperature regulation, food utilization and the expenditure of energy.

Enlargement of the thyroid, commonly called goiter, is often directly connected to the body intake of iodine, he declared. Lack of sufficient iodine in the water of the Great Lakes area formerly resulted in goiter in 50 to 60 per cent of the school children, he said.

Today, Dr. Gillett pointed out, with the addition of iodine to the ordinary table salt, probably less than ten per cent of the school children have any recognizable goiter.

In recent years the following types of treatment for different kinds of goiter trouble have been developed with successful results, the U-M surgeon indicated: (1) surgical removal of parts or entire glands especially those excessively enlarged that interfere with breathing or glands that have undergone cancerous change; (2) anti-thyroid drugs to control overactive thyroid glands; and (3) radioactive iodine for use in selected cases.

In the hands of a competent surgeon, removal of the thyroid gland is not a formidable procedure and is not to be greatly feared, Dr. Gillett emphasized.

The Michigan Tourist Council gives on-the-spot travel information services in concentrated markets through offices in Lansing, Detroit, Chicago and Cleveland.

LOCAL ARTIST HAS PAINTINGS ON EXHIBIT

TOLEDO—Ralph E. Peotter, jr., Tecumseh artist, has had four of his paintings accepted by the jury for the 33rd Annual Toledo Area Artists Exhibition which opened Sunday at the Toledo Museum of Art.

With 523 items accepted out of more than 1,200 submitted, the Area Annual is larger this year than ever before in its 33-year history, Museum officials said.

The exhibition will continue through April 29, after which the galleries in which it is displayed, as well as the remainder of the entire west wing of the Museum will be made ready for installation of the immense collection of Imperial Art Treasures from Vienna, which goes on exhibit at the Toledo Museum May 27.

RED RADIO STATION IS IN BRITISH SECTOR OF BERLIN . . . One of the many incongruities in divided Berlin is the fact that the Communist Radio Berlin, sending out anti-western propaganda, is in the heart of the British sector. The British authorities have erected the sign warning the unwary that Radio Berlin is Red. This was made necessary after reports that a number of East Germans came to West Berlin to contact a western station to give valuable information on Soviet conditions only to find they were reporting to the Soviet-controlled Radio Berlin. They were arrested by secret police and whisked away to the Soviet sector.

STUDENT WINS HONOR

Fred C. Aebersold, son of Mrs. Lois Aebersold, 205 S. COMMUNION SERVICES

Weekday celebrations of the holy communion have been instituted at St. Peter's Episcopal church by the rector, the Rev. Richard O. Petersen. Holy communion is celebrated on Thursdays at 7 a.m., and again at noon, at 12 o'clock. The service gives members an opportunity to worship and pray in church at other times besides Sundays.

Garden Planting Time Is Just Around The Corner

Yes, Spring's already turned the corner and now—perhaps in a very few days, it will be garden-planting time.

This year, when you plant your garden we'd like to suggest that you plant our pre-tested seeds. They cost no more than ordinary seeds—yet there's a difference. We've sold these quality seeds for years and years — and each year customers come back for more. Can you think of a better recommendation?

Nothing's new to the experienced craftsmen who assist with our work. Long experience has taught them, how to handle any repair job the best . . . . the fastest . . . . the lowest cost way!

Miss Louise Bowen Bride of Raymond Bandemer

At 2 o'clock on Saturday, March 31, the First Presbyterian church of Tecumseh was the setting for a beautiful spring wedding when Louise Bowen, daughter of Mr. and Mrs. Percy A. Bowen, became the bride of Raymond Bandemer, son of Mr. and Mrs. Paul A. Bandemer, of Grosse Pointe. The Rev. Donald C. Wilson performed the double ring ceremony.

The bride, who was given in marriage by her father, wore a gown of ivory satin made with a fitted bodice and long pointed sleeves. The high collar and keyhole neckline were embroidered with sequins and pearls, and the full skirt, worn over a hoop, extended into a long circular train. The double fingertip veil was attached to a small net hat edged with satin and pearls and she wore a three strand of pearls, a gift of the bridegroom. She carried a cascade bouquet of white roses, centered with a white orchid. Miss Dorothy Bowen, sister of the bride, was maid of honor, with Miss Pauline Bandemer of Grosse Pointe, sister of the groom, and Miss Anne Kontas of Lansing as bridesmaids. All were in lilac net floor length dresses with the bodice of the dresses in Chantilly lace and satin. The maid of honor carried white daffodils and the bridesmaids carried yellow carnations with lilac moline.

Mrs. Brandemer

Walter Dailey was Mr. Bandemer's best man with Samuel Laux, Robert Reynolds, Robert Tomb and Richard Nehls, all of Detroit, as ushers.

Nuptial music was played before the ceremony by the organist, Mrs. Fred Dickinson, who accompanied the soloist, Miss Virginia Bristol of Battle Creek, when she sang "Because" by d'Hardelot, and "I Love Thee" by Grieg. The church was beautifully decorated with palms and candles, the altar vases were filled with white lilies, snapdragons and lilac colored stock. The pews were decorated with white satin bows and green myrtle.

The reception was held, following the ceremony, at the Tecumseh Country Club for 250 guests. Mr. and Mrs. Dale Bowen and Mr. and Mrs. Herbert Farver received the guests. Mrs. David Failing and Miss Dorothy Jean Brandt were at the punch bowls and Mrs. Earl Lindsley was in charge of the guest book. Mrs. Edward Pfalz of Detroit and Mrs. William Morgan of Plymouth poured. Others assisting in the serving were Mrs. Earl Lindsley, Mrs. Darwin Smith and the Misses Marilyn Lindsley, Sally Morgan of Plymouth, Mary McLee of Battle Creek, nad JoAnn Harbough of Lansing. As the bride and groom were cutting the bride's cake, which was in four tiers decorated with yellow rosebuds, a gardenia and lilac moline, a group of forty girls from the bride's sorority, Alpha Gamma Delta, sang their sweetheart songs which was followed by twenty boys from the groom's fraternity, Delta Sigma Phi, responding with their song.

The bride's mother, Mrs. Bowen, wore a floor length dress of mint green crepe with matching green and orchid tulle hat, and an orchid corsage. Mrs. Bandemer, the mother, wore a grey floor length groom's mother, wore a grey floor length dress with accessories in lilac shades and she also wore an orchid corsage.

The bride graduated from Tecumseh high school in 1947 and is at present attending Michigan State College from which she will graduate in June of this year. The groom graduated from Grosse Pointe high school in 1944 and is a graduate of Michigan State College. Mr. Bandemer served for two years in the Army Air Corps during World War II and is now employed in the styling and design department of the Chrysler Corporation in Detroit. They will reside in Detroit upon the graduation of the bride in June. Mrs. Bandemer wore navy blue with matching accessories for traveling, with the white orchid from her bridal bouquet. They are spending their honeymoon in Chicago.

Highway Deaths Are On Increase

139 PERSONS KILLED IN ROAD OR STREET ACCIDENTS DURING JANUARY

Traffic accidents took the lives of 139 persons on Michigan streets and highways during the month of January. It was the highest toll for that month since 1942 and an increase of 32 per cent over the 105 persons killed during the same month last year.

The figures were revealed in the State Police monthly statistical report, which also showed sharp increases in injuries and reported accidents. The upward trend has prevailed since May of last year.

There were 3,521 persons injured in January, an increase of 405 or 13 per cent over the 3,116 injured in January of 1950. Accidents totalled 15,645, an increase of 3,489 or 29 per cent over 12,156 a year ago.

The sharp rise in deaths was attributed largely to collisions between motor vehicles, collisions between motor vehicles and trains and ran-off-roadway accidents.

Estimated travel in January was 1.75 billion miles, a gain of 17 per cent or 250 million miles over the 1.5 billion miles traveled during the same month last year. The death rate of 7.9 per 100 million miles of travel was up 13 per cent over the rate of 6.97 for January of 1950.

Do You Know Why You Have To Go To Dentist?

After 14 years of research, a study of heredity's effect on tooth decay in white rats is beginning to shed light on why people have to go to the dentist so much.

The 15th year of study in one of the nation's most extensive dental health projects is under way at Michigan State College.

The project is under the direction of Dr. H. R. Hunt, head of the MSC zoology department, and Dr. Carl A. Hoppert, professor of chemistry.

The MSC researchers began their project by perfecting two strains of white rats—one group which gets dental cavities easily and the other which is almost immune to tooth decay.

By applying many chemical, zoological, and bacteriological tests to the groups and comparing results, so far the scientists have found:

1. Bacteria in the saliva of the rats is a vital factor in tooth decay, and it is here where heredity plays an important part. Immune rats apparently inherit some mechanism which causes harmful bacteria to be destroyed.

2. Contrary to a general theory in human dental hygiene, they found that the more teeth were used, the more cavities were produced. Course food, in other words, caused the rats' teeth to decay faster than finely ground food.

3. Age, the chemical content of the teeth, and the sex of the animals seems to have little effect on tooth decay in rats.

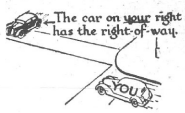
Today's Driving Lesson



This well-known state law is good as far as it goes, say Michigan high school teachers of AAA Driver-Training courses. Best thing to do, however, is stop for any near-tie to be sure you are in the right.

"When two drivers tie at an uncontrolled intersection," say teachers in 305 Michigan high school AAA Driver-Training courses, "there is only one safe way to proceed."

Both drivers should slow down, surveying the situation with extreme caution, and stop if there is the slightest doubt about which car has the right-of-way.

State law decrees that under favorable conditions, one of the two cars has a technical right-of-way. Court decisions tend to make even that right-of-way doubtful.

The law says that the driver on the right (as seen from the driver's seat) has the technical right-of-way at intersections not controlled by stop signs or traffic signals.

There are a number of "ifs" attached to this law, however.

If either driver, as determined by the court, fails to have his car under complete control or exceeds the legal speed limit as he enters the intersection, he automatically forfeits his right-of-way.

If the view of the driver on the left is blocked at the intersection, the driver on the right may find in court that a resulting collision is partly his fault; he did not have his car under control. Scores of other "ifs" could be enumerated.

Since courts declare both drivers responsible in nine out of 10 collisions at uncontrolled intersections, instructors in AAA Driver-Training courses in Michigan teach "Stop" in any case of a near-tie.

HOME EC TEACHER SHORTAGE ACUTE

The shortage of teachers in all fields has usually been critical, but in home economics teaching the demand for teachers exceeds the supply by about 20 percent as of this month.

"The number of job openings for homemaking teachers in Michigan alone is expected to increase greatly before school starts in the fall," according to Rosalind B. Mentzer, assistant professor of home economics education at Michigan State College.

College graduates in homemaking teaching are going into positions in Michigan high schools at salaries of from $2,700 to $3,200 for about nine months' work, depending upon the type of school.

For the person who likes to work with young people, particularly girls, homemaking teaching is a field with unlimited possibilities.

Six Michigan colleges offer degrees in homemaking teaching which will enable the graduate to teach in any high school in the state. Other colleges train teachers for work in non-vocational schools only.

The six colleges are Michigan State College; Wayne University, Detroit; Central Michigan College of ducation, Mt. Pleasant; Northern Michigan College of Education, Marquette; Western Michigan College of Education, Kalamazoo, and Michigan State Normal College, Ypsilanti.

TOLEDO DOG SHOW TO OPEN APRIL 8

The Toledo Kennel Club will hold its 28th annual dog show on Sunday, April 8th, in the Civic Auditorium.

There will be 800 dogs for the publics' inspection. The total number is represented by sixty-five different breeds and Variety of Breeds, which will compete for top honors in each breed. The dogs will be shown to perfection by the owners, with the hope to win the Best of Breed honor. Then to carry on to the Variety Group Showing. The six first place winners in each of the Variety Groups will compete for the Best in Show trophy.

The Boxers have the largest entry with 90 dogs. Collies are second with 78 and third place to the German Shepherds with 64.

$8,058.50 in hospital and medical bills!

"That's what Blue Cross-Blue Shield took care of for us. Without this protection, we'd have been in debt for years."

—WM. C. BOWERS
Detroit

Here's how the Bowers' hospital and medical bills were figured:

Drugs	$3,813.00
Room and Board	1,375.00
Intravenous therapy	838.00
Oxygen	432.00
Laboratory services	542.00
Physiotherapy	266.00
Operating Room	125.00
Other services	120.00
	$7,511.00
In addition, for medical-surgical services Blue Shield paid	$ 547.50
Total Blue Cross-Blue Shield benefits	**$8,058.50**

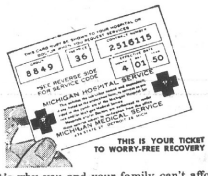
Bill Bowers, a 23-year-old machine operator, went to the hospital last year for what seemed to be a routine appendectomy. But 110 days of hospital care were necessary before he could get back on his feet!

Luckily he was a Blue Cross-Blue Shield member, and these plans provided $8,058.50 in hospital and medical benefits for him—on this one case.

Since Bill Bowers first enrolled three years ago, he and his family have received more than $8,400.00 worth of protection from Blue Cross and Blue Shield.

The most benefits at the least cost

Bill Bowers' case *was* unusually expensive, but no one is immune to accidents or sudden, serious illness. In fact, *one out of every nine* persons will have hospital or medical bills to pay this year. And these unexpected bills could spell financial disaster . . . for you!



That's why you and your family can't afford to be without Blue Cross-Blue Shield—Michigan's only voluntary, non-profit health-care plans.

Here's What These Plans Do

BLUE CROSS COMPREHENSIVE GROUP HOSPITAL PLAN covers up to 120 days of care in any of the 182 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.

BLUE SHIELD MEDICAL-SURGICAL PLAN pays liberal amounts for stated surgical procedures—pays toward your doctor's visits to the hospital, in non-surgical cases. It's worth many times the low cost of these plans, just to know substantial payments will be made toward your doctor's bills!

Speak to your employer—ask him to get the facts!

Blue Cross-Blue Shield is available to employed people *without physical exam or health statement.* Talk to your employer about making these plans available where you work.

1 Out of 13 Women Over 35 Will Develop Cancer

Michigan women are being taught how to examine themselves for early signs of breast cancer.

One out of every thirteen Michigan women past 35 will develop cancer of the berast. Most breast cancer is curable when it is found and treated in its earliest stages.

To get more cancer of the breast under treatment in its early stages and thus to reduce its mortality the Michigan State Medical Society, the Michigan Division of the American Cancer Society, the Michigan Department of Health and their local affiliates are cooperating in teaching women a simple examination procedure.

The procedure is demonstrated in a 15-minute color motion picture, with sound, which is being shown to women's groups through out the state. The film, "Breast Self-Examination," can be borrowed from the Film Loan Library of the Michigan Department of Health. Arrangements for showing can be made through the local health departments.

The cooperating agencies hope to have the film shown in every community of the state during the next year.

The examination procedure recommended in the film requires only a few minutes time each month. A description of the procedure is included in the March issue of Michigan Public Health which can be obtained from the Michigan Department of Health, Lansing 4, Michigan.

Signs which may mean cancer of the breast and which call for an immediate visit to the physician are these:

1. Any lump in the breast (Fortunately not all lumps in the breast are cancer but every lump in the breast requires a physician's examination).
2. Any deformity or alteration in the usual shape of the breast.
3. Lifting or elevation of the breast or nipple.
4. Retraction or sinking of the nipple.
5. Dimpling or puckering of the skin.
6. A rash around the nipple.
7. Bleeding or discharge from the nipple.
8. A swollen lymph node (or gland) in the armpit.
9. A running sore on the skin of the breast.

AUXILIARY TO MEET

The regular meeting of the Herrick Hospital Auxiliary will be held Tuesday evening, April 10, at 8 o'clock, at the Fellowship Center of the Presbyterian church. All members are reminded to bring old shirts to make cancer jackets.

THE TECUMSEH HERALD

ONE HUNDREDTH YEAR—NUMBER TWENTY-EIGHT | TECUMSEH, MICHIGAN, APRIL 12, 1951 | FIVE CENTS A COPY

$1,000,000 In Housing Forecast

ACTIVE BUILDING YEAR IS INDICATED HERE DESPITE EMERGENCY SHORTAGES

Tecumseh is expected to build another million dollars' worth of new houses in 1951. In all probability this goal will be reached despite the rationing of critical materials, due to war emergencies, and allied credit restrictions.

If Tecumseh succeeds in reaching its $1,000,000 goal this year, it will be the second year in a row that the million mark has been hit here in dwelling construction, to say nothing of commercial and industrial expansion, it was said. Last year, between 80 and 100 new houses were built in Tecumseh, at an estimated value of $1,000,000 or more.

Robert H. Moore, head of the R. S. Moore & Son Co., lumber and builders' supply dealers, said today that there are approximately 25 new houses under construction in Tecumseh at the present time. He said that he understood that plans are being made for the building of at least 20 more houses in Herrick Park this year, and that there would be some additional activity in Tecumseh Acres subdivision that would shove the number of contemplated dwelling to above the 80 mark for the year.

"This is only April," Mr. Moore said, "and it is difficult at this time to forecast the entire year's activity. Especially is it difficult to predict, due to war restrictions and emergency credit limitations, just what the future holds in the local building program. However, it is entirely probable that we will build as many new houses here this year as we did in 1950."

Glenn H. Kohler, real estate broker in charge of the Tecumseh Acres project, said that 10 new houses are under construction at the present time there, and that a commitment has been received for the building of 40 more, as soon as the present group is finished. In Tecumseh Acres at the present time, there are 69 houses occupied, and this number will be increased to 79 as soon as the present group has been completed.

Five houses are under construction at present in Herrick Park, which subdivision already houses between 65 and 70 families. It is possible to build 150 houses in the Park, and about 160 in the Acres.

Mr. Moore indicated that dwelling construction is active throughout the county, and in adjoining counties as well. His firm operates yards in Clinton, Britton and Dundee as well as in Tecumseh, and is active in the construction field in Jackson, Washtenaw and Monroe counties.

Ask For Bids On New Store

BALDWIN HARDWARE HOPES TO HAVE NEW, MODERN BUILDING READY BY FALL

Bids will be sought within a week for the construction of a new, modern store building for the Baldwin Hardware Company here, to replace the 2-story structure that was destroyed by fire, two months ago. The new building will be built on the old store site on East Chicago Boulevard.

Ned Baldwin, head of the company, said that the Cuyahoga Wrecking Company of Detroit, started operations this week to tear down the damaged walls of the old building and to remove the debris. As soon as this is done, the new steel girders for the three-store-wide, two story building will be put in place. The new structure will be built entirely of steel and concrete, two stories in height. It will be ultra modern in every detail.

"I don't know just how long it will take to complete the building," Mr. Baldwin said, "but I hope that it can be finished so that we can occupy it early in the fall."

Red Cross Goal Exceeded Here

TECUMSEH SUBSCRIBES $1,132.96 AGAINST ITS QUOTA OF $1,000, REPORT SAYS

Tecumseh is again over the top in its Red Cross campaign for funds.

According to reports made public today, this community subscribed $1,132.96, its quota was $1,000.

The report was made public by Mrs. Robert Hanna, chairman. Mrs. L. W. Larsen and Mrs. Vincent Haight, members of the Lenawee County Red Cross Board, complimented Mrs. Hanna for her leadership and success, and expressed appreciation to Tecumseh for its excellent cooperation.

Mrs. Hanna, too, publicly expressed her appreciation for the drive's success, and for the support of a loyal committee. Those assisting Mrs. Hanna were Mrs. Paul Keyser, Mrs. Victor Humble, Mrs. Robert Laidlaw, Mrs. Tim Neill, Mrs. Richard Eggleston, Mrs. Robert Manchester, Mrs. Al Merz and Mrs. Walter Pfaus.

Mrs. Irene Teegarden Buried Here, Tuesday

Mrs. Irene Teegarden, aged 75 years, died at 5 p.m. Friday at her home on James street after a long illness. She was the widow of the late James Teegarden.

Mrs. Teegarden was born February 8, 1876, in Toledo, the daughter of the late Charles and Ellen Milosh. She had lived in Tecumseh over 50 years.

She is survived by a son, Donald; three daughters, Mrs. Louis Schofield and Mrs. Herbert Watkins of Tecumseh, and Mrs. Edson Mackey of New Boston; a brother, William Milosh of Tecumseh; ten grandchildren and four great-grandchildren. Her husband and a son, Louis, preceded her in death. She was a member of the Lower Light Mission church.

Funeral services were held Tuesday afternoon at 2 o'clock at the Green Funeral Home with the Rev. A. L. Shaw of Adrian and Rev. W. C. Thornberry of Tecumseh, officiating. The bearers were three grandsons, Forest Frayer and James Mackey of New Boston, and Marvin Manning of Belleville, Rodney Miller, Paul McClure and Clyde Penny of Tecumseh. Burial was in Brookside cemetery.

Arthur S. Weeks, 71, Former Resident, Dies

Word has been received of the death of Arthur S. Weeks, aged 71 years, formerly of Tecumseh, which occurred Sunday, April 1, at the home of his nephew, Glenn Weeks in Howard, Colorado, where he had been making his home since he had been making his home since leaving here three years ago. Mr. Weeks was found dead in his chair, by the nephew who had been away from home over Sunday. A heart attack caused his death. He had apparently been in good health, but recently had complained of pains in his chest.

Mr. Weeks, well-known here, was born May 20, 1879, in Prince Edward county, Canada, and had lived in Tecumseh and Clinton since boyhood. He was a veteran of the Spanish-American War and a member of the Veterans of Foreign Wars.

Surviving besides the nephew is a brother, Milton S. Weeks of Canon City, Colo. The funeral and burial were held in Howard, last Wednesday.

325 Toledo Executives Guests of Products Co.

Some 325 members of the Supervisory Club of Toledo, were guests of the Tecumseh Products Company here, Friday evening, on a tour of inspection of the factory. The visitors came in eight chartered buses and 20 private cars, and spent nearly three hours in the local plant.

According to M. W. Wilson, personnel director of Products, the Supervisory Club, a 27-year-old organization of Toledo executives, makes three or four inspection trips annually to plants in the midwest. Among the factories already visited are DeSoto, Chrysler, General Electric and many others.

The conducted tour through the local plant was under Mr. Wilson's direction. Tecumseh Products is the world's largest manufacturers of electrical refrigeration units.

Mr. Barclay, material control director of Acklin Stamping Co., Toledo, and secretary of the Supervisory Club, was in charge of the Toledo group. Enroute to Tecumseh, the men were served a box lunch on the buses.

Partridge New Head Of Rotary

WILL SUCCEED L. W. LARSEN ON JULY 1; PLACE NAMED VICE-PRESIDENT

Mel Partridge, vice-president of the Rotary Club here during the past year, was named president of the organization, effective July 1, it was announced Tuesday, following a meeting of the board of directors. Mr. Partridge will succeed L. W. Larsen. Earl H. Place is the newly chosen vice-president, Lester Rogers was re-elected secretary, and George E. Green was renamed as treasurer. Three new members of the board are Mr. Partridge, Frank Purcell and Harold Kelso.

Ira Smith, registrar of the University of Michigan and a member of the Ann Arbor Rotary Club, was the guest speaker at Tuesday's meeting of the club, following dinner at Legion Memorial Home. Mr. Smith, who has served the University for 26 years, told many interesting experiences he had had during his term of office. He was accompanied to Tecumseh by Edward Groesbeck, his assistant.

Fire Department Busy; Five Calls In A Week

Members of the Tecumseh fire department have had a busy week but, fortunately, there was no serious damage as the result of any of the five fires to which they were summoned.

On April 4, at 4:35 p.m., they answered a call to extinguish a grass fire south of Tecumseh Products. There was no damage.

April 6 at 5 p.m., they extinguished a grass fire near the G. & J. Wood Products plant.

April 7 at 4:45 p.m., fire destroyed a davenport and burned a hole in the rug at the Wm. Fetty home on Russell Road. The loss was estimated at $300.

April 8, at 4:15 p.m., they extinguished a fire in a rubbish burner at the rear of the C. F. Smith store.

April 9, at 9:05 a.m., fire endangered a truck at the Rumpf Truck Terminal. The fire started from the use of an acetylene torch. There was no loss.

GOVERNOR IS GUEST

Holg Gay of Adrian, district governor of the Exchange Club, was the guest speaker at the regular dinner-meeting of Tecumseh Exchange, Monday evening at the V. F. W. Club rooms. Mr. Gay discussed the activities of the organization, and told something of the plans of Exchange for the future.

Building Code Changes Urged

ADOPTION OF FHA STANDARDS FOR ALL BUILDING IN TECUMSEH MAY BE ASKED

Adoption of the Federal Housing Administration's building code for all future construction in the village of Tecumseh will be urged at the next meeting of the village council by Joseph H. Rohweder, chairman of the council's ordinance committee, it was learned today. Mr. Rohweder said he believed that by such action the building standards within the village could be materially improved, and that there would be less confusion in the industry.

Rohweder pointed out that Tecumseh now has a building code, adopted some years ago, which he believed to be inadequate and unworkable. He said that he would favor the repeal of the present code, the adoption of the FHA code, and the naming of an inspector to make the proposed law workable.

"The cost of the proposed inspection plan to builders would be very economical, probably around $20 for three inspections," Rohweder said, including the permit to build. He said that he would make it mandatory that the inspector make three inspections before the final papers were filed with the village clerk.

"I am anxious to know just what the folk in Tecumseh think about the adoption of the FHA building code, and I wish that persons interested would contact me before the next meeting of the council on April 16," Rohweder said. He indicated that he would submit his proposal to the council at its meeting on Monday for discussion.

At some future time, Rohweder also indicated that he favored the adoption of a new plumbing code and a new electrical code locally.

B-E Day To Be Observed Here

SCHOOLS AND INDUSTRY CO-OPERATE IN AMERICANIZATION PROGRAM

A Business-Education Day, sponsored by the Chamber of Commerce and staged in cooperation with the Tecumseh schools and several local industries, was announced today by the Chamber with a date set tentatively for May 1. Ralph B. Comfort and Donald Nixon are co-chairmen of the event with Superintendent Earl H. Place having charge of the schools' part in the program.

Business-Education Days are fast becoming a leading event in many cities throughout the country since they were first developed by the Lansing Chamber of Commerce about three years ago. They are a part of the American Opportunity program sponsored by the United States Chamber of Commerce and are designed to further an understanding and appreciation of the American way of life.

Under the plan, the teachers of the public schools spend a day in a business institution as the guests of the management. During the day they observe the plant in operation.

Teachers Given $200 Increase

SCHOOL BUDGET FOR 1951-52 HERE WILL AMOUNT TO $246,000

The Tecumseh board of education, in session Tuesday evening, voted a $200 increase to teachers for the next school year, and Earl H. Place, superintendent, said that contracts for the 1951-52 year would be handed out within a few days. The tentative budget, adopted by the board and which will be submitted to electors at the annual meeting in June, will show an operating overhead for the coming year of about $246,000. This is an increase of about $15,000 over last year.

The teaching staff for the new year will be increased by three teachers, bringing the total to 46, Mr. Place said, due to the growth in enrollment. The three new instructors will be in the elementary grades.

Place also announced these resignations in the present staff: Roberta Nixon, second grade; Rita Lakin, third grade; Hazel Shutes, third grade; Elden Cauffiel, physical education; Ann Jentille, music; Kathryn Hanchon, mathematics.

The school year next fall will start on September 4 and will end on the last day of May in 1952.

Place also announced that the Tecumseh schools had been advised of a three-year accreditation by the University of Michigan, expiring in 1954.

Military Services Are Held for C. D. Burch

Carl David Burch, aged 60 years, died at Veteran Hospital, Dearborn, at 9:30 o'clock Sunday night. He had been ill for the past four years, and had undergone several operations. He was born in Adrian, September 30, 1890, the son of the late Orrin and Stella Burch. He was married to Maybel Florence Page of Tecumseh, August 31, 1918.

Mr. Burch is survived by the widow, one son, the Rev. Herbert Burch of Celina, Ohio; five grandchildren; two brothers, Peter, who made his home with him, and Frank of Adrian; an aunt, and several nieces and nephews. He was a member of the Tecumseh American Legion Underwood-Orr Post, No. 34.

Military funeral services were held Wednesday at 2:30 o'clock at the Collins Funeral Home with burial in Oakwood cemetery in Adrian. The Rev. Norman MacNaughton officiated.

Rubbish Pick-Up Here Next Week

FREE SERVICE OFFERED BY VILLAGE IN COOPERATION WITH CLEAN-UP PLAN

A village-wide rubbish and trash pickup — free to residents — has been announced by the village engineer's office daily during the week of April 16 through April 21, next week. During the six days, village trucks will travel all streets, and will haul away to the dump without charge, all rubbish and debris found on the boulevards at the curb line.

The free rubbish collection plan was inaugurated by the village last year and was so popular that it is being repeated again this year. Last summer, residents cooperated nearly 100 per cent in the clean up plan, it was said.

Village officers, realizing that many residents at this season of the year are cleaning their yards, but do not have facilities for hauling the trash away, have set the week aside for municipal cooperation.

"It is just another effort on the part of the village council to make Tecumseh a clean town," it was said.

It was pointed out that, due to a lack of time and equipment, it will be impossible for trucks to enter yards to pick up the debris. Residents are expected to haul the trash to the curb line. From that point, village employees will do the rest.

Titley Named Board Chairman

TECUMSEH SUPERVISOR HEADS COUNTY'S OFFICIAL GOVERNING BODY

LeRoy H. Titley, who was re-elected Tecumseh township supervisor in the voting on April 2, was named chairman of the County Board of Supervisors when that group met in organizational session, Tuesday afternoon in Adrian. Mr. Titley succeeds William B. Newell of Rome township.

Titley has served Tecumseh as its supervisor for ten years, having first been elected to office in 1942.

William C. VanAntwerp Is Buried on Monday

William C. VanAntwerp, aged 92 years, died at 12:05 a.m., Friday, April 6, at his home, 206 W. Kilbuck street. He had been in failing health for four years and had been confined to his bed for a week.

Mr. VanAntwerp was born in New York state, but had lived in Tecumseh for the last 75 years. He was a well-known harness maker. His wife, the former Frances Cummings, preceded him in death in September 1946.

Survivors are a nephew, Earl, of California, and a great-niece, Mrs. Frances Brown of Toledo.

Funeral services were held Monday afternoon at 2 o'clock in the Green Funeral Home with the Rev. Alvin Brazee officiating.

The bearers were, Howard Brooks, Roscoe Ferris, Clarence Sherman, Roscoe Hewlett, Loren Campbell, all of Tecumseh, and Ted Brown of Toledo.

Friends and relatives attended from Toledo, Ohio, Detroit, Brooklyn and Tecumseh and vicinity.

BURIED IN BROOKSIDE

Funeral services were held at Brookside cemetery, Wednesday afternoon at 3 o'clock for Mrs. Amy Mae Roberts whose death occured April 3, in Pasadena, Calif. The Rev. B. O. Bashore officiated. Mrs. Roberts is survived by a nephew, Harry Linendoll, of Chicago. She was a former resident of Tecumseh.

Ford Mill Is Sold To Button Co.

DETROIT CONCERN TO CONVERT PROPERTY INTO FACTORY IN NEAR FUTURE

Announcement was made today of the sale of the old Hayden Flour Mill on East Chicago Boulevard, in recent years known as the Ford Mill, to the Universal Button Company of Detroit and Walkerville, Canada. The purchase price was not disclosed. The property was owned by the Ford Motor Co.

The Universal Button Company is an old-established Detroit firm, having been founded in 1896. Its plant in Detroit is located at 2250 W. Fort street, and it operates a branch factory in Walkerville, Ontario, Canada. The Detroit plant employs about 250 persons, the Canadian factory about 150.

In the factory in Detroit and also in Walkerville, Universal specializes in the manufacture of metal and plastic buttons, snap fasteners and slides. It holds some government contracts as well as contracts with some of the country's largest clothing manufacturers.

William Sugden, secretary of Universal confirmed the purchase of the Ford property by his company. He said that the mill would be remodeled, and that within a few months it would be operated as a branch factory, similar to the Canadian plant. Some of all of the types of buttons made by the company will be fabricated here, he said.

About 50 persons will be employed in the Tecumseh factory at the beginning of its operatioin, Mr.

Hospital Plans For Open House

NEW $79,000 ADDITION TO BE FORMALLY OPENED; HERRICKS TO BE HONORED

The new 17-room addition to Herrick Memorial Hospital, made possible through a $79,000 gift by Mr. and Mrs. Ray W. Herrick, honoring the memory of Mr. Herrick's parents, Mr. and Mrs. Benjamin Herrick, will be formally opened on May 10 and 11, it was announced today by E. M. Campbell, president of the hospital board. On those two days the hospital will hold "open house," and the addition may be inspected by the public.

When the new addition is formally opened for hospital use, the local institution will have bed space for 51 patients, not including the nursery. In addition, there will be a large utility room, a new nurses' station, another valuable utility space in the basement quarters.

The "open house," will be in charge of the Hospital Auxiliary, Mr. Campbell said, which organization is observing its 10th anniversary.

Campbell also announced that tentative plans are being made for an appreciation dinner, honoring Mr. and Mrs. Herrick, to be held at the Legion Memorial Home, Thursday evening, May 24. Tickets will be sold for this event, and there will be reservations for only 200. The dinner, the hospital president said, will be sponsored by the Rotary and Exchange Clubs.

Permits Are Necessary To Start Grass Fires

Farmers and other residents of Tecumseh and Tecumseh township who find it convenient to start fires to burn grass, leaves, trash and rubbish at this season of the year, should bear in mind that a permit is necessary, the fire department warned today.

The state law provides that permits for burning are necessary, and may be had without cost by calling at the local fire station. The law also requires that the person who starts the fire must remain in constant attendance, or see to it that the fire is constantly supervised.

INFANT BURIED

Graveside services were held at the Brookside cemetery, Monday afternoon at 3:30 for Harold David Kempf, jr., the two-day-old son of Mr. and Mrs. Harold Kempf of Tecumseh. The baby died Saturday at the University Hospital, Ann Arbor. The Rev. Alvin Brazee officiated. Besides his parents, Harold David is survived by a sister, Ruth Ann, and grandparents, Mr. and Mrs. David Kempf and George Sanford.

Tecumseh Is A Fortunate Community

Late last week Wednesday afternoon there was a grass fire at the southern edge of the village. It wasn't a serious blaze, the local fire department soon brought it under control, and the trucks and firemen returned to the station.

To the firemen and to the public, generally, what had happened was just part of a routine day. Certainly, a grass fire was nothing out of the ordinary, and the fact that the firemen did a good job was taken for granted.

We can't help but wonder if, in Tecumseh, we are not in the habit of taking too many things for granted — especially when they concern the fire department. Too few people seem to realize just how Tecumseh's fire department operates, and the sacrifices that are made by its members.

Tecumseh has a "volunteer" fire department. There is only one man, the fire truck driver, who is on the payroll as a full-time employee. Other members of the department are "volunteers," men in business and men at work at other jobs who, when the siren blows, drop everything and run for the fire station.

It was inspiring, last Wednesday, to see these men rushing to the station. Some were running, some came in cars, and others came in trucks. Some of them had coats on, others were in their shirt sleeves, and many of them had no hats. They had forgotten their jobs, when the siren blew, and were off in an instant to perform a public service. The kind of fire they were going to they didn't know or care. All that they knew was that someone in the Tecumseh area was in trouble, and that it was their job to help.

Paid to do their job? Sure, they receive a small amount of money for their work, an amount comparable to what you'd probably pay some youngster for mowing your lawn. It's not the money, it seems, that these men think about. It is their desire to be of service to the community in which they live and are a part.

Night or day, midnight or 12 o'clock noon, these men give the same kind of service to the community. At home or at a party, firemen in Tecumseh are always on duty. If the siren blows, instantly they become firemen, not just ordinary citizens.

Did you ever stop to think what such a service means to a community the size of Tecumseh? What it saves Tecumseh annually?

Suppose Tecumseh were forced to maintain a full-time, paid department with eight or 10 men constantly on the job. What would that cost? There surely would be a sharp upturn in the tax rate to meet the overhead.

What would it cost Tecumseh in losses if these men failed to give of their time and did not answer fire alarms promptly? Your guess is as good as ours, but the loss by fire would be tremendous. What we recognize today as small losses, thanks to the prompt firemen, would run into losses far into the thousands, if the fires were not promptly checked and controlled. Yet how many of us, as we see the fire trucks go by, and as we see the firemen hurrying to their stations, ever think about these things.

It is very easy to criticize. Too seldom do we congratulate.

As we see it, Tecumseh is very, very fortunate to have men who are civic minded enough, and unselfish enough to give of their time and their efforts as do the members of the Tecumseh Fire Department.

How long can we continue with the operation of a "volunteer" department? That is something else to think about, too. Tecumseh is growing. It is no longer the small community that it was 20 years ago, or even 10 years ago. It is growing, and growing steadily. Some day we must, as a community, recognize this growth with an expanded department. We must be prepared if fires should break out in more than one section of the community simultaneously. It takes more than fire apparatus to fight a fire. Adding more trucks would not alone be the answer. Additional firemen would be necessary, and can we always depend upon unselfish, civic-minded men?

Tecumseh owes a debt of gratitude to its firemen — past and present. A look at the fire department payroll will convince you in a minute that these men are not firemen for the money they get out of their job. Certainly, their's is a labor of love, an honest desire to serve their neighbors and friends in an hour of need.

Next time the fire siren blows, think about it. Perhaps, in the past, you have been a bit critical of these firemen. If you have been critical, was your criticism justified?

British Dollar Reserve Has Nearly Trebled

London — Great Britain has almost trebled its precious gold-dollar reserves since it devalued the pound 18 months ago, informed sources said here.

The country, still riding on the crest of world rearmament demands, has swelled its reserves by about, $300,000,000 in the past three months, informed sources said.

When Britain cut down the value of the pound from $4.03 to $2.80 in September, 1949, the reserves had sagged to under $1,400,000,000.

Devaluation of the pound made British goods cheaper to buy in America and other dollar markets. Consequently its dollar earnings have been rising steadily since.

Threat of a new world war has pushed up raw material prices to record levels. Wool from Australia and South Africa, tin and rubber from Malaya, cocoa from West African colonies, and base metals from throughout the commonwealth have brought gold and dollars jingling into Britain's coffers.

An unusual inflow of money from the United States has also helped to swell the reserves. Many American firms, anticipating future buying in this and other commonwealth countries, have deposited big sums in their sterling accounts.

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, April 18, for a potluck dinner at the home of Mrs. Fred Sheldon with Mrs. Robert Stone and Miss Mary McWilliams as assisting hostesses.

URANIUM ORE FOUND IN VICTORIA, AUSTRALIA

Sydney — Uranium ore has been discovered near the old gold-mining town of Sunnyside in the eastern part of Victoria, the Victorian Mines Department announces.

The announcement said that "unknown deposits of uranium" exist in 300 square miles in the area. Steps will be taken as soon as possible to determine whether it will be practical to use the ore.

G. C. Ross, Victorian Minister for Mines, told newsmen that geologists have reported the find may be a rich uranium field. He added that tests have shown the ore could be high grade.

WILL WED SOON

Mr. and Mrs. Floyd L. Fisher of Blissfield are announcing the engagement of their daughter, Bea Audeen, to Charles M. Bower, son of Mrs. Mildred I. Wilson of Tecumseh and Melvin Bower of Adrian. The wedding will be an event of June 16, in the Zion Lutheran church at Ottawa Lake. Miss Fisher is employed in the Village of Tecumseh offices.

U. S. EXPORTS TOP IMPORTS SINCE '40

Washington—The United States exported $113,400,000,000 in goods in the 11-year period 1940-50 inclusive, the Census Bureau reported.

A bureau tabulation showed imports in that period totaled $53,500,000,000, falling $59,900,000,000 short of matching outward shipments. In several recent months this trend has been reversed, with imports topping exports.

Bureau figures showed the greatest excess of exports over imports for recent years was $10,300,000,000 in 1944, when war shipments were heavy. The smallest excess of the kind in the 11-year period was $1,432,900,000 last year.

Here's where You come into your own

Once in a while, any man is entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For this great automobile is more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflow Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

If You Are A Pork Eater, Be Sure It's Well Cooked

Make sure that all the pork you eat is thoroughly cooked—well done. Eating undercooked pork may result in trichinosis, the Michigan Department of Health warned today.

Trichinosis is an illness caused by tiny parasites which may infect pork or pork prdoucts. The live parasites get into the human body when one eats undercooked pork. They reproduce in the human intestines causing diarrhea and other symptoms which may be severe enough to be fatal. Later the parasites leave the intestines and settle in the muscles of the chest and diaphragm. Here they cause pressure on nearby nerves which results in pain. Many Michigan people suffer from neuritis which is the result of trichinosis infection.

Thorough cooking of pork and pork products kills the parasites. Pork roasts should be cooked at 350 degrees, a half hour per pound. The internal temperature of the roast must reach 185 degrees if the roast is to be safe. Sausage, ham, pork chops, pork steak or any meat dish such as loaves, patties, meat balls or chop suey which contains pork should be cooked until the meat is entirely done, before it is even tasted.

The restaurant patron should not accept pork chops, pork steak, roast pork, or sausage which is not thoroughly done, even in the thickest part of near the bone.

Government inspection of pork does not protect against the parasites. It does not include search for the tiny parasites which cannot be seen by the unaided eye, the Health Department said.

Pork is a good food, an excellent source of vitamin B1 and perfectly safe when it is cooked properly, but any uncooked pinkish pork is potentially dangerous, the Department said.

Scout Court of Awards To Be Held on May 22

The Tecumseh Girl Scout Association meeting was held Wednesday evening, April 4, at the home of Mrs. Clarence Beach with ten members present. Mrs. Elven Duvall, president, presided at the business meeting. Mrs. LeRoy Titley gave a report of the Girl Scout cookies sale which is now in progress. Mrs. Owen Partridge, director of the uniform fund, said that she would gladly purchase serviceable uniforms for resale. A motion was made and carried that all troop funds left by disbanded troops, revert back to the Girl Scout treasurer at the end of one calendar year, if not disposed of by the troop.

Mrs. Partridge reported that plans are progressing for the Court of Awards, which will be held in the Central school gymnasium, May 22, and all leaders are asked to give written orders for pins and badges to Mrs. Clarence Beach by April 18.

Election of officers will be held at the next association meeting, June 6. The nominating committee appointed to report at the next meeting will be Mrs. Duncan Oliphant, Mrs. Lyle Grigg and Mrs. Beach.

Coffee and cookies was served by Mrs. Beach at the conclusion of the meeting.

Michigan State Alumni In Annual Meet Here

The annual meeting of the Michigan State Alumni Association was held last week at the Tecumseh Grange Hall. Eighty-six members and guests gathered to enjoy a roast beef dinner served by the Grange. Dale Fausey, of Hudson, president of the association, presided at the business meeting. Officers elected for 1951 are: Russell Leonardson of Adrian, president; Robert Green of Morenci, vice-president; Miss Anne Carson of Tecumseh, secretary, and Forest Strand of Adrian, treasurer. The directors are Mr. Fausey, Joseph Horvath of Clinton, and Miss Clara Waldron of Tecumseh.

Rae Nita's Dance Studio students presented an interesting program. The welcome to Tecumseh was given by Charles O. Butler, who introduced and paid tribute to the graduates of forty years or more. Mrs. Fred Morse, first extension leader for women in Michigan introduced Robert Baldwin, retired extension director from East Lansing, who spoke on the growth of extension work in Michigan. Jack Breslin, of the alumni office at Michigan State College explained how the national and international situation is affecting the education al program.

High School Chorus To Stage Operetta, Friday

Due to illness among members of the cast, the operetta will not be presented tomorrow night, but instead, next week Friday evening, April 20, has been set as the tentative date.

An operetta entitled, "The Beauty Contest," will be presented Friday evening at 8 p.m. in the Central School Auditorium by members of the Tecumseh high school chorus, under the direction of Mrs. Philip Gentile, jr.

The story concerns a group of young women who are staying at the Daisytown summer resort hotel. When the guests tell their hostess, Jonquil Jones, that they have decided to leave because they find the atmosphere too dull, Miss Jones confesses that she, too, has been bored, but that she has taken steps to pep things up a bit by entering the election for lady mayor of Daisytown. From that moment on the atmosphere ceases to be dull, with the election, a beauty contest, and various romances to enliven the action.

The cast of characters includes Carol Luce, Louise McKenzie, Gail Claxton, Ruth Titley, Jeane Conlin, No'reen Hartley, Donna Craig, Marlon Titley, Jerry Miller, Betty Kossey, Marie Boyce, Helen Furgason, Pat Craig, Joyce LaGore, Ella Mangus, Shirley Camp, Bonnie Lou Naugle, Carolyn Chase, and Ila Louden.

Other chorus members who are taking part are Lucille Lawson, Bernadine Frolich, Gloria Ruttkofsky, Barbara Smith, June Stuart and Mary Joan Furgason.

SCOUTS PLAN SALE

Girl Scout Fuschia Troop No. 11 met at the Central school building Monday and completed plans for their rummage and bake sale, Friday and Saturday, April 13 and 14, at Weatherman's garage. The bake sale is on Saturday only, starting at 11 o'clock. This troop is raising funds for an out-of-town trip to a television studio in Detroit or Toledo. Mrs. Louise Partridge is the troop leader and the assistant is Mrs. Louise Matheny.

Childs Village Starts Survey

SCIENTISTS TO STUDY RELATIONSHIPS OF ALL PEOPLES OF THE WORLD

Cincinnati—Sixty children from 10 countries will work and play together in a camp environment in Ohio this summer, while social scientists attempt to learn from observing them some of the fundamental relationships that exist between people of different nationalities.

As a new approach to world understanding, this experiment will be tried in June when the first Children's International Summer Village opens near Cincinnati.

Endorsed by a large group of psychologists, sociologists, and educators, the summer village is based on the premise that an important step toward international understanding can be made if the answers are found to such questions as: What areas of agreement do people of all nations have; what are the hurdles to common understanding among these people; how do typical human beings of different nationalities, who have not had their prejudices trained and fixed, react to and surmount these obstacles?

Difference in languages is not an important hurdle and can be overcome easily, according to Dr. Doris Twitchell Allen, general chairman of the village.

"Every child," she says, "no matter what his language, understands arts and crafts, nature study, athletics, music and drama, all of which will be stressed in the village program. For the conduct of these activities and of games and for the other simple daily relationships, children are very quick to develop their own methods of satisfactory communication."

Concrete activities by teams composed of different nationalities-daily tasks of caring for the village, and assisting in the preparation of meals, are emphasized in the village program. To the extent possible, the children will establish the rules and regulations for the camp life, and, with the aid of adults as interpreters, will hold council on common problems.

One of the specific projects is that of improving the camp site itself through painting and simple carpentry, since it is felt that the group will be brought closer together if they share a common objective. Camp facilities include two neat white dormitories, a main conference building, a craft shop, a 60-by-60-foot swimming pool, and a basketball court.

There will be 80 village residents: 60 boys and girls between the ages of 10 and 12 and 30 adults, one teacher and one parent from each of the 10 countries. The parents will not necessarily be the parents of any of the children, but will be known to the families as appropriate and understanding chaperons. The 10-to-12 age group was selected because at that level children are still flexible in their social attitudes.

Theodore C. Wuerfel, headmaster of the Lotspeich School in Cincinnati, is the camp director. Mr. Wuerfel taught a class of 22 nationalities and 18 different religions at Beirut, Syria, during a two-year stay there.

SCOUTS GET AWARDS

Members of Boy Scout Troop No. 73 were entertained Tuesday by motion pictures of the Boy Scout Camp at Washington Lake. The pictures were shown by Alvin Jones, Scout commissioner for this area. Some of the parents also attended and second class awards were made to Ted Cornell, James Place, and Glenn Haviland. Tenderfoot awards were made to James Armstrong, Gary Cameron, Eugene Freeman, Kent Davison, Robert Francoeur, Bruce McDowell, Ronny Mikesell, John Naser, Warren Naugle, Nicholas Touborg, and Lee Vescelius. The awards were presented by Harold F. Naser, local Boy Scout committee member.

Cub Scouts To Hold Pack Meet on Monday

Cub Scouts of Pack No. 4 will hold their regular pack meeting, Monday evening, April 16, at 7:30 in the Baptist church. The theme for this month's meeting is "Cub Scouts Around the World." The boys have been working on flags, banners, costumes and other items in preparing for the program.

All boys who will be of Cub Scout age next fall and who are interested in joining are invited to attend with their parents. This will be the last pack meeting of the school year to be held in the Baptist church. Parents are urged to attend.

There will be no more scout basketball practices on Saturdays until next fall.

Hospital Auxiliary To Hold Anniversary Tea

The regular meeting of the Herrick Memorial Hospital Auxiliary was held Tuesday evening, April 10, in the Fellowship Center of the Presbyterian church. Mrs. Paul Keyser presided at the business meeting, and Mrs. O. W. Laidlaw was in charge of devotions.

Plans were made for the Anniversary tea, which will be held May 10 and 11 at the home of Mrs. Frank K. Smith. This marks the tenth anniversary of the founding of the Auxiliary. Plans were also discussed for the Auxiliary to participate in the nation-wide observance of Hospital Week, May 7-12. This is to be the bi-centennial of the opening of the first voluntary hospital in the United States.

Refreshments were served by the hostesses, Mrs. C. M. Brown, Mrs. H. H. Hanna, Mrs. Richard Preston, Mrs. Parke Kinietz and Mrs R. G. B. Marsh.

BRITTON

Mrs. Charles Downing will entertain the L. & M. County Line Extension Club today (Thursday) at a cooperative dinner at 12:30, followed by a lesson on collars.

Britton Boy Scouts are sponsoring a pancake supper Tuesday, April 17, to be served at the Methodist church.

Mr. and Mrs. Henry Filter have been notified that their son Wayne has received his wings as a paratrooper. He is stationed at Fort Benning, Ga.

Miss Luella Haynes returned to her home in Ypsilanti after two weeks visit here in the G. L. Gripton home.

Roy Covell and daughter Brenda Jean were dinner guests Sunday of Mr. and Mrs. Byron Covell. Evening guests included Mr. and Mrs. Harold Covell and son of Clinton, Mr. and Mrs. Oscar Frayer of Deerfield, Lavern Palmer of Trenton, and Mrs. Hazel Grueschow of Monroe.

Mr. and Mrs. Elwood Dennison were guests Sunday for dinner at the home of Mr. and Mrs. Clarence Exelby.

GUILD PLANS MOTHER AND DAUGHTER BANQUET

Plans have been completed for the annual Mother-Daughter Banquet to be held May 9 at the Methodist church, sponsored by the Guild Circle. The following committees have been appointed by the president, Mrs. Anna Bryan; co-chairmen, Frances Porter, Lottie Martin, Anna Bryan; program, Betty Crisp, Frances Porter, Lottie Martin, Alyce Dick; tickets and publicity, Lenore West, Arlene Sherman, Hazel Bonner; decorations, Catherine Cameron, Margaret Mead, Betty Wilcox; dining room, Ethel Peterson, Rosemary Poley, Gertrude Vallard, Mildred Rupp.

A well known dramatic interpreter from Toledo has been engaged to speak.

B-E Day To Be

(Continued from page 1)

ation, discuss some of the various problems of the business man, and exchange questions and answers with him. The day is not "just a tour." It is a purposeful study of the industrial community.

The teachers' experiences on B-E Day supplement textbook theory with the realities all around them—realities brought out through direct conferences with businessmen. The program also appeals to the business man as a means of showing teachers the risks, the costs and the achievements of his particular enterprise.

Present plans of the local Chamber call for a civic banquet in the evening, for the general public as well as those who participated in the day's activities. Efforts are now being made to bring to Tecumseh an outstanding program, purposely directed toward the furthering of an understanding of the American way of life.

It is also expected that the local ministers will participate in the days' activities. According to the Chamber, ministers as well as teachers, are among the leading moulders of opinion in the community. "Their first-hand observance and understanding of business operations and problems can be enormous importance to them and to all of our people," the Chamber announcement concluded.

of the pageant.

In the afternoon, besides special organ music by Mrs. Herbert Dillon, a combined women's chorus will sing under the direction of Mrs. Lok of Adrian. Mrs. W. G. Waldron has been directing about fifteen members of the Tecumseh clubs for their part in the chorus, Mrs. Lisle Pickford of Adrian and Mrs. Glenn Nye of Addison will conduct a memorial service.

Mrs. Judith Lowe of Michigan City, Indiana, who is a brilliant speaker and world traveler and also a keen analyst of international relations will be the guest speaker. She is a graduate of the University of Chicago and has taught at the University of Madrid, Spain; at the Sorbonne in Paris; and at the University of Mexico. Mrs. Lowe spent six months during the past year renewing contacts in France, Germany, Holland, Belgium, Denmark, and Sweden.

To accommodate the number of women who will attend, arrangements have been made for the luncheon to be served in the Methodist, Presbyterian, and Baptist churches. Reservations may be made with Mrs. Lynn Hubbard by April 16.

Mrs. Herbert Murphy and Mrs. Paul Ahleman, officers of the federation, will have charge of the registration. Mrs. E. J. Aebersold, president of the Tecumseh Monday Club, and Mrs. George French, president of the Business and Professional Women's Clubs, will extend greetings to the visitors. Other members will act as hostesses and ushers.

Ford Mill

(Continued from page 1)

Sugden said. Some of them will be women.

"It is a little early to make a detailed announcement regarding the operation of the plant in Tecumseh," Sugden said. "Right now our engineers are on the job, and we are endeavoring to determine just what must be done to suit the building to our needs. It will probably take several weeks to make the necessary alterations. Machinery will be moved in as soon as possible, but I can't say when actual production will start."

Sugden said that his company was favorably impressed with Tecumseh. "Of course," he continued, "we are strangers to you folk, although we have been in business for more than 50 years, just as you are strangers to us. However, we want to become a part of the community, and to get better acquainted."

Munro Tibbitts is president of the Universal company, Harry Slotter is vice-president and general manager, Walter Meek is vice-president and treasurer, and Mr. Sugden is the secretary. How many key men from the Detroit plant will come to Tecumseh, the officer could not say.

The Ford Mill, located on the banks of the River Raisin, is one of Tecumseh's oldest landmarks and, after it was acquired by the late Henry Ford and remodeled, it was one of the community's show places. Mr. Ford spent thousands upon thousands of dollars rehabilitating the mill, installed a water wheel, and a steam turbine, which was imported from one of his properties in the South. Conservative estimates of the cost of the rehabilitation program by Mr. Ford ran between $250,000 and $300,000.

Early in Mr. Ford's ownership, it was speculated that the mill would be used to grind soy beans, grown on some of the 14,000 acres of land which the motor magnate owned in this vicinity. However, the plant never was used for milling purposes. For a brief period, it housed an assembly plant for the building of some electrical equipment for Ford cars. Later, it was closed and the space used for the storage of surplus materials used in other Ford factories.

State Jobless Pay In 1950 Over A Billion

Washington — The state jobless insurance systems paid out $1,400,000,000 to idle workers last year, the Labor Department has reported.

That was $400,000,000 less than in 1949. The number of workers receiving unemployment insurance payments also dropped from 7,400,000 in 1949 to 5,200,000 in 1950.

The average weekly benefit hit a record high of $20.76, however. Payment rates vary according to state laws.

Another record also was set in 1950 in the number of workers covered by state unemployment insurance laws. The total reached 34,800,000 in December, and their wages amounted to an all-time peak of about $100,000,000,000.

Says Warts Can Become A Source of Infection

Warts should be removed primarily for medical reasons and not merely for beauty's sake, according to a University of Michigan skin specialist.

The tendency to pick or scratch warts makes them a vulnerable source of secondary infection, Dr. Raymond W. Goldblum, a resident physician in the University Hospital Dermatology Clinic, pointed out.

He added that the danger is enhanced because warts will spread even when they are not scratched.

Warts are believed to be caused by a virus although the virus has not been completely identified, Dr. Goldblum said.

The virus enters the skin through a cut or scratch and lodges inside a cell of the upper layer of skin tissue known as the epidermis, the U-M doctor explained. First signs of a wart appear in about three to six weeks after the virus enters the tissue cell, he added.

Warts can occur on any part of the body's outer surface and also in mucous membranes areas such as those inside the mouth, he claimed.

Most warts cause very little discomfort except when they grow to a considerable size on the sole of the foot, the dermatologist indicated. In such cases, thick warts cause painful pressure similar to having a stone in your shoe, he said.

Four methods of treating warts were outlined by Dr. Goldblum: (1) electric spark; (2) acid plaster combined with scraping; (3) oral administration of a bismuth compound; and (4) X-ray therapy.

The type of treatment for removal of a wart depends on where it is located and the kind of wart involved, he said.

In a few patients, warts sometimes disappear without medical treatment, Dr. Goldblum commented. Such "spontaneous remissions" are probably due to the body's defense mechanism for resisting disease and infection, he said.

Because of the difficulty of destroying all the skin tissue cells that may have become infected by the wart virus, Dr. Goldblum pointed out that 10 to 20 per cent of all treated warts will reappear.

FIRST AID CLASSES AWAIT AN INSTRUCTOR

Neville Hart, chairman of Tecumseh's Civil Defense program, said today that it would be impossible to start another class in first aid locally, until such time as an accredited Red Cross instructor can be obtained. He hoped that this could be done within a week or two.

When the next first aid class is organized, Mr. Hart said that training would be available to both men and women. Tecumseh's first training class recently finished its course. About 50 were enrolled.

Flow of Refugees To U. S. Is On Increase

Geneva — The International Refugee Organization said more refugee immigrants sailed for the United States in January than in any month since the end of 1949.

The January total of 9,626 brought the number of refugees sent to the United States since July 1, 1947, to 247,632—considerably more than the number of refugees accepted by any other country.

Australia was in second place with a total of 172,517 and Israel in third place with a total of 120,779.

The IRO said the United States, Canada, Brazil, and New Zealand were expected to admit the bulk of the 162,000 refugees still waiting resettlement to new homes.

Since the beginning of its operations in July, 1947, the IRO has found new homes for 893,373 refugees.

Plant Our Pre-tested Seeds And Watch Your Garden Grow

You'll be thrilled, and your neighbors will be jealous, if you'll plant our pre-tested seeds in your garden.

Pre-tested seeds — the kind we've sold year-after-year to satisfied customers — cost no more than ordinary seeds. But they are tested by the producer to make sure that they will give you satisfaction. And that's what counts.

Make no mistake this year. Plant pre-tested seeds and be proud of your garden.

Shenandoah Apple Festival, May 3 and 4

Winchester, Va.—Popular annual Springtime celebration is the Shenandoah Apple Blossom Festival scheduled here for May 3 and 4.

A record crowd of visitors is expected at the "Apple Capital" to witness colorful parades, pageants, balls, and firework displays.

A pageant, made up of more than a thousand dancers, will be staged on both days. Coronation ceremonies for Queen Shenandoah XXIV will precede the performance on the afternoon of May 3. On Friday the pageant is planned for the morning.

On the afternoon of May 4, the Grand Feature Parade will proceed along "The Trail of the Pink Petals." This will be preceded by the Firemen's Torchlight Parade, comprising fire companies from numerous communities in Virginia and surrounding states, the night before. A fireworks display climaxes the parade.

Balls in honor of the Queen and her attending court of princesses, numbering nearly 40 young ladies, will be held on both festival nights. Besides the parades and dances, there will be military, industrial, and agricultural exhibits, band concerts, and orchard tours.

Information about the program, accommodations in Winchester, and tickets may be obtained from the Shenandoah Apple Blossom Festival, Winchester, Va.

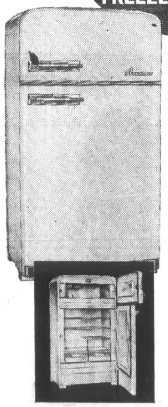
DEFROST? NEVER!

That's just ONE Great Feature of the Amana FREEZER-REFRIGERATOR



Yes, the Amana Freezer-Refrigerator brings you many, many other benefits besides ridding you of messy refrigerator defrosting forever; because the freezing and refrigerator compartments are completely separate, you get uniformly correct temperatures in each compartment!

The "kitchen-size," 2-cu. ft. freezer, with its own separate door, really quick-freezes meats, vegetables for long term preservation . . . holds up to 70 pounds of frozen foods.

Roomy 7.1 refrigerator compartment keeps all foods moist cold — they need no covering; interchangeable stainless steel shelves and 2 jumbo fruit and vegetable fresheners.

Come in — see the Amana Freezer-Refrigerator . . . open both doors and see how it gives you double value. Here at last, is a refrigerator that never needs defrosting PLUS a real kitchen-size food freezer!

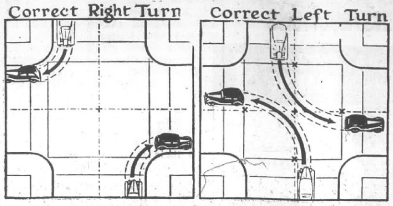
Today's Driving Lesson



Experienced drivers make more mistakes while executing left turns than in any other traffic maneuver, says Ernest P. Davis, Automobile Club of Michigan's safety and traffic director.

Teachers in 305 Michigan high school Driver-Training courses explain that the left turn is the enigma of most motorists because it requires exacting movements. When the car is placed improperly in the center of the intersection, the resulting traffic jam is mild compared to more serious possible consequences.

The teachers recommend this sequence of movements for skillful left turns:

1. Start getting into the proper lane for the turn at least 300 feet ahead of the intersection. Execute the "straight-out" arm signal.

2. Start the left turn before the middle of the intersection. Then stop so that cars in lanes on both sides of you can pass. Wait until all oncoming traffic has cleared.

3. Move on so that you pull into the center-line lane of the street you are turning into. That lane is the counterpart of the lane you left when you turned.

If you wait to turn until your car is past the center of the intersection, you're the maker of a traffic jam, because your car will not allow left turns from the opposite direction of the street.

Right turns "just come naturally."

1. Get into the far right lane 300 or more feet before the intersection. Use the "straight-out" arm signal.

2. Turn into the far right lane of the street you are entering, and be careful not to "charge" pedestrians crossing legally on the green light.

COMMUNICATION

Dear Editor:

Returning from a 2,000 mile trip thru New York and Pennsylvania, over main highways, secondary roads and roads washed out by water from the mountains, all were marked with signs reading, "Slow, Damaged Roads," thru small towns and large cities. A fellow starts to feel good as he nears his hometown, looking forward to familiar faces and places, and then a mile or so from town he is met with a cloud of heavy smoke, and then bumpity bump, we enter Tecumseh and, then a cloud of dust covers you, with a happy welcome. Like the Sahara desert in the middle of a windstorm as you proceed, bump by bump, down thru the boulevard main street, pass the brightly lit and dimly seen business places, and you are shaken into the most ennobling and inspired thought, that Tecumseh rates the worst roads and the dirtiest community in the entire trip.

In writing the above the writer is fully aware of his own personal responsibility, and the responsibility of others of his generation, for the above mentioned conditions in our community. He is also aware of all the excuses that elected public officials can give to explain these conditions.

Closing, a reminder to our public officials, citizens of Tecumseh and the writer, that dirty communities and poor streets are more destructive of the American way of life than Atom bombs, wars and diseases. While men are dying, it is no time for excuses, but for action on the home front, so that those who will return, will be welcomed by a clean community with clean streets, giving them the feeling that, they are glad they had a chance to fight for the "American way of life."

U. S. SEEKS EXPERTS IN OLDER BRACKETS

New York—The government is looking for industry experts past 65 years of age who have retired to put them into harness in the defense program.

Thomas Spooner, conservation planning specialist for the National Security Resources Board, said such men were being sought by many federal agencies "to give their experience and abilities to the mobilization effort."

Speaking at a production conference of the American Management Association, he said the use of retired industrial employees would be an important labor conservation measure.

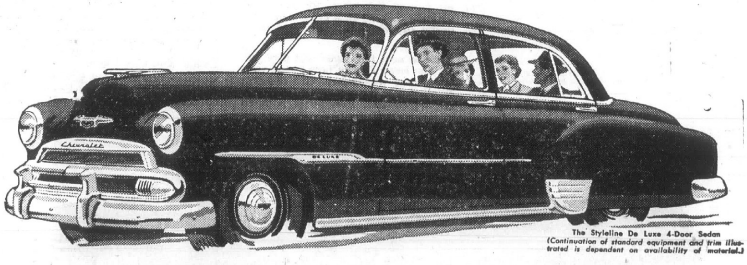
CHEVROLET

America's Largest and Finest Low-Priced Car!



The Styleline De Luxe 4-Door Sedan
(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Yes, LARGEST...
and the facts speak for themselves

It's LONGEST in the low-price field, a full 197⅝ inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-taming 58¾ inches between centers of the rear wheels. Longer, heavier, with wider tread . . . that's the measure of Chevrolet's rock-solid value . . . big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet . . . when Chevrolet is the lowest priced line in the low-price field.

Yes, FINEST...
and here are the plain-spoken reasons

FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANSMISSION, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Phone Service Change Tonight

NEW 12-POSITION SWITCHBOARD WILL BE IN FULL OPERATION HERE, FRIDAY

The Michigan Associated Telephone Company will "cut in" its new 12-position switchboard on the local exchange sometime tonight, and the old four-position board that has served the village for many years will be abandoned as of Friday.

The new board makes possible the use of three times as many operators by the company as heretofore, and will greatly speed up both local and long distance service, the company said. Four positions on the new board will be used exclusively for the handling of local calls, and the other eight positions will handle nothing but long distance service.

Tomorrow, when the new board is in operation, audible ringing of the called party's telephone will make it possible for the calling party to hear the effort being made to effect the connection. The ringing is fully automatic, and continues until the called party answers,

B-E Day Plans Are In Progress

QUAKER OATS COMPANY TO ARRANGE FOR BANQUET PROGRAM ON MAY 1

The Quaker Oats Company of Chicago will make arrangements for a program for the B-E Banquet which is to follow the Business-Education Day activity on May 1, it was announced today by the Chamber of Commerce. The aid of the great corporation was obtained by Donald Nixon, manager of the local plant, and with Ralph Comfort, one of the co-chairmen of the day's activities.

"Our company is very much interested in B-E Days," Mr. Nixon stated. "The Quaker Oats Company carries on an intensive program of showing people the benefits of the American way of life. B-E Days are designed to do just that, and in the other towns in which we have plants, we have found that business and the teachers have both profited by these days."

Three Boys Are Held In Breaking, Enterings

Tecumseh police, cooperating with Michigan State Police from the Clinton post, have solved four breaking and entering cases and four pilfering cases from cars in the Products parking lot, with the arrest of three minor boys, it was announced today.

The breaking and entering cases solved included the Tecumseh Iron & Metal Co., on March 6, the G. & J. Manufacturing Co., on April 13, the Baldwin Hardware Co., on April 16, and Shea's poolroom. Most of the stolen goods were recovered, it was said.

The boys, all of them local residents and under age, will be taken before the probate judge in Adrian.

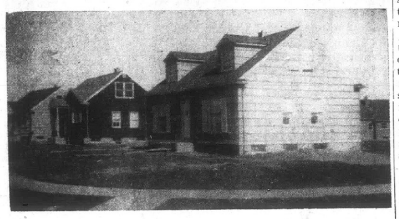
Three Years Of Steady Construction Transforms 90-Acre Farm Site Into Fast-Growing Subdivision



Herrick Park, Tecumseh's newest subdivision is three years old this month. The 90-acre farm site today is the location of nearly 80 houses, and 20 or 30 more will be built there this year. The subdivision is modern in every detail, including streets, sidewalks, water, sewer, gas, electricity, etc.

Upper photo, left, is the new house of Mr. and Mrs. Paul Breitenwischer, nearing completion. Below it is pictured the new home of Mr. and Mrs. Carl Fosbender and third from top, left, is the home of Mr. and Mrs. Donald Cobb.

Upper right are the homes of Mr. and Mrs. Tim Neill, left, and Mr. and Mrs. Donald LaBounty. The picture, middle right, is the home of Mr. and Mrs. Otto George, and below that, the home of Mr. and Mrs. James Perrin.

The two pictures at the bottom show general views of the park, as seen from Outer Drive.

There are sufficient lots in the Park to permit the building of 160 houses.

New house construction in Tecumseh this year is expected to keep pace with that of a year ago, despite credit restrictions and material rationing. Last year, about $1,000,000 worth of housing was built in the village and its immediate fringe area, a survey showed.

Gym Demonstration Is Attended By Big Crowd

The spring gym demonstration, sponsored by the Parent-Teacher Association, under the direction of Miss Elda Cauffiel and Coach Elven Duvall, was presented Thursday evening at Central School before a capacity audience.

The first division included acrobatics and tumbling by third, fourth, fifth, sixth, seventh and eighth grade students. Jaycee Walker of the fifth grade, was outstanding in her performance. The Indian club demonstration by high school boys proved interesting.

The third division included games by the third and fourth grades; kickball by Mrs. Osburn's and Mrs. Boltz's students, volley ball by the seventh and eighth grade classes, and basketball by a group of high school girls.

Included on the program were folk dances by sixth grade girls; wrestling by sixth grade boys, and commando basketball by high school boys.

The finale was a modern dance composition, "Glow Worm," in which high school girls participated.

Parents, Cubs Hear Program

LARGE GROUP ATTENDS ENTERTAINMENT MONDAY EVE AT BAPTIST CHURCH

Cub Scouts of Pack No. 4 presented a colorful program on Monday evening at the Baptist church, before a large crowd of parents and prospective cubs.

The theme was "Cub Scouting Around The World." The different countries, Spain, Switzerland, India, China, Brazil, Norway, Mexico, Great Britain, Greece, and Hawaii were represented in costume, with the Scouts carrying colorful flags, banners, maps, etc. Den No. 7, under the direction of Mrs. Max Smith and Mrs. Al Williams as den mothers, conducted the opening ceremony by representing Hawaii with the pledge of allegiance to the flag. Tommy Harrison and Guy Williams, were dressed as Hawaiian dancers, and all members of the den wore leis, made by the club. Den No. 6, under the direction of Mrs. Clare Rozelle, presented a quiz with Garey Abner asking the parents to name the country each boy in costume represented.

Chester Beach, cub master, welcomed the visiting boys and their parents.

The story of "Cub Scouting Around The World," was given by Den 5, with Mrs. Charles Stephensou and Mrs. David Dick as den

GETS TRAFFIC FINE

Arrested by police on complaint of a citizen, Dewey Turner of Tecumseh was arraigned last Thursday before Justice French, charged with running a stop sign and with speeding. He paid a fine of $10 and costs of $3.10.

Stores To Open Friday Nights

CLOSING OF RETAIL SHOPS SATURDAY EVENINGS TO START ON MAY 4TH

Starting on Friday, May 4, Tecumseh's downtown stores will start opening Friday evenings and closing Saturday evenings. This change from the traditional Saturday night opening for retailers was announce this week, by the Chamber of Commerce after a complete survey of downtown stores was made to determine their preferences.

The preference for the change was nearly unanimous. Forty of the stores expressed their wish for the Friday night opening. Ten others indicated a different preference, although most of them stated an intention to cooperate with the majority. Of this group also were some stores which at the present time are already open nearly every night.

A number of reasons combined to influence the merchants in their decision. Most of them pointed out that today's trend in all business is for the longer week-end. Tecumseh's manufacturers generally work five days, and merchants find it increasingly difficult to obtain employees to work six days, or on the sixth day. Moreover, most Tecumseh industries pay off each Friday, and local merchants find themselves in a difficult competitive position with neighboring towns which are already observing Friday night openings.

The merchants have indicated that the plan will be followed for a considerable length of time to allow time for shoppers habits to form. Should no such shopping trends develop, other closing patterns would be considered.

Town Sponsors Trash Pick-Up

TRUCKS WILL HAUL RUBBISH PLACED ON BOULEVARDS, EVERY DAY THIS WEEK

The village-wide trash pick-up, sponsored by the village, is meeting with success again this year, according to A. G. Leitch, engineer, and the program will continue daily throughout Saturday, he said.

The pick-up program was inaugurated last year, and met with such success that it was repeated again this year at the request of residents. Under the plan, all trash and rubbish, normally found around a yard in the spring of the year, will be hauled to the dump by village trucks without charge, if it is placed at the curb line in front of residences, any day this week.

"Our trucks are making every street in town, hauling the debris to the dump," the village engineer said. "Monday, of course, it was

Is More Money The Answer To Good Roads?

We have read with considerable interest in the past few weeks the proposals for increased gasoline tax revenue as argued in the state legislature at Lansing. We agree that it costs more money today to build and maintain roads than it did five or ten years ago, and we also agree that in all probability, most or all of any slight increase in the gas tax would be absorbed by the oil companies. In all probability, the price of gasoline to consumers, despite a tax increase, would remain the same. The state, of course, would as a result of the increase, have more money to spend on roads. However, we cannot but wonder if it would make any difference in the actual condition of our highways.

Given all of the money in the world, we doubt if it would help the condition of the roads in Lenawee county. Roads are not paved with dollars. Chuck holes are not filled with silver or gold. True, it does take money to buy the things needed to build roads and to fill chuck holes, but unless the right materials are used, and at the right time, both effort and money are wasted. In Lenawee's case, that is what we believed has happened.

Lenawee county's highways did not get into the condition they are in today simply because money was scarce, the winter was severe, and general weather conditions were unusual. They are in their present condition because they have not been properly cared for for many years. The fact that we did have a rather severe winter just hastened the return of the "chickens to their roost."

One doesn't need a degree in engineering to know that the type of maintenance that Lenawee county's roads have received in the past years was not in keeping with the best road repair practices. If there are those who disagree with our statement, we'd refer them to any stretch of road they might desire to choose in Lenawee county. Then we'd like to have them recall the amount of "patch work" that was done on that particular road during the past five years, and then observe its condition today. Did the "patch work" endure the test? Is the road in good condition now? Was the money that was spent on "patch work" spent wisely?

That is what we mean when we say that, given all of the money in the world, unless the method of spending it is changed, we doubt that it would make any difference in the condition of our roads.

Today, as we see it, road building is a science. We talk about heavy traffic, increased traffic, and the weather. They also have these same conditions to contend with around large metropolitan areas in the east, and in other sections of the mid-west. Are the roads there in the condition that they are in Michigan and in Lenawee county? The answer is that they are not.

Something has happened to Michigan's road building and repair system from the top level to the bottom. Michigan's gasoline tax revenue has been steadily increasing for years. Most of our good roads in this state were built on a two-cent a gallon gasoline tax. Today, with a higher gas tax, we cannot even maintain the roads that we have built, to say nothing about building new ones.

As we see the problem, more money is not the answer. It is very easy for politicians to demand from the legislature, and for the legislature to demand from the people, more tax dollars. And these dollars can be started on their way to Lansing by the enactment of a law bearing the governor's signature. But what happens to the money after it gets there, how much of it is spent wisely on our good roads system, that depends upon the State Highway Department and the county departments under its supervision. Without some changes in the methods of these departments, what good will any of us get out of an increased tax?

In our judgment it is long past time that the taxpayers of Michigan started to demand something for the money they now are paying into the state's road fund. Perhaps the terrible condition of primary and secondary roads in the state will, if folk are forced to drive on them long enough, awaken a keener interest by taxpayers in the functioning of these departments.

Frankly, we are ashamed of the roads in Lenawee county. Never, in 20 years, have they been as bad as they are this year. And never, in that length of time, has the maintenance on them been as inadequate.

Crying for more money — and getting it — will not rebuild the roads unless it is spent wisely. We doubt very, very much if those now in authority — from Lansing on down — in the highway department, fully realize the answer.

Brownie Scouts Guests of Pythian Sisters

The Josephine H. Hall Temple, Pythian Sisters, entertained thirty-one Brownie Scouts, members of Poppy Troop No. 9, led by Mrs. George Wittrup and Mrs. Howard Truesdale, and Sunflower Troop No. 7, led by Mrs. J. C. Cameron and Mrs. Duncan Oliphant, at a dinner Wednesday evening. The guests were seated at long tables decorated in yellow, red and blue and centered with flags. The leaders assisted the members in serving. Karen Hall conducted devotions.

After the dinner Linda Baldwin led both troops in the raising of the flags and the pledge to the flag and Janet Harris announced the songs. Mary Roberts was mistress of ceremonies and announced the program which consisted of a piano solo by Sharron Mitzner; the story of Juliette Lowe, by Judy Truesdale; the aim of Scouting, by Harriette Blanden; a Brownie story, by Mary Seager; What we do in our Brownie meetings, by Ann Cameron, Peggy Robinette, Jane Crowford and Jean Wagner; piano solo, by Alice Jane Titley; "The Thing," a novelty skit, by Carol Kilburn, Carol Pease, Jane Harsh, Carol Wotring, Sally Hunt and a chorus of twelve girls with Doris Oliphant at the piano.

During the business meeting Mrs. William Custer and Mrs. Fred Whelan were named visiting committee for April, and Mrs. Custer and Mrs. Harry Schuch were appointed as chairmen for two bake sales to be held the first Fridays of May and June. Plans were also made for a card party with Mrs. Cecil Smith as chairman, the date to be announced later.

Army Air Force Again Accepting Enlistments

The Air Force, which has restricted enlistments since a record number of volunteers jammed its training facilities early this year, can again accept a large number of volunteers, it was announced today by Lieutenant Colonel Sidney R. Rothschild, deputy for recruiting, Michigan Military District.

"We can enlist over one thousand Michigan men in the Air Force this month," Colonel Rothschild said. "Men who have been unable to enlist because of quota restrictions are now encouraged to re-apply for enlistment at their Adrian Army and Air Force Recruiting Station."

Veterans or non-veterans, single or married with no more than two dependents, are eligible for enlistment in the Air Force. Those with prior service are sent to Selfridge Air Force Base for initial assignment. Those without prior service are transferred to Lackland Air Force Base, Texas, for basic training.

POPULATION OF JAPAN AT NEW PEAK IN 1950

Tokyo—The population of Japan increased 1,448,055 in 1950—reaching a record high of 83,525,000.

These figures were announced by the Japanese Welfare Ministry after a population survey. The ministry held that family planning information was a factor in reducing the number of births. There were 340,000 fewer births than in 1949.

For each 1,000 persons, there were 28.3 births in 1950. In 1949 the rate was 32.9. Since 1934, the lowest rate had been 30.1. Fatalities declined to the lowest percentage a 1,000 population since 1900. This percentage was 19.9, for a total of 908,801, compared with 945,444 in 1949.

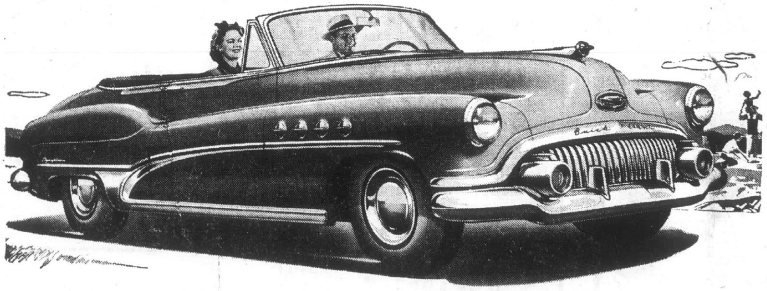
Why not give your Pride a Break?

FIREBALL POWERED



Let's see what it means to own a ROADMASTER.

It means, first of all, that you're a shrewd judge of fine manufacture. Nowhere will you find a mechanism more skilfully fitted part to part with scrupulous precision—engineered to stricter standards of fine-car quality—than the deep-framed and durable ROADMASTER chassis.

It means, also, that you possess keen appreciation of everything that makes for unsurpassed performance.

For there's more to this dazzling beauty than its thrilling take-off. There's the surplus of power that you need to make you the master of busy traffic or open road—plus the velvet magic of Dynaflow Drive (at no extra cost, mind you).

There's the level-going luxury of ample roadweight buoyantly balanced on coil springs on every wheel—and the security of brakes specifically engineered for firm control of this great-powered beauty.

But there's still another distinction to being a ROADMASTER owner.

It marks you as one who buys wisely and well. Size for size, pound for pound, feature for feature, few cars can even approach what your dollars will buy in this finest of Buicks.

There's much more to be discovered by a visit to any Buick dealer's showroom.

There's the sumptuous softness of cushions, the custom excellence of fabrics and interior trim, the grace and charm of every line and contour.

So if you've dreamed of sometime owning a car superbly fine, there's no time like the present—and no car like ROADMASTER for making dreams come true.

Equipment, accessories, trim and models are subject to change without notice.

Macon Woman's Club Hears Miss Ingersoll

The April meeting of the Macon Woman's Club was held Thursday, April 12, in the Travis home with Mrs. Blanche Travis and Mrs. Melvin Travis hostesses and Mrs. Herbert Morden, president, presiding.

The election of officers was the main business of the day, resulting in a unanimous vote to return the present officers to their positions for a second term. Mrs. Herbert Morden is president, Mrs. Richard Robinson, vice-president, Mrs. Melvin Travis, secretary, and Mrs. Darwin Smith, treasurer.

A contribution, from the club treasury, of $5 for the Red Cross and $5 for the Cancer Fund was passed.

The program of the afternoon, planned by Mrs. Darwin Smith, chairman, was opened by singing and the reading of a chapter from the Bible by Mrs. O. I. Evans, who also led the group in the Lord's Prayer. Two piano duets were given by Mrs. Vaughn Whited, of Clinton, and Mrs. Carl Thomas. A reading, "Farewell to Eats," was by Mrs. Richard Robinson. The guest speaker of the afternoon was Miss Edith Ingersoll of Tecumseh, who gave an interesting and thrilling account of the very earliest settlements in Michigan, first at Sault Ste. Marie and later at what is now Detroit and the slow settlement of the state, in these districts, until the final admission into the Union in 1837.

Grateful thanks were extended to Miss Ingersoll for a most enjoyable and instructive discussion.

Miss Billie Richardson Weds Clarence Nichols

Miss Billie J. Richardson, daughter of Mr. and Mrs. Earl Richardson of Rt. 1, Tecumseh, and Clarence E. Nichols, son of Mrs. Ethel Clark of Gregory, Mich., were married Saturday afternoon at 2:30 in the Baptist parsonage by the Rev. B. O. Bashore. They were attended by the bride's parents, Mr. and Mrs. Richardson. The bride wore a blue silk dress with rose accessories and a rhinestone necklace.

A wedding reception was held at the home of the bridegroom's mother, in Gregory, for forty friends and relatives, in the evening. The table was centered with the traditional wedding cake, a gift of the bride's parents, Mr. and Mrs. Nicholas received many gifts.

Why you should never let your

BLUE CROSS-BLUE SHIELD *membership lapse!*

If you're planning to change jobs or terminate your employment for any reason, you can very easily keep up this priceless protection against unexpected hospital and medical bills.

If you go to work for another firm that doesn't make these plans available . . .

. . . you can easily continue your membership through the Direct Payment Plan. In fact, as soon as we are informed that you are no longer with your original group, full information on the Direct Payment Plan will be forwarded to you. If you have moved recently, send your new address to Blue Cross-Blue Shield, 234 State Street, Detroit 26.

If you're going to work for another company that makes Blue Cross-Blue Shield available . . .

. . . then it's just a question of changing from your old group to a new one. Your new employer will arrange the transfer for you—but be sure to notify him immediately!

As long as your Blue Cross-Blue Shield Membership Card remains in force, you and all enrolled members of your family are protected against unexpected health-care costs.

REMEMBER—accidents and illness could strike in your family tomorrow!

There will be hospital or medical bills in about *one out of every four families* this year! Such unexpected bills can easily wipe out family savings. Often people have to borrow money in order to meet them.

Your Blue Cross-Blue Shield membership is priceless protection. You're lucky to have it. Don't let it lapse!

For further information about retaining your protection write to Blue Cross-Blue Shield in one of these cities.

mothers. A costume song was sung by Den No. 9, representing Switzerland. The boys were dressed in colorful costumes both as Swiss boys and girls. The Swiss "girls" were "Goldie" Hanna, "Tessie" Price, "Daisy" Elliott and "Rosie" Shuyter. The Swiss boys were Larry Anderson, John Elliott, and Jerry Munger. Mrs. Jim Elliott, the den mother, was assisted by Mrs. Ray Shuyter, Den No. 3, with Mrs. Robert French and Mrs. David Locke as den mothers, presented a film strip, "The Cub Scout's Activities Program," with Robert French and B. O. Bashore explaining the film.

Bobby and Billy Neal, alias Rufe and Rastus, of Den No. 2, with Mrs. Earl Place and Mrs. Cecil Fielder as den mothers, presented the following awards: Jerry Crunk, wolf badge; Joe Hayden, lion, gold and silver arrows; Duane Locks, wolf badge, two gold and two silver arrows; James Poley, wolf badge; Todd Herrick, gold arrow; Tommy Tressler, bear badge, lion badge, two gold arrows and four silver arrows; James Mangrum, silver arrow; Douglas Hoffman, lion badge; Teddy Kempf, silver arrow; John LeBaron, gold arrow, five silver arrows; Jerry Munger, gold arrow.

Dens No. 4 and 10 with Mrs. Hugh Andreys and Mrs. Lauren Nichols as mothers, invited all the Cubs to join in forming a large "living circle" and all of the boys repeated the Cub Scout benediction.

Immediately following the program a film on "Railroading" was shown to the Scouts and visiting boys while the announcements were made. The den mothers meeting will be held Thursday afternoon, April 19, at the library at 1:30. The Cubs will again enjoy an outing at Camp Kanesatake, May 26, which will be their last pack meeting. On May 21 several film strips will be shown on "Leadership" which should prove helpful for den mothers and parents. Invitations to prospective Cubs were sent out by Den 1, with Mrs. Chester Beach and Mrs. Harold Hall as den mothers.

Grange Gives Play Cash To Herrick Hospita

Tecumseh Grange, in session at its hall here last Thursday evening, voted to turn over to Herrick Memorial Hospital all of the funds it received from the Exchange Club Minstrels, staged at the hall several weeks ago. The Minstrel was presented twice by the club, and Exchange has turned over to the hospital $375, the money to be used to purchase an intercommunication system.

The Grange also voted to give $20 to the Cancer Fund, after a communication from that group had been read. New chairs purchased for the local hall have been delivered.

Harold Rohrback, master, presided at the short business meeting that followed the potluck supper. Tecumseh won the cup at the Pomona Grange meeting in Madison for having the most members present, it was announced.

The program after the business meeting was in charge of Mrs. who showed motion pictures.

The supper committee for the next meeting of the Grange on April 26 is Mr. and Mrs. Floyd Barrett, Mr. and Mrs. Clarence Schroeder, Mr. and Mrs. Earl Murphy and Mr. and Mrs. Geo. Squires.

OFFICERS ARE NAMED BY MUSIC CLUB

The Tecumseh Music Club met at the home of Mrs. Ellsworth Collins, Tuesday evening. Mrs. Murray Day, president, presided at the business meeting. The election of officers was held with Mrs. Day re-elected as president; Mrs. Ralph Westgate, vice-president; Mrs. Harold Green, recording secretary; Mrs. Herbert Dillon, corresponding secretary; Mrs. Wilbur Boyce, treasurer; Miss Edith Ingersoll, librarian; Mrs. R. S. Moore and Mrs. Maynard Mulvany, directors; Mrs. Charles Ruthruff, counselor.

An interesting musical program was presented by a string trio from Adrian, made up of Betty Minichter, first violinist; Merlyn Kellogg, second violinist; Eleanor Ruesink Chelloist, and Sondra Snyder, accompanist. Mrs. Wilfred Waldron read a paper on violins, prepared by Miss Ingersoll. Two violin solos were played by Mrs. Henry Vaughn accompanied by Mrs. Dillon, and Billy Heimindinger played a solo accompanied by Mrs. Vaughn. Refreshments were served by Mrs. Collins assisted by Mrs. John Wintersteen and Mrs. Nina Heath.

B-E Day Plans

(Continued from page 1)

In Tecumseh the local ministers are also to be invited to participate with the teachers in the day.

The local Business - Education Day will follow for the most part the pattern which is proving so successful throughout the nation, in the morning the teachers will tour and study the plants assigned to them to see industry in actual operation. At noon they are guests of the management of the host plant for a luncheon.

The afternoon is devoted to discussions of the problems and topics of operation of American business as demonstrated in the particular plant being visited. Among topics of discussion will be the reasons for a particular plant's being located in Tecumseh, what started the business, what benefit the community derives, where the market is, the sources of raw material, personnel problems, and a host of other possible topics that are the daily life of the industrialist, but which the layman seldom knows anything about.

Phone Service

or the calling party replaces the receiver.

The Michigan Associated Telephone Company is spending more than $100,000 in improving its service locally, including the installation of the new switchboard, the remodeling of its office building, and the building of new cables and lines to care for the added load of business.

Because of the switchboard change, it has been necessary to change some telephone numbers on the local exchange. A supplement directory has been issued by the company to advise subscribers of such changes. The use of the supplement directory, in addition to the regular directory, should begin on Friday, the company advised.

cold and it snowed and the residents were a little late in getting started. However, by noon, five loads of trash had been hauled, and the average every day since has steadily increased."

Mr. Leitch said that the pick-up would continue right through Saturday, although normally the trucks do not operate on Saturdays. "We want Tecumseh to be cleaned up, and we're willing to cooperate with the residents. If they will put the debris at the curbs, we'll do the rest for them."

The engineer pointed out that because of a lack of men and equipment it would be impossible for village trucks to drive into yards to pick up the trash.

"I think that everyone can understand why we can't do this," Leitch said. "However, the cooperation we are receiving is excellent, and everyone is happy to have the rubbish removed from the boulevards."

Hear Of A Bomb

(Continued From Page 1)

detailed plans of the program with them. Butler also urged that wardens and section wardens complete immediately the questionnaires that have been in their hands for several days.

"This is not a big job, it is just a civic duty," Butler declared. "We dislike asking someone else to take over with your job, now that you have started," he told the group. "You were chosen for the warden's job in your territory, and we hope that you will carry on. However, the job must be done, even if replacement is necessary in some instances."

Butler also pointed out that sectional and block wardens are expected to name a woman in their area as their assistant, and this also is to be done at once.

Copies of the booklets, "Survival Under Atomic Attack," have arrived in Tecumseh and will be distributed by block wardens. These copies were purchased through a Community Fund contribution. Section wardens should get the booklets from Mr. Butler, and turn them over to block wardens for distribution. There are sufficient copies for every house in Tecumseh.

Butler also announced that another first aid class would be formed here in the near future, the date to be announced.

LUNCHEON HOSTESSES

Hostesses for the Tecumseh Country Club luncheon to be held Wednesday, April 25, at one o'clock are Mrs. H. H. Hammel, phone 687 and Mrs. Fred C. Dickinson, phone 44M. Reservations must be made not later than Tuesday noon.

WIT, WISDOM CLUB PLANS FOR BANQUET

The Wit and Wisdom Club met at the home of Mr. and Mrs. Delmar Crisp, with Mr. and Mrs. F. E. N. Thatcher assisting, on Monday. Earl Place gave an interesting talk on his visit to the United Nations in February. John Hamilton showed some interesting colored pictures of the Rose Bowl game taken last New Year's Day.

The annual banquet will be held on May 14 at St. Peter's church. Reservations are to be made with Mrs. M. G. Partridge or Mrs. Fred Rector.

NEW YORK TO LONDON IN HOUR, FORECAST

Los Angeles — Passenger rocket planes taht will fly from New York to London in an hour at altitudes up to 500,000 feet are forecast by Hall L. Hibbard, vice-president in charge of engineering of Lockheed Aircraft Corporation.

Speeds in excess of 10,000 miles an hour will be practical with such craft, Mr. Hibbard told a luncheon group here. He did not say when the rocket ships will be placed in operation.

Jet passenger planes capable of maintaining five-hour schedules between planes that will fly from New York already have been designed, he said, and await only the appearance of an interested customer. Their speeds would be around 600 to 700 miles an hour, he added.

JUNIOR LEAGUE ELECTS

The Baptist Junior League met Tuesday evening at the home of Mrs. Leslie Becker, with Mrs. Ralph Young as co-hostess. Mrs. Charles Beland led the devotions and Mrs. Clayton Mikesell was in charge of the program. The following officers were elected: Mrs. Llwellyn Sisson, president; Mrs. Carl Kempf, vice-president; Mrs. Donald Creger, secretary; Mrs. Harold Davidson, treasurer. The May meeting will be held at the home of Mrs. George Green, jr., with Mrs. Albert Hooten assisting hostess. The group surprised Mrs. Becker with a birthday cake and gifts, her birthday being on Wednesday.

Customers' Corner

A few years ago we had quite a few complaints about the delay at our checkout stands.

We worked hard to solve this problem by increasing and improving the stands and training our checkers to do a more efficient job.

Has this effort paid off in your A&P?

Is there a minimum of delay at the checkout stands?

Our checkers strive constantly to be courteous, efficient and accurate.

V. F. W. Enjoys Letter From Lieut. Robt. Wilson

Veterans of Foreign Wars held their regular meeting in the club rooms, last week. Plans were completed for a join installation of officers with the Auxiliary at the next meeting Thursday, April 26. Routine business was discussed.

The following communication from First Lieut. Robert Wilson in Korea was read: "Members of the V.F.W. and Auxiliary, I wish to express my appreciation for your Christmas package, which I received a couple of months ago. I would also like to apologize for not thanking you earlier, but letter writing is not one of my better habits. It is a pleasant feeling to realize that those of you at home are interested deeply in our activities over here.

"At present the tactical situation is very good although the enemy still has plenty left for a serious counter attack. During the present offensive we have been moving at a comparatively slow pace to avoid the by-passing of small enemy groups, which is the situation that gave the 8th Army so much difficulty during last November. I have been working with the 1st Marine Division on the central front until a couple of weeks ago. Since then I have had the opportunity to work with the Korean Marines in an advisory and air support capacity. I have been greatly impressed with their aggressiveness and eagerness to learn, a quite different impression than I got from working with the ROK units. The KMC's have seized every objective assigned them, some after very bitter fighting and without the same air support that we are able to give a marine regiment. I believe, with the proper training and equipment, they will become an excellent fighting unit. Our biggest difficulty in working with them is of course the ever present language barrier which, despite the use of interpreters, often tires, and causes a lot of trouble.

"My present duties on the ground will be terminated in about two weeks at which time I will go back to flying. I will not know until I report back to the Air Wing what my next assignment will be. However, I expect to either go back to a fighter squadron or be sent back to the states under the rotation plan that is now in effect. I have to sign off this letter for now, however, I wish to thank you again for your package. It was extremely welcome. Sincerely, Bob Wilson."

Wauseon, Ohio Farmer Cites 3 Hayden Advantages.

Dan Beasley of Wauseon, Ohio, is a farmer who observes every advantage to turn into a profit, and has the figures to show. He points out his reasons for using Hayden's chicken feeds:

1. EFFICIENCY — Chickens like the Krumbles, and waste less feed.
2. EASE — The 50 lb. bags are easy to handle. "Make the farmer a gentleman — Hope you never go back to hundred pounders again."
3. RESULTS — "Hayden's has what it takes." Flock of 800 at 8 wks. old is far ahead of last flock — which averaged 3.61 lbs. at 12 weeks. "Can never remember such fast healthy growth."

D. A. R. Hears of Life of Thomas Jefferson

The D. A. R. met Friday, April 13, at the home of Mrs. Neil Pearson with 21 members and guests present. Due to the absence of the president and first vice-president, the second vice-president, Mrs. Burtsel Claus, presided at the meeting. Mrs. Jervis, wife of the pastor of the Tipton church, was voted in as an associate member. Those appointed to the nominating committee are Mrs. Hoyt Whelan, Mrs. Leon Rosacrans, and Mrs. Charles Branigin. Miss Ethel Garlinghouse was in charge of the program. Reports of the delegates to the state conference in Ann Arbor were given by Mrs. Orville Laidlaw, Mrs. Winifred Bates and Mrs. Joe Rice.

This meeting was held on the 201st anniversary of the birth of Thomas Jefferson and a very interesting history was given by Duane Furbush, local high school teacher.

The next meeting will be held on May 11 at the home of Mrs. Floyd Elliott, at 1 o'clock. A planned potluck luncheon will be served and will be in charge of the social committee consisting of Mrs. Hoyt Whelan, Mrs. Roy Whiting, Mrs. Neil Pearson and Mrs. Fred Dickinson.

Tea was served from a lace-covered table with Mrs. H. H. Loveland and Mrs. Frances Stone pouring. The assisting hostesses were Mrs. Joseph B. McLaughlin, Mrs. Burtsel Claus, Mrs. Perley Tripp, Mrs. Leon Rosacrans, Mrs. Ernest Linger, and Mrs. Athol Brainard.

MICHIGAN STATISTICS

The State Tourist Council points out that some of the reasons why Michigan is among the leaders in the nation's tourist industry are these "vital statistics:" 36,350 miles of rivers and streams; 11,037 inland lakes; more seashore than any other state—3,121 miles of shoreline along the Great Lakes; 80,000 miles of picturesque highways.

D. A. R. Hears of Life of Thomas Jefferson

The D. A. R. met Friday, April 13, at the home of Mrs. Neil Pearson with 21 members and guests present. Due to the absence of the president and first vice-president, the second vice-president, Mrs. Burtsel Claus, presided at the meeting. Mrs. Jervis, wife of the pastor of the Tipton church, was voted in as an associate member. Those appointed to the nominating committee are Mrs. Hoyt Whelan, Mrs. Leon Rosacrans, and Mrs Charles Branigin. Miss Ethel Garlinghouse was in charge of the program. Reports of the delegates to the state conference in Ann Arbor were given by Mrs. Orville Laidlaw, Mrs. Winifred Bates and Mrs. Joe Rice.

This meeting was held on the 201st anniversary of the birth of Thomas Jefferson and a very interesting history was given by Duane Furbush, local high school teacher.

The next meeting will be held on May 11 at the home of Mrs. Floyd Elliott, at 1 o'clock. A planned pot-luck luncheon will be served and will be in charge of the social committee consisting of Mrs. Hoyt Whelan, Mrs. Roy Whiting, Mrs. Neil Pearson and Mrs. Fred Dickinson.

Tea was served from a lace-covered table with Mrs. H. H. Loveland and Mrs. Frances Stone pouring. The assisting hostesses were Mrs. Joseph B. McLaughlin, Mrs. Burtsel Claus, Mrs. Perley Tripp, Mrs. Leon Rosacrans, Mrs. Ernest Linger, and Mrs. Athol Brainard.

MICHIGAN STATISTICS

The State Tourist Council points out that some of the reasons why Michigan is among the leaders in the nation's tourist industry are these "vital statistics:" 36,350 miles of rivers and streams; 11,037 inland lakes; more seashore than any other state—3,121 miles of shoreline along the Great Lakes; 80,000 miles of picturesque highways.

Our Chief Sawbones Is Brushin Up

On Operatin' Room Technique, Jist Like Regular Docktors

Yuh say yuh marvel at th way our surgins operate. Waal, jist to show yuh why, our Chief Sawbones Harry Schuch is in Detroit this week, brushin up on operatin room technique and methods, and when he komes back he'll be able to better diagnose and correct some o'the ill of yur iron kritter.

This garagin-hospitul busiziz, today, is jist like operatin a regular hospitul. Our surgins have to keep up, and attend kliniks, jist like regular docktors.

With proper tools and proper nowledge, we're able to do a better job, a faster job, and a less painful job fur both the patient-car and its owner. And that's mighty important, today.

Fur the finest surgery on a Ford, you'll make no mistake by bringin it to our hospitul.

Weis To Speak At B-E Banquet

C. OF C. PROGRAM TO CLOSE BUSINESS-EDUCATIONAL DAY, TUESDAY

Harold Wies, superintendent of the Akron, Ohio, mill of the Quaker Oats Company, will be the featured speaker at the Chamber of Commerce B-E Day banquet, next Tuesday evening at the American Legion Home.

Mr. Weis will present a talk and demonstration entitled, "This Is Our Problem." The topic will be particularly timely as a climax to the Business-Education activities of the day. The "Problem" which Mr. Weis will demonstrate is that of American opportunity to show to ourselves and to the world the worth of our free enterprise system as contrasted with Communism and other totalitarian systems.

Mr. Weis is a veteran with the Quaker Oats Company, starting at their Cedar Rapids, Iowa, plant in 1917 and advancing steadily in the organization until he reached his present position at the Akron plant.

Tecumseh will be giving special attention to the American system of free enterprise throughout the entire day next Tuesday. The schools will be closed to permit the teachers to participate in the town's first Business-Education Day. The teachers, joined by the Tecumseh clergy, will spend the entire day in studying the actual operation of some of Tecumseh's leading industries.

This "laboratory study" of local industry is unique, in that it goes further than a conducted tour through a plant. Among other

John Billau, 63, Dies At Home In Saline Twp.

John Billau, aged 63 years, passed away at his Saline township home at 8 o'clock Tuesday morning after a short period of failing health. He had been engaged in farming all his life near Ottawa Lake, Milan and Britton, and had lived for six years at the present location.

He is survived by his wife, Sophia; five sons, Ervin of Milan, Robert of Tecumseh, Ernest of Dexter, Henry of Adrian and John at home; four daughters, Mrs. Ruth Krause at home, Mrs. Dorothy Desbrough of East Ann Arbor, Mrs. Goldie Grimm of Farmington and Mrs. Ola McNair of Clayton; one brother William of Toledo; one sister-in-law, Mrs. Lydia Bellau of Whiteford and one brother-in-law William Trutt of Toledo, and fourteen grandchildren.

Funeral services will be held Friday afternoon at 2 o'clock with Dr. F. B. Clifford officiating. Burial will be in Rice cemetery. Friends may call at the Niblack Funeral Home in Britton.

Earl H. Place Heads County M. E. A. Group

Earl H. Place, superintendent of schools here, was reelected president of the Lenawee county division of the Michigan Education Association, at its April dinner-meeting, Thursday evening, in the Baptist church in Adrian. Other officers named are: L. H. Latchaw, Sand Creek, vice-president; Shirley Westfall, Clinton, secretary; Eugenia Shurtliff, treasurer.

The Michigan Education Association will observe its 100th birthday next year when it meets in Detroit, and Dale Fausey, Hudson, and William Martella of Onsted, were named as delegates to the meeting. Wayne Gray of Addison, and Mark Huff of Morenci, were named as alternates. Delegates to the teachers' classroom meeting at Lansing in 1952 and 1953 are Dorothy Donaldson, Blissfield, and Albert Fox, Clinton. The alternates are H. Sam Sharp of Madison and Rosemary Simpson of Deerfield.

Some 140 teachers from Lenawee county, not including Adrian, attended the Adrian meeting. A topic for discussion was the proposed teachers' insurance program. Earl Greene of Blissfield was program chairman.

CARS ARE DAMAGED

Cars owned by Owen Gilbert, Monroe, and Wm. Yenor, R. D., Tecumseh, were damaged in the amount of $150 on Thursday of last week, in an accident in the Tecumseh Products parking lot. Police investigated.

GETS 10-DAY JAIL TERM

James Burch, Chesaning, was arrested by police here last week on a charge of drunk driving. Before Justice Robert French he drew a fine of $50, costs of $8.60, and in addition, 10 days in the county jail.

Mother-Daughter banquet, Tecumseh Methodist church, 6:30 p.m., May 9. Tickets $1.25 and 75c. Reservations by Monday, May 7.

Mrs. Millie A. Wiles Dies Here on Sunday

Mrs. Millie A. Wiles, aged 83 years, died Sunday evening at 8:30 at the home of her daughter, Mrs. Wilbur Mault, 205 S. Democrat street. She was born August 28, 1867, and had made her home with her daughter and husband for the past two years.

She was preceded in death by her husband, George in 1939, and a son Ray, in 1937.

Survivors are three daughters, Mrs. William Aiban and Mrs. Mabel Goodsman of Ypsilanti and Mrs. Mault of Tecumseh, and one son, Roy Wiles of Wayne, Michigan.

The body was taken from the Collins Funeral Home to the Uht-Kennedy Funeral Home in Wayne, Monday, where funeral services were held Wednesday afternoon at 2 o'clock. Burial was at the Riverside Park cemetery, Plymouth, Michigan.

First Aid Class To Open Apr. 30

BOTH MEN AND WOMEN MAY ENROLL; CERTIFICATES AWARDED TO GROUP

Formation of another First Aid class for men and women, particularly those who are connected with Tecumseh's Civilian Defense program, was announced today by Neville Hart, director of the C. D. program in this village, and recently named co-director for Lenawee county. The new training course will open on Monday, April 30, at 7 p.m., in the new high school. Classes will meet once each week for six weeks.

James McDowell, local high school principal, will be the instructor for the new class. Red Cross first aid cards will be issued to those completing the course.

"It is of special importance that both men and women, participating in Tecumseh's Civil Defense program, enroll in this new course," Mr. Hart said. "Section, area and block wardens, as well as auxiliary police and firemen should avail themselves of the opportunity."

Men who enrolled for the First Aid course, recently completed, and failed to complete the study, are urged to enroll in the program starting next week. Men who do not re-enroll will return their Red Cross First Aid textbooks and the bandage furnished to Mr. Hart or to C. O. Butler, it was said.

The following men will receive Red Cross First Aid cards as a result of having passed success fully the course of instruction just completed.

Harry Barnard, John Curth, David Dick, Donald Geringer, Don Heesen, Ronald Johnston, Charles Kohler, jr., Herbert Maynard, N. L. Morehouse, Calvin Richard, George Sackett, L. D. Tallman, Ralph Westgate, Richard Brighton, Walter Dalley, Harvey Dine, George Green, Harry Hoffman, Wayne Kaiser, S. N. Kring, sr., Ivan Maynard, Gilbert Nighswander, Calvin Ross, John Saling, Burt Tate, Clifford Curran, William Perry, Howard Everhart, Clare Handy, Elmer House, jr., Henry Kempf, Frank Lasky, Clayton Mikesell, Earl Place, Raynor Ross, Joe Springer, and Harold Warren.

The First Aid class to be formed next Monday evening probably will be the last one to be organized here until at least next fall.

CARS ARE DAMAGED IN TRAFFIC MISHAPS

Robert McKee, R. D. Tecumseh, reported to police early Saturday morning, that his car struck a parked car on E. Kilbuck street. Officers investigated and found the parked car was owned by Lamont Harrington. Damage to both cars was over $300. There was no arrest.

Zel Francis McCarty, Tecumseh, reported that his parked car was struck by a hit-run driver on S. Pearl Street, Friday morning, and damaged in the amount of $400. Police investigated and say that the car was hit by Duane E. Hayford, 20, Tecumseh. A warrent will be asked, charging Hayford with failing to report an accident. There was no personal injury.

BITTEN BY DOG

Mrs. Fred Dermyer, 7157 South Union street, reported Monday to police that her son, Roldon, 9, had been bitten in the leg by a dog, owned by Opal Brown, N. Pearl street. Police ordered the Brown dog tied up for a 10-day observation period.

Police recently ordered that all dogs must be tied up and kept on the owner's premises. Since the order, 11 dogs that were running at large, have been picked up by officers.

TECUMSEH IS WEALTHIEST TOWNSHIP IN LENAWEE COUNTY

Assessed Values Here Jump To $6,849,900 Total

Tecumseh is the wealthiest township in all of Lenawee county and is exceeded in valuation only by the City of Adrian among the municipalities, according to figures just released by the equalization who originated the mode lassem-Board of Supervisors.

Tecumseh township, this year, according to the report, has an assessment valuation of $6,849,900, an increase of nearly half a million over 1950. The total assessed valuation of the county is nearly $105,000,000.

The Village of Tecumseh, according to the county records, has a total assessed valuation of $5,111,200. Of this amount, $3,465,400 is real estate, $1,645,800 is personal. A year ago the village value was $3,273,500 real estate and $1,582,500 personal for a total of $4,855,800.

In the township, outside the village, real estate this year is valued at $1,431,100 and personal at $217,600 for a total of $1,738,700. Last year, township real was valued at $1,205,400 and personal at $295,810.

The total valuation of both real and personal property in the township (including the village of Tecumseh) this year is $6,849,900. Last year the value was $6,357,010, an increase of $492,890.

For purposes of assessment within the village of Tecumseh and by the village, real estate this year is valued at $3,481,200, and personal at $1,648,600 for a total of $5,129,800. This is $274,000 higher than it was in 1950 when the total was $4,855,800.

Tecumseh Host At Pastor's Meet

OHIO YEARLY MEETING OF FRIENDS MINISTERS TO BE HELD MAY 1-3

The 1951 annual ministers' conference of the Ohio Yearly Meeting of the Friends church will meet Tuesday, Wednesday and Thursday, May 1, 2 and 3, at the Tecumseh Friends church. The theme of the conference will be "Christ and His Church."

Registration and assignment, in charge of Mrs. Ralph Comfort, will start at 3 p.m., Tuesday. The opening message at 7:30 p.m. will be given by Dr. William Kirby of Martinsville, Virginia.

Wednesday, May 2, Edgar Phelps of Barberton, Ohio, will have charge of the devotions, from 9 to 9:30 a.m. This will be followed by a paper: "What Loyalties does Christ require of a pastor to His church," by Dr. Walter Williams, president of the Foreign Missionary Board, from Damascus, Ohio. A discussion will then be led by Russell Myers of Alliance, Ohio.

The concluding message Wednesday morning will be by Dr. Harold Kuhn, of Asbury Theological Seminary, Wilmore, Kentucky. A business session will convene at 2 p.m. followed by "The Superintendent's Hour," in charge of Claude A. Roane, of Alliance, Ohio. Dr. William Kirby will bring the evening message again at 7:30 p.m.

Thursday, the morning devotional period will be in charge of Claude T. Mangrum of Danville, Virginia. This will be followed by a paper by the Rev. Edward Escolme of Tecumseh: "Christ and the Friends Church of the Future." Dean Ora Lovell, of Cleveland Bible College will have charge of the discussion period immediately following this paper. Dr. Harold Kuhn will speak again at 10:50. A business session at 2 o'clock will be followed by a "Question Box," with Dr. Kuhn again in charge. The concluding meeting will be Thursday evening at 7:30 when Dr. William Kirby will again bring the message.

The public is invited to the evening services. A pastors' choir will be directed by Curtis Chambers, of Cleveland Bible College.

Kenneth Marsh, Mt. Gilead, Ohio, is president of the 1951 Conference; Sherman Brantingham of Winona, Ohio, vice-president; John P. Williams, of Adrian, secretary and treasurer; and Edgar Phelps, of Barberton, Ohio, member-at-large of the executive committee.

There are 88 pastors at present serving in the Ohio Yearly Meeting, and it is expected that most of them will be in attendance at this conference. Lodging and breakfast will be provided by members of the church and friends. The delegates will eat at local restaurants at noon and night.

BURIED IN OHIO

Funeral services for Mrs. Don H. C. Bowen of Washington Court House, Ohio, whose death occurred Thursday, April 19, were held Monday afternoon. Mrs. Bowen was the former Mollie Paisley, a sister of the late Mrs. Paul Hayward. Survivors besides her husband, are three daughters, one brother, two sisters and one granddaughter. Mr. and Mrs. Percy Bowen, Mrs. Dale J. Bowen and Paul Bowen of Tecumseh, attended the funeral. Mr. and Mrs. Dell Finch of Charleston, West Virginia, also were in Washington Court House, for the funeral.

EX-PASTOR RESIGNS

Rev. E. M. McGehee has resigned as pastor of the South Teyon Presbyterian church where he has been pastor for nine years. The Rev. Mr. McGehee and family expect to leave about June 1 to take the pastorate of the Presbyterian church in Coltonwood Falls, Kansas. Mr. McGehee was pastor of the Tecumseh Presbyterian church for five years before going to South Teyon in 1942.

Friday Evening Opening To Start On Friday, May 4

Starting Friday evening, May 4, downtown stores in Tecumseh will be open on Friday evenings and close Saturday evenings. This change, according to a Chamber of Commerce announcement, follows a pattern already established in many communities in this area.

The Chamber said that the change in opening hours was nearly unanimous among the merchants.

§——————§

Due to a typographical error, an advertisement on another page of this newspaper says that the Friday opening will begin on May 18. This is WRONG. The opening will start, as originally planned, on Friday, May 4, one week from tomorrow.

§——————§

Today's trend in all business for a longer-week-end, and because Tecumseh manufacturers generally work five days, with Friday as pay-day, was said to have influenced the business men in their decision.

Miss Elva Richart, 87, Is Buried In Macon

Miss Elva Richart, aged 87 years, life-long resident of Macon township, died Friday, April 20 at 3:20 p.m., at the Beckman Convalescent Home. Miss Richart, the daughter of the late William and Ellen Howell Richart, was born in Macon, October 6, 1863.

Miss Richart taught in the Lenawee schools and at Atlantic Mines and Republic school in the Upper Peninsula for 32 years. She was a member and treasurer of the former Macon Presbyterian church and since it closed she attended the Methodist church. Her father was correspondent for the Clinton, Tecumseh and Adrian newspapers for many years and she continued with the work after his death.

She was preceded in death by her parents and two sisters, Mrs. Mary Herring in 1905, and Mrs. Franc Michel in 1948. She is survived by a nephew, Ralph Michel of Macon and several cousins.

Funeral services were held Monday afternoon at 2:30 at the Macon Methodist church with the Rev. H. Vaughn Whited officiating. Burial was in Macon cemetery.

The bearers were Joe Sheward, Ray Smith, Guy Collins, Ray Gilmore, Clarence Hall and Ellsworth Collins.

Friends and relatives attended from Battle Creek, Ceresco, Monroe, Toledo, Ohio, Macon, Clinton, Adrian, and Tecumseh.

Students To Present A Musical Program

A program entitled, "America Singing," will be presented May 4 at 8 p.m., in the Central school auditorium by the grade school chorus under the direction of Mrs. Philip Gentile, jr. For the first part of the program, in which the chorus will sing American folk songs, members will wear robes which the mothers made for the Christmas program, with the addition of spring ties. The second part of the program will consist of informal square dancing on the stage by some of the pupils.

Students taking part were from the group that took part in the Christmas program. They are: first sopranos, Judith Ripley, Linda Johnson, Rosalie Kinietz, Roger Pearson, Judy Rudock, Ruth Meads, Janet Broiller, Joyce Broiller, Nancy Dinse and Rita Crosby. The second sopranos are, Joan Johnston, Edward Rozelle, Bruce Schmidt, Esther Stutesman, Rona Miller, Joan Handy, Janet Martin, Lynn VanWinkle, Lee Vescellus, Charles Foreman, Kenneth Poley,, Carl Bailey, Judy Baxter, Jane Colgrove, Joyce Hadsell, Yvonne Morningstar, Joyce Partridge, Tommy Price and Diane Fox. Altos are, Nell O'Hara, Gary Cameron, James Jackson, Ray Larned, John Naser, Barry Packard, Nicky Touborg, Judy Whiting, Allen Dickinson, Fred Deaner, Jerry Butler, Raymond Sluyter and Gary Crawford.

Students Learn Of UN Assembly

TWO FROM TECUMSEH ATTEND "MODEL SESSION" AT HILLSDALE COLLEGE

Two Tecumseh high school students sat as a "delegation" at the third "model general assembly" of the United Nations, in which no one but Michigan high school students participate, at Hillsdale College, last Friday and Saturday. All 60 members of the United Nations were represented, Tecumseh students representing El Salvador. As in previous years, this year's general assembly was jointly sponsored by Dr. W. H. Roberts of Hillsdale college, his interantional Relations Club, and Rotarians of southern Michigan.

Two of Tecumseh school's four delegates were unable to attend, but Tom Everett, senior, represented the school in both the initial assembly on Friday, and in the committee meetings on Friday and Saturday.

The major event of the evening banquet sponsored by the Rotarians, was an address on the "History and Analysis of Foreign Policy" by Dr. James K. Pollock, head of the Political Science Department of the University of Michigan, advisor to General Lucius Clay in western Germany, and lead member of the Hoover Commission on reorganization of the executive branch of the Federal Government. Professor Pollock pointed out that decisions emanating from the President and Secretary of State are not "spot" decisions, but are formulated after exhaustive consultation with the other executive departments, such as the defense department and the chief's of staff and independent agencies. In addition, Dr. Pollock pointed out that Allies are hard to come by and harder to keep, therefore policy must be — to some extent — conditioned by the willingness of our allies to go along with us. It was upon such multitudinous considerations as these that the decision of troops for the European program and the dismissal of Gen. MacArthur took place. In the latter case, the alternative might have been to lose all or most of our allies in the Korean conflict, he said.

A second general assembly was held at 11:30 Saturday morning and was followed by a luncheon and short address by Dr. Roberts, who originated the model assembly idea in this area called, "The Long Perspective."

Students Will Direct Band Concert On Monday

On Monday evening April 31, at 8 o'clock, the Tecumseh High School Band will give a concert directed entirely by the students.

The following program will be presented: "Mocking the Mocking Bird," arranged by Paul Yoder; "Victorous" — Carl Frangkiser; "Sally Trombone"—H. Fillmore; clarinet solo by Robert Francouer; "Noctorne"—Al. Bassi; "Evangeline"—Forrest Buchtel; piccolo solo by Sally Rentschler; "Scherzo"—J. Anderson; "Magic Valley"—J. Traver; "Whistler and His Dog"—A. Pryor; "Darkeyes"—arranged by Paul Yoder; "The Victor"—R. M. Endersen; "Union"—F. E. Noel.

The student directors will be Greta Porter, Sally Rentschler, Truley Ogden, Howard Powell, Lois Lawson, Duane Hay, Louis Vargo and Joan Whelan.

MAN BADLY BEATEN; TWO OTHERS ARRESTED

William Petrovitch, 32, Tecumseh, and John Harvey, 26, R. 2, Tecumseh, were arrested by police here Saturday night, charged with disorderly conduct. In Justice French's court, they pleaded guilty and drew fines of $15 and costs of $8.60, each.

Police said that the arrests grew out of a tavern brawl in which Theodore Stoltz, 30, was badly beaten. Stoltz, also of Tecumseh, signed an assault and battery complaint against the men and to this charge they entered not guilty pleas. The trial will take place as soon as Stoltz is physically able to appear.

V. F. W. Amateur Show Attended By Over 900

The amateur show, sponsored by the V. F. W., and held in Products Union Hall, Saturday evening, featuring Pie Plant Pete and Bashful Joe, WJR radio stars, played before a capacity crowd of more than 900 persons. There were fourteen acts with twenty-four children taking part. Cash prizes were awarded in the amateur program with Joe Caruso, accordion player winning first prize; Robert Shay of Adrian, who sang and played the guitar, won second, and five girls in a dancing act accompanied by Mrs. Glenn Driscoll at the piano, won third place. They were Susan Nichols, Linda Baldwin, Nancy Lee Beland, Carol Sue Rutherford and Kendra Ringman.

The V. F. W. committee extended thanks to the contestants who took part in the program, and to everyone else for their wholehearted support. They especially thanked the Collins, Green and Niblack Funeral Homes and the American Legion for the use of their chairs.

Pie Plant Pete and Bashful Joe were entertained in the V. F. W. Club room after the program.

PINEY WOODS PROFESSOR ROTARY CLUB SPEAKER

The "Little Professor of Piney Woods," Dr. Lawrence Jones, was the guest speaker at the dinner-meeting of the Rotary Club, Tuesday evening in the Legion Memorial Home. Dr. Jones was the guest of and introduced by John Halen, an executive of the Chrysler Corp., Detroit.

Dr. Jones, a Negro whose grandfather in the 1840's built a school near Addison for members of his race, started the Piney Woods school in Mississippi for Negro children. That was in 1909, and since that time there have been hundreds of graduates, and all of whom have been successful in life. The school operates entirely on donations and the determination of its faculty and students. Jones told an interesting story of his life, and of the school he heads. He is widely known in education circles across the nation.

DRAWS FINE OF $25

Robert White, Ridgeway, drew a fine of $25 and costs of $8.60 when he pleaded guilty in Justice Robert French's court last week to an assault charge. Police said that the assault was upon Carl Dinse, Tecumseh, as the result of a fight in a local tavern.

SETS BED AFIRE

James Barron, 40, was arrested by police last Friday, charged with being drunk. Officers said that he set fire to his bed in the Ferris Trailer Camp. Before Justice French, Barron pleaded guilty to drunkenness, third offense, and was fined $25, costs of $8.60, and sentenced to spend 30 days in the county jail.

CLUB SEES MOVIES

New Drug Store To Open Friday

HODGES' STORE TO MOVE AT 120 E. CHICAGO; NEW PHARMACY ULTRA-MODERN

Lenawee county's most modern drug store will open its doors here tomorrow morning at 120 East Chicago Boulevard.

The new store is owned by Ralph E. Hodges, and will replace the present Hodges store at 107 E. Chicago, almost directly across the street.

The new drug store is ultra-modern in every detail. It has an all-glass and tile front, the fixtures and furnishings are new and streamlined, and it is departmentalized for greater convenience. It is fully air-conditioned, automatically heated in the winter, and cooled in the summer. Indirect fluorescent lighting adds to the attractiveness.

"We will close our old store tonight, and reopen in the new store tomorrow morning," Mr. Hodges said in making the announcement. "We have stocked the new store completely, so that the change-over can be made with a minimum of inconvenience."

Mr. Hodges purchased the new store building some years ago, and remodeling there has been going on for several months. The basement has been completely rebuilt, cemented and sealed for storage, and the interior of the first floor has been completely remodeled and redecorated. Later, there will be apartments on the second floor, above the store.

Mr. Hodges is a Tecumseh man and a graduate of Tecumseh high school. In 1917 he started to work in the J. Fulver drug store here and in 1923 he received his pharmacy degree from Ferris Institute, Big Rapids. He remained in the Pulver store until 1942, when he entered the Army. Upon his return to Tecumseh he purchased the Wehr Pharmacy from William Wehr, seven years ago, and he has operated in the 107 E. Chicago boulevard location since that time.

Leo Manning, also a registered pharmacist, and who has worked in the Hodges store for some time, will continue in a similar capacity as will the others who have assisted in the old store.

INFANT IS BURIED

Funeral services for Dennis Carl Stoner, two-day-old son of Mr. and Mrs. John C. Stoner of Clinton, who died Saturday in Herrick Memorial Hospital, were held Sunday at the Proctor Funeral Home in Clinton. Survivors besides his parents are the grandparents, Mr. and Mrs. Journey D. Stoner of Clinton and Mr. and Mrs. John Mann of Evans Lake. The Rev. Vaughn Whited officiated and burial was in Riverside cemetery.

Kroger store open Friday night, May 4, closed Saturday night, May 5.

There's A Need For Long-range Planning

A recent survey indicates that new house construction in Tecumseh this year will reach $1,000,000. Last year, new housing in Tecumseh and in the fringe area totaled $1,000,000. For several years, in fact since the end of World War II, Tecumseh has paced the nation in new house construction for a community of its size.

Census figures for 1950, tentatively released by the government, show that Tecumseh made the most rapid growth in the ten years between 1940 and 1950 of any community in Lenawee county. In 1950, the population of this village within its crowded boundaries was about 4,000. In greater Tecumseh, including its fringe areas, the population was estimated to exceed 5,000.

The 1950 census was taken nearly a year ago. During the year just passed Tecumseh has continued to grow, even more rapidly than it did in any of the years between 1940 and 1950. What Tecumseh's exact population is today, nobody knows. It is only reasonable to assume, however, that it is considerably more than 4,000.

For many folk who live in Tecumseh, particularly those who have spent a lifetime here, it is difficult to realize that the old home town is "growing up." Perhaps it is with them like it is with many parents, who just can't make it seem possible that their children have become adults. Nevertheless, children do grow into manhood and womanhood and, likewise, small towns grow larger. These things we must accept as a part of life.

It is just as wrong, therefore, for any of us to attempt to hold back the progress of our community through "back ward" thinking or doing, as it would be for us, as parents to require that our adult sons and daughters act as children.

We must accept our community's growth, as we do our children's growth. None of us, we feel, would desire to live in a town that failed to go forward. It would be a definite sign of community ill health, of a poor place in which to bring up our families, and of a mighty poor place for a financial investment.

Growing up, nevertheless, has its headaches. Whether it's a boy who is growing up, or a community, both must assume new responsibilities. And how we accept these responsibilities determines future stature. If we meet our problems squarely and solve them, we continue to grow. If we shirk our responsibilities, if we are filled with indecision, we fail to grow.

What, then lies ahead for Tecumseh?

We must not let our mile stones become mill stones. We must not live in the past. We must not be satisfied with our achievements.

There is a need NOW in Tecumseh for some long-range planning. We need vision. We need courage. We need leadership.

It is folly for us to retain yesterday's civic ideas. We must not live in the past. We must not be content to believe that because Tecumseh, as it was in 1900, when it was good enough for our Grandfather, is good enough for us today.

There are those who oppose changing Tecumseh's form of government from that of a village to a city. There is another group opposed to expanding Tecumseh's boundaries, including some of the so-called "fringe area." If you were to ask many of these folk why they were opposed to the programs, we doubt that they could give you a considered answer.

We are absolutely in favor of changing Tecumseh's form of government. We believe that it should be done without futher delay. We believe that a community the size of Tecumseh can no longer function as it should function under the antiquated village form of home rule. We believe that a survey of communities of comparable size in Michigan will bear out our feeling in this matter. And we also believe that if those opposed to such a change would take the trouble to investigate the proposal thoroughly, they, too, would agree.

On the issue of extending Tecumseh's boundaries, we feel that the present boundaries are too small and should be expanded. Whether the new boundaries as proposed by the Chamber of Commerce committee are "perfect" we are not prepared to say. Perhaps, as some argue, the program is too ambitious. There are others who would extend the boundaries still farther. Certainly, there must be a happy medium — something upon which all of us can agree.

There seems to be a great majority of folk in favor of changing Tecumseh's form of government to a city. There are a large number opposing an ambitious program of boundary extension. If we must sacrifice one or the other, we are in favor of sacrificing a too ambitious boundary extension, but we are not in favor of scrapping the city government plan.

We feel, that Tecumseh's continued progress depends in no small measure upon how we dispose of these two issues. We cannot hope to continue to grow, and to remain a healthy community, if we are confined in too small an area. And neither can we meet our responsibilities fully, under an antiquated form of government.

As we see the issues, it is time that we, as residents of Tecumseh, realized that our home town is "growing up;" time that we acted like normal parents — proud to see our children entering into manhood and womanhood.

A community cannot "miss the boat" too many times and retain the progress it has already made. We wonder if it wouldn't be more sensible for us, as a community, to meet on some common ground, discuss the problems fully, reach a decision and go forward in unison, rather than bicker for months, and get nowhere?

Tecumseh must either go forward or backward. We can't stand still.

Miss Marilyn L. Ward Weds John R. Hewlett

The Clinton Methodist church was the setting of a beautiful wedding on April 20 at 8 o'clock in the evening when Miss Marilyn L. Ward, daughter of Mr. and Mrs. Lawson A. Ward of Clinton became the bride of John R. Hewlett, son of Mr. and Mrs. Roscoe H. Hewlett, of Tecumseh.

The double ring ceremony was performed by the Rev. Vaughn Whited before the candlelighted altar banked with palms and hampers of white stock and snapdragons, centered with a large white cross.

The bride, given in marriage by her father, wore a gown with Chantilly lace bodice, long sleeves pointed over the wrists, high collar, which was held in place by her grandmother's cameo pin, and a skirt of organza. She carried a cascade type bouquet of white carnations and stephanotis. Mrs. Morris Tubbs, of Clinton, matron of honor, wore a gown fashioned after the bride's in pink Chantilly lace with skirt of pink organza, short sleeves and Juliet cap of pink Chantilly lace. She carried a cascade type bouquet of pink bountiful roses and light pink carnations.

Before the ceremony, organ music was played by Mrs. Frank Allen, and Mrs. Robert Pollick, of Williamston, sang the "Lord's Prayer" and "O Promise Me."

For her daughter's wedding, Mrs. Ward chose a gown of taupe print with aqua accessories and wore a corsage of pink camellias. Mrs. Hewlett wore a black lace gown with pink accessories and a corsage of pink camellias.

Immediately following the ceremony a reception was held in the church parlors for 150 guests. Mrs. Ronald Brabon cut the cake with Mrs. Austin Drake and Mrs. Otto Meiers assisting with the serving. Mrs. Earl Baldwin had charge of the guest book and Mrs Richard Ward and Mrs. Kenneth Ringman helped with the gifts.

The bride chose a suit of red with white and brown accessories for traveling.

Mrs. Hewlett is a graduate of Clinton high school and Michigan State College and completed a short course in floiculture and is employed at Ousterhout's Flower Shop. Mr. Hewlett graduated from Tecumseh high school and attended Michigan State College. He spent two years with the army of occupation in Germany and is now employed as a carpenter. After a honeymoon along the west coast of Michigan, Mr. and Mrs. Hewlett will be at home after May 4, at 116 West Kilbuck street, Tecumseh.

FAMILY NIGHT

Family Night will be observed Wednesday, May 2, in the Lutheran church basement with a potluck supper at 6:30. Arrangements are being made by the Men's Club. Each person is to bring his own table service and dishes. The children of the Saturday school will present a harmonica program and the Men's Club will present a play.

"Smart Buy's Roadmaster"

FIREBALL POWERED

It started the day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions — *and the prices* — and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is?

It's a honey to handle—a joy to ride in—and just about the handsomest thing on wheels.

It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflow Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through broad and uncluttered glass areas, and the new clarity of an instrument panel with high visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Equipment, accessories, trim and models are subject to change without notice.

A Dear Husband

From where I sit ... *by* Joe Marsh

You've Got To Hand It To Sandy

Sandy Johnson's wife "Tiny" suddenly asks him at breakfast the other morning "Why don't you build me some bluebird houses?"

"What for?" asks Sandy. "Why for bluebirds, of course" says **Tiny.** "We always had 'em at home when I was a girl. May sound silly—but I sorta miss 'em."

Well, I know how busy Sandy's **been lately** and the thought of **taking time** out to build bird-**houses** could have made a lot of **men blow** their top. But not **Sandy.** He says, "No, Tiny. It **doesn't** sound silly. I think it's a wonderful idea—we're going to have bluebirds—and I'm starting on some birdhouses tonight."

From where I sit, we could do with more understanding people like Sandy—and Tiny, too. He respects her likings, and she respects his. He likes a temperate glass of beer now and then—and although Tiny sticks to coffee, whatever Sandy likes is O.K. with her. They live and let live—and that's why they live so happily.

Miss Frances M. Aiuto Bride Of Jerry Murphy

At 10 o'clock Saturday morning, April 21, Miss Frances Marie Aiuto, daughter of Mr. and Mrs. Vito Aiuto of northwest of Clinton, became the bride of Jerry D. Murphy, son of Mr. and Mrs. Merrill Murphy of Tecumseh, in St. Joseph's Chapel in the Irish Hills. The Rev. Fr. Emery Petho read the double ring ceremony in a setting of white stock, snapdragons and candytuft in altar vases and floor standards.

Traditional organ music was played by Mrs. John E. Monaghan who also sang, "Ave Maria" and "On This Day, Oh Beautiful Mother." The bride, given in marriage by her father, wore a gown of white skinner satin, featuring a basque effect waist accented by a round neckline styled with an illusion yoke, edged with pleated nylon tulle, with long sleeves tapering into points at the wrists, edged with matching tulle. Her full skirt extended in a long train. The cathedral length veil of net with scalloped edge was completed with a row of satin and was held in place by a band of orange blossoms. Her only jewelry was a strand of pearls, a gift of the bridegroom. She carried a mother-of-pearl prayer book, to which was fastened an arrangement of white orchids and stephanotis with white satin streamers.

As matron of honor for her sister-in-law, Mrs. Shurley Aiuto of Manchester, wore lavender frosted organdy over lavender satin made with sweetheart neckline and cap sleeves. The front of the skirt, designed in an apron effect, extended in a wide sash to the back of the waist forming a large bow. Her outfit was completed with a large picture hat of organdy; three quarter length matching mitts and a colonial bouquet of yellow roses and carnations with satin streamers in a deeper shade of lavender.

The bridesmaid, Miss Patricia Brooks of Manchester, wore a gown of nile green frosted organdy styled identically to that of the matron of honor, and with matching hat and mitts. She also carried a colonial bouquet. The satin streamers were of a darker green shade.

James Murphy of Tecumseh served his brother as best man. The ushers were Sam and Bart Aiuto, brothers of the bride, and Duane Murphy, brother of the bridegroom.

For her daughter's wedding, Mrs. Aiuto chose a navy blue all lace dress, with pink and white accessories and the mother of the bridegroom wore a navy blue crepe dress and white accessories. Both mothers had corsages of orchids.

Immediately following the ceremony a dinner was held at the Tecumseh American Legion Home for 65 relatives and immediate friends. Later, at the reception, 175 relatives and friends greeted the couple, many from out of town.

Mrs. W. W. Kershner and Mrs. John E. Monaghan poured. The five-tiered wedding cake was cut by Mrs. James Murphy of Tecumseh. Miss Dorothy Frolich and Mrs. Richard Fielder of Tecumseh, Miss Shirlie Seeburger of Adrian, Miss Eris Bailey of Holloway, Miss Joyce Howell of Clinton, Miss Barbara Miller and Miss Hacel Stutzman of Ypsilanti served. Mrs. Bart Aiuto of Tecumseh was in charge of the guest book.

The bride is a graduate of Clinton high school and the bridegroom is a graduate of Tecumseh high school, and is now engaged in wood-working in Tecumseh. For traveling Mrs. Murphy wore a navy sheer nylon marquisette dress with white accessories and a red topper, and the white baby orchids from her bridal bouquet. They are touring the western states and will visit the bride's brother, Russell Aiuto at Camp Carson, Colorado. On their return, they will make their home temporarily with the bride's parents.

TWO YOUNG MARINES RECEIVE PROMOTIONS

Harlon D. Ruhl, 18, son of Mr and Mrs. Harold Ruhl, 214 W. Bidwell street, and Ludwig L. Ricica, 18, son of Mrs. Antonia Ricica, 114 W. Logan street, have been promoted to rank of Marine private, first class, according to a dispatch released from the Marine Corps recruiting depot at Parris Island, S. C. The two youths received the advance following the completion of their boot training.

Ricica climaxed his recruit training by winning the marksman's medal on the range when he fired a score of 205 out of a possible 250.

The two young men enlisted in the Marines on February 7, and after a brief leave they will receive a new assignment, transferring them from Parris Island. Before entering the Marines, Ricica was employed by Revco at Deerfield. Ruhl was employed at Easton's Service Station here.

SILVER TEA

Miss Mabel Lockwood Is New B. & P. W. President

The Business and Professional Woman's Club met in the Fellowship Center of the Presbyterian church, Monday evening, with forty-eight members and several guests in attendance. The tables were decorated with spring flowers. Mrs. Cecil Smith led the devotions in the absence of Margaretta Brisbin. Mrs. Helen French presided at the business meeting. Reports of the committees were read and one new member, Mrs. Arnetta Maves, was accepted into the club. Miss Mabel Lockwood was elected as the club's new president and the other new officers are: Myrna Tingley, first vice president; Mrs. Irene Hay, second vice president; Mrs. Hazel Coller, recording secretary; Mrs. Lillian Service, corresponding secretary, and Miss Anne Carson, treasurer.

The program was in charge of Ruth Biddix, Helen Stanifer, Phyllis Lay and Myrna Tingley. Group singing was led by Mrs. M. G. Partridge with Mrs. Ray Sluyter at the piano. A play, "The Piano Recital," was presented with Helen Stanifer as Mrs. Paine, whose daughter was giving the piano recital; Ruth Biddix as Mrs. Kennedy, a patron; Phyllis Lay as Ethel, Mrs. Kennedy's young daughter, and Myrna Tingley as Mrs. Murphy, a friend. The Chicago Boulevard Hill Nannies presented a very colorful program of hill billy songs accompanied by Hazel Coller at the piano. This group included Jessie Sluyter, Ruby Preston, Mary Caruso, Anna Hardenburgh, Nina Heath and Lillian Service.

The hostesses were Arlene Gibson, Marie Koernig and Clau Dyne Swick.

Father and Son Banquet Is Attended By 105

One hundred and five persons attended the father and son banquet, Friday evening at the Baptist church. The event was sponsored by the Happy Home Builders class, assisted by the Baptist Ladies Union. Mrs. Dow Bilby, Mrs. Mills Swick and Mrs. Floyd Bryan were the committee in charge. A circus theme was carried out in the decorations and tables were centered with top hats, merry-go-rounds, ferris wheels and roller coasters, and favors were boxes of crackerjack. Programs were in the form of a clown's head with the program and menu folded inside. Harold Black and I. W. Ashley were in charge of the program.

Lawrence Holdridge was toastmaster and introduced the Rev. B. O. Bashore who gave the invocation. George Green gave the toast to the fathers and R. S. Moore responded. The program included selections by the church orchestra composed of Dean and Ronald VanValkenburg, George Green, Harold Black and Floyd Bryan with Mrs. E. H. McConnell as accompanist. There were selections by a quartet composed of Mr. Holdridge, Mr. Green, Mr. Black and Fay VanValkenburg, accompanied by Mrs. Harley McConnell. Mrs. Lyle Grigg sang a solo and John Saling showed movies of Mexico. Mr. Bashore gave the benediction.

WILLIAM G. AEBERSOLD IS MADE A CORPORAL

Private First Class William G. Aebersold, son of Mr. and Mrs. E. J. Aebersold, 109 S. Union street, recently received a combat promotion to Corporal for his outstanding performance of duty in ground combat in Korea.

Corp. Aebersold's unit., the 31st Regimental Combat Team, turned their tanks against enemy concentrations during the recent thrust toward Communists lines on the east central front. Men of the unit, veterans of two amphibious landings in Korea, welcome the advent of warm weather making their lot in Korea more bearable.

Corporal Aebersold and his buddies in the 7th are awaiting their turn for rest and relaxation leave in Japan. These leaves are working on an established schedule within the division.

TO PLAN BANQUET

The Presbyterian League will meet Tuesday evening, May 1, at 8 o'clock at the home of Mrs. Wilbur Boyce with Mrs. Wade Hendershot, Mrs. John Quigley and Mrs. Robert Ries as assisting hostesses. Mrs. Ed Aebersold will be in charge of devotions and a musical program is being planned by Mrs. Kennard Wise and Miss Ruby Preston. Plans also will be discussed for the mother-daughter banquet to be held in the Fellowship Center Monday, May 7, with a 6:30 potluck supper.

LOCALS AND PERSONALS

Mr. and Mrs. A. Jeschke and family spent Sunday afternoon at Wayne.

Mr. and Mrs. A. Jeschke and spent Monday at Berrien Center, Michigan, visiting his mother and other relatives.

Dinner guests in the home of Mr. Mr. and Mrs. Earl Betser, after the burial Thursday in the Ridgeway cemetery of Mrs. Betser's uncle, Cass Miller of Perrinton, Michigan, were Mr. and Mrs. Leigh Miller and daughter Dollie and sons, Dick and Donald of Perrinton, Mr. and Mrs. Harley Miller and daughter, Marilyn, of Detroit, Mr. and Mrs. James Welch and Mrs. Margie Smith of Midland, Mrs. Mary Buss of Manchester and Inez Mickel of Macon.

Mr. and Mrs. Charles Davidson of Detroit, Mrs. Charles Lister of Britton, Ms. Lizzie Day of Fenton and Mr. and Mrs. Sam Preston were Sunday guests of Mr. and Mrs. William Spreeman.

William Spreeman suffered a broken ankle last week Thursday, when he stepped on a stone which rolled and threw him.

Guests in the William Spreeman home during the week were Mr. and Mrs. Albert Filter and daughter, Alice, of Ridgeway, Mrs. Henry Filter and Mrs. Chester Godizn and children of Britton, William Spreeman of Britton and Wilson Spreeman of Palmyra.

Legion Dinner

(Continued from page one)

Commander Earl Cocke, representing the Tide of Toys program of the American Legion, was the guest speaker, telling of his experiences while overseas. This was his second trip for the Tide of Toys project, which he combined with official business. Mr. Luhrs talk was very interesting. He was received by the Pope in Rome and brought with him a rosary, blessed by the Pope, which was presented to the Rev. Father Michael G. Collins. Several members who were unable to attend the dinner attended the program and the social hour.

Charles Malone of Metamora, Ohio, was master of ceremonies, and Mrs. Harold Easton was general program chairman. Group singing was enjoyed under the direction of Mr. Malone and several groups from Rae Nita's dancing studio presented novelty dances accompanied by Mrs. Glenn Driscoll. Those taking part were Susan Nichols, Linda Baldwin, Nancy Lee Beland, Meredith Munger, Carol Sue Rutherford, Joan Whelan, Nancy Shenefield, Joan Williams, Mary Lou McConnell, Susan Robweder, Mary Colgrove, Jane Osworth, Harriett Blanden and David Rutherford.

Among the out of town guests were Mrs. Alyce Hunt of Port Sanilac, department president; Miss Bertha Proestle of Detroit, department secretary; Mrs. A. Bear Alber, past department president, and Mr. Alber and Mr. and Mrs. Tom Fitzgerald of Ann Arbor; Mrs. Earl Sharpe, second district president and Mr. Sharp of Monroe; Lee Taylor, second district commander, and Mrs. Taylor of Brooklyn; Paul Maroney, department finance officer, and Mrs. Maroney of Chelsea; Lysle Alexander, department adjutant, and Mrs. Alexander of Detroit; Mr. and Mrs. Walter Lok of Adrian, and Mr. and Mrs. Malone.

BECOMES U. S. CITIZEN

Bernhard Everlove of Tecumseh, was admitted to American citizenship at a session of the circuit court for eastern Michigan in Detroit, last week Tuesday. The Rev. Allan Ramsay, former rector of St. Peter's church here, now of Trenton, and Sidney C. Barnes, Detroit lawyer, were his witnesses. Mr. Everlove was, before the hearing, a citizen of Great Britain. His naturalization automatically confers U. S. citizenship upon his sons, Thomas and Victor, who were born in Bermuda.

PLAN BOX SOCIAL

The Presbyterian Men's Club is planning a box social and white elephant sale, Wednesday, May 9 at 7 p.m. The proceeds will go toward beautifying the church grounds and sending members of the Junior and Senior Fellowship to the new camp at Greenville.

Mr. and Mrs. Perry Hayden Home From Southern Trip

Mr. and Mrs. Perry Hayden returned home Saturday night from Sumter, South Carolina, where Mrs. Hayden, as the Michigan Mother of 1945, attended a reunion of State Mothers, held in that city.

On their way south they visited their daughter and family, Mrs. Ronald Wells, at Lexington, Kentucky. Sunday evening, Mr. Hayden spoke and showed his movies at the Calvary Holiness Church in Lexington.

One of the interesting features of the Sumter reunion was an informal reception given by James Byrnes, governor of South Carolina in the old State House at Columbia, S. C. Mr Byrnes who was first congressman, then senator, later member of the supreme court of the U.S.A. and then secretary of state, spoke appreciatively of the services of Joseph Satterthwaite, who served under him during his term of office.

On their trip the Haydens also stopped off to visit Mrs. Edith Stebbins, at Asheville, N. C. She was formerly Miss Minnie Corey of Tecumseh. Mrs. Edward Harrington, of Hazelton, Indiana, chosen as the State Mother of Indiana in 1950, returned with the Haydens as far as Lexington, Ky.

ST. PETER'S RECTOR WILL BE INSTALLED

St. Peter's parish will observe the Feast of the Ascension, Thursday, May 3 with a corporate communion at the 12 noon celebration. Luncheon will be served following the service for the convenience of those who attend.

The Rev. Richard O. Petersen will be instituted as rector of St. Peter's Episcopal church on Whitsunday evening, May 13, at 8 o'clock. The Rev. Howard Harper, rector of St. Paul's Church, Jackson will be the institutor. The Rev. Dr. George R. Selway, rector of St. Paul's church, Lansing, will be the preacher.

The public is invited to attend this service.

DINNER-DANCE AT COUNTRY CLUB, MAY 3

A formal dinner-dance will be held at the Tecumseh Country Club on Thursday, May 3, at 7 o'clock. The committee in charge consists of Mr. and Mrs. L. W. Larsen and Mr. and Mrs. O. W. Farver assisted by Mr. and Mrs. Paul Breitenwischer, Mr. and Mrs. Herb Dillon, Mr. and Mrs. Robert Laidlaw, Mr. and Mrs. Russell Carey, Mr. and Mrs. Robert Hanna and Mr. and Mrs. Virgil Tucker. The committee requests that all reservations be in by Saturday, April 28.

WHY DO WE LIVE?

On Friday, April 27, an illustrated lecture will be given in the basement of the Grace Lutheran church entitled: "Why Do We Live?" The question is answered from a Christian viewpoint in a manner interesting to anyone interested in the purpose of life.

Weis To Speak

(Continued from page 1)

things, the teachers are to learn first hand how these plants happened to be located in Tecumseh rather than in some other town. They are to learn such things as sources of raw materials, where the product directly and indirectly benefits to the community, sources of employees, opportunities for young people, and a host of other topics that are pertinent to all businesses, great or small.

The teachers and ministers are to be the guests of the participating plants at a noon luncheon at the Country Club. In the evening it is hoped that many of the teachers will attend the Chamber of Commerce banquet, since its theme will coordinate directly with what they will have observed during the day.

The following plants are acting as hosts for the Business-Education program during the daytime activity: The Tecumseh Products Company, Quaker Oats Company, Comfort Brick & Tile, Bruce Foundry & Manufacturing Co., Hayden Mills, Ottawa Machine Products, and Meyers Aircraft.

A team of ticket sellers is now working the business district, and tickets are also available at the Chamber of Commerce office.

EVANGELISTIC SERVICE

Ridgeway church of the Nazarene opened a 5-day evangelistic service yesterday with the Rev. Dean Starr of Pontiac as speaker. The Rev. Mr. Starr saw service in the last war, was wounded in the Burma-India theatre and, after 27 months in the hospital, recovered sufficiently to return to Olivet College to continue his study. He also holds a Master's degree from Wayne University.

BANQUET, MAY 10

The Mother and Daughter banquet of the Lutheran church will be held Thursday, May 10, in the church basement with the Ladies' Aid in charge.

Customers' Corner

Courtesy doesn't add anything to the high quality or superior value of the food you buy at A&P.

But it is the ingredient that makes your shopping trip a pleasant experience rather than a tiresome task.

That is why the men and women who operate your A&P work hard not only to give you prompt and efficient service but to be courteous and friendly as well.

They know that even the pressures of rush-hour shopping are no excuse for rudeness.

If they ever fail to make your trip to A&P a pleasant one, they want to know about it. Please write:

Our Pre-tested Seeds
Hurry Up Your Garden's Growth

When you plant pre-tested seeds, the kind that we have sold for years and years, you may be assured of getting the most out of your garden.

Pre-tested seeds, you know, are seeds that have been tested by the grower and found to be fast-growing, and return a bountiful crop.

Why take chances with ordinary seeds? Pre-tested seeds cost you no more. We've sold them for years to customers who, year after year, come back for more.

HODGES' New, Ultra-Modern Drug Store

COMPLETELY AIR-CONDITIONED

For your complete comfort, summer and winter, our new store is fully air conditioned, and automatically heated. You may shop with us in a maintained temperature, regardless of weather conditions outside. We know that you are bound to enjoy this added convenience.

NEWSPAPERS and MAGAZINES

On our shelves you will find the very latest in newspapers and magazines, including the Sunday editions of your favorite paper. You may depend upon us completely to keep you up-to-date in your favorite reading material.

A FINE LENDING LIBRARY

In addition to our newspaper and magazines, we also will maintain a complete lending library for your convenience. All of the most-wanted books will be on our shelves — available to you for pennies a day.

COMPLETE PHOTOGRAPHIC SERVICE

We recognize the keen interest in photography, and to better serve our customers we will carry a complete stock of cameras, film and supplies. Our developing and printing service will be rapid, careful and economical.

CIGARS, CIGARETTES, TOBACCO

Cigars, cigarettes, tobacco, pipes and smoking accessories — all will be found in our new "Smokers' Department." We know you'll enjoy shopping here for your smoking needs — and for many, many gift items, too.

STATIONERY, PENS, PENCILS

Writing materials — pens, pencils, stationery, greeting cards — you'll find them all at our store. We will display a complete line of writing materials, for either your personal needs or for gifts for your friends.

FRESH SALTED NUTS, CANDIES

Salted nuts and candies for parties or for everyday needs will be found in another carefully located department of our store. You may be sure of the finest in quality if you will rely upon us to serve you.

Short-Way, GreyHound Bus Station
Your S. D. D. Store In Tecumseh

Tomorrow morning, April 27, we will open our new drug store, almost directly across the street from the store in which we are now located.

For our very first act, we want to say, "Thank You" to our friends and customers who have made this new and enlarged store possible.

Daily, and for months on end, our volume of business has increased. No longer was the old store large enough to handle the growing traffic and, at the same time, permit us to display our ever-increasing volume of merchandise.

We are opening our new store with one purpose in mind — to better serve our customers. The greater floor area permits us to better display our products and, at the same time, it makes shopping easier and more pleasant for those we serve.

If, at present, you are one of our customers, we say "Thanks Sincerely" for your patronage. If you are not a customer, we invite you shop with us.

The "Welcome Mat" is always out — you are never a stranger in our store.

Ralph E. Hodges, Owner.

NEW FIXTURES, FURNISHINGS

Our store at 120 East Chicago Boulevard is new in every detail. The all-glass front bids you welcome and, inside, you'll discover everything ultra-modern including furniture, fixtures, lighting, etc. We know you'll truly enjoy shopping in Lenawee county's most modern drug store.

NEW PHARMACEUTICAL DEPT.

Registered pharmacists are in constant attendance in our new pharmaceutical department, and you may be sure that your prescription will be compounded in accordance with your Doctor's wishes. Our fresh, potent drugs are furnished by Lilley, Upjohn, Parke-Davis, Sharp & Dohme and Abbott, leaders in the industry.

NEW DIABETIC DEPARTMENT

To better serve those who suffer from diabetes, we have included a complete diatetic department. For every need, you may depend upon us. We will be only too happy to be of service in any way that we can.

NEW INFANT'S DEPARTMENT

Infants need special care and special medicines. For the finest in infants' supplies, including talcs, lotions, ointments, baby foods and nursery accessories you may rely upon our service completely.

NEW COSMETIC DEPARTMENT

Whatever your needs in cosmetics, we carry all of the famous, nationally advertied lines of merchandise. Choice perfumes, colognes, powders, rouges, etc., etc., you'll find them all on our carefully stocked shelves.

NEW VETERINARY DEPARTMENT

You'll find a much-enlarged veterinary department in our new store to serve the needs of our customers. Feel free at any time to discuss with us your needs to better care for your animals and pets.

NEW VITIAMIN DEPARTMENT

The use of vitamins is increasing daily and, to better serve those who need them, we have greatly expanded this department in our new store. You will find all of the newest vitamin discoveries in our stock.

BROWN—BEEVERS

The marriage vows of Mrs. Armenia Beevers and Dean Brown, both of Tecumseh, were spoken at the Chapel In The Garden, in Angola, Ind., when the Rev. Mr. Uttebock performed the single ring ceremony at 3:30, Saturday afternoon, April 14. Mr. and Mrs. Richard Johnson of Tecumseh were the only attendants.

The bride wore a lavender and white crepe dress with white accessories and a white carnation corsage. Mrs. Johnson wore a lavender dress with gold accessories and a corsage of yellow daisies.

Mrs. Brown was formerly employed at the Boston Lunch, and Mr. Brown is employed at the Tecumseh Products Company.

Sunday, Mr. and Mrs. Richard Johnson entertained in their home, thirty relatives and friends of Mr. and Mrs. Brown at a wedding luncheon. The table was centered with the traditional three-tiered wedding cake topped with two miniature love birds. The cake was baked and presented to the honored couple by the bride's sister, Mrs. Clare Ranson, of Adrian.

ASSOCIATION MEETS

The Woman's Association of the Presbyterian church met in the Fellowship Center, Wednesday evening, April 18, with 30 ladies in attendance. During the business meeting, Mrs. Lee Purkey, Mrs. M. W. Partridge, Mrs. Wade Hendershot and Mrs. F. C. Dickinson, jr., were appointed as the committee in charge of the church fair and bazaar to be held in November. Devotions were led by Mrs. E. C. Brandt. Mrs. E. J. Aebersold was in charge of the program, conducted in the form of a grand slam with three topics, musical, main street and religion, with Mrs. Sam Sisson at the piano.

Refreshments were served by Miss Ruby Preston and her committee.

LUNCHEON HOSTESSES

Hostesses for the one o'clock luncheon to be held at the Tecumseh Country Club, Wednesday afternoon, May 2, are Mrs. Walter Weinrick of Detroit, and Mrs. L. E. Brown, phone 393W. Reservations are to be made by Tuesday noon.

WED 31 YEARS

Mr. and Mrs. Harry Dewey were honored in their home Saturday evening, observing their thirty-first wedding anniversary. Their daughter and son-in-law, Mr. and Mrs. Robert Dayss acted as host and hostess to twenty-two persons from Adrian, Manchester and Tecumseh. Refreshments were served and the honored couple received many gifts. Mr. and Mrs. Dewey have an only daughter, Mrs. Robert Dayss and two grandchildren, all of Manchester.

TO MEET MAY 2

The Golden Rule Division of the Presbyterian church will meet Wednesday evening, May 2, at 8 o'clock, at the home of Mrs. Frank Purcell. The assisting hostesses will be Mrs. Archie Porter, Mrs. Ralph Helzerman and Mrs. Ronald Johnston. The original date was cancelled due to the Chamber of Commerce banquet.

Interior Of Tecumseh's Newest Store

Photo above shows the interior of the new Hodges Drug Store on East Chicago Boulevard, formally opened to the public last Friday. Approximately 3,000 persons visited the store on the opening day. The new streamlined showcases, indirect lighting effects and decorations are declared to make it the most modern store of its kind in southern Michigan. The picture shows a few of the many congratulatory floral pieces received by the owner, Ralph E. Hodges.

80 New Houses To Be Built In 2 Subdivisions

SUMMER'S BUILDING PROGRAM IS EXPECTED TO EXCEED $800,000 TOTAL

Construction of 80 new houses in two of Tecumseh's subdivisions —Herrick Park and Tecumseh Acres—was announced today by Glenn H. Kohler, broker in charge of the projects for Town and Country Homes, Inc., Detroit builders. The new housing will cost approximately $800,000, it was said.

Herrick Park, at the northeast... edge of the village, is the largest of the two subdivisions. It was launched three years ago by Tecumseh Products Company, primarily to ease the financial strain of new home construction for its employees. Since that time, 83 houses, valued at about $1,500,000, have been built in the Park. There are sufficient lots for nearly that many more dwellings.

Tecumseh Acres is a subdivision owned by Town and Country Homes and was opened two years ago. Since that time, 70 houses have been built there and more

Mrs. Lucretia Buler, 90, Is Buried In Morenci

Mrs. Lucretia Buler, 90, died at 1 o'clock Sunday morning at 215 East Logan street, where she made her home with her daughter, Mrs. Ena Whaley, and her granddaughter and husband, Mr. and Mrs. Kenton Hunt. Mrs. Buler celebrated her 90th birthday with open house March 11, and on March 15 suffered a paralytic stroke from which she never recovered.

She was born in Ogden, one of four children of George and Lois Smalley. With the exception of a few years she spent her entire life in Lenawee county. In 1851 she married Peter Bradt, the father of Mrs. Whaley, who died in 1895, and in 1897 she was married to Louis Buler, whose death occurred in 1904.

She was a member of the Methodist church and a life member of Tecumseh chapter, Order of the Eastern Star.

Besides Mrs. Whaley and Mrs. Hunt, she leaves a brother, Nathan Smalley of Toledo, and two great grandchildren, Sally and Steven Hunt.

The body was taken to the Braun Funeral Home in Adrian and was returned Sunday night to the Green Funeral Home where services were held Tuesday afternoon at 2 o'clock. The Rev. B. O. Bashore officiated. Burial was made in Oak Grove cemetery at Morenci.

Methodists In Conference Here

DR. MAC NAUGHTON RETURNS AS PASTOR; OTHER CHURCH OFFICERS NAMED

The annual conference of the Methodist church was held in the church parlors, Friday evening, with the Youth Fellowship assisting in serving the family cooperative supper that preceded. Sally Rentschler and Patricia Stenberg of Rives Junction, played flute duets during the supper hour, and Edward Beal showed a film taken at the party honoring Dr. and Mrs. MacNaughton and other people of the church, last September. Dr. MacNaughton was invited to return as pastor of the Tecumseh Methodist church for another year by the pastoral relations committee. Dr. Frank L. Fitch of Ann Arbor, superintendent of the Ann Arbor district of which Tecumseh is a part, conducted the meeting and gave an inspirational talk preceding the business meeting. He pointed out how much the world needs the church today. The pastor is appointed by the bishop. Marshall Reed, formerly of Onsted, is bishop of the Detroit conference.

LIGHTNING HITS HOUSE

The Samuel L. Lawrence house at 711 N. Maumee street, was struck by lightning during the early morning thunderstorm, Sunday, at 4 o'clock. It probably was a cold bolt because there was no fire. A part of the siding on the house in the kitchen area was torn off, a window was broken, and some timbers were blown nearly to the street. A tumbler of water, on the window ledge, was thrown to the floor but did not break. The Lawrences were without telephone or electrical service as a result of the mishap.

Only 33 Enroll In C.D. Course

MEMBERSHIP IN FIRST AID CLASS GO BEGGING; 60 MORE TRAINEES NEEDED

Enrollment in Tecumseh's second First Aid Class, sponsored in connection with the Civilian Defense program, numbered only 33, last Monday evening, Neville Hart, director, said today. The enrollment should have reached the 100 mark, Mr. Hart said, expressing disappointment at the small group interested.

"I can't understand the lack of interest in this program," Hart declared in discussing the class. "Every block warden and assistant, and certainly many others in town should be interested in making our Civilian Defense program click. It cannot function smoothly unless the air raid wardens, auxiliary firemen and policemen understand the First aid program."

April 30, Tecumseh high school tennis team went to Ypsilanti Roosevelt high school for the first tennis match of the season. The standings were as follows: Singles, Roosevelt's Bob Clark took Cap Orr, 6-2, 6-1; Roosevelt's Dick Blodgett took Tom Everlove, 6-0, 6-0; Roosevelt's Bob Fuller took Jack Beardsley, 6-4,6-2; Roosevelt's Don Whitcomb took Joyce Smith, 6-1, 6-0; Roosevelt's Dick Blodgett took Mary Martin, 6-0,6-0; Tecumseh's JOAN JUDD took Curt Addison, 6-2,6-0. Doubles: Stanton Addison and Curtiss Addison of Roosevelt took Carl Freckelton and Jim Fielder of Tecumseh, 6-1, 6-2; LOUIE VARGO and DUANE HAY of Tecumseh took Tom Oaks and Charles Watling of Roosevelt, 6-1, 6-3; Jim O'Toole and Keith Krause of Roosevelt took Janet Erhart and Joyce Smith, 6-3, 6-4.

Mr. Mensi is the tennis coach and principal of Roosevelt high school. Miss Elda Cauffiel, physical education instructor for grades three through twelve is the tennis coach for Tecumseh.

The next meet will be held on Wednesday, May 23, at Tecumseh high school.

Stores To Open Tomorrow Night

CLOSING OF RETAIL OUTLETS ON SATURDAY EVENING WILL BEGIN ON MAY 5

Starting tomorrow evening, Friday, May 4, Tecumseh's downtown stores will remain open on Friday evenings and close on Saturday evenings. This change from the traditional Saturday night opening for local retailers was first announced two weeks ago by the Chamber of Commerce, after a survey of the down town stores revealed such a preference, it was said.

A number of reasons combined to influence the merchants in their decision to change the "town eve ning" from Saturday to Friday, the Chamber said. It was pointed out that today's trend in all business is for a longer week-end, that Tecumseh's manufacturing plants for the most part work a five-day week, and that it is increasingly difficult to obtain employees to work six days, or on the sixth day particularly when a Saturday evening is involved.

It also was pointed out that most of Tecumseh's industries pay off their employees on Friday, and that local merchants find themselves in a difficult competitive position with neighboring towns which are already observing the Friday evening opening.

The merchants have indicated that the plan will be followed for a considerable length of time to allow time for shoppers' habits to form. Should no such shopping trends develop, other closing patterns would be considered, it was announced.

Buddy Poppies To Go On Sale

VETERANS OF FOREIGN WARS PLAN ANNUAL FUND CAMPAIGN FOR WELFARE

The 1951 annual sale of Buddy Poppies will be held in Tecumseh on May 18 and 19, Richard Butler, commander of the Hall-Slater Post, Veterans of Foreign Wars here, announced today.

The idea of selling poppies to the public to support a national welfare program originated in 1922 with the Veterans, and the idea took when Madam Guerin of France, inspired by the symbolic beauty of the poppies of Flanders, sought the cooperation of the organization in selling poppies, made in France, to aid disabled and needy veterans.

"After establishing the name" explained Commander Butler, "the V.F.W. authorized its various state departments to have disabled veterans make Buddy Poppies in nearby VA hospitals and Soldiers' Homes. This procedure is still followed to this day. It is operated under the strict supervision and accounting of the national headquarters.

"Funds raised from the annual sale of Buddy Poppies are used exclusively for veteran welfare programs. The scope and variety of those programs has drawn warm praise from Americans in all walks of life."

The 1951 Buddy Poppy sale, according to Mr. Butler, is primarily concerned with raising funds for three major veteran welfare projects: Local veteran welfare work, which consumes approximately two-thirds of the proceeds collected in each community; the maintenance of nationwide veteran welfare and rehabilitation services; and support of the V.F.W. National Home for the orphans of deceased war veterans, at Eaton Rapids, Michigan.

Resigns As School Superintendent

EARL H. PLACE, superintendent of schools here for the past three years, has tendered his resignation, effective on July 1. Mr. Place, on that date, will become superintendent of schools at St. Joseph, Michigan.

Place Resigns As School Head

LOCAL SUPERINTENDENT ACCEPTS SIMILAR POSITION AT ST. JOE, MICH.

Earl H. Place, superintendent of schools here for the past three years, has tendered his resignation, effective July 1. On that date Mr. Place will become superintendent of schools at St. Joseph, Michigan.

Mr. Place came to Tecumseh three years ago, after serving as superintendent for two years in the schools at Reed City. Tecumseh's new half million dollar high school was built under his administration, and the teaching staff as well as the enrollment has grown considerably during his term in office.

The schools at St. Joe are much larger than in Tecumseh. It is a city of 12,000 population, 80 teachers are on the staff and the enrollment is about 1,800. Tecumseh has 43 teachers and an enrollment of less than 1,200.

"It is with regret that I have tendered my resignation," Place said in making the announcement. "I have enjoyed my work in Tecumseh, and I have especially enjoyed working with the excellent board of education. However, St. Joseph is a much larger system, and, in my field, it is a distinct step forward."

Jens Touborg, president of the board of education here, expressed regret in Place's resignation.

"We hate to lose Mr. Place," Mr. Touborg said, "but we recognize his ability, and the advancement that has been offered to him."

Touborg said that he would call a special meeting of the board of education, probably today or Friday, and that steps would be taken at once to name a successor.

The superintendent and his family plan to move to St. Joe soon after the first of July.

AUXILIARY POLICE TO MEET HERE ON MAY 16

A meeting of the auxiliary police, in connection with Tecumseh's Civilian Defense program, has been called by Chief of Police M. E. Clark for Wednesday evening, May 16, at 8 o'clock in the V. F. W. Hall. Chief Clark said that more auxiliary policemen are needed, and he urged interested men who have not yet been appoined to attend the meeting.

Mother-Daughter banquet, Tecumseh Methodist church, 6:30 p.m., May 9. Tickets $1.25 and 75c. Reservations by Monday, May 7.

Woman Hit-Run Driver Pays Fine and Costs

Arrested for leaving the scene of an accident before reporting it to officers, Mrs. Norma Chase of Occidental Road, pleaded guilty when she was arraigned before Justice Robert French here, Monday. She was ordered to pay a fine of $10, costs of $8.60 and to serve 30 days in the county jail. The jail term was suspended.

Police said that a car driven by Mrs. Chase struck Mose Arms of Tecumseh, as he was crossing the boulevard in front of the Strand theatre, Saturday at 10:50 p.m. The car did not stop and an auxiliary policeman pursued and obtained the license number. The car was registered in the name of Norma and Oliver Chase. Mrs. Chase damitted she was the driver, police said.

Police made the arrest after checking the license number with the state. Mr. Arms was not seriously hurt.

Mrs. Margaret Hope, 82, Is Buried At Clinton

Mrs. Margaret Hope, aged 82 years, widow of the late William Hope, died Thursday evening at 6 p.m., in the Wenzel Nursing Home in Morenci where she had been a patient for four weeks.

Mrs. Hope was born in Clinton, the daughter of the late Mr. and Mrs. Thomas Service. She lived her entire life in Clinton and Tecumseh and the last 12 years had made her home at 413 E. Logan street.

She is survived by a niece, Mrs. Minnie Sarvey of Macon, and four nephews, Vern Graf of Tecumseh, Otto Graf of Saline, Raynor Graf of Britton, and Don Prichard of Irish Hills. She was preceded in death by her husband, William, and a son, Eugene.

Private funeral services were held Monday afternoon at 2 o'clock at the Green Funeral Home. The Rev. O. E. Priest of Clinton officiated and the burial was in Riverside cemetery.

The bearers were Howard Goodfellow and Harry Gregg of Clinton, Donald Prichard of Irish Hills, Ellsworth Lindsley of Saline, Ray Bachtal of Ridgeway and Duane Service of Tecumseh. Friends and relatives attended from Clinton, Irish Hills, Macon, Ridgeway, Ann Arbor and Tecumseh.

CONSERVATION MEET

The regular monthly meeting of the Tecumseh Conservation League will be held this evening at 8 o'clock in the K. of P. Hall. Women members of the organization are urged to attend. The guest speaker will be Harry Gaines, secretary of the U.C.C. Two movies on hunting and fishing will be shown.

Nine Are Arraigned On Traffic Charges

Nine persons were arraigned in Justice Robert French's court here during the past week on traffic violation charges. Their fines were as follows:

Wm. Pangburn, Tipton, driving a car with defective equipment, $5.10; Ronald E. Maschino, R. D., Britton, speeding, $5.10; Lowell Holiday, Conway, Mo., stop sign, $5.10; David Murphy, R. D., Tecumseh, stop sign, $5.10; Walter Schulz, Britton, speeding, $6.10; Richard Slocum, R. D., Osseo, stop sign, $4.10; Richard Whelan, Tecumseh, stop sign; $6.10; Dennis Clark, R. D., Tecumseh, speeding, $5.10; Ralph Slade, Clinton, speeding, $6.10.

HOSPITAL AUXILIARY TO OBSERVE ITS 10TH ANNIVERSARY

Tea On May 10-11 To Celebrate Decade Of Service

Herrick Memorial Hospital Auxiliary will observe its 10th anniversary on Thursday and Friday, May 10 and 11, with a tea at the home of Mrs. Frank K. Smith, Monroe Road. The hours will be from 2 to 4 p.m., and tickets are available in Clinton, Manchester and Blissfield as well as in Tecumseh.

The tea will honor the charter members of the organization, as well as mark the birthday event. Mrs. Vincent Haight and Mrs. Russell Carey are the general chairmen and Mrs. Robert Hanna is the ticket chairman. Mrs. Frank Purcell and Mrs. Robert H. Moore are in charge of refreshments, and Mrs. Herbert Dillon of entertainment. Mrs. L. W. Larsen and Mrs. Kenneth Herrick are transportation chairmen, and Mrs. Edward Boss is in charge of decorations.

Mrs. Paul Keyser, president of the auxiliary, and past presidents, Mrs. Edith Cotton Smith, Mrs. R. K. Anderson, Mrs. John Larsen of Jackson, Mrs. F. K. Smith ,Mrs. J. H. Rohweder and Mrs. Dale Bowen will act as hostesses, assisted by Mrs. Hoyt Whelan, who is a member of the hospital board, and Miss Gertrude Spaulding, hospital superintendent. The wives of doctors will pour.

It has been hoped that the new $79,000 wing to Herrick Memorial Hospital, built through the generosity of Mr. and Mrs. R. W. Herrick in memory of Mr. Herrick's parents, would be open on the 10th, and 11th., to permit a public inspection. However, E. M. Campbell, president of the hospital board, said today that the new addition was not sufficiently completed to make a public visitation possible.

"We had hoped that we might open the new wing, which adds 17 beds to the hospital, by next Thursday," Mr. Campbell said. "However, we find that the work has not progressed as rapidly as we had planned, and that it will be another week or 10 days before a public inspection will be possible."

When the new wing is opened, the hospital will have 51 beds plus the nursery. It will be the second largest hospital in the county.

The Auxiliary, observing its anniversary next week, was organized 10 years ago when a small group of women met at the home of Mrs. Orville Farver. There were 22 present, and their chief aim was to organize a group that would take care of the sewing and mending for the hospital, and to engage in money-raising projects for the hospital's benefit. Since then the organization has grown to a membership of 200 women, and their contributions to the hospital are many and varied. There have been few demands for supplies and special equipment that have not been met by the auxiliary, through special funding campaigns — whether the need was for books for the library or laboratory equipment.

200 Attend B-E Banquet

ANNUAL CHAMBER OF COMMERCE DINNER HELD TUESDAY AT LEGION HOME

Climaxing Business - Education Day in Tecumseh, Tuesday, some 200 members and guests of the Chamber of Commerce, including the teachers of the public school staff and local ministers, attended the annual dinner meeting of the Chamber in the banquet room of the American Legion Memorial Home. Harold Wiles, superintendent of the Quaker Oats Company's plant at Akron, Ohio, was the speaker. His topic was, "This Is Our Problem."

It was Tecumseh's first B-E day, sponsored by the C. of C., and it was declared a complete success. Business-Education day, as explained by Ralph Comfort, a Chamber director, is a day devoted to acquainting school staff members with the problems of business. Teachers spent all day on Tuesday in factories to which they had been assigned, observing their operation and learning something of the problems faced by both manage-

Bike Licenses To Be Issued

ORDINANCE REQUIRES PAYMENT OF FEE FOR ALL VEHICLES ON THE STREET

The sale of bicycle licenses in Tecumseh, as ordered by ordinance, will begin here on Saturday, May 5, Chief of Police M. E. Clark said today.

The licenses will be issued at police headquarters in the Council building, So. Evans street, between the hours of 10 a.m., and 4 p.m. New licenses cost 50 cents, and renewal of 1950 licenses costs 25 cents.

Police warned that the serial number of all bicycles must be legible before a license will be issued.

An ordinance, passed by the council, requires that all bicycles on Tecumseh's streets must be licensed. The law was passed to reduce the number of thefts, and to make it less difficult to recover bicycles in the event they were stolen.

ENTERS GUILTY PLEA

Owen Underwood, 16-year-old Tecumseh youth who was arrested by police here recently, charged with breaking and entering the C. & J. Manufacturing Co., pleaded guilty in circuit court at Adrian, Tuesday. He was remanded to the custody of the sheriff awaiting sentence. Underwood was one of three boys detained in connection with several local burglaries. In his instance, the probate court waived jurisdiction, so permitted him to appear in circuit court. The other two boys will be dealt with by the probate court.

TAKES JAIL TERM

Herman Seitz, Tecumseh, was arrested April 28, charged with being drunk. In Justice Robert French's court, Monday, he pleaded guilty and was sentenced to pay a fine of $10, costs of $8.60, or to spend 30 days in the county jail. According to police, Seitz failed to pay, and accepted the jail term.

TWO STUDENTS HONORED

The 28th annual Honors Convocation of the University of Michigan was held last Friday in Hill Auditorium. Some 702 students and their families received invitations. Students from Tecumseh in the following categories were invited: James C. Sisson, senior honors in College of Literature, Science and Arts; Andrew J. Smith, Harley, Ellington and Day Scholarship.

WINS COLLEGE HONOR

Miss Shirley Teske, daughter of Mr. and Mrs. Otto Teske, 208 Democratic street, 1950 Tecumseh high school graduate and student at Michigan Normal College, received recognition for building and maintaining a scholastic average of better than 2.25 out of a possible 3.0 points at the recent Michigan Normal College honors convocation. Miss Teske is a freshman, majoring in mixed arts.

PRISONER IS ILL

James Barron of Tecumseh, who on April 21 was sentenced to spend 30 days in the county jail for drunkenness, third offense, is now a patient in Bixby Hospital, Adrain. Mr. Barron is seriously ill of pneumonia, according to local police.

The Dust of Inefficiency

If you drove your car on Chicago Boulevard, east or west, last week, you probably had the urge to turn on the lights, shut the windows, and hurry out of town.

The cloud of dust that engulfed you, especially if there was traffic in front of you, made it next to impossible for you to see to drive and, to be sure, no one could see you — either from the sidewalk or from a car that followed.

Thanks to the State Highway Department, traffic on Chicago Boulevard, for about two weeks, has been moving in a cloud of dust. From Tecumseh's business district, looking either east or west, it was impossible, many times, to see a block away, even when the sun was shining.

Here, briefly, is what caused the dust storm.

Chicago Boulevard — State Trunk Line M-50-52 -- is in the worst condition that it has ever been since it was paved. When the snow left, and the ice melted, a pavement full of chuck holes was revealed. For weeks on end the State Highway Department ignored the holes, except when a few truck loads of sand and gravel were dumped into them, in the hope that a little of it might stay and help to relieve the condition. It was just like pouring sand — and money — down a rat hole, for all of the good that it accomplished.

Then, recently, the Highway Department decided that some other method of filling the holes should be used. We understand that engineers were sent here to determine the technique. They must have been engineers from the Army, trained in laying smoke screens. In any event it was these engineers who recommended the treatment of tar or asphalt, fine gravel and powdered rock. Instead of just filling the chuck holes, the fine gravel and dust was spread over the entire pavement. What wasn't spread deliberately, the traffic completed the job.

To say that the operation was and is a mess is putting it mildly. Every time traffic moves on the Boulevard, a cloud of dust moves with it. When a car's brakes are applied sharply, the car skids to a stop.

Local engineers say that, come a good rain, most of the fine gravel and sand will be washed away and the dust storm will be over. However, it will be very difficult for the Highway Department to justify its operation in the eyes of Boulevard residents whose lawns and houses are covered with the stone dust.

However, as we see it, the fact that there was a dust storm is the least of taxpayers' worries. It cost money, we dont' know how much, but plenty, to do the job that was done. If rain doesn't sufficiently wash the pavement, it probably will have to be swept and flushed before it will be completely safe for traffic. If too much pressure is applied in sweeping, the old holes will be opened, and nothing will have been accomplished. And regardless of what is done, it will be only a matter of a few weeks before it will be necessary to refill the holes because the tar-stone treatment will not take the pounding of heavy traffic.

The whole operation, it seems, is just another of the State Highway Department's stop-gap operations. The Department is constantly shouting for money. Roads, all over the state are in bad condition and in need of repair. Residents and motorists alike are up on their ear, demanding that something be done. The best answer that the State can give is that funds are short, and that it costs money to do repair work.

We can understand, if the Department operates statewide on its roads as it has on M-50-52 and Chicago Boulevard, why it doesn't have any money. We can think of no better way to waste money than to continue to operate as it has locally. Stop-gap methods are expensive, regardless of where they are used.

Once again we say that raising the tax on gasoline, even though it will be paid by the oil industry, is not the answer to better roads in Lenawee county and in the State of Michigan. Before better roads are built, and before Michigan's roads are maintained properly, we must hire men who know how to do the job. To continue a stop-gap policy is not the answer.

A Sunday drive over the roads in Lenawee county certainly should convince the most optimistic motorist that the job of repair and maintenance that has been done in recent years is not in keeping with a sound, economical policy. Roads can be repaired, economically, only for so long a time. Then they must be rebuilt. And it should be remembered, too, that not all of the state's money need be spent in Wayne county. There are other highways in Michigan just as important as those leading to that metropolitan area.

We sincerely hope, if the County Road Commission is to continue to maintain Lenawee's roads for the State Highway Department, that it will soon hire an engineer of its own to supervise the work. We believe that such an engineer on the county's payroll would be able to save the taxpayers the amount of his salary many times a year.

Road building and road repair today is big business. It is time that both the state and the county recognized this fact and employed men who are qualified to handle their jobs.

Miss Irene K. Hirth Bride of Otto B. Miller

At a double ring ceremony, Saturday night at 7:30 p.m., Miss Irene Katherine Hirth, daughter of Mr. and Mrs. Eugene Hirth of Ann Arbor, became the bride of Otto B. Miller, son of Mr. and Mrs. James E. Miller, of Tecumseh, in the St. Paul's Lutheran church, Ann Arbor. The Rev. C. A. Brauer performed the ceremony in the presence of 250 guests.

Given in marriage by her father, the bride wore a white satin gown designed with an illusion neckline, orange blossoms gathering the nylon net yoke. The full skirt worn over hoops, was trimmed with a ruffle and ended in a train. Her fingertip veil of nylon net fell from an orange blossom tiara. She carried a cascade bouquet of white stephanotis and ivy centered with a white orchid.

Dorothy DuBois of Plymouth Road, as maid of honor, wore a pink frosted organdy gown and a tiara of pink roses and violets. Her colonial bouquet was made up of violets centered with pink roses. The bridesmaids were Elaine Kuhling of Dexter and Mrs. Edwin Hirth of Ann Arbor. Richard Cadmus of Ann Arbor was his cousin's best man. Guests were seated by Edwin Hirth, Donald Peters and Charles Lovelace, all of Ann Arbor and Douglas Daykin of Britton.

A reception in the church basement was followed by a party at Schwaben Hall. Dorothy Clague of Ann Arbor, was in charge of the guest book. Mrs. Ida Cook of Tecumseh and Mrs. Donald Peters of Ann Arbor, sisters of the bridegroom, cut and served the wedding cake. Assisting were Norma Lovelace, Norma Kesler and Mrs. Herman Boelter of Ann Arbor Wilma Lindemann and Eileen Lindeman of Saline and Barbara Hirth of Northville.

When the couple left for a week in the Smoky Mountains, the bride was wearing a gray and navy checked suit with navy trim, a navy topper, red accessories and her bridal orchid. Upon their return, they will live on Tangent Road, Tecumseh. Mrs. Miller was graduated from Ann Arbor high school and before her marriage was employed as a secretary by the Ann Arbor public schools. Mr. Miller, a graduate of Macon high school, attended Michigan State College and now is engaged in farming.

1,607 Traffic Deaths In 1951

45,734 INJURED DURING SAME PERIOD, STATE POLICE REPORT SHOWS

Traffic accidents in Michigan took the lives of 1,607 persons during 1950, the highest death toll for any year since 1941, according to the annual traffic accident experience report released by State Police Commissioner Donald S. Leonard.

For the third consecutive year, motor vehicle registrations and total travel reached new all-time highs, accompanied by new highs in total number of accidents and persons injured.

Deaths increased 166 or 12 per cent over 1,441 in 1949. Injuries totaled 45,734, up 4,087 or ten per cent over 41,647, and accidents numbered 161,750, an increase of 18,553 or 13 per cent over 143,197.

There was a daily average of 443 accidents, 125 persons injured and more than four killed. The death rate per 100 million miles of travel was 7.3, or two per cent over 1949 but lower than any other year on record.

There were 2,439,593 registered vehicles, including 2,117,662 passenger cars, 221,797 commercial vehicles, 73,187 farm vehicles and 19,569 motorcycles. This was an average of one vehicle for every 2.6 persons in the state. Total travel exceeded 22 billion miles, an average of slightly more than 9,000 miles per registered vehicle.

Although only one-sixth of all accidents occurred in rural areas they resulted in more than one-third of all injuries and more than two-thirds of all deaths. Rural fatalities were up 12 per cent over 1949, with the highest percentage of increase on the rural trunk line system.

In urban areas the death toll increased 11 per cent over the previous year.

More than half of the fatal accidents occurred in periods of darkness, although less than one-third of the total mileage was traveled during those hours. Saturdays and Sundays accounted for two out of five of the deaths.

One or more drivers were violating traffic laws in 71 per cent of the fatal accidents and mechanical defects were reported in ten per cent of all cars involved.

Pedestrian deaths totalled 403, the lowest since 1944. More than 60 per cent of the victims were over 45 years of age and about 20 per cent were children.

Two out of three of the pedestrians were violating the law or acting unsafely. The most deadly act was crossing streets between intersections.

Michigan's traffic toll for the past ten years now stands at 14,111 persons killed and 343,766 injured in 1,153,253 accidents. These accidents cost 975 million dollars in wages lost, medical care, insurance expense and property damage.

Bard's Notebook Proves Authorship Of Famous Plays

ORIGINAL NOTEBOOK OF WILLIAM SHAKESPEARE FOUND IN BRITAIN

London—A British collector said here an old volume he bought 10 years ago has turned out to be an original notebook of William Shakespeare.

Alan Keen said a decade of research has established its authenticity—and in his opinion has disposed of all theories that Sir Francis Bacon or someone else wrote Shakespeare's plays.

Mr. Keen said trade circles believed the book worth $500,000 at the very least.

Mr. Keen said he bought a library in Shropshire in 1940 and while cataloguing it he flipped the pages of a thick volume published in 1550 under the title, "The Union of the Two Noble Houses, York and Lancaster."

The book is five inches thick and about 12 by 14 inches. Writing is crammed closely into the margins and practically every other bit of white space.

Mr. Keen knew that scholars believed this book to be the source for Shakespeare's historical plays, Richard II, and Henry IV and V. In the margins, opposite accounts of these monarchs, he found rough drafts of dialogue he knew was in the plays.

"From the Tudor style writing and other features, I knew these had been written during Shakespeare's lifetime," Mr. Keen said. "Who, I though, could have roughed out the original dialogue? — scarcely daring to think the name.

"That started a decade of searching through unpublished manuscripts, tracing the book forward from its original owner, Sir Richard Newport, Lord of Ercall in Shropshire, whose name was on the flyleaf."

One result of the inquiry, Mr. Keen said, was to solve the mystery of the "hidden seven years" in Shakespeare's life and, in his opinion, eliminate all other theories about who wrote Shakespeare.

These theories have been based on the contention that the simple lad from Stratford on Avon did not have the Latin and Greek and general knowledge to become a dramatic genius.

Bacon, the Earls of Oxford, Rutland, and Derby, Christopher Marlowe, and others have been advanced as the possible authors, the idea being that they used Shakespeare as a front because it was not socially acceptable to write for the stage in that era.

Veterans Seat

department officers were escorted to the rostrum by the color guard where they were greeted by Mrs. Boyes and Elmer Burleson, retiring commander of the post. All incoming officers formed a large V from the altar where the installing ceremonies were conducted. The new officers were then conducted to their stations.

Those installed for the post were: Richard Butler, commander; Frank Daehne, senior vice commander; Harlan Boyes, junior vice; Carson House, quartermaster; Clifford Curran, adjutant; Elmer Burleson, advocate; Earle Smith, chaplain; Ben Hammack, service officer; N. L. Hart, public relations officer; Robert Shay, patriotic instructor; Waldo Mohr, historian; Earl Kruger, legislative officer; Harold Warren, officer of the day; Roy Beasley, trustee; Don Heesen, sergeant major; Harold Butler, quartermaster sergeant; Richard Fagan, guard; Robert Starkey and Calvin Rickard, color bearers; Lee Coffey, bugler.

New officers for the Auxiliary are: Mrs. Frank Daehne, president; Mrs. Max Brandt, senior vice president; Mrs. Robert French, junior vice; Mrs. Richard Butler, treasurer; Mrs. Waldo Mohr, secretary; Mrs. Carl Kempf, chaplain; Mrs. Jean Sisty, conductress; Mrs. Boyes, assistant, Mrs. Robert Starkey, guard; Mrs. Bonnie Sniffen, trustee; Mrs. Glenn Kohler, flag bearer; Mrs. Griffen, Ken-bearer; Mrs. Minnie Eisenminger, historian; Mrs. Gaza Kish, musician; Mrs. B. L. Warren, patriotic instructor; Mrs. John Braden, Mrs. Earl Kruger, Mrs. Carson House and Mrs. Harold Warren, color bearers.

After the ceremonies a past commander pin was presented to Mr. Burleson by Mr. Ellis, and a past president's pin by Mrs. Logue to Mrs. Boyes, who also received a traveling case from her officers. Mrs. Boyes in turn presented her officers with silver key chains with a name tag bearing the emblem of the Auxiliary. A past treasurer's pin for three years of service was presented by Mrs. Louge to Mrs. Butler who was re-instated to that office for another term. Gifts were also presented to the department officers.

Mrs. Walter Ellis of Jackson accompanied her husband and Mrs. Grace Toenges of Lansing accompanied Mrs. Logue were guests at the dinner and meeting.

MYSTERY BOMB . . . Detective William Schmitt of the bomb squad lifts an aerial bomb from oilbath where emergency police had placed it after they found it in a hallway on 6th Ave., New York City. The bomb was found by Leo Simmon who notified police after the sanitation department refused to have anything to do with it. After the bomb was soaked in oil, it was turned over to the army ordinance center in Brooklyn for thorough study of its contents.

80 New Houses

(Continued From Page 1)

are in the progress of construction.

According to Mr. Kohler, his company now plans to build 40 new houses in Herrick Park and 40 more in Tecumseh Acres, these projects to go forward at once. Purchase of the needed materials already have been arranged for, so that there will be no shortage to delay the progress.

Credit restrictions by the federal government recentaly have been slowing down new house building in some sections of the country, it was said, because a higher down payment is required. Locally, it was explained, Tecumseh Products Company plans to continue its program of aiding its employees to build new homes, through outright gifts to qualified workers. The Products' program has been in effect for about 10 years, and many of the houses built here in the past decade have been made possible through the company's generosity.

Last year, new house construction in Tecumseh was estimated at $1,000,000 and a recent survey showed that a similar amount of building might be expected here again this year. It would seem now, if the projects in these two subdivisions are carried out, that the 1951 total might even exceed that of a year ago.

About 25 new houses are under construction now, inside the village or on the immediate fringe area.

Only 33 Enroll

(Continued from page 1)

Hart, who is the co-director for Civilian Defense in the county and director locally, said that it would be possible for additional students to enroll for the course next Monday. After that time, it will be too late because credits cannot be issued under Red Cross rules.

The class is being taught by James McDowell, high school principal and qualified Red Cross instructor. It meets each Monday evening at 8 o'clock in the new high school. There are six lessons in all.

Block wardens under the C. D. program were asked a week ago to name a woman as an assistant warden in each block of the village. Hart pointed out that the class is open to both men and women, and he urged that the women who have been named as assistant wardens enroll on Monday.

"I sincerely hope that we never have to use any of the knowledge and training that we have received in this Civilian Defense work in a time of actual attack or disaster," Hart declared. "However, should the country be attacked, or should we meet with some disaster, I feel certain that the training we have received and the training that is being offered would be very beneficial."

GOLF DEMONSTRATION

The Tecumseh Exchange Club met Monday evening at the V.F.W. hall. George McCombs, program chairman for the month of April, presented Leo Bishop, golf pro at Tecumseh Country Club, who gave a demonstration of how to play golf the right and the wrong way. It was an interesting demonstration, especially to those who play.

LODGE TO MEET

Regular communication of Tecumseh Lodge No. 69, F. & A. M., will be held Friday evening, May 4, at 8 o'clock. All past masters are requested to be present at this communication, to discuss plans for Past Masters' Night, June 15.

Clyde D. McDermott, Clinton Resident, Dies

Clyde D. McDermott, aged 61 years, died at 9:47 a.m., Saturday, at Veterans Hospital, Dearborn. He had been a patient there for four months. Mr. McDermott had always lived in Clinton. He was a veteran of World War I, serving in the 46th Division, 168th Infantry.

Before going to the hospital he was employed by the Clinton Machine Co. He was a member of St. Dominic's Catholic church, the F. E. Peiper Post, American Legion and the Veterans of Foreign Wars.

He is survived by his wife, Mrs. Anna McDermott; two daughters, Mrs. Joe Smith and Mrs. Margaret Bowman, both of Clinton; one son, James McDermott, also of Clinton; seven grandchildren; two sisters, Mrs. Addie Kilby of Clinton, and Mrs. Fanny Kitchen, of Dixon, Ill.; three brothers, George and Frank of Clinton, and Howard of La-Porte, Indiana.

The rosary was recited at 8 o'clock Monday evening at the Proctor Funeral Home, Clinton. Funeral services were held at 10 a.m., Tuesday, in St. Dominic's Catholic church. The Rev. Fr. Mitchell Witkowsky officiated. Burial was made in the parish cemetery.

Political Posters Used Even In Ancient Rome

Political posters that still hang from telephone poles and billboards aren't a recent election technique. Even ancient Rome was plagued with them.

An article in "The Classical Courier" published by the University of Michigan Department of Classical Studies describes some of the Roman signs.

Lettered signs in Latin calling for support of candidates have been found on buildings, walls and even on tombstones.

The situation seems to have been pretty bad because this inscription was found on one tomb: "Bill-poster:, I beg you, pass by this monument . . . may any candidate whose name has been painted on the monument suffer defeat and may he obtain no office!"

The plea was effective for there was no trace of a political sign on that tomb.

On another monument was this inscription: "So may your candidate get what office he seeks, and just so, bill-poster, pass by this monument perpetually. If I gain this request, at least good luck and prosperity to you. Farewell."

In the excavation of Pompeii the advertising campaign of Latin politicians are fully documented, the Michigan publication states. Lettering is bold and varies in size from two inches to a foot in height. Hundreds of recommendations of candidates for local offices can be found on the walls of private houses and shop fronts.

Some of these seem to have been used as a sort of nominating procedure: "His neighbors demand Caselius Marcellus as candidate for aedile," and "All the goldsmiths demand Cuspius Pansa as candidate for aedile."

The office of aedile was a commissioner type of job, the article explains.

One candidate was recommended because, "he supplies good bread." The bakers also demanded the same candidate in another sign.

However, the classical publication points out, all signs were not necessarily favorable to a candidate. In one street in Pompeii these signs were found: "True simpleton casts his vote for Vatia," "All the late-drinkers beg you to make Vatia aedile." In two other signs "all the sleepers" and the "sneak-thieves" gave their support to the candidate.

TOWN MEETING OF AIR ON APRIL 24

ANN ARBOR — "Why worry About the Atom Bomb?" will be the topic for discussion when "America's Town Meeting of the Air" is broadcast from the University of Michigan campus on Tuesday, April 24, starting at 9 p.m.

The broadcast from the Rackham Lecture Hall will originate over Radio Station WHRV in Ann Arbor and will be carried by 286 affiliated outlets of the American Broadcasting Company network.

The April 24th program is under the auspices of the University's Phoenix Project and the Ann Arbor Junior Chamber of Commerce. George V. Denny, Jr., president of Town Hall and founder and moderator of "Town Meeting," will be here to preside in his usual role. The panel of speakers will be announced in the near future.

"America's Town Meeting" is a modern adaption of the old New England town meeting where citizens gathered to discuss the problems of their government. It has been on the air since May of 1935.

HOME "DEM" WORK PROVES GOOD CAREER

If you want a well-paying job which gives a lot of personal satisfaction through the public service you perform, don't overlook a career in home demonstration work.

That's the advice of Mrs. Leona MacLeod, head of the Michigan State College home economics extension service. Mrs. MacLeod adds that although salaries are high for home demonstration agents, the demand, too, is always large.

Home demonstration agents are employees of the land-grant colleges but their headquarters are in the county buildings of the various counties of the state. As a part of the educational system of the state, they have done probably as much as any other group to show the people of the state better ways to good home and family living.

In Michigan the salary schedule for home demonstration work is $3,200 to $5,500 a year with a month's vacation. After experience, the home demonstration agent may become an extension specialist in some area of home economics, or she may work in to a supervisory position.

Some of the Michigan Colleges offering the required home economics training are Michigan State College, Wayne University, the four state teachers colleges, Albion College, and Marygrove College, Detroit.

ment and employees. At noon, all of the instructors were guests of their host firms at a luncheon at the Country Club and, in the afternoon, further plant observations were made.

At the evening banquet, William A Wright, president of the Chamber, presided, following the invocation by the Rev. B. O. Bashore G. Arthur Rathbun, Lenawee circuit judge, acted as toastmaster and music was furnished by Driscoll's Orchestra.

Ronald Harris, Chamber secretary, briefly reviewed the activities of the organization during the past year, noting particularly the highlights which included this community's visit to Tecumseh, Ontario, to return a visit paid to us one year previously. He also mentioned special day events, showing that the Chamber had spent a busy 12 months.

Mr. Wright told some of the plans for the new year, indicating that a "near normal" Tecumseh schedule of activities would be maintained, including, in all probability, a return visit to Tecumseh, Michigan, during the latter part of June, by residents of Tecumseh, Ont.

Mr. Wright then made the Chamber's annual presentation of "Meritorious Service" awards—plaques that are given annually by the organization to outstanding local leaders in business and civic life.

This year's awards went to the Rev. Mr. Bashore, pastor of the Baptist church; Perry M. Hayden, president of the Hayden Mills and widely known for his wheat tithing project and the film and book, "God Is My Landlord," and to Louis S. Schneider of Schneider Bros. Garage, Inc. Mr. Bashore has for several years taken an active part in Tecumseh's community life, and he is well known for his Sunday radio broadcasts. Mr. Schneider has for over 30 years been active in Chamber of Commerce work locally, and he also is known throughout the state for the youth program he has directed for the American Legion.

"It is up to the Americans to sell America to another generation," Mr. Wies, the speaker of the evening, declared, when he discussed the spread of Communism and Socialism in the United States. "There's no doubt but that the American way of life is the finest way that is offered in the world, but selling it to the public is our job, if we are to remain a democracy," he said.

Wies briefly reviewed the spread of Communism, world-wide, and told of the inroads that have been made here on the democratic form. He warned that if democracy is to survive, action on the part of Americans must be prompt and well directed. Communists, he declared, have a well-organized plan to take over the U. S. government.

Out of town guests at the meeting included Chamber representatives from both Adrian and Clinton, and six from Tecumseh, Ont.

Community singing during the program was directed by Robert H. Moore.

Portrait of Franklin Is Sought For Britain

London — A British peer, Viscount Duncannon, visiting the United States in quest of a portrait of Benjamin Franklin.

He wants it to hang on the parlor wall of the house in Craven Street where Franklin lived during his visits to London between 1757 and 1772.

The house, still furnished as it was in the 18th century, is visited by many Americans, particularly tourists from Philadelphia, where Franklin lived for many years. It now is headquarters of the British Society for International Understanding, a public information body, of which Lord Duncannon is a governor.

A portrait by the French artist Joseph Dulessis, painted while Franklin was first United States minister to France, hangs in the Metropolitan Museum in New York.

Lord Duncannon said he thought there might be up to 50 or 60 replicas in existence, mainly in the United States.

He also will go to Philadelphia to present a book of photographs of the house in Craven Street to the Benjamin Franklin Society there.

EVANGELISTIC SERVICE

The Rev. A. L. Shaw, evangelist, will have charge of the services Sunday, May 6, at the Lower Light Mission church. Sunday School will be at 9:45 a.m., with morning worship at 10:45, and evening evangelistic services at 7:45 p.m. There will be a mid-week prayer and praise service on Wednesday evening, May 9, at 8 o'clock.

Brownie Scouts, Leaders Enjoy Trip To Detroit

Brownie Fushia Troop No. 11, with Mrs. Louise Partridge as leader, and Mrs. Louise Matheny as assistant, enjoyed a day of excitement and thrills when the girls spent Monday in Detroit. The Brownies had a bake sale and rummage sale at Weatherman's on April 13-14, and this netted the Scouts $87 which made the trip possible. A bus was chartered for fourteen girls, leaders and committee women for the trip.

Many of the girls had never been in the city before. They went through Hudson store; attended a television show, on their return home visited Willow Run Airport. Those who made the trip were Joan Kempf, Joyce Partridge, Martha Owens, Brenda Heeman, Jane Colgrove, Joyce Matheny, Carol Sue Rutherford, Nancy Weaver, Jean Gordon, Karolyn Mueller, Judy Ripley, Mary Jo Tressler, Toy Perrin, Dorothy Goodwin, Mrs. Hilda Heeman, Mrs. Jerry Gordon, Mrs. Lucille Goodwin, Mrs. Pauline Mueller, Mrs. Lilah Rutherford and the leaders.

The leaders, Brownie Scouts and committee women expressed thanks to those who made this trip possible.

Gardening Weather Has Finally Arrived

Yes, it was a rather backward Spring for gardening, but good garden weather finally has arrived.

However, there's no need for you to worry about the lateness of the season, if you plant our pre-tested seeds. They're the kind that "hurry up and grow," that catch up with the weather.

Pre-tested seeds cost no more than ordinary seeds. We've been selling them for years and years, to customers who keep coming back for more.

Can you think of a better recommendation for a product?

Mary Frances Brown Weds William R. Wallace

The St. Elizabeth Catholic church in Tecumseh was the scene of a lovely wedding, last Thursday morning at 10 o'clock, when Mary Frances Brown, daughter of Mrs. Viva Brown of Britton, became the bride of William Robert Wallace, son of Michael Wallace of Ann Arbor.

In front of the altar, which was decorated with beautiful vases of white snapdragons, the Rev. Fr. Michael G. Collins read the impressive ceremony before a group of friends and relatives.

Wallace Whiting, accompanied by Mrs. Richard Jennings at the organ, sang "Ava Maria," and "On This Day Oh Blessed Mother."

The bride was lovely in a gown of white lace over taffeta, with fitted bodice, three-quarter length sleeves and ballerina skirt with a dipped hemline, and matching head dress. Her only jewelry was a strand of pearls, a gift of the bridegroom. She carried a white prayer book, covered with a bouquet of white camellias, lillies of the valley, ivy and white streamers. She approached the altar on the arm of her brother, Dr. Raynor Brown of Adrian. Mrs. Archie Spohr, a sister of the groom, was matron of honor. Her gown, made exactly like the bride's, was of orchid lace over matching taffeta. She carried a fan shaped bouquet of yellow iris and daisies.

Mrs. Henry Brown, a sister-in-law of the bride, as bridesmaid, wore a yellow lace gown over matching taffeta, also styled exactly like the bride's. She carried a fan shaped bouquet of orchid iris and daisies.

Archie Spohr served his brother-in-law as best man, and Robert Smith of Ann Arbor, also served as an attendant. The ushers were Ned Brown and William Miller of Britton, Carl Brown of Blissfield and Jerry Coffey of Tecumseh.

For her daughter's wedding, Mrs. Brown wore navy blue with matching accessories and a corsage of white and pink carnations. Mrs. Elizabeth Quinan of Ann Arbor, an aunt of the groom, wore black with a corsage of white carnations.

Following the ceremony a breakfast of lovely appointments was served at the Tecumseh Country Club.

A reception given by Mr. and Mrs. Archie Spohr was also held at the Tecumseh Country Club from two until four o'clock. A feature of the reception. was a three-tiered wedding cake, topped by a wedding bell and dove. The cake was cut and served by Mrs. Fay Hindes. Assisting with the luncheon were Mrs. Stanley Smith, Mary Oliver, Mrs. Lee Hastings, Mrs. Darryl Ball and Mrs. Margaret Robinette.

The bride's niece, little Nancy Lee Brown, was in charge of the guest book.

After the reception, the couple left for a trip to the Smoky Mountains. For going away the bride wore a beige suit with navy accessories. On their return they will be at home in their newly furnished apartment in Britton.

"50 Lb. Bags Of Chick Feed Have Made Gentlemen Of Us Farmers" . . . . . .

So writes an enthusiastic user of Hayden's Krumbilized chick feed. He is exactly wrong—farmers have been gentlemen for many generations. But if Hayden's feeds in the 50 lb. triple paper bags is a help, we are mighty happy. And if more gentlemen will continue to like them, we will surely continue to suplpy Hayden's chick feeds in the 50 lb. bags. Hayden's Starter & Grower mash in the 50 lb. paper bags is the handy feed for baby chicks, — it's easy to handle, the chicks like it and it gets results. Phone Tecumseh 74 for farm delivery.

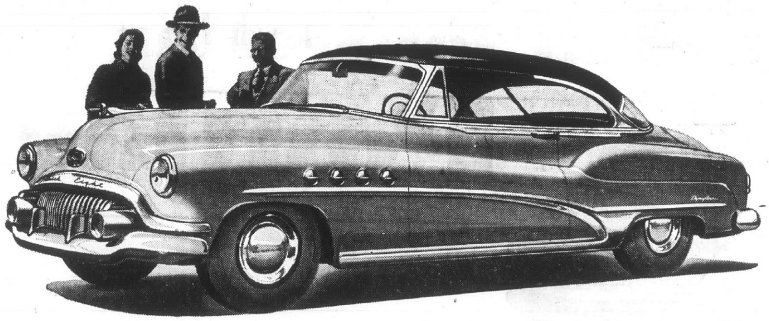
FIREBALL POWERED



Who said You can't Afford a Fine Car?

WHEN you look at all a ROADMASTER has to offer, it's only natural to conclude that it's priced with the rest of the fine-car field.

Sweeping proudly past you, it has a distinction that few cars can equal.

Stepping nimbly away from a stop light, it has the willing surge of power that the very exclusive combination of a 152-horsepower Fireball engine and Dynaflow Drive* delivers.

It rides the road with majestic smoothness, and comes to a smooth and gentle halt, in response to the finest brakes Buick ever developed.

Inside, it has spacious room, from side to side and front to back and seat to roof—plus a softness of cushions and a richness of fabrics which bespeak the custom standards to which it is painstakingly built.

All you could want in a fine car is here in abundance.

But don't let that fool you into deciding "it's too rich for me."

If you've looked into 1951 car prices generally, you'll discover this:

You can own a ROADMASTER for just a shade more than an ordinary car will cost—and for several hundred dollars *less* than the price tags usually found in "the fine-car field."

Why not look into this today?

Equipment, accessories, trim and models are subject to change without notice.

*Yours at no extra cost on ROADMASTERS.

GIFT BY TECUMSEH PRODUCTS CO. EASES HOME FINANCING

THE BUILDING AND SALE OF HOUSES THROUGHOUT THE COUNTRY RECENTLY HAS BEEN SLOWED DOWN CONSIDERABLY BECAUSE OF THE CREDIT RESTRICTIONS REQUIRING LARGER DOWN PAYMENTS. IN MANY INSTANCES THESE RESTRICTIONS MAKE IT DIFFICULT FOR PEOPLE TO BUY HOMES.

FOR THE FIRST TIME IN MICHIGAN'S INDUSTRIAL HISTORY, THE PROBLEM OF HOUSING HAS BEEN RECOGNIZED BY MANAGEMENT. TECUMSEH PRODUCTS COMPANY, A RECOGNIZED LEADER IN INDUSTRY, IS GIVING OF ITS RESOURCES IN AN EFFORT TO HELP ITS EMPLOYEES OBTAIN NEEDED HOUSING, A PROGRAM WHICH IT HAS FOSTERED FOR MANY YEARS. AS A RESULT, WHILE THESE CREDIT RESTRICTIONS ARE IN EFFECT, THE TECUMSEH PRODUCTS COMPANY WILL ASSIST QUALIFYING EMPLOYEES BY A GIFT, WITHOUT ANY STRINGS OR OBLIGATIONS ATTACHED, TO AID IN THE PURCHASE OF A HOUSE IN EITHER OF THESE TWO SUBDIVISIONS.

Town and Country Homes, Inc., builders of the homes in these two subdivisions is buying the materials now. Construction will proceed without delay.

The Presbyterian Church in Michigan has purchased this 340 acre campsite, pictured above, complete with facilities for 150 campers and leaders located 5 miles west of Greenville on Woodbeck Lake. It has six cabins which are insulated, gas-heated Quonset huts with showers, toilets, hot and cold water. The recreational facilities are exceptionally good for both summer and winter.

Plans are now well under way for junior and senior high summer camps starting in June and also a week camp August 6-13 for families. Robert Augustine formerly with the Grand Rapids YMCA, is the camp director.

The Presbyterian churches in this area are making plans to do their share in raising the $95,000 cost which amounts to about $1.20 per church member in the state. Over the past years it has cost between $2,000 and $4,000 per year in camp rentals for the 900 boys and girls who annually take part in the camp program.

Thank You,

Kind Friends and Neighbors

We would like to take this occasion to say "Thank You," to our many, many kind friends and neighbors who, last Friday and Saturday, dropped in to say "Hello," and to congratulate us and wish us success in the opening of our new drug store.

A conservative estimate of the number of persons who visited us on Friday was around the 3,000 mark. Saturday, we lost track of the number, but it was also large.

We are happy that Tecumseh and its trading area liked our new store, and we are also happy that so many of our good friends came in to greet us. In our judgment, there's no greater thrill than meeting your friends.

Especially do we desire to thank M. H. Thielan, the general contractor; John Watson, who did the electrical work; Seitz Plumbing & Heating, and Palman's for the floor covering. These firms worked long and well to make our opening, on the day scheduled, possible.

The dozens of floral pieces and plants we received were beautiful. We want to tell you, too, how much they were appreciated.

Please remember, our new drug store is at your service, seven days in the week. Feel free to call on us at any time for the things you need.

McDowell Heads School System

NEVILLE HART NAMED PRINCIPAL OF HIGH SCHOOL BY BOARD OF EDUCATION

James McDowell, principal of Tecumseh high school for the past six years, was named as superintendent of schools here to succeed Earl H. Place, resigned, when the board of education met in regular session, Tuesday evening.

Neville Hart, commercial teacher here and who has been associated with the Tecumseh schools for 10 years, was elevated to the principalship.

Both appointments received the unanimous approval of the board.

Mr. McDowell came to Tecumseh six years ago from Leslie, Michigan, where he served as principal of the schools. He is a graduate of the University of Michigan, and holds A. B. and M. A. degrees from that institution. He is a native of Bangor, Michigan.

Mr. Hart, a native of Escanaba, attended Lawrence College and Ferris Institute and received his A. B. and M. A. from the University of Michigan. He came here about 10 years ago as coach and commercial teacher and then entered the Army, serving in the south Pacific with a hospital evacuation unit. He returned to Tecumseh in 1945, again entering the

Visitation Day In Local School

PROSPECTIVE STUDENTS FROM RURAL DISTRICT ARE INVITED TO ATTEND

Plans are complete for Rural Visitation Day in the Tecumseh junior and senior high schools today, Thursday, May 10, starting at 1 p.m., it was announced today.

James McDowell, principal, said that cards had been sent to all nearby districts sending pupils to Tecumseh, urging that students who may attend here next year in the seventh, eighth or ninth grades, be sure to visit the schools this afternoon.

The vocational agriculture and home economics departments, under the direction of Paul Burns and Mrs. Martha Kuhn, are planning special programs for the afternoon, including a softball game. The new seventh and eighth grade boys and girls will visit classes and participate in an orientation program for all new pupils, including those in Tecumseh's own sixth grade from the Central Building.

All pupils who will be entering the ninth grade next fall will receive guidance and enroll for their subjects next year. Delmar Crisp, guidance director, and Myles Runk, freshmen advisor, will have charge of this activity. McDowell stressed the importance of the visitation, pointing out that all rural students, planning to come here to school next year, should attend.

Friends Pastors End Conference In Tecumseh

Tuesday, Wednesday and Thursday of last week, what was said to have been one of the most successful pastors conferences of the Ohio Yearly Meeting of Friends was held in Tecumseh with the Tecumseh Friends Church as host.

Over one hundred delegates were in attendance, coming from points as far west as Iowa, as far south as Virginia, and as far east as Massachusettes, in which states the Ohio Yearly Meeting has churches.

Dr William Kirby of Martinsville, Virginia, and Dr Harold Kuhn of Asbury Theological Seminary, Wilmore, Kentucky, were among the speakers. The Rev. Edward Escolme's paper, "The Future of the Friends Church," stimulated much discussion.

The local church expressed thanks to the citizens of Tecumseh who so generously opened up their homes to the delegates.

POLICE GIVE WARNING ON USE OF BB GUNS

Police said today that they are receiving altogether too many complaints regarding the careless use of BB guns by youngsters. Several windows have been broken and women and children in the yards of their homes have been endangered.

"The careless use of these guns must stop," Chief of Police M. E. Clark, said. "If it continues, we may find it necessary to draft a new ordinance, throwing all of the burden of ownership of such a gun onto parents. Folk should remember that today's air gun is a dangerous weapon, and it should be handled with discretion."

PROCLAMATION

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, an organization chartered by the Congress, has been officially recognized and endorsed by the President of the United States and the Veterans Administration, and

WHEREAS: The proceeds of this worthy fund raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans, and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor The Dead By Helping The Living;" therefore,

I, J. Floyd Elliott, president of the Village of Tecumseh, do hereby recognize the patriotic merits of this cause by urging the citizens of this community to contribute generously to its support through the purchase of Buddy Poppies, on the days of May 18 and 19 set aside for the distribution of these symbols of loyalty in this village. I urge all patriotic citizens to wear a Buddy Poppy on Memorial Day, as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

J. Floyd Elliott,
Village President

Dial System At Britton, May 18

$70,000 EXPENDITURE GIVES RURAL AREA LATEST IN TELEPHONE SERVICE

The Britton Telephone Company, serving 359 subscribers in the Britton and Ridgeway area, will begin using the dial system about midnight on Friday, May 18, D. D. Walper who, with his father, J. J. Walper, are the principal stockholders, announced today. Except for a few minor details, Mr. Walper said that the company is prepared today to launch the new service, and he declared that everything would be in readiness for the change-over next week.

The Walpers purchased controlling stock in the Britton company about a year ago and since that time some $70,000 has been spent in rebuilding the system. New lines have been installed and a new fire-proof building has been built in Britton to house the dial equipment. There will be no operators in the Britton office, only the "mechanical mind" that automatically connects subscribers' lines after a number has been dialed. Bernard Waterbury is the resident maintenance man and his wife is in charge of the office and bookkeeping department.

Beef Ceiling Must Be Posted

"FREEZE" OF BOTH MEAT AND GROCERY PRICES EXPLAINED BY OPS

Retail butchers are required to post by June 4 the new ceiling prices for beef cuts that went into effect May 14, says the Detroit district office of the Office of Price Stabilization. These beef prices will be effective until July 31. On that date OPS will put into effect the first of two ceiling price reductions. The next ceiling price reduction will take place October 1.

These step-by-step reductions in beef prices will result in average reductions by fall in the prices consumers pay of about 10 per cent, says the OPS district office. Actual percentage reductions will be partly dependent on the type and style of beef cuts. The ceilings this week hold retail prices at about the freeze level of last February.

The OPS regulation controlling beef prices is part of a group of regulations that reduce the prices that slaughterers can pay for beef cattle and that wholesalers may charge retail butchers. The cattle prices will be reduced about 10 per cent on May 20. Another 4-½ per cent on July 29 and still another 4-½ per cent on September 30.

The price slaughters may pay for cattle are the lowest which would protect cattle feeders against inventory losses on cattle acquired before the freeze date. The three reductions consider both the feeder's position and assurance of orderly marketing through normal channels.

TWO ALL-A STUDENTS WIN TOP GRADUATION HONORS IN T. H. S.

Valvedictorian, Salutatorian Named For '51 Class

Cynthia Spafford

Gerald Aebersold

Cynthia Spafford and Gerald Aebersold are the valedictorian and salutatorian respectively, of the Tecumseh High School Class of '51, graduating May 31, James McDowell, high school principal, announced that these two pupils were the only ones in the class of seventy-four members to receive an average of A for their high school careers. However, twenty-six percent of the class has a B average, which shows the high quality of work done by this class as a whole.

Miss Spafford is the daughter of Mr. and Mrs. Jerry Spafford of 213 E. Shawnee, and has been active in many school activities. She is president of the class of '51 and was vice-president during her junior year. She is a member of the annual staff and debated during her sophomore year. She sang the lead in the school operetta this year and took part in the senior and junior plays. She has chosen Miami University for next year.

Gerald Aebersold is the son of Mrs. Lois Aebersold, 205 S. Oneida. He is secretary of the class of '51, a member of the annual staff, and active on football, basketball, and track squads. He was vice-president of the Red Cross Council in his sophomore year and has been active in other student affairs. Gerald has chosen, to enroll at Michigan State College next fall.

The other honor students at Tecumseh high are Kathron Hicks, Jolene Barron, Dorothy Heberlein, Howard Pennington, Joan Breitenwischer, Doris Bilby, Fred Feight, and James Dick, according to Mr. McDowell's announcement.

Mrs. Marjorie Keith, Former Resident, Dies

Funeral services for Mrs. Marjorie Keith, aged 45 years, wife of Russell Keith, were held Saturday afternoon at 2 o 'clock in the First Congregational church in Roscommon. Mrs. Keith's death occurred Thursday at 4 a.m. in her home in Roscoqmmon. She was believed recovering from an illness and death was unexpected. She was born in Blissfield and was the former Marjorie Petee. She had lived in Blissfield and Tecumseh until 1946 when the family moved to Roscommon.

Survivors besides her husband, Russell, are a daughter, Mrs. Homer Walters of Manchester; a son, Paul at home; three grandchildren; three brothers, Morgan Petee of Sand Lake, Glenn Petee of Blissfield, Rolland Petee of Petersburg, and one sister, Mrs. Vern Hoover of Adrian.

Several friends from Tecumseh attended the services Saturday afternoon.

School To Hold An 'Open House'

PARENTS INVITED TO VISIT HIGH SCHOOL AND OBSERVE WORK OF STUDENTS

Parents of junior and senior high school students in Tecumseh have been invited to visit the several rooms in the new high school building on Tuesday evening, May 15, from 7 to 9 o'clock to observe the work that has been done by their sons and daughters, and to meet and confer with instructors.

"This is just another open house," James McDowell, principal, said, "for the purpose of acquainting parents with what goes on in their schools. We hope that every parent will attend, and will become better acquainted with Tecumseh's educational program."

Mr. McDowell said that there would be special exhibits by the art, shop and home economics departments, as well in other rooms in the school. Also all teachers will be on hand to meet the parents.

Cuyler Hills Buried In Brookside, Wednesday

Cuyler Hills died May, 6, at his home near Birdsall after a short illness. Born July 20, 1885, in Raisin township, he was the second son of the late Mr. and Mrs. James Hills of Tecumseh, and spent his entire life in this vicinity.

On October 9, 1920, he was married to Mrs. Addie Love Yenor at Adrian. To this union was born two sons, George L. and Cuyler, jr., who live at home.

Besides the widow and two sons, he leaves one brother, Leroy, of Tipton, and a sister, Mrs. Lou Shurtz, of Manchester and three stepsons, Leroy and Nickolas Yenor at home, and William Yenor of Tecumseh, one stepdaughter, Mrs. Mary Butler of Tecumseh, fifteen grandchildren and one great-grandson. Also one niece, Mrs. Edna Gardner of Grand Rapids, and two great nieces, of Detroit.

He was preceded in death by his parents, one brother, William Hills, in 1946 and one stepson, Dwight Yenor in 1928.

The funeral services were held Wednesday at 2:30 o'clock at the Green Funeral Home in Tecumseh. The Rev. Edward Escolme officiated and burial was made in Brookside cemetery, Tecumseh.

EPISCOPAL RECTOR TO BE INSTITUTED

The Rev. Richard O. Petersen will be instituted as rector of St. Peter's Episcopal church, Sunday evening, May 13, at 8 o'clock. The Rev. Howard Harper of Jackson will be the institutor and the Rev. Dr. George S. Selway of Lansing will be the preacher. Both of these men are former classmates of the Rev. Mr. Petersen.

Legion Poppies Go On Sale Soon

MAY 24-25-26 ARE DATES CHOSEN FOR CAMPAIGN BY UNDERWOOD-ORR POST

Underwood-Orr Post No. 34, American Legion and Auxiliary, will conduct their annual Poppy Daye sale on National Poppy Days, May 24-25-26, it was announced today.

This year, as in the past, poppies that are sold will be made by hospitalized veterans. They are constructed of seven pieces of crepe paper, carefully tied together with two pieces of wire. Doctors in the veterans' hospitals consider poppy making to be a valuable form of occupational therapy, the physiological effect of having work to do and, at the same time being paid for it, having great value in rebuilding both the patients' pride and self-respect.

The local Legion and Auxiliary have purchased 5,000 of the tiny poppies for the sale here.

More than $2,500,000 is realized each year from poppy sales, nationally. Most of the money remains in the communities where it was raised for the use of the Legion posts and aiding disabled veterans and needy children.

Child welfare and other activities also are financed through the fund.

Frances B. Stone, 62, Buried At Ridgeway

Frances B. Stone, aged 62 years, died at his home, four miles north east of Tecumseh, at 9:50 a.m., Friday. He was born June 25, 1888, at Tontogany, Ohio, and had lived on the farm here for 44 years. Mr. Stone was married June 10, 1915, to Marion Foote of Ridgeway. He was a member of the Ridgeway Methodist church.

Survivors besides his wife, Marion, are a daughter, Mrs. Donelda Stone Robison, and a son, Robert; three grandchildren, all of Tecumseh; two sisters, Mrs. Alice Calkins, of Salt Lake City, Utah, and Mrs. Byrd Newfer of Toledo, and several nieces and nephews. He was preceded in death by his parents, Mr. and Mrs. George W. Stone and a brother, Fred G. Stone.

Funeral services were held Monday afternoon at 2:30 at the Collins Funeral Home with the Rev. Lorne Carter, of the Ridgeway Methodist church officiating. Burial was in Ridgeway cemetery.

The bearers were Nolan West, Homer Stone, Herbert Stone, George Brillhart, Ed Brillhart and Fred Newfer. Friends and relatives attended from Waterville, Toledo, Findlay, Maumee and Bowling Green Ohio, Hillsdale, Flint, Detroit, Saline, Britton, Clinton, Ridgeway, Adrian, Tipton, Macon and Tecumseh.

TALKS TO ROTARIANS

A. D. Moore, University of Michigan instructor and a member of the Ann Arbor city council, was the guest speaker at the regular dinner-meeting of the Rotary Club, Tuesday evening at Legion Memorial Home. Mr. Moore discussed crime and crime prevention, telling many interesting things he has observed during the several years he has served as a councilman. Mr. Moore's son also was a guest as was Pfc. Jack Whelan, son of Fay Whelan.

SENIORS BACK TODAY

Fifty-five Tecumseh high school seniors, members of this year's 74-student graduating class, will return today from Washington, D. C., where they went on their regular senior trip. They left last Saturday and were to arrive back in Toledo sometime this morning. They were accompanied by Mr. and Mrs. Neville Hart, the former a high school instructor.

Hospital Open House Date Is Indefinate

HOWEVER, BANQUET HONORING MR. AND MRS. HERRICK WILL BE HELD MAY 24

The formal opening of the new $79,000 wing to Herrick Memorial Hospital probably will take place the latter part of next week, but no definite date can yet be announced, E. M. Campbell, president of the board, said today.

"We would very much like to fix a time for an "open house," when the public may see the new addition, but until the builders finish their job, it is impossible to do it," Mr. Campbell said. The delay, Campbell explained, is in the laying of the rubber tile flooring. This may be completed any day, but everything is indefinite.

Campbell said that the plans for the banquet, honoring Mr. and Mrs. Ray W. Herrick, whose gift of $79,000 made the hospital enlargement possible, will be held as scheduled on Thursday evening, May 24, at the American Legion Memorial Home. Tickets for this event will go on sale soon.

Mr. and Mrs. Herrick made the gift, enabling the hospital to build the addition, about a year ago. It was given in memory of Mr. Herrick's parents, Mr. and Mrs. Benjamin Herrick.

Parent-Teacher Assn. To Meet This Evening

The regular meeting of the Tecumseh Parent-Teacher Association will be held Thursday evening, in the school building auditorium at 8 o'clock.

The nominating committee, composed of Mrs. Ray Sluyter, Mrs. Walter Pfaus and Mrs. Ralph Helzerman will give its report and election of officers will be held.

"Dance Varieties of 1951," will be presented by the Tecumseh Dance Classes of Miss Rae Nita Larsen. There will be 100 children taking part in tap, ballet, hula, acrobat and ballroom dancing. Sally Joe Rentscher will play a flute solo.

Prizes for the membership drive will be presented to the following rooms: Mrs. Bailey's fourth grade, and Mrs. Sisson's third grade, tied with 96 per cent, received first place, and Miss LaPointe's second grade received second prize with 91 per cent.

BICYCLE LICENSES ARE NOW AVAILABLE

Police began the issuance of 1951 bicycle licenses in Tecumseh last Saturday, but less than 100 of them were sold during the day. The officers warned that all bicycles on Tecumseh streets must licensed, and they urged that owners comply at once with the law.

COUNCIL MEET, FRIDAY

The village council meeting, scheduled for Monday evening of this week, was postponed because of a lack of a quorum. The delayed meeting will be held on Friday evening, in the council building.

Tecumseh To Be Host To District Nurses Assn.

Tecumseh will be host to the Lenawee nurses when the Lenawee District Nurses Association convenes on Thursday, May 17. The meeting will be held at the Presbyterian Fellowship Center at 7:30 p.m. Dessert and coffee will be served by the Women's Association of the Presbyterian church, followed by vocal and piano selections by the Misses Marlys and Evelyn Arnold. A white elephant sale will be held after the business session and members are requeseed to bring articles for the sale.

Hostesses for the evening are Mrs. Robert Laidlaw, Tecumseh chairman, assisted by Mrs. Maxine Wilson, of Tecumseh, Mrs. Morris Tubbs, Clinton, and Mrs. Edward Spohr of Britton. An invitation is extended to all nurses in the district.

Will Dedicate New Equipment

HAYDEN MILLS EXPANDS ITS EQUIPMENT; DEDICATION SERVICE ON SUNDAY

Sunday afternoon, May 13, at 2:30, four major additions to the feed manufacturing facilities of the Hayden Flour Mills will be dedicated.

A complete bulk handling system has recently been installed, the most modern in the state, whereby the firm will now be able to purchase and unload cereal products such as soy bean meal, hominy, and corn glutten meal in bulk cars, elevate the ingredients through a vacuum system to the top of the plant, some seventy feet, and in turn drop it into bulk bins. With a capacity of ten tons an hour, a thirty ton carload can be unloaded and stored in three hours.

A new pellet mill with a capacity of five tons an hour is displacing a much smaller unit that was installed two years ago. This equipment presses feed into small pellet form, and then in turn breaks it up into what is known as "krumbles," a type of feed that has become popular within the past few years.

New sewing machines for properly closing the new fifty pound paper bags is the third piece of equipment included in the dedication. Whereas, formerly feed was largely packed in burlap or dress print bags, the local firm, buying 50 pound paper bags in carload lots, is able to effect a lower price on the finished product in this new type of container.

The fourth addition to the plant is a molasses mixer, and bulk storage, whereby crude molasses can be unloaded from tank cars, stored, and then mixed with feed when required. This is a fast growing part of the mill's business.

The firm now can manufacture 600 cwts. of flour, and 1200 cwts. of feed daily, and delivers feed by truck within an eighty-mile radius of Tecumseh.

The public is invitel to this dedication service, the seventh within the past 13 years of the 116 year old firm. Rev. Edward Escolme, pastor of the Tecumseh Friends church will give the dedication prayer, and Perry Hayden, president of the company, will speak briefly.

TO STAGE MINSTREL AT COUNTRY CLUB

A "Mammy Minstrel," under the direction of Mrs. Earl C. Woods, will be presented at the Tecumseh Country Club, Thursday evening, May 17 at 8:45, with the Monday Club and the Tecumseh Country Club women participating. Members and guests are welcome. The Minstrel will feature solo, quartette, specialty piano and dance numbers. Mrs. Ray Sluyter is general publicity chairman.

TWIN DAUGHTERS DIE

Martha Louise and Mary Lucille Jeffrey, infant twin daughters of Mr. and Mrs. Allen Jeffrey of west of Tipton, died Thursday at Bixby Hospital, soon after birth.

Besides the parents they are survived by one brother, John; grandparents, Mrs. Harry Pawson of Hollister, Calif., and Mr. and Mrs. John Palmer of Wolf Creek and great-grandparents, Mrs. John Jeffrey of Detroit and Mrs. Anna Snyder of Adrian.

Graveside services were held Saturday afternoon at 2 o'clock at the Tipton cemetery with the Rev. Donald C. Wilson officiating.

Baptist Hold Annual Meeting

REV. B. O. BASHORE RETURNS AS PASTOR; OTHER OFFICERS ARE NAMED

The annual meeting of the Baptist church was held in the church parlors, Wednesday evening, and the Rev. B. O. Bashore was asked to remain as pastor of the church for the coming year. The 1951-52 budget was accepted at the meeting, which closed the most successful financial year in the history of the church.

Reports from the various departments showed a substantial increase in membership in the church and in the church school attendance. The average attendance for the year was 119. Many improvements have been made during the year in the church's physical property including a new furnace, redecorating the auditorium and Sunday school rooms, and roof repair.

The nominating committee composed of Clifford Curran, Fred Bryan, Fay VanValkenburg, George Green, jr., Mrs. Ellis Honeycutt and Mrs. Llewellyn Sisson reported the following new officers: Harold Black and Harold Davidson, deacons for three years; Dean VanValkenburg, for one year; Lawrence Holdridge and Charles Beland, junior deacons for one yaer; Mrs. Holdridge, deaconess for three years; Helen Fergusen and Linda Sisson, junior deaconess for one year. Fred Bryan and Mills Swick, trustees for three years; Mrs. Clifford Curran, clerk; Mr. Curran, church school superintendent; Carl Fosbender, church treasurer; Mrs. Fosbender, financial secretary; Mrs. Mills Swick, benevolence treasurer; B. J. Roberts, honorary deacon; Mrs. Don Nettleman, publicity; Mrs. E. H. McConnell, Mrs. Max Brandt, Mrs. Kenton Hunt and Misses Marlys and Evelyn Ar-

Building Code May Be Scrapped

ROHWEDER SAYS IT MIGHT BE WELL TO REPEAL LAW DUE TO LACK OF INTEREST

Joe H. Rohweder, chairman of the Council's committee on ordinances, said today that it might be well to scrap Tecumseh's present building code, because, in his opinion, nobody seems to have any interest in such an ordinance. He would, of course, retain the section that requires the issuance of permits to build but, he said, until the whole affair is settled to the council's satisfaction, such permits will be issued without cost to the applicant.

Mr. Rohweder's contention that the public lacks interest in the code seems to stem from a recent announcement that he planned to revise the building regulation and make it conform to FHA standards. The existing local law does not, he declared. He asked that interested persons contact him or members of the council and express themselves accordingly.

To date, Rohweder declared, not a single person, builder or contractor, has bothered to mention the building law to him. He doesn't know whether they are for or against his program. He is sure, however, that the present code is weak in several spots.

"If nobody cares whether we have a good ordinance or a poor one, then we had better know about that, too," Rohweder said. "I'd like to have local builders and residents express themselves about the problem now before the council. If we don't need an ordinance here, then we'd better scrap the one that is now on the books."

Model Home To Go On Display Here, Saturday

A model home showing in Tecumseh Acres Subdivision has been announced by Glenn H. Kohler, broker in charge of the sale of property there, starting Saturday, May 12. The home will remain open for several days, including Sunday, Mr. Kohler said.

Completely furnished, the model to be shown will be "ready to move into," and visitors will have an opportunity to observe every detail. The furnishings and electrical equipment is being installed by local dealers.

Mr. Kohler has announced that his company plans to build 80 new houses in Tecumseh this year, 40 of them in Tecumseh Acres, and another 40 in Herrick Park.

DRAWS JAIL TERM

Robert M. Cowen, 17, of Tipton, was arrested by local police last week Thursday, charged with reckless driving. In Justice Robert French's court he was sentenced to pay a fine of $50, costs of $8.60, and to serve five days in the county jail.

How Much Will Tecumseh Grow?

Plans have been announced for the building of 80 new houses in two of Tecumseh's subdivisions. Forty of these new dwellings will be in Herrick Park, and another 40 will be in Tecumseh Acres. According to the builder, the material for these houses is assured, and there will be no hold up in construction, due to shortages and allocations.

A recent survey, village-wide, disclosed that in Tecumseh this year about 100 new houses would be built. Included, of course, was the building in the subdivisions. Indications were that about 20 houses would be built on privately owned lots, in the village and in its immediate fringe area.

If Tecumseh succeeds in carrying out its anticipated building program, and 100 new houses are built, that should add about 400 to the population of the village. Last year, the survey also showed, about 100 new dwellings were built here and, it is logical to assume, Tecumseh's population increased about 400 in 1950.

Last year's federal census showed Tecumseh to have a population of about 4,000 inside the corporation and, including the fringe area, a population of about 5,000. That was a year ago. If Tecumseh increased its population by 400 last year, and if it increases its population another 400 this year, it will have, come next spring, about 800 more residents than it had when the census was taken.

It is a matter of record that between the years of 1940 and 1950 Tecumseh was the fastest growing community in Lenawee county. It has more than doubled its population since the depression days in the 1930's. If, in 1950 and 1951, it adds 800 to its population, and if it continues to grow at that rate, by 1960, when the next federal census is taken, Tecumseh will be a community of between 8,000 and 10,000 people.

Just what preparation are we, as a community, making for this growth? Are we, as a community, thinking in terms of doubling our population in the next 10 years? What long range planning is being done, community-wise, to meet the challenge of a Tecumseh twice its present size?

We have said many, many times before that we believe Tecumseh should change its form of government from that of a village to a city. For Tecumseh to continue to operate under the obsolete home-rule village form, which is more than 50 years old, is rediculous. Times have changed since the home-rule act was adopted in the 90's, and today, Tecumseh is one of the few communities of its size in the state that is still operating under the obsolete form.

As we see it, there is nothing to fear by changing our form of government, and there are many advantages. Some folk argue that the operation of a community is more expensive under city form. That is not true. The cost of operating any community is just what the people make it. If they want all of the frills, the plush and the lace, then they must pay for the luxury. If, however, they desire to operate an economical government, it is just as easy to do it under one form as the other.

If the word "village" means economy why, then, don't some of the cities change their form of government and return to the village form. The rule works both ways.

Tecumseh has been making a steady growth industrially and in population for more than 10 years. No one can deny that. But so far as our government is concerned, we have made very little progress. The fact that we haven't grown in government is not the fault of the men who served in government, it is the fault of the tools with which we, the people, gave to the men to do the work. A charter designed in the 90's is not sufficiently modern to meet the many and complex situations of government today. It is silly for us to insist that it is good enough, and it is even more silly for us to continue in that rut.

In the next 10 years, Tecumseh is going to be face-to-face with many new problems. If we think that we have had growing pains in the past 10 years, we predict that there will be even more severe pains in the future. The quicker we recognize this fact, and the quicker we act to correct our troubles, the better off everybody will be, economically and socially.

The Chamber of Commerce is committed to a program of changing the form of Tecumseh's government from that of a village to a city. Such a program requires an endless amount of work, a careful program of education, and a selling job. It seems to us that the selling job should be easy, once everybody understands the reason and the need for a change.

There are a number of folk who are flatly opposed to Tecumseh becoming a city. To those folk we say, don't be too definite with your opinion until you fully understand the issue. Think about and study both forms, and do it with an open mind. If, after you have studied it, you still feel that no change should be made, you have a right to your opinion. But if you find that you are wrong, say so. Wise men, you know, sometimes change their minds.

We are interested in only one thing, a better Tecumseh. We believe that everybody who lives here, and who owns property here, has similar interests.

Let's be honest with ourselves and with our community.

New Officers Are Named By Methodist Society

The W. S. C. S. of the Methodist church held its regular meeting Wednesday in the church parlors with a potluck luncheon at one o'clock. Mrs. Bert Warren, secretary of missionary education; Mrs. Warren, Christian social relations and local church activities; Mrs. Luther Wood, recording secretary; Mrs. George Wittrup, treasurer; Mrs. Jennie Temple, promotional secretary; Mrs. George E. Green, literature and publications; Mrs. W. G. Waldron, supplies; Mrs. Clifford Deaner, youth; Mrs. Elven Duval, student work; Mrs. Vern Anderson, children's work; Mrs. Truman Rentschler, status of women.

Annual reports were given by all committees, and it was voted to stand a part of the expense for the three young people to attend Judson Collins Memorial Camp, the new Methodist camp near Wamplers Lake. Mrs. H. H. Loveland conducted devotions and presented the program on "Alcohol and Narcotics."

The society has been invited to the country home of Mrs. Wilford G. Waldron for the June meeting.

LADIES' UNION MEETS

The Baptist Ladies' Union met last Thursday afternoon at the home of Mrs. Nell Pearson. The rooms were decorated with spring flowers. Mrs. Clare Beland presided at the business, meeting and Mrs. Alice VanHook led devotions. Plans were discussed for a mother and daughter tea, the date to be announced later. The program included a review of the book, "Faithful Until Death," by Zelma Maxwell, who was killed by bandits in Moulmein in 1950. The June meeting will be held at the home of Mrs. Floyd Bryan with the new officers in charge.

ALWAYS BE CAREFUL DRIVING

The difference goes more than Skin-Deep

Nobody wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly aligned—soft coil springs on all four wheels soak up the bumps and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflow Drive,* that takes all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasurably from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

Equipment, accessories, trim and models are subject to change without notice.

"Smart Buy's Buick"

No other car provides all this:
DYNAFLOW DRIVE* • FIREBALL POWER
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER
*Standard on ROADMASTER, optional at extra cost on other Series.

Knights Templar Guests At Baptist Services

Thirty-two members of Adrian Commandery No. 4, Knights of Templar, attended services at the Tecumseh Baptist church Sunday morning in observance of Ascension Day. Prelate Leo B. Curtis of Adrian led in prayer and the responsive reading. The Rev. B. O. Bashore delivered the sermon, "Ye Are Witnesses of These Things." The choir, under the direction of Mrs. Harley McConnell, sang the anthem, "King All Glorious" with Mrs. Lyle Grigg as soloist.

After the service the Knights were met by the Tecumseh high school band as they left the church, and escorted to the Tecumseh Grange hall for dinner. L. W. Larsen of Tecumseh is eminent commander of the Commandery.

Local Camera Club To Be Guests In Monroe

The Indian Snappers met Monday evening in the basement of the public library with eleven members from the Adrian Camera Club as guests. Prints from both clubs were viewed and much discussion took place concerning them.

Monroe Camera Club has invited the Indian Snappers to be their guests on May 21, at Monroe.

All members are asked to bring prints in black and white or color to the June meeting. Prizes will be awarded at that time. The election of officers will also take place at the June meeting.

CHILD STUDY BANQUET

The annual dinner meeting of the Child Study Club will be held Monday evening, May 14, with dinner at Family Inn, Tipton, at 6:30. Anyone desiring transportation may call Mrs. M. R. Blanden or Mrs. Virgil Tucker. Mrs. Keith Barron and Mrs. Norman Bailey will be in charge of the program. The children's favors are in charge of Mrs. Joseph Tressler, Mrs. Virgil Tucker, Mrs. Hubert VanCamp and Mrs. Winthrop Winfield.

EXCHANGE MEETS

The Tecumseh Exchange Club met in the V. F. W. Hall for its meeting, Monday evening. Leon Williamson spoke on National Hospital Week and described the origin of the hospital. He also explained the postponement of the opening of the new addition to Herrick Memorial Hospital and stated that the date would be announced later in the month. F. E. N. Thatcher's brother-in-law, S. W. Thieme of Muskegon, was a guest.

WIT, WISDOM BANQUET

The annual spring banquet of the Wit-Wisdom Club will be held Monday evening, May 14, at the St. Peter's Episcopal church at 6:30. George Parsons of Michigan State College will be the speaker, and he will show pictures of his trip in Germany. Reservations are to be made with the committee composed of Mrs. Bess Rector, Mrs. C. D. Branigin and Mrs. M. W Partridge.

LUNCHEON HOSTESSES

Hostesses for the one o'clock Wednesday afternoon luncheon at the Tecumseh Country Club, May 16, will be Mrs. Maryvin Watkins phone 4773 or 4151 and Mrs. A. W Porter, phone 358 or 596. Reservations must be made by Tuesday noon.

TEA AT GRANGE

The mother and daughter tea of the Baptist church will be held May 15, at 6:30 p.m., at the Grange Hall. Reservations should be made at the parsonage by Friday morning. Anyone needing transportation may call the Baptist parsonage.

LOCALS AND PERSONALS

Rev. and Mrs. A. Jeschke and family were in Toledo, Thursday evening, visiting Mrs. Martha Childers, who is ill. They also visited the Rev. Raymond Timmel.

nold music; Mr. and Mrs. Bashore, Mr. Curran, Mrs. Sisson, Mrs. Clayton Mikesell, Mrs. Orval Minney, Warren Puffer, and Mrs. Fay VanValkenburg, Christian education; Mrs. Floyd Bryan, flowers.

The Rev. Mr. and Mrs. Bashore were elected to attend the Northern Baptist convention in Buffalo, N. Y., June 11-15. The Baptist and Methodist Youth Fellowships are uniting, and will hold their business meeting at the Baptist church, and their social events at the Methodist church. These groups will be under the direction of Mr. and Mrs. Minney.

A delegation from the North Rome church was present at the meeting and thanked Mr. Bashore for his assistance at their church where he will also return as pastor. This church, during Mr. Bashore's pastorate, had grown from the point of closing to a thriving community church.

The Tecumseh church was presented with a gift of $400 to purchase a new movie projector. Plans were made for a community Vacation Bible School, to be held June 4 to 15 in the Central school building.

Miss Satterthwaite Is Honored By State Nurses

DETROIT—Miss Margaret Elizabeth Satterthwaite, better known here as "Beth," a staff nurse at the Herrick Memorial Hospital, was among a group honored recently by the state nurses convention in Detroit for having returned to active hospital service after years of absence from this field.

She was also given special recognition for the same reason at a luncheon of the John Hopkins Hospital School of Nursing Alumnae at the convention.

Miss Satterthwaite, who returned to active hospital nursing during World War II after a lapse of many years, had served overseas during World War I with the American Friends Service Committee. During the intervening years, she has cared for her parents, now deceased; assisted with the care of the sick in the community; and provided sick-room equipment on a loan basis. On account of the acute shortage in nursing services she took a "brush-up" course at the hospital in 1943 working for a time on a part time basis. She is now employed full time as a regular staff nurse.

Because former nurses are the quickest source of additional nurse power the Michigan Nursing Center Association chose this way of emphasizing the great service they can give. By brushing up and taking full or part time work these nurses can be ready in a few weeks to fill an urgent need.

Miss Gertrude Nathe, assistant principal of Mercy Central School of Nursing, Grand Rapids, read the citation which mentioned Miss Satterthwaite and six other nurses. The representative chosen to receive the award was a Detroit nurse, Mrs. Edith A. Jarrett, now employed as a staff nurse at Mt. Carmel Mercy Hospital.

Beef Ceiling

(Continued from page 1)

The new beef ceiling prices are based on zones that take into account distances from markets, transportation and the like.

Retail grocers as well as wholesales on May 14 were required to put into effect ceiling prices for a long list of standard grocery items, say the OPS district office at Detroit. This means that all sellers had to recalculate their prices on many items to determine their allowable ceiling prices under the regulation which affects them. Grocers in this county can get any information and help they need from the Detroit District OPS Office. The regulations are a further step in the stabilization of economy.

Strange as it may seem government officials have wives and families like other citizens. Thus officials of the Office of Price Stabilization get inspiration for making price controls work from their wives as well as from many inquiring letters from housewives all over the country, it was said.

Michael V. DiSalle, director of Price Stabilization and a family man, says . . . "Aware of the many problems of many ladies whose inquiries have reached my desk, I dread the day when one American may be trying to outbid another for the necessities of life in time of national crisis. So let me make a personal appeal to every American housewife. Buy only what your family really needs, carefully and wisely, in this way we can — as we must — defeat the menace of inflation now facing us all."

WOMEN TO MEET

The Woman's Association of the Presbyterian church will meet in the Fellowship Center, Wednesday evening, May 16, at 8 o'clock. The program is entitled, "White Witch Doctor," with Mrs. D. C. Wilson and Mrs. Dale Bowen in charge. Mrs. L. E. Brown will lead devotions and Mrs. Lee Purkey is refreshment chairman.

MISSION GUILD

The Florence Weld Mission Guild of the Presbyterian church will meet May 14 at the home of Mrs. Winifred Bates with Mrs. Alta Boyce as assistant hostess. The devotional period will be conducted by Mrs. Harold Wilson. Mrs. F. C. Dickinson will review the current autobiography of Ethel Waters, "His Eye Is On The Sparrow," with comments on a few other recent books.

Civil Defense Director Meets With Subordinates

A meeting was held recently at the Adrian Airport under the chairmanship of Eugene H. Schmidt, to introduce the new coordinators for civilian defense work in Lenawee county. Ralph G. Seward of Manitou Beach was appointed assistant to the director; Eugene H. Schmidt.

Other important appointments included: Robert Cory, former state trooper, who has been appointed to head up the auxiliary police for our Lenawee county in case of emergency; Harold Cunningham and Charles Newcomb of Blissfield were appointed co-ordinators of evacuation centers in the southeast corner of the county; Mrs. Richard Brittain, Adrian, was appointed chairman for Lenawee county extension club work; Mrs. Roger Palpant of Clayton Route 2, was appointed to the executive board for extension work for the women's clubs; Mrs. Margaret Rollins of Adrian, was appointed coordinator of welfare work for civilian defense. Others present at the meeting who have attended previous meetings were Melvin Beebe of the airport, A. M. Cooper of the telephone company, Ed. M. Braun, Wilbur Riley of Manitou Beach, representing the Grange, and Harold Dayton of Manitou Beach, representing the Grange organization, and S. J. Harrison, who is in charge of public relations for civilian defense of the county organization.

It was agreed that another meeting would be held in two weeks to review the developments of the important work in civilian defense as it may be reported on state, county and local levels.

Family Night Observed By Lutheran Church

Family Night was observed at the Grace Lutheran church last week Wednesday evening with more than 100 persons seated for a potluck supper at 6:30. The Harmonica Band, composed of children of the Saturday school, under the direction of the Rev. A. Jeschke, sang songs and played several selections, accompanied by the Rev. Mr. Jeschke on his accordion. This was a complete surprise to the audience, as they did not realize how far the children had progressed in their music. The Men's Club is sponsoring the children, buying the harmonicas and other necessary equipment.

The Men's Club presented a one act play under the direction of Bert Filter and Oscar Bryan. Mr. Jeschke gave a brief talk on the work of the Saturday school. Mr. Filter was toastmaster for the evening and conducted the assembly singing, accompanied by Mr. Jeschke on the accordion.

OPEN HOUSE AT STATE

High school seniors and their parents are invited by the faculty of Michigan State College, East Lansing, to an open house on Friday and Saturday, May 11 and 12. Guides will be available for campus tours and counselors will be on hand to advise or confer with prospective students and their parents. A feature of Saturday afternoon will be a green and white football game and a baseball game between Michigan and Michigan State.

Mrs. Douglas Bird and Douglas Junior of Dundee were discharged May 8.

Dial System

(Continued From Page 1)

After the change-over to dial, Mr. Walper said, subscribers will automatically ring all numbers on the exchange. In the event of long distance calls, the subscriber will dial long distance and an operator in the office of the Michigan Associated Telephone Co., in Tecumseh, will answer and complete the connection. Likewise, Tecumseh operators will handle calls on "information" and other central office service.

Once the change has been made, it was pointed out that Britton and Ridgeway will be two of the smallest communities in southern Michigan to be served by the very latest in telephone communication systems. Another feature of the Britton system will be that there will be no more than six subscribers on a line. This will mean that only the called phone will ring when it is dialed, and no other phones on the line will receive the impulse.

"A subscriber might pick up his phone and find someone talking, but he will never be disturbed by hearing the ringing of other phones on his line," Walper said.

The company is in a position to expand its service to any number of subscribers.

Mrs. W. T. Claxton is president of the Britton Telephone Co., Lester Edelbrock is vice-president, Percy Cadmus is secretary, Bernard Clement is manager and D. D. Walper is treasurer.

commercial department. He has been active in the school's adult education program, for several years has headed the Town Hall program, and at present is the director of Tecumseh's Civilian Defense activities.

Mr. Place resigned as superintendent a week ago, having accepted a similar position in St. Joseph, Michigan. He will assume his new duties there on July 1.

There was little other business before the board at its Tuesday meeting. It approved plans for the annual commencement service on May 31 and for the baccalaureate service on May 27 at the Presbyterian church. The Rev. B. O. Bashore, Baptist pastor, will deliver the baccalaureate sermon.

The commencement speaker will be Dr. Paul D. Bagwell, head of the spoken and written English department of Michigan State College. Dr. Bagwell is a former international president of the Junior Chamber of Commerce.

HOSPITAL AUXILIARY HEARS MONROE WOMAN

The regular meeting of Herrick Memorial Hospital Auxiliary was held in the Fellowship Center, Tuesday evening, with Mrs. Paul Keyser presiding at the business meeting. Mrs. Cecelia Knapp of the Alumni Guild, Mercy Hospital, Monroe, was a guest and gave a brief talk. The June meeting will be a potluck supper with new members since the first of the year as guests. Refreshments were served by Mrs. Ronald Harris, Mrs. Fred Fisher, Mrs. Archie Spohr and Mrs. William Wright.

Tuesday evening at 7:30, over radio station WABJ, Mrs. Ronald Harris, Mrs. Joe Rohweder and Mrs. Dale Bowen discussed "The Growth of the Voluntary Hospital." This time was sponsored by the Hospital Auxiliary.

HONORED AT SHOWER

A group of neighbors of Mrs. Albert Hooton on South Union street, surprised her Tuesday evening in her home with a pink and blue shower. Games were played with prizes awarded to Mrs. Earl Harrison and Mrs. Gordon Greiman, who in turn presented them to the honored guest. Mrs. Hooton received the gifts from a table decorated in pink and blue and centered with a stork. Refreshments were served by Mrs. Hawkins who prepared the party.

W. C. T. U. MEETS

The W. C. T. U. met at the home of Mrs. Alta Boyce, Tuesday afternoon, with eleven ladies in attendance. Mrs. H. H. Loveland was in charge of devotions. Mrs. R. S. Moore gave a brief talk on Florida and the union voted $10 to the county treasurer for radio work. Mrs. Loveland and Mrs. Wilford Waldron gave several reading on alcoholism. The next meeting will be held June 12.

America's Lowest Priced Eight

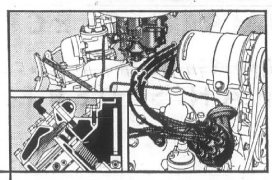
FORD V-8

You can pay more but you can't buy better!

● One by one, America's costliest cars are switching to V-8's. Their makers are learning that this type of engine just can't be beat for get-up-and-go and fuel savings. But why pay more for a V-8 when Ford offers you one of the finest for hundreds less than most sixes? And you benefit from Ford's 18 years experience in building V-8's.

A "Test Drive" will show you that power isn't the only reason why owners are convinced that you can't buy better than Ford. You'll experience the safe, smooth stops of Ford's Double-Seal King-Size Brakes. You'll feel the comfort of Ford's Automatic Posture Control. And you'll like Ford's quick, easy Key-Turn Starting.

F.D.A.F.

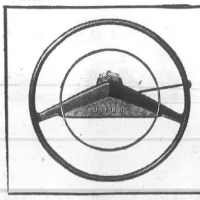


Advanced AUTOMATIC MILEAGE MAKER

With all their power and zip, Ford's V-8 and Six engines offer penny-pinching savings. Ford's Automatic Mileage Maker squeezes the last ounce of power out of every drop of gas by matching timing to fuel charges!

New AUTOMATIC RIDE CONTROL

The road you see may be rutted . . . but the road you feel is smooth. For, with Ford's new Automatic Ride Control, new spring suspension and shock absorber action is continuously self-adjusting to changes in road conditions.



New FORDOMATIC* DRIVE

Here's the newest, finest, most flexible of all the automatic drives . . . an "automatic" that's advanced in development. It offers trigger-quick getaway . . . passing power when you want it and smooth jerk-free performance.

*Optional at extra cost. Fordomatic available with V-8 only. Equipment, accessories and trim subject to change without notice.

Three Are Hurt As House Burns

LOCAL MERCHANT, WIFE AND MOTHER-IN-LAW VICTIMS OF MORNING FIRE

Three persons were hurt, one of them seriously, in an early morning fire that badly damaged the home of Mr. and Mrs. Ned Rosacrans at 216 North Oneida street, at 6 o'clock, Tuesday morning. The cause of the blaze is unknown. Damage has not been estimated, but it will be in the thousands.

Mr. and Mrs. Rosacrans, their three sons, aged two, four and six years, and Mrs. Rosacrans' mother, Mrs. Josephine Barrett, were asleep in the house at 6 a.m., Tuesday, when they were awakened by an explosion. The rooms of the house were rapidly filling with smoke. Mr. Rosacrans succeeded in rescuing the three boys, one of whom was sleeping upstairs, but a locked doorway blocked their exit one way, and smoke and fire made progress to another door impossible. They all fled by breaking a first-floor window and jumping to the ground.

Mrs. Roscrans suffered burns, cuts on her arms, hands and legs, and from shock. Her mother, Mrs. Barrett, also suffered cuts and minor burns. They were removed to Herrick Memorial Hospital. Mr. Rosacrans was burned about the nose and mouth. The children were not injured.

Mrs. Barrett was released from the hospital after receiving first aid and went to the home of Mrs. Roy Whiting. Mrs. Rosacrans will probably be a patient at the hospital until this afternoon or Friday. Mr. Rosacrans, who was ill at the time of the fire, went to the home of his parents, Mr. and Mrs. Leon Rosacrans, N. Union street, as did the children.

The fire started in the living room of the house, but the cause is not known. The explosion that awakened the family is believed to have occurred when the intense heat broke the glass in an outside door. The fire can confined principally to one room. Furnishing suffered serious damage.

Firemen fought the fire for about 45 minutes before it was subdued.

Mr. Rosacrans is a member of the firm of Fred Rosacrans & Sons, local drygoods merchants.

Poppy Days To Be May 24-26

FUNDS RAISED THROUGH SALE OF FLOWERS USED TO CARE FOR NEEDY

The annual Poppy Day drive of Underwood-Orr Post No. 34, Legion and Auxiliary, will be staged here on Thursday, Friday and Saturday, May 24, 25 and 26, it was announced today. The Auxiliary has purchased 5,000 of the tiny flowers for the local sale.

Money raised as a result of the sale of the poppies can be used for only one purpose—aiding needy and disabled veterans, their families and their children. It was pointed out that there has been a sharp increase in the case load in veterans hospitals since the Korean situation.

The Veterans and their ladies listed some of these activities locally as a result of previous poppy sales: Clothing was purchased for needy children; a Christmas tree, toys, food and clothing were provided for a veteran's family; electricity was installed in the home of a veteran; gifts were purchased for the Gift Shop at the Veterans' Hospital, Battle Creek. These gifts are selected by hospitalized veterans and are given in their name to immediate members of their families.

Dollar bills and a Christmas greeting were sent to local men in service; donations were made to the Otter Lake Billet; donations were made to the veterans hospitals at Battle Creek and Dearborn; a poppy poster contest was conducted in the public schools; a local youth was sent to a summer camp for two weeks; contributions were made to the Leprosarium at Carville, La.

The group also pointed out that eight hospital beds and a wheel chair, the property of the Legion, are now in use in the community.

"When you buy a poppy, you may be certain that the money you give will be spent for a worthy and worthwhile cause," a spokesman said.

MOTOR IS DAMAGED

The fire department was called to Tecumseh Tavern, W. Chicago Boulevard, at 10:45 Sunday morning, when an electric motor on a cooler shorted and burned out. There was smoke but very little damage.

Banquet Speaker

Dr. Clarence B. Hilberry

Civic Banquet Planned, May 24

CLUBS - SPONSORED EVENT WILL HONOR MR. AND MRS. RAY W. HERRICK

A civic banquet, sponsored by the Rotary and Exchange Clubs of Tecumseh with the approval of the board of trustees of Herrick Memorial Hospital, will be held here on Thursday evening, May 24, at Legion Memorial Home, honoring Mr. and Mrs. Ray W. Herrick. It was their gift of $79,000 that made possible the building of an addition to the institution which will make it Lenawee county's second largest hospital. The new hospital addition, which also may be dedicated at the banquet, will be opened within a short time for public inspection.

Dr. Clarence B. Hilberry, head of administration, Wayne University, will be the banquet speaker. Dr. Hilberry is a member of the commission on colleges and universities of the North Central Association of Colleges and Secondary Schools, is chairman of the program committee of the Detroit Torch Club, and a member of the Detroit Schoolmen's Club and the Prismatic Club.

Dr. H. G. R. Marsh will act as toastmaster, and E. M. Campbell, president of the hospital board, will be in charge of the dedicatory service. Members of the Hospital Auxiliary will act as hostesses at the banquet, which will be served promptly at 6:45.

Memorial Day Parade And Service Planned

Tecumseh will pay annual tribute to its war dead on Wednesday, May 30, Memorial Day, with a parade through the business district and a program in Brookside Cemetery.

Louis S. Schneider, World War I veteran, has been named as marshal of the day by the Village Council and he is organizing the program that will be carried out. All veterans organizations will participate, as will the Boy and Girl Scouts, the public schools and other groups.

"The program is rapidly shaping up," Mr. Schneider said, "and by next week we should be able to announce it in detail."

C. of C. Asks Display Of Flags On Saturday

The Chamber of Commerce today called attention to the fact that Saturday, May 19, is Armed Forces Day, and that the American flag should be displayed on that day. Merchants were asked by the Chamber to display their sidewalk flags, also.

The Veterans of Foreign Wars are sponsoring a flag project whereby merchants may purchase the banners for sidewalk display, to replace old and worn-out flags. In this way, flags shown in the downtown district will be of uniform size and appearance.

TRACES THE USE OF WORLD'S SEA POWER

"Sea Power Through the Ages," was the subject of an interesting talk by Edward Boss of the Tecumseh Products Co., when he spoke to the Rotary Club, Tuesday evening, following its regular dinner meeting at the Legion Memorial Home.

Mr. Boss, a member of the club, has made a study of sea power since before the time of Christ. He traced the use of the power through the hundreds of years and showed how it had been used by nations in war. His address not only was interesting but highly educational.

Guests at the meeting included Lamont Simmons and Bob Karle of Milan, Merll Hall of Blissfield, and J. Floyd Elliott and A. G. Leitch of Tecumseh.

Dog Nuisance Must Be Stopped

POLICE CALL ATTENTION TO ORDINANCE AND ASK CO-OPERATION OF PUBLIC

The police department today called attention to the village ordinance governing dogs and their owners in Tecumseh and pointed out that it will be enforced if citizens will cooperate. Police some time ago warned that dogs would not be permitted to run at large, unless accompanied by the owners, and since that time half a dozen canines have been picked up and impounded.

The ordinance governing dogs in Tecumseh reads as follows: "Persons who own, keep or harbor one or more dogs which run through and over adjoining lawns and shrubbery, or which bark or howl to the continue annoyance of neighbors, or which have bitten or attacked any person, are hereby declared to have established and maintained and are maintaining a nuisance in violation of the terms of this ordinance.

"Any person convicted of a violation of the provisions of this ordinance shall be fined a sum of not less than $1 or more than $25, and the costs of prosecution, or may be imprisoned in the county jail for a period not exceeding 30 days, or by both such fine and imprisonment, as the court may impose."

Police said that they have received many complaints of violations of the ordinance. They urged that complainants sign complaints against offenders so that they may be taken into court.

Tax Rate Fixed At $14 For '51

VILLAGE COUNCIL, IN SESSION FRIDAY, HOLDS TAX FIGURE SET ONE YEAR AGO

The tax rate in Tecumseh village this year will be unchanged from that of a year ago—$14 per $1,000 assessed valuation. The decision to establish the $14 rate was made when the council met in regular session, Friday evening.

While the new rate is no higher than it was a year ago, the village will receive about $4,000 in additional revenue, due to increased valuations. This year the tax will produce $71,817.20 against $67,-981.20 in 1950.

The village engineer was authorized to contact the State Highway Department regarding the possibility of the village maintaining M-50-52 within the village limits. Heretofore, all maintenance on trunk lines has been by state or county employees.

Other business before the council was routine, and included reports of committees and department heads.

Kindergarten Classes Will Present Program

The Brownville kindergarten will present a program in Central school auditorium, Thursday evening, (tonight), at 8 o'clock. Mrs. Margaret Heimerdinger is the teacher. Part one of the program will be the "Country Garden," by members of the afternoon class. The gardeners will be played by Albert Clark, Larrie Eaton and Gary MacKenzie; the seeds: carrot, Wilma Jo LaLonde, beet, Paul Limes, lettuce, Bonnie Blaska; Peter Rabbit, Sherry Ann Packard; raindrops, Mary Ann Mead and Michael Deaner; sun, Larry Harper; wooly worm, Barton Colthurst; rainbow, Michael Osburn; granddaddy long legs, Roger Mikesell; country dancers, Shirley Ann Ellefson, Doris Jean Hagadorn, Michael Cook and Clark Nichols; a march by the class with Miss Geraldine Handy, accompanist.

Part two will depict the "Garden of Fantasy," with the morning class members opening with a garden song. Those taking part are, Mistress Mary, April Smith; elves painting the flowers, Raymond Freshcorn, David MacDonald, Douglas Michling and Timothy Sisson; apple blossoms, Penny Anne Cole, Leatha Kimerer, Sharon Martin and Diana Mitzner; butterflies, Ronald Baxter, Barry Hall, Craig Rosacrans and Jack Rutherford; roses, Janet Forrester, Sheila O'Neil and Connie Lee Schneider; bee, Keith Kruse; pussywillows, John Hartley and Michael Mobley; robin, Kenneth Southwell, Jr.; grasshopper, Richard Golat; tree and flowers, Michael Withrow and Janice Hall; firefly, Steven Dunbar; fairy, Lois Handy.

A march by the class will close the program.

T.H.S. GRADS TO GET DIPLOMAS UNDER THE LIGHTS

Out-of-door Commencement Service Here on May 31

The first out-of-door commencement service in the history of Tecumseh high school will be held here on Thursday evening, May 31, at 8 o'clock at Recreation Center, it was announced today by Earl H. Place, superintendent.

"An out-of-door commencement in Tecumseh is an innovation, but our Recreation Center affords an excellent opportunity for such an event and the 1951 graduates desire to use it," Mr. Place said in making the announcement. "Weather permitting, the service will start promptly at eight, under the lights. Of course, in the event of rain, the ceremony will take place in the auditorium of the Central Building."

Dr. Paul D. Tugwell, head of the English department at Michigan State College, will deliver the commencement address. Dr. Tugwell is internationally known as a speaker. At one time he was the head of the International Junior Chamber of Commerce.

Commencement week for the 77 members of this year's graduating class will get under way on Sunday, May 27, with the baccalaureate service in the Presbyterian church. The speaker will be the Rev. B. O. Basbore, pastor of the Baptist church.

The Class Night program will be held on Monday evening, May 28, instead of Wednesday, May 30, because of Decoration Day. This program will be presented in the auditorium of the Central Building.

The annual Alumni Banquet will be held on Friday evening, June 1, in the banquet hall of the American Legion Home, according to an announcement today by Sam Sisson, president. All former graduates of the school as well as this year's graduates are invited to this function.

The school's annual May Party will be held this week Friday evening. The party for the seventh and eighth grade students will be from 8 to 11 o'clock in the cafeteria of the new high school. There will be a program and dancing. The party for the upper classmembers will be held from 10 to 1 in the gymnasium of the Central building.

Parsons Talks At Club Dinner

MSC PROFESSOR, FORMER LOCAL MAN, TELLS OF EUROPEAN RECOVERY PROGRAM

The Marshall Plan and other European recovery programs that have cost the American people billions of dollars have been worth while because they have "bought time" against the spread of Communism, George Parsons, Michigan State College professor and former instructor in the high school here, told members and guests of the Wit and Wisdom Club, Monday evening, when he addressed the group, following dinner at St. Peter's parish house. Mr. Parsons, a year ago, spent several weeks in Western Germany and in Europe, introducing one of the College's extension programs.

"Once you have seen those defeated people as I have seen them; once you have seen women and cattle harnessed to a plow, tilling the soil, and have looked into the eyes of folk who have lost not only their pride but their hope for the future, you realize that they are ripe for the spread of Communism. It was to halt the spread of Communism that we have spent billions in Europe. Now we need to pray for leadership that will guide our future wisely," he declared.

Parsons briefly reviewed the devastation of Europe, told of the effort that is being made to rebuild it, and declared that the highly intelligent Germans are anxious to dig themselves out of the debris. "These folk are so confused that they will grab at any straw for survival," he said. "Our recovery

NEW SIDEWALK FLAGS ARE PLANNED LOCALLY

Hall-Slater Post, V. F. W., held its regular meeting Wednesday evening with eighteen in attendance. Dinner was served by the Auxiliary. Plans were made for the firing squad to take part in the Memorial Day observance at Macon, May 27.

The post has taken over the project of furnishing local merchants with sidewalk flags to replace those now in use for display, so that all may be uniform in size and condition.

The post's annual Buddy Poppy sale is May 18 and 19. Proceeds from the sale will be used in supporting the veterans' welfare program.

DRAWS JAIL TERM

Beauford Barnett, 20, Adrian, R. F. D., drew a five day jail sentence, was ordered to pay a fine of $50 and costs of $8.60, when he was arraigned in Justice Robert French's court here on Monday, charged with reckless driving. The arrest was made by members of the sheriff's department, at the request of Tecumseh police.

MINSTREL SHOW TONIGHT

A minstrel show, labeled by those promoting the event as "The Mammy Minstrels, a Foolish, Female Fun-fest," will be staged this evening at 8:45 at the Tecumseh Country Club. Club members and guests will participate in the program, it was said.

CHILD BITTEN BY DOG

Mrs. Russell Starkey, 407 E. Logan street, reported to police Wednesday morning that her small daughter had been bitten by a dog on Tuesday. Police captured the animal and impounded it for 10-day observation. The child was not seriously hurt.

A USEFUL FLOWER

The memorial poppy which the American Legion Auxiliary asks you to wear on Poppy Day was made by hospitalized veterans to honor the dead of two World Wars, and now Korea. More than that, it's the veterans' attempt to take care of their own. So accept that poppy. Wear it proudly. Help our veterans to help themselves.

THS Tennis Team Is Victorious Over Adrian

The Tecumseh high school girls tennis team, under the direction of Miss Elda Cauffiel, defeated the Adrian girls, Monday afternoon. The scores were as follows: singles, Joan Judd (T) beat Barbara Shaneour 6-1; Joyce Smith (T) defeated Irene Smith 7-5, 4-6, 6-2; Grace Moore (T) beat Jill Vescelius 7-9, 7-5, 6-2; Joyce Poley (T) beat Pat Lewis 6-0; Barbara Cornell (T) beat Jean Mumford 3-7; doubles: Joan Pfaus, Lorissa Peotter (T) beat Carol Ruffer and Pat Stark 6-0.

Matches with Adrian and Ypsilanti will be played on Monday and Wednesday, respectively.

Retailers Must File Ceilings

PRICE STABILIZATION OFFICE WARNS THAT MAY 30 IS THE LAST DAY

Retailers in the apparel, footwear, furniture, dry goods, jewelry, appliance and other consumers' goods trade, were warned today by Philip A. Hart, Detroit district director of the OPS, that they have only two weeks left in which to file charts under Ceiling Price Regulation 7.

Retail stores, originally covered under Regulation 7, have been given two 30-day extensions, he said, and those covered by Amendment 2 to Regulation 7 have had six weeks in which to prepare these pricing charts and file copies of such charts at the district OPS office. The final filing date is May 30 and no further extension can be expected.

Approximately 70 per cent of the 10,000 establishments in the 35 counties of eastern Michigan which comprise the Detroit OPS district, Mr. Hart said, have thus far failed to file.

Non-compliance with the regulations, he pointed out, could result in court action by the Enforcement Division of the Office of Price Stabilization.

Where delays are occasioned by the inability of the retailer to put sufficient manpower into the job of compiling his charts or where the burden of doing the job is one plainly beyond the capacity of the retailer, the OPS would be disposed to be understanding.

Generally speaking, however, this particular trade group has had available to it the willing assistance of the district OPS staff and its own trade organizations. Unfamiliarity with the regulation, Mr. Hart said, simply cannot be accepted as an excuse for failure to comply.

"If there is a disposition on the part of retailers to regard the price stabilization program with indifference and to assume that it can be ignored with impunity, I think they will soon learn that this is a mistake," Hart said.

"The OPS has had its share of criticism for failure to apply penalties where they appear to have been fully justified. As far as our Detroit district office is concerned we have wanted only compliance with the law. If a patient, understanding attitude cannot accomplish this, the enforcement provisions most certainly can. We feel that our responsibility immediately following May 30 will be to determine why retailers did not comply and it will be safe to assume that the period of tolerance in this office will have passed."

WEAR A POPPY

At this moment, an American soldier is risking life and limb in Korea that you may have security at home. Honor his fallen comrades together with our World War dead by wearing an American Legion Auxiliary poppy on Poppy Day, Thursday, Friday and Saturday, May 24, 25 and 26. Made by disabled veterans, these memorial poppies, pinned to your lapel, are the most expressive thanks you can give.

Mill Equipment Is Dedicated

SERVICE AT HAYDEN'S ON SUNDAY MARKS PROGRESS IN LOCAL FIRM

The seventh dedication service within the past 13 years was held Sunday afternoon, May 13, at 2:30 at the plant of the Hayden Flour Mills of Tecumseh, founded in 1835.

The equipment included in this service was a complete system of bulk unloading and storage of cereal proteins; a new five tons an hour pellet mill, displacing a smaller unit purchased two years ago; sewing equipment for closing the 50-pound paper bags used for feed; and a molasses outfit for unloading and storaging blackstrap molasses from tank cars. The firm now has a capacity of 600 cwts. of flour and 1200 cwts. of feed, daily. Whereas a large portion of the flour is shipped as soft wheat flour to large bakers in the east, the feed is all used within a 90 mile radius of Tecumseh. The firm makes poultry, hog, dairy, turkey, and rabbit feed, and has enjoyed a steady growth in this field within the past twenty years. Officials of the firm stated that the sales of feed are now at an all-time peak, and contiue to climb.

Perry Hayden, the firm's president, who planted a cubic inch of wheat in 1940 that grew in six years to 72,150 bushels, proving the principle of tithing, points to the success of his business as another proof that it pays financially as well as spiritually to tithe. One-tenth of the profits of the Hayden Flour Mills are paid to the Lord's work.

Those participating in the dedication service Sunday were the Rev. Edward Escolme, pastor of the Tecumseh Friends church; C. O. Shaver, Columbus, Ohio, superintendent of stewardship of the Ohio Yearly Meeting of Friends; William Beardsley, vice-president and general manager; William Hayden, a student at M.S.C., in East Lansing; Martha and Betty Hayden and Joyce Kopka of Tecumseh, and Perry Hayden. Fred Sheldon, a Tecumseh farmer, who has dealt with four generations of Haydens since 1891, spoke briefly.

50-Year Certificates Are Awarded By Lodge

The Knights of Pythias held their past chancellors banquet, Tuesday evening at 6:30 at the hall, the dinner being served by Mrs. A. J. Todd and a committee of Pythian Sisters. Guy Belding and F. E. Smalledge were awarded 50-year certificates and life memberships by the Tecumseh lodge. Mr. Smalledge was unable to attend because of illness. Lawrence E. Drewyor was awarded a 25-year veterans' certificate. Both Mr. Belding and Mr. Drewyor are past chancellors of the lodge. John R. Nyland is the only surviving charter member of the lodge which was instituted in 1896.

Silas N. Kring, chancellor commander, presided and introduced Harold L. Coates as master of ceremonies, who announced the program which included accordion selections by Harold Black; a humorous skit by Mrs. Luther Wood and Mrs. Henry Kempf; a travelogue by John Saling; presentation of the certificates by Frank Hendersen of Plymouth, grand prelate. Other grand officers present were Ed Unger, grand master-at-arms from Oxford, and Glenn Davis of Plymouth, deputy of District 16. Glenn Sherman and Fred Stevens of Oxford were introduced as 50-year members. Other visitors included Ned Wood of Dundee, a member of Tecumseh lodge.

Capacity Crowd At PTA Meeting

ORGANIZATION NOW HAS MORE THAN 300 MEMBERS; NEW OFFICERS CHOSEN

The Tecumseh P. T. A. held its final meeting of the year in Central school auditorium, Thursday evening, with a capacity crowd. Mrs. Thomas O'Hara, president, presided at the business meeting. Reports from the various committees were read. Mrs. Edward Harper gave the secretary's report which showed membership this year of 305. Mars. LeRoy Tilley reported that new shades had been placed in the auditorium, and that two cots and three blankets had been purchased with the funds from the card party held last May. Mrs. Lawrence Price gave her report on the used clothing project.

Mr. and Mrs. Earl Place were presented with a lamp from the association. Mr. Place, superintendent of schools, has resigned to accept a similar position in St. Joseph.

Mrs. Ray Sluyter, Mrs. Walter Pfaus, Mrs. Ralph Helzerman were the nominating committee and Mrs. Sluyter made her report. Mrs. Ronald Harris was elected as the new president; Mrs. George Anderson, vice-president; Mrs. Harper, secretary, and Mrs. Frank E. Smith, treasurer.

Mrs. Sam Sisson, program chairman, introduced Miss Rae Nita Larsen of Jackson, and presented her with a dozen roses from the association, and she in turn presented 125 local students in "Dance Varieties of 1951." Mrs. Harley McConnell was the soloist, and Mrs. Glenn Driscoll and Mrs. Herbert Dillon, the accompanists. During the intermission, Sally Joe Rentschler entertained with flute solos. The first half of the program consisted of novelty tap, hula, acrobatic and military dances by the younger students. The last half was given by the advanced students who presented ballerina, tap, square, fox trot, waltz, schottisch and polka exhibitians. The costumes were made by the mothers assisted by Mrs. Harold Clark.

D.A.V. Poppies To Go On Sale

VETERANS OF FOREIGN WARS WILL SELL FLOWERS HERE, FRIDAY, SATURDAY

Buddy Poppies, in memory of "the men who can't forget," will go on sale in Tecumseh on Friday and Saturday of this week, it was announced by the Veterans of Foreign Wars. Funds derived from the sale of the flowers are used to carry on the organization's welfare and rehabilitation program in this community, and throughout the United States.

"When you buy one of these little flowers that are made by disabled veterans in government hospitals, you may be assured that every penny that you donate will be used for veterans' welfare and relief purposes," a spokesman said. It was pointed out that no one is forgotten, including needy dependents, and widows and orphans of men who have served in the armed forces over seas.

"The American people have given generously to the rehabilitation of millions of people in all parts of the world. Let's be equally considerate of the welfare of our own disabled and needy veterans, and their loved ones," the spokesman said. "Buying a Buddy Poppy is an opportunity to honor the dead by helping the living."

Members of the V.F.W. Auxiliary will sell the poppies on the streets here, both Friday and Saturday.

Model Home Will Again Be Open Over Week-end

Because of the public interest in the model home, opened on Saturday and Sunday in Tecumseh Acres, Glenn H. Kohler, real estate broker in charge of the event, said today that the house would again be open on Saturday and Sunday, May 19 and 20, from 9 to 12 a.m., and from 1 to 6 p.m. During those hours the public may inspect the house, which is completely furnished by local dealers.

Mr. Kohler said that more than 1,000 persons visited the model home last week-end. Registrations showed they came from Lansing, Hudson, Clinton, Jackson, Britton, Deerfield, Adrian, Holloway, Onsted, Brooklyn, Manchester, Riga, Flint, Blissfield, Milan, Tipton, Tecumseh and Toledo, O., and many other points.

Kohler has announced that 46 new houses will be built in the Acres subdivision this year, bringing the total number of dwelling there to over 120.

Who Is The Governor Fooling?

The State Legislature has approved and sent to Governor Williams for his signature a bill to increase Michigan's gasoline tax by one-and-a-half cents a gallon. This new tax, should it become effective, would produce about $27,000,000 in revenue. In addition, the Legislature has proposed an increase in truck weight taxes that would add another $4,500,000 in income, and a tax on diesel fuel that would produce upwards of $100,000. In round figures, the new tax bills would reach into the pockets of Michigan motorists and truckers for about $32,000,000 during the coming year.

It is very doubltful that the Governor will sign the new gasoline and weight tax bill. Mr. Williams is a politician, and never let it be said that he isn't. Mr. Williams wanted a three-quarter cent a gallon tax on gasoline, and he indicated that he would sign a bill calling for such an amount. He also seemed willing to go along with the increased tax on trucks and diesel fuel. However, his signature on such legislation was conditional, the condition being that the Legislature slap a four per cent tax on corporations. The Governor's proposed four per cent corporation tax would raise about $70,000,000, or some $38,000,000 more than the combined gas, weight and fuel taxes.

The lower branch of the Legislature did not see eye to eye with the Governor. It did pass a two per cent corporation tax bill, and sent it to the Senate. There it is meeting some opposition. The Governor is almost committed to veto the weight, gas fuel tax increase and, if he does, he may do the same thing to the two per cent corporation tax bill, if it reaches his desk.

Folk should remember that the highway fund does not benefit from the corporation tax revenue. This money would go directly to the general fund for appropriation by the legislature. The weight, fuel and gas tax revenue would go directly to the highway fund, and could be spent for no other purpose than highway building and maintenance.

The Governor has been anxious for some time to tax corporations. Also he has promised folk in Michigan that he would "get them out of the mud" this year, insofar as their roads were concerned, if the Legislature would cooperate. He is aware of the fact that legislators are being needled, just as he is being needled, for highway improvements. Michigan's highways are in a deplorable condition, and they are badly in need of repairs. The Governor now sees an opportunity to accomplish his political ambitions—to kill two birds with one stone—by making it mandatory for the Legislature to enact a four per cent corporation tax if it desires him to approve a gas-weight tax boost. The Legislature has compromised by enacting a smaller corporation tax levy, and by approving what the Governor now says is an excessive gas-weight tax increase.

Just who does Governor Williams think that he is fooling by his political maneuvering. Folk today are not silly enough to believe that simply because the government slaps a tax on corporations that they, the corporations, dig into their own pockets and pay the tax. It doesn't work that way. Corporations simply add the tax to the cost of doing business, increase the wholesale price of their product and, ultimately, the consumer pays the bill. That is how we get high prices, that's a part of the national inflationary program, and until prices get so high that no one can afford to buy, the "blind tax" program of the government's probably will continue.

Mr. Williams knows, just as every other thinking person knows, that the consumer eventually pays the corporation tax. Mr. Williams also knows that the corporation tax would be a "hidden tax," and that the public, generally, would cuss the corporations, rather than the Governor, for any price boost. That is because the average folk do not stop to think.

Mr. Williams also knows that if he approves the gas-weight-fuel oil tax he and the Michigan Legislature will be blamed for the increase and, in the end, some votes might be lost. There's no way for a politician to "cover up" a direct tax, such as the gasoline tax. It is very easy to cover up hidden taxes in the price of a manufactured article.

State-wide, it would seem that the Legislature has found the solution to getting Michigan out of the mud through a more adequately financed highway program. Costs have risen sharply since the present gas tax was enacted and, to be sure, if the roads are to be maintained, additional revenue is needed.

Also, in the new weight-gas measure on the Governor's desk are provisions that would more justly allocate the money to the several sections of the state. Another clause would make it mandatory, within five years, for County Road Commissions to hire full-time highway engineers.

It is important that some steps be taken NOW toward maintaining the road system that has made Michigan the vacation land of the nation. It is also important that counties employ competent engineering service.

There seems no doubt but that Mr. Ziegler, state highway commissioner, is a competent engineer. He knows road building from the ground up. But, without funds and without proper cooperation from County Road Commissions, he cannot construct and maintain roads.

We sincerely hope that Mr. Williams signs the gas-weight tax bill into law. He will do just that if he was sincere when, some months ago, he promised to get the state out of the mud. If he vetoes the measure there is only one way to interpret his action—purely political.

By action he is saying, if he vetoes the bill, that he is willing to take $70,000,000 out of the pockets of the consumer by way of a corporation tax, IF the Legislature will reduce its proposed gas tax by one-half. That would mean taking about $13,500,000 in direct taxes, (gas-weight-fuel tax), and $70,000,000 in indirect taxes, (corporation tax), or a total of $83,000,000. BUT it would be the smaller figure that would be used for road building and maintenance, and the larger one for general purpose spending—on everything except roads.

The bills that the Governor may refuse to sign would raise about $35,000,000 in corporation taxes and about $27,000,000 in gas-weight taxes for a total of about $62,000,000, or $21,000,000 less than his (the Governor's) proposal. And please bear in mind, all of these taxes are paid by the consumer.

We can't help but wonder whether the Governor is interested in the people or the votes. If he is actually interested in the citizens' economy, it would seem to us that the Legislature is showing him the way. It is the people who must eventually pay the bill.

And it is the Governor to whom Michigan is looking for a tug out of the mud. If he refuses to sign the gas tax increase, we sincerely hope that the Legislature can muster a sufficient vote to pass the bill over his head.

Here's Where the Pounds Pay Off

FIRST thing that people notice when they take over a Buick is the sure-footed stance this fine automobile has on the road.

You head into a curve and hold firm and true. You travel a turnpike without sway or wander.

While your wheels may dance when you hit a stretch of washboard gravel—your car holds its level course.

A lot of things account for this beautifully poised performance, but it starts with stalwart structure and ample weight—plenty of pounds where pounds are needed.

Please don't get us wrong. This isn't "deadweight." Though a Buick like the one pictured here tips the scales at more than two tons, it's as nimble as an antelope at play.

It has a generous hoodful of valve-in-head Fireball power—packing a powerful punch of velvet velocity.

It comes with the smooth magic of Dynaflow Drive*—a lightness of steering that's gently responsive to a lady's hand—a front-end geometry that's pure genius—the finest brakes ever put on a Buick.

And every wheel rides on shock-eating coil springs that are carefree and trouble-free for the life of your car.

You'll also find—by a few moments of simple arithmetic—that the pounds in this bounteous beauty pay off in another way. On a cents-per-pound basis, it will cost less to buy than anything else near its weight and power and size.

Why not visit us real soon—like the first thing tomorrow—and let us show you why you and your budget will both be happy with this Buick?

Equipment, accessories, trim and models are subject to change without notice

No other car provides all this:

DYNAFLOW DRIVE • FIREBALL POWER*
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING

MACON

The Woman's Club met at the home of Mrs. Carl Thomas, Thursday, May 10. After a potluck luncheon, a pleasant afternoon was spent under the direction of Mabel Burleson, sr., who led the devotions, and Rose Gilmore, who had charge of the program, and the president, Mrs. Emogene Morden, who presided at the business meeting. The program consisted of "scraps" of information by the members from the history of Macon and the history of the Macon Woman's Club for the benefit of the Scrap Book committee of the County Federation. This information was gathered from old files of the Tecumseh Herald, kept by Mrs. Gilmore's father, Mr. Wesley Pennington, dating from 1878.

Mr. and Mrs. Walter Morden, sr., have sold their home on Clinton Road to Mr. and Mrs. William Underwood. Mr. Underwood is connected with the Internal Revenue Office in Detroit. They will move to Macon later in the summer when the new Morden home will be ready for occupancy. The new Morden home will be erected on the lot east of the one just sold.

The Macon school will close at the end of this week. An unusually large attendance is predicted for the coming year. Miss Ruth Kudes and Mrs. Leora Kane will be the teachers for the coming year.

Mr. and Mrs. Carl Thomas and family spent Sunday in Detroit, guests of relatives.

Mr. and Mrs. Charles Bigelow spent last week at Crystal Lake, preparing their resort property for the summer tourist trade.

Have you noticed the new signs marked "Macon" at all the approaches to Macon? Mr. and Mrs. Clayton Bigelow are responsible for these signs, acting in conjunction with the Community Club. Mr. Bigelow has spent much time and a great deal of personal effort in completing this project.

The Mother-Daughter banquet at the Methodist church attracted a capacity attendance. Mrs. Erma Sheward introduced the toastmistress, Mrs. Vaughn Whited, who in turn introduced her husband, the pastor, who convulsed his audience by reciting, "Gee! Ain't I Glad I'm Not A Girl." The speaker of the evening was Mrs. Meanry McKenzie of Saline whose husband is pastor of the Federated Church. Mrs. Ida Mehler gave the toast to daughters, and Miss Hallie Jean Mehler gave the toast to mothers. Mrs. Anna Hendershot received a prize, being the oldest 89 years mother present. Other prizes were awarded to Mrs. Duane Robison and Mrs. Manly Robison for the largest number of daughters, four each, to Mrs. Beth Sally as the youngest mother, 15, with a daughter, susan, four months of age. Mrs. Whited and Mrs. Proctor of Clinton gave two vocal duets and Mrs. Helen Thomas played the grand march, also the accompaniment for the singers. The audience sang the doxology before the meal began. Mrs. McKenzie pronounced the benediction. 12 young men of the church acted as waiters giving the mothers and daughters very efficient service.

Mrs. Stella Hall of Tecumseh who spent the winter in Braden town, Florida, has returned to Tecumseh and is spending an indefinite period in the home of her son and wife, Mr. and Mrs. Clarence Hall of Macon.

Egyptian Files Suit For Loss of Son In War

Cairo—The father of an Egyptian soldier killed in the Palestine war has demanded damages from 13 men accused of supplying $5,000,000 worth of defective ammunition to the army during the Arab-Israeli fighting.

Abuzeid Mustafa Ali said the defendants and the government were jointly responsible for the loss of his son, a private, in fighting at Rafa. He asked one piastre (three cents) moral damages and left actual damages to be determined by the court.

His suit was introduced during arguments on whether the fraud case should be heard before a civil or military court. The trial was put off until April 23 at the request of defense attorneys.

The defendants include an Egyptian prince, the navy commander in chief, an army major general, four colonels, and members of two Italian munitions concerns.

From where I sit ... by Joe Marsh

"One For The Book"

Miss Reynolds, our town librarian, really put a smart-aleck motorist in his place last week — right in center of town, corner of Main and Walnut.

Her car stalled, tying up traffic. Most drivers just waited quietly —realizing she couldn't help it— but one fellow kept blaring away on his horn.

So Miss Reynolds gets out of her car, walks over and says sweetly, "I'm afraid I can't start my engine. If you'd like to try I'll stay here and lean on that horn for you." That stopped him!

From where I sit, a lot of us are sometimes a little overeager to "sound off" before we really understand what it's all about. Let's try to see the other fellow's side in whatever he does — how he votes, what he thinks, whether his preference is for a glass of beer or buttermilk—rather than simply blast out anyone who "gets in the way" of our ideas in these matters.

V. F. W. Auxiliary In Regular Business Meet

The V. F. W. Auxiliary held its regular meeting, Thursday evening, with Mrs. Frank Daehne, the new president, presiding. Mrs. Harlan Boyes, retiring president, gave the new officers their charges. Mrs. Bert Warren gave a report of the recent rally in Ypsilanti. Mrs. Boyes was presented with a life membership to the National Home.

Reports of the recent bowling, installation and post dinners were given and it was voted to serve dinner for the Royal Neighbors, June 12. The auxiliary also voted $5 to the Sister Slater Charity Fund. Mrs. Boyes, Mrs. Warren, Mrs. Waldo Mohr and Mrs. Daehne were appointed as a welcoming committee. New rituals were ordered and plans were made for attending the district convention in Escanaba in June. The delegates are Mrs. Ben Hemmack, Mrs. Daehne and Mrs. Richard Butler. Refreshments were served by the committee in charge.

BRITTON

Mrs. Carman Brown presented her piano students in a recital Monday evening in the Congregational church.

Lloyd Bruce was moved home from St. Joseph hospital in Ann Arbor, Saturday. He underwent surgery on his ear, ten days ago.

Mrs. Sarah Boyd accompanied Mrs. Orvole Mohl to Britton last Wednesday calling at the home of Mrs. Millard Cheever.

Ten of the seniors accompanied by their advisor left Toledo Sunday evening for a trip by train to Washington, D. C. They plan to return Friday morning.

The Congregational church held its annual Mother and Daughter banquet, Friday evening, with 177 guests seated. The high school band furnished the music. The long tables were decorated in pink and white. Each mother was presented with a dainty corsage of carnations tied in pink and white, by the decoration chairman, Mrs. Leland Bush. Dinner was served by fathers and sons of the church. The program included the invocation by Mrs. William Gibson; group singing and duet by Mary Bush and Judy Kniffin; toastmistress, Mrs. Alice Hamilton; welcome, Judy Rohrback; toast to daughters, Mrs. Frank Kniffin; toast to mothers, Alice Moore; clarinet duet, Polly Eberhardt and Peggy Hintz; vocal solo, Mary Bush, accompanied by Peggy Jo Pocklington; songs by a group of young daughters; piano solo by Peggy Jo Pocklington; vocal solos by Martha Hayden of Tecumseh; reading by Mrs. Norris Dartt; three numbers on the harp by Marilyn Tagsold of Blissfield; benediction by Mrs. Flora Exelby.

The Methodist annual mother and daughter banquet was held Friday evening with the men and boys of the church serving 111 mothers and daughters at a ham dinner. The tables were beautiful with crystal bowels and low lighted tapers, arranged around tulips and spring flowers, added decorations were lacy trimmed hat favors for each guest. Rev. F. B. Clifford played the piano for the march and also during the dinner hour. The program included the invocation by Mrs. Harry Thornberry; mistress of ceremony, Mrs. Guy Siedel; toastmistress, Mrs. Erward Kanous; piano solo, Miss Barbara Gibson; exercise by Misses Sharon Smith, Carol Barrett and Patty Gibson; solo by Patricia Penn; pictures were shown by Mr. and Mrs. Fred Bryan. The benediction was by Mrs. Virgil Bortel.

Mrs. Helen Bryan, local librarian, showed story hour pictures to the kindergarten through fourth grade classes last Wednesday.

Guests Sunday in the home of Mr. and Mrs. Harry Downing were Mr. and Mrs. Orville Alcock and family of Tipton, Mr. and Mrs. Garth Hall and family and Mr. and Mrs. Clarence Matterstad and family of Tecumseh. The occsion marked the birthday anniversary of Mrs. Downing, as well as Mother's Day.

Dinner guests Sunday in the home of Mr. and Mrs. R. B. Kanous were Mr. and Mrs. Louis Allegrina and sons of Detroit and Mr. and Mrs. Carl Brablec of Roseville. Other guests in the afternoon and evening were Mr. and Mrs. Charles Herrick and family and Mrs. Joe Simseck of Milan, Mr. and Mrs. Kenneth Kanous of Tecumseh, Mr. and Mrs. Paul Bailey and family and Mr. and Mrs. Edward Kanous and family.

Mrs. Cass Zeluff who has been quite ill for some time, is slowly improving.

Mr. and Mrs. Lee Keeling and family were Sunday guests of Mr. and Mrs. Roy Keeling in Toledo.

Mother and Daughter Banquet Largely Attended

The Mother-Daughter banquet sponsored by the Methodist Guild was held in the church parlors, Wednesday, with 162 mothers daughters and guests attending. The dinner was served by the men of the church. The "story book" theme was carried out in the table decorations with centerpieces representing Jack and Jill, Little Bo-Peep, the Woman in the Shoe, Mary, Quite Contrary, Three Little Kittens and other children's characters. Nut cups matched the centerpieces.

Mrs. Norman MacNaughton gave the invocation and Mrs. Elmer Bryan was toastmaster. Mrs. Herbert Dillon gave a toast to the daughters, which was responded to with a toast to the mothers by her daughter, Diane. Nadine Carney sang two songs, "My Mom" and "Mother." Mrs. Bryan introduced Mrs. W. C. Taylor, speaker for the evening. Mrs. Taylor is a dramatic interpreter from Toledo, and with her daughter, Shirley, presented the story of their lives in a dramatic manner. The singing of "Faith of Our Mothers," by the assembly, closed the program.

Mrs. L. Duckworth was honored as the mother with the most daughters present, and Mrs. Delmar Crisp as the youngest daughter. Mrs. Taylor and daughter were each presented with a corsage.

CONSERVATION MEETING

The Michigan United Conservation Club will hold its third district meeting in Tecumseh, tonight, (Thursday), May 17. This meeting is sponsored by the Tecumseh Conservation League and will be held in the K. of P. Hall at 8 o'clock. Any persons interested in the game laws, or who would care to attend for any other reason are welcome, as all MUCC meetings are open to the public. There also will be discussions on the 14th annual state convention which will be held at St. Ignace, June 14 through 17.

Act Your Age And Live Longer

REMEMBER, YOUR HEART NEEDS REST, AND DON'T TRY TO OVER-TAX IT

The Siren Song of Spring. . . . heart diseases will claim almost as many lives during warm spring days as during the past winter months, according to officials of the Michigan Heart Association.

Statistics show that the decline in deaths attributed to heart diseases from winter to spring is less than one per cent.

So don't be a "week-end athlete" and overwork your heart by trying to take advantage of spring's sunshine all at once, is the warning from the Michigan Heart Association's President Douglas Donald, M.D., of Detroit.

"With the first warm days of spring," Dr. Donald says, "we all usually try to pick-up right where we left off last fall. Over-exerting muscles which have been idle for months can add up to serious trouble for almost anyone. As people get older, their hearts will not permit them to engage in the same activities they participated in when they were younger. This is especially true of the man (or woman) over forty."

Last fall you were probably still sporting your summer tan. Your body was conditioned by four or five months of outdoor activity, and you didn't have to crowd yourself to take advantage of a short period of sunshine. That seldom is true in the spring when the out-of-doors invites you so pleasantly to extend yourself unduly. Even more important, you aren't as young as you were last fall, and "guarding your heart" against undue strain now is vital to your health.

For those who desire a formal prescription for "guarding their hearts," the following rules are suggested by the Michigan Heart Association:

1. Avoid over-exertion. Moderate exercise is good for your general health. Don't try sudden spurts of taxing physical activity, especially when you're not accustomed to increased exercise.

2. See your doctor. Protect your heart by having your doctor examine you regularly. Never diagnose your own ills, real or imagined.

3. Get enough rest. Give your heart a chance to relax. Get at least eight hours sleep, more if possible.

To all those past the prime of youth the Michigan Heart Association advises that you "take it easy, don't over-exert yourself, and above all ACT YOUR AGE . . . . you'll live longer."

MEMORIAL PROGRAM IS PLANNED BY GRANGE

A memorial program will be presented when the Tecumseh Grange meets in regular session in its hall here, next Thursday evening, Mrs. Charles Patterson, chaplain, will be in charge. Persons desiring to bring flowers in memory of departed loved ones may do so.

The Grange met last Thursday evening for its regular meeting with the master, Harold Rohrback presiding. A report of the Pomona meeting at Morenci was given by Mills Swick, and it was voted to send six delegates to the Youth Conference at Michigan State College in July. The program, in keeping with Mother's Day, included readings and musical numbers. Lunch was served later.

DESSERT PARTY

The officers of St. Elizabeth Altar Society will be hostesses at a benefit dessert-card party at the home of Mrs. Robert Bowers, 710 W. Chicago Blvd., Monday evening, May 21, at 7:30. The proceeds will be used to help purchase altar linens for the new church. All members are asked to attend and bring a guest.

O. E. S. TO MEET

The Past Matrons of O. E. S. will meet May 23, for a potluck dinner at the home of Mrs. John Lott. The date was changed from May 30 because of Decoration Day.

BIBLE CLASS

The Men's Bible class of the Friends church will meet Saturday evening in the church parlors.

program is aimed at building a democratic way of life in Europe."

Parsons projected onto a screen, pictures he took during his stay in Europe. They told, better than words could describe, the devastation of the country and the effort that is being made to rebuild it.

It was the Wit-Wisdom Club's annual banquet, closing the year's activities for the organization. Leon VanValkenburg presided, and introduced Fay VanValkenburg, program chairman. Fred Dickinson, accompanied by Mrs. Dickinson, sang three solos. Later in the program, Mr. VanValkenburg presented Delmar Crisp, the club's president-elect, who made some announcements.

The dinner was served by the ladies of St. Peter's parish. The Rev. Richard O. Petersen, rector of St. Peter's, asked the invocation.

Parents Urged To Warn Of Swimming Dangers

Take time today to remind your boy that swimming in gravel pits is dangerous, the Michigan Department of Health urges Michigan fathers.

Each year about this time, some Michigan lad, unmindful of danger, loses his life while swimming in a gravel pit.

Gravel pits are deep and treacherous, with quick drop-offs and soft bottoms. Many have submerged rocks, stumps, snags, wire and broken machinery to endanger the unwary diver.

Teach your boy to swim, of course, but teach him to swim safely—at a guarded beach during daylight hours, with one or more companions. Teach him to wait until he has cooled off and rested after a long hike or strenuous game before he enters the water; to enter the water slowly; and to leave the water if he becomes chilled or tired. Teach him by word of mouth and by example to wait at least an hour after a meal before he swims and to protect himself and others from the danger of showing off or horse play.

The only good swimmer is a safe swimmer.

How's Your Garden Doing?

Are You Waiting For It To Catch Up?

Well, due to rainy and cold weather, many local gardens are a little late this year—in fact many of them are still to be planted.

It's to those folk who are still planting that we'd like to suggest that they plant our pre-tested garden seeds.

Pre-ested seeds cost no more than ordinary seeds. We've sold them for years to customers who keep coming back.

Why don't you plant them and let your garden catch up with the weather?

A BENDIX DRYER SAVES WEAR AND TEAR ON ALL YOUR CLOTHES
It gives you complete protection from DUST, SOOT, SMUDGING and SUN FADING

Just set a dial and then set back and let this sensational NEW BENDIX AUTOMATIC DRYER do the job for you.

Yes, now you can dry your clothes any time. NO MORE LINES TO PUT UP AND TAKE DOWN. NO HEAVY BASKETS OF WET CLOTHES TO CARRY. NO STRETCHING OR PINNING, NO BENDING, NO LIFTING.

Check THESE OUTSTANDING FEATURES

★ A flip of the dial fluff-dries a whole load of clothes bone-dry for storage, damp-dry for ironing.
★ No weather worries. Every day is a sunny day inside your Bendix Dryer.
★ Gleaming white baked enamel flat top provides extra work surface.
★ Only dryer with Pow-R-Vent System that banishes hot air and moisture outside — keeps room temperature clean and comfortable.
★ Suntronic lamp bathes clothes in artificial "sunshine"; makes them smell sweeter, fresher, than outdoor drying. (Optional at slight extra cost.)

Kenneth Swartz Wins Regents Scholarship

Kenneth A. Swartz, Tecumseh high school senior and son of Mr. and Mrs. Grover Swartz of Tipton, is one of 497 graduating seniors in Michigan high schools to receive a Regents-Alumni Scholarship, according to an announcement today at the University of Michigan. Mr. Swartz received a College of Engineering scholarship, according to Erich A. Walter, dean of students and chairman of the committee on University scholarships. He is the only student in Lenawee county to win the Regents-Alumni honor.

Swartz is an active high school senior, and this year he is president of the Student Council.

These scholarships carry a stipend equivalent to semester fees for the freshman year and are renewable for three additional years if the student's performance at the University warrants a continuation of the privilege. The award winners were selected from 990 applicants representing over 315 high schools. At least one scholarship is available for every accredited high school in the state provided a qualified candidate applies.

Eligibility for an award is based upon the following factors: (1) the record made in high school; (2) information provided by University alumni and other citizens of the community; (3) recommendations of the principal and teachers; (4) financial need; and (5) results of the special aptitude test taken by the candidate. The first of these factors is the most important, Dean Walter said.

Work of high school officials and University of Michigan alumni clubs throughout the state in helping select scholarship candidates was of invaluable assistance to the committee, Dean Walter declared.

Every Member Of The Family Can Handle Feed In 50 Lb. Bags

"The children can handle chicken feeding now" said an enthusiastic poultry raiser in commenting on Hayden's 50 lb. triple paper bags. "They are cleaner and stronger," he added. Hayden's 36% Poultry Balancer is mighty handy in the 50 lb. bags. It's the chick feed that gets results, — and goes farther. Now fortified with vitamin B-12 and antibiotic the results are amazing—for less feed per pound of gain in weight.

DELICIOUS
BLUEBERRY PIE!

Have you ever tasted our delicious blueberry pies? The reason we ask is this: A customer told us the other day that they tasted "Just like Mother's."

We're happy to say that they do. And the reason is that we use choice fruit, plenty of sugar and shortening—we scrimp on nothing.

If you like Blueberry Pie we'd like to have you try one of ours—and be convinced.

150 Mothers, Daughters At Presbyterian Supper

One-hundred and fifty mothers, daughters and friends attended the potluck supper Tuesday evening of the Presbyterian League, held in the Fellowship Center. The Men's Club served the supper and tables were decorated with spring flowers and maple branches.

Mrs. Walter Pfaus was in charge of the program. Mrs. Robert Reis gave the invocation and Mrs. Harold Wilson welcomed the guests and announced the program which opened with a reading by Mrs. John Quigley entitled, "What Is A Girl?" There were several tap dancing numbers by groups from Rae Nita's Dancing Studio under the direction of Mrs. Glenn Driscoll, who was also at the piano; a "Swiss Skit" by Den 9, of the Cub Scouts, and a piano trio by Ruth, Marie and Julia Boyce. Mrs. John Saling showed two comic movie films for the children to close the program.

May baskets were presented to Mrs. R. R. Hendershot, the oldest mother present; to Mrs. Donald Purkey, the youngest mother; and to Mrs. Reis and Mrs. C. W. Boyce, having the most daughters present. Mrs. Glenn Driscoll was presented with an appreciation gift.

GOOD CHEER CLASS

The Good Cheer class of the Baptist church met at the home of Mrs. Norman McConnell, Friday evening, with 16 in attendance. Mrs. Leon VanValkenburg was elected as the new president and the other officers to serve with her are: first vice, Mrs. Fay VanValkenburg; secretary, Mrs. Lillian Owen; treasurer, Mrs. McConnell. The class voted to place flowers in the church each Sunday until September 1. For the program, Mrs. Jessie Brown told of her recent trip to California and other western points. Refreshments were served by the hostess.

MOTHER'S DAY SERVICE

Special Mother's Day service at the Baptist church were attended by a capacity crowd, each mother receiving a carnation. The Arnold sisters sang "Mother Love," and the Rev. B. O. Bashore's sermon topic was "Mother." The carnations that were left over from the service were presented to the mothers at the Parrett and Mathews Nursing homes.

Herald classifieds pay big dividends.

IN MEMORIAM

In memory of Harvey Junior Proctor, who passed away eight years ago, May 16, 1943:

Loved One

Erase you from my memory? I have no reason to,
I want to keep in mind, The things we used to do.
I want to cherish ever, The things we used to say—
The happy times we had. So I've checked each one away,
Away where none can ever
Make me from them part,
Because they all are hidden, In the recess of my heart.
Erase you from my memory? No, indeed, not I;
As well erase the stars, From their setting in the sky.

The family of Harvey Proctor.

Tecumseh Will Honor War Dead

PARADE AND PROGRAM AT BROOKSIDE CEMETERY PLANNED FOR MEMORIAL DAY

Tecumseh will pay a fitting tribute to its war dead on Wednesday, May 31, Memorial Day, with a parade through the business district and a program in Brookside Cemetery. As in the past, the village itself will observe the holiday and stores and other places of business, generally, will be closed.

Louis S. Schneider, World War I veteran and who for many years has directed Tecumseh's Memorial Day programs has again been named as marshal of the day by the Village Council.

Mr. Schneider today announced the tentative program as follows:

The first parade call will be sounded at 9:15 with the formation starting at 9:30 on North Ottawa street, between Chicago and Shawnee. The parade will move promptly at 10 o'clock west on the Boulevard to Union street and thence north to Brookside.

In the line-up will be: The national colors with mounted color guard; the Civil War Veterans' car with wreath and guard of honor; the Civil War Auxiliary car with flag; the speakers' car; car bearing village officials; the ministers' car; Spanish-American colors and color guard; Tecumseh high school band; American Legion national colors and guard; American Legion firing squad; Veterans of Foreign Wars colors and color guard; Veterans of Foreign Wars firing squad; American Legion colors and guard; American Legion delegation; Veterans of Foreign Wars colors and guard; Veterans of Foreign Wars delegation; car with wreaths for lots of Spanish War, World War I and World War II veterans; Spanish American war auxiliary colors and guard; American Legion Auxiliary colors and guard; American Legion Auxiliary drill team; American Legion Auxiliary cars; high school band; Boy Scouts, colors and guard; Boy Scout delegation; Cub Scouts colors and guard; Cub Scout delegation; flower truck; Eagles, colors and color guard; Eagles delegation; Girl Scouts, colors and guard; Girl Scout delegation; school children; mounted delegation; bicycles and civilians in cars.

Upon arrival at the cemetery, the bugle call will be the signal for the placing of the wreaths on the lots of the veterans, and in Evans Creek in memory of the departed sailors. The Rev. Alvin Brazee will offer the invocation. Planes overhead will drop flowers on the cemetery in memory of those members of the Air Corps who gave their lives. The Rev. Richard Petersen, rector of St. Peter's Episcopal church will deliver the address and the ceremony will conclude with the firing of a salute to the dead by the veterans' firing squad. Taps will be sounded and then all flags in the cemetery will be raised to full staff. The parade will disband after the band plays the national anthem.

ADRIAN IS VICTORIOUS IN TENNIS TOURNEY

In the Tecumseh-Adrian high school tennis meet, held last week in Adrian, the Maples won. The standings were singles: R. Wolfe (A) defeated Jim Wilson, 6-2, 6-2; P. Hine (A) vs Cap Orr, 6-0, 6-1; R. Sharpe (A) vs. JOAN JUDD, 6-4, 6-1; Ray Tidswell (A) vs. Kirk Smith, 6-3, 6-0; the doubles: Cliff Harris and Jim Zook (A) vs. J. Fielder and C. Freckleton, 6-0, 6-0; B. WOLFE and D. FAUST (A) vs. T. Everlove and V. Everlove, 6-4, 6-2; ROY WARNER and G. GARRISON (A) vs. D. Hay and L. Vargo, 6-1, 6-2. In doubles Janice Boltz and Loraine Mack (A) defeated Stefanik Stark and Smith of Adrian and their names were ommitted from the report of the Monday meet, last week.

Mr. Hazen is the coach for Adrian and Miss Elda Cauffiel for Tecumseh. The Tecumseh team entertained the Roosevelt team of Ypsilanti yesterday. Results will be in the next issue.

CARS ARE DAMAGED

Cars driven by Robert E. Hart, Tecumseh, and Carlton D. McNutt, Tipton, were damaged last Saturday afternoon in the amount of $375 when they collided at the intersection of So. Ottawa and E. Pottawatamie streets, according to police. No traffic summons was issued.

DRAWS FINE OF $15

Walter Dunbar, 50, of Adrian, was arrested by police here last week Wednesday night, charged with being disorderly. In Justice Robert French's court he was ordered to pay a fine of $15 and costs of $8.60.

Mrs. Cora E. Teachout Buried Here, Wednesday

Mrs. Cora E. Teachout, widow of Fred Teachout, died Monday morning at her home on Round Lake Road, Michigan Center, at the age of 85 years. Mrs. Teachout was a member of the Past Matrons of the O.E.S., of Tecumseh Lodge.

Survivors are one daughter, Mrs. Thomas Hurt; a son, Charles Teachout, and two grandsons, all at Michigan Center; and a sister, Mrs. Stella Smith of Britton.

Funeral services were held Wednesday afternoon at 1:30 at the Wetherby Funeral Home with the Rev. Mr. Wimberly, of the Presbyterian church, officiating. Burial was in Brookside cemetery in Tecumseh.

Country Club Plans Big Birthday Party

FAMILY DAY WITH MEALS AND EVENTS FOR EVERYONE SCHEDULED FOR MAY 30

A day-long carnival of fun for the entire family is being planned by a Tecumseh Country Club committee for Wednesday, May 30, Memorial Day. The event will mark the club's third birthday anniversary, and it is hoped that 200 or more persons will participate.

"We do not want to take anyone away from the civic observance of Memorial Day, planned by Tecumseh annually, so the program will start at the club after the parade and exercises at Brookside," Charles O. Butler, chairman, said. "We would like to have the folk come to the club directly after the civic observance and plan to spend the rest of the day there with their families."

By way of entertainment the club is arranging golf, shuffle board, croquet, cards, archery and softball for the grownups. For the kiddies there will be movies, contests, races, a treasure hunt and other events, including a story telling hour.

"There will be something doing for everyone all day long and into the evening," Mr. Butler said. "We do not plan to serve dinner, but from 12 to 2 o'clock, and a buffet dinner from 6 to 8 o'clock. Tickets will be mailed to members, and they are reasonably priced. Guests will be welcome. As we have it planned it will be a grand day away from home and an opportunity for mother to take a vacation, too."

Mr. and Mrs. Butler are being assisted in the program planning by this committee: The Hal Kelsos, Joe Horvaths, Leo Bishops, William Wrights, Archie Spohrs, Douglas Murdochs, Bertram Updikes, Arthur Williams and Homer Colsons.

Rotary Club Feud Ends In Dinner

The feudin', fussin' and fightin' Martins and Coys of below the Mason and Dixon line fame, buried the shotgun and shook hands as friends, Tuesday evening, as the Rotary Club's 3-months-long attendance contest ended in victory for the Coys. And because they lost the contest, members of the Martin clan paid for the Coys' dinners at the Legion Memorial Home.

The contest was staged by Clarence Gilman, chairman of the club's attendance committee, with Delmar Crisp as the leader of the Martins and A. C. Hamaker directing the Coys. The contest was close, but the victory was decisive.

Tuesday evening, at the dinner, the leaders of the contest as well as R. H. Moore, C. O. Butler, Ralph Comfort and Glenn Driscoll were dressed in hillbilly costume, coonskin caps and carried old-fashioned rifles. They presented a short fun program and sang a song written by Mr. Driscoll.

Gerald Osworth was accepted in club membership, and James Allison of Elmhurst, Ill., formerly of Tecumseh, was a guest.

The regular program included the showing of several reels of motion pictures and colored slides by Ralph Comfort. He took the pictures while on a fishing trip in Canada.

May 31 Is Last Day For Bicycle Licenses

Bicycles in Tecumseh must be licensed by May 31, otherwise they will be picked up by police, Chief of Police M. E. Clark warned today. Thus far, only about 175 of the some 400 bicycles in Tecumseh have been licensed.

A village ordinance requires that all bicycles on the streets in Tecumseh must bear police tags. The tags are issued at police headquarters. The model and number of the bicycle must be available before a license is issued.

Would Remodel Central School

BIDS SOUGHT BY BOARD OF EDUCATION ON REARRANGEMENT OF OLD HIGH SCHOOL

Bids are being sought from contractors by the board of education of Tecumseh on a program of remodeling the Central School Building during the summer months, it was announced today by Earl H. Place, superintendent. The remodeling program would start early in June, and completed before the beginning of the fall term in September.

"The remodeling program is not too expensive," Mr. Place said in making the announcement. "It is more or less of a plan to rearrange some of the rooms and make the entire building more liveable for the elementary students and their teachers."

The Central building housed the junior and senior high school students as well as some elementary pupils before the new $500,000 high school was opened a year ago. During the past school year it has been used exclusively for elementary classes, but no change in the interior of the building has been made.

At the beginning of the new school year in the fall, two sections of the second grade will be housed at Central as well as all students in the third through the sixth grades.

Mr. Place said that the board has had the revamping program in mind for some time but did not reach a definite decision on it until this week. W. S. Holmes, Lansing architect, is in charge, and plans and specifications of the remodeling, as well as blueprints, may be obtained there by contractors or at the office of the superintendent here. Contractors have until 2:30 p.m., June 12, to submit bids.

MEMORIAL SERVICE AT GRANGE HALL, TONIGHT

Tecumseh Grange will meet this evening at its hall here, at 8:30. A memorial program will be given with the chaplain, Mrs. Charles Patterson in charge. The Rev. Howard Western of Adrian College will participate. Flowers will be brought in memory of departed loved ones.

After thep rogram, lunch will be served. Each family is to bring pie and sandwiches. The lunch committee is made up of Mr. and Mrs. Ed Furgason, Mr. and Mrs. Jesse Nichols, Mr. and Mrs. Ernest Harris, Mr. and Mrs. M. M. Halley, Margaret and Roger Hally and Alfred Jeffries.

Commencement Speaker

Paul D. Bagwell

Dr. Bagwell, a member of the staff of Michigan State College, will deliver the address at the Tecumseh High School commencement exercises here, May 31.

Diplomas Ready For 74 Seniors

"UNDER THE LIGHTS" COMMENCEMENT PROGRAM PLANNED FOR MAY 31ST

Weather permitting, the 74 members of Tecumseh High School's 1951 graduating class will receive their diplomas "under the lights" at Recreation Center at 8 o'clock next week Thursday evening, May 31. All arrangements for the graduation of Tecumseh's largest class have been completed. In the event of rain, James McDowell, principal, said that the services would take place in the auditorium of Central School.

The final week of activities for the graduates starts next Sunday evening with the baccalaureate service at the Presbyterian church. Mrs. F. C. Dickinson will play the organ prelude and there will be the traditional processional of the graduates. The invocation will be by the Rev. Donald Wilson, pastor, and the scripture lesson by the Rev. Edward Escolme, pastor of the Friends church. St. Andrews Choir will sing a number and the general prayer will be offered by Dr. Norman MacNaughton, Methodist pastor. After a brief statement by Earl H. Place, superintendent, the address will be made by by the Rev. B. O. Bashore, pastor of the Baptist church. The benediction will be by the Rev. Richard O. Petersen, rector of St. Peter's church.

Girl Is Killed In Road Mishap

11-YEAR-OLD RIDGEWAY CHILD FATALLY HURT IN DASH IN FRONT OF AUTO

Funeral services were held on Monday afternoon from the Niblack Funeral Home in Britton for Mabel Leona Robinson, 11-year-old Ridgeway girl, who was killed instantly at 8:40 p.m., Friday, when she was struck by an automobile driven by George W. Kopke of Tecumseh. The Rev. Lorne Carter of Ridgeway officiated and burial was in Ridgeway cemetery.

The accident happened on M-50 in the village of Ridgeway as the child attempted to cross the highway, south to north. She dashed directly into the path of the Kopke car and her neck was broken.

State police from the Clinton post and Coroner Ed M. Braun of Adrian investigated. Coroner Braun ruled that an inquest was not necessary. Mr. Kopke was not detained.

Mabel, the third Lenawee county traffic fatality of the year, was the daughter of Mrs. Mildred Robinson of Ridgeway. She was in the fifth grade of the schools there, and was a member of the Ridgeway Methodist church. Surviving are her mother, six sisters, Charlotte, Martha, Mary, Margaret and Sharon at home, and Mrs. Christine Jones of Tecumseh; three brothers, Robert of Toledo, Paul of Tecumseh, and Jerry of Ridgeway. Her grandfather, William Bane of Cone, also survives. Her father, Jerry Robinson, preceded her in death a year ago.

Kindergarten Program To Be Presented, Friday

The annual spring program by the children of the West Branch kindergarten, will be presented Friday evening, May 25, in the Central school auditorium at 8 o'clock under the direction of Mrs. Bertram Updike. Each section of the program will be introduced by Deborah Holden. They will include: "My School," "My Home," "My Town," "My Church," and "Just For Fun."

The rhythm band led by Grant Baldwey will play the following selections: "Amerillis," by H. Ghys; "Holiday," by Ethel Pence; "Punchinello," by Victor Herbert; "Shepherds All and Maidens Fair," by E. Nevile and "The Military March," by Franz Schubert.

Sixty children will take part in the program which includes songs, rhythms, folk dances and the rhythm band.

FIND "GRASS IS NOT GREENER" ON OTHER SIDE OF FENCE

Students Work and Learn in Cooperative Training

Graduating high school students are rapidly learning that the "grass is no greener" in some other community than it is in their own home town when it comes to securing employment, Dr Ralph Wenrich of the University of Michigan, told 100 employers and students, Monday evening, when he addressed the third annual Cooperative Training Banquet at the high school. Dr. Wenrich is the head of the University's Vocational Education and Practical Arts Department.

"There was a time," the speaker said, "when it was considered difficult for a young man or woman to find work at home following high school training. Now, however, thanks to the school's cooperative training program, these young folk are prepared to step into good jobs—in many instances jobs that they have filled on a part-time basis for one or two years prior to graduation."

In Tecumseh, the cooperative training program has been in effect for four years. During that time, scores of students have been employed part-time in local business and industry and, as a result, have "taken root" in their home community.

"This is as it should be," Dr. Wenrich said. "It gives the students an opportunity to find out, prior to graduation, the type of employment he likes and, also, it gives the employer an opportunity to observe whether or not the student is fitted to the type of work."

Wenrich pointed out that unless folk are happy in their jobs they are not successful. He spent some time in Austria recently observing vocational training programs there. The Austrians, he said, are a happy folk despite the fact that they have little of the world's goods. It is happiness more than wealth, he declared, that makes for success, regardless of the vocation.

The Ann Arbor professor praised the work that is being done at the school here in cooperative training, pointing out that similar programs are now functioning in some 75 other cities in the state. Locally, this year, 27 students participated in the training. Tecumseh is one of the smallest communities in Michigan to operate the program.

The cooperative program works in this fashion. A student, interested in working, is quizzed as to the type of job desired. Then the school endeavors to find a job in business or industry where he may work part time and his academic work is so arranged as to fit into the schedule. The students are paid for their work by their employer and, at the end of one or two years training, they receive an achievement certificate. In many instances, it is said, the on-the-job training stimulates classroom interest.

Locally the program operates with the sanction of the board of education and is under the direction of D. E. Crisp and M. E. Runk, high school instructors. Four years ago when it started, only 16 students enrolled. Next year, it is hoped that more than 30 will participate.

The banquet Monday evening was given by the students for their employers. Certificates were presented by Mr. Crisp and Mr. Runk.

Kenneth Swarts of Tipton, high school senior and a participant, acted as toastmaster and presented his employer, Jack Perkins, representing Tecumseh Products Co., who spoke briefly for the employers. Earl H. Place, superintendent of schools, discussed the program from the school's standpoint.

The dinner was served by the home economics department of the school, assisted by the cafeteria staff.

Students participating in the program this year and their places of employment are as follows:

Early Paper Next Week; Cooperation Is Urged

Because of the Memorial Day holiday on Wednesday, May 30, The Herald next week will be published on Tuesday instead of Thursday, as has been its custom in the past. This permits a complete circulation of the newspaper prior to the holiday, to the advantage of both advertisers and readers.

The deadline for all display advertising copy will be 10 a.m., on Monday, and for classified advertising, 9 a.m., on Tuesday. Correspondents will please cooperate by having their copy at The Herald office not later than noon on Monday.

The offices of The Herald will be closed all day, Memorial Day.

Keep Dogs Tied, Police Warning

CHILDREN BADLY BITTEN, SOME OF THEM REQUIRING HOSPITAL TREATMENT

Police issued a warning today to dog owners that, in the future, animals found running at large, regardless of whether they are licensed or not, will be picked up and impounded. They will be held for five days, at a cost of $1 a day to the owner, and then disposed of, Chief M. E. Clark said.

The officers stiffened their warning after reports of injuries to children as a result of dog bites had been received. Last week, the small daughter of Mrs. Russell Starkey, E. Logan street, was bitten in the face by an animal, now impounded. Danny Hare, son of Arthur Hare, E. Logan street, also suffered a face injury that required hospital treatment.

Herrick Memorial Hospital here also reported two more dog bite cases. Stephen Ruhl, 2-year-old son of Lester Ruhl, Britton, was bitten in the face by a dog and stitches were necessary to close the wound. Peggy Jurasek, 2, daughter of Jerome Jurasek, Clinton, also was treated for serious face injuries as the result of a bite. Several stitches were required to close the wound.

Mammy Minstrel Attracts Crowd at Country Club

The auditorium of the Tecumseh Country Club was filled to capacity Thursday evening for the presentation of "Mammy's Minstrels," under the direction of Mrs. Earl Wood. The show was originally presented by the Tecumseh Monday Club but several changes and additions were made. The "end men" were Mrs. Wood, Mrs. Leon Williamson, Mrs. Edward Harper, Mrs. R. G. Fuller, Mrs. Ray Sluyter, Mrs. B. O. Bashore, Mrs. Lynn Hubbard, Mrs. Jack Morehouse and Leo Bishop. The chorus was composed of Mrs. Nina Heath, Mrs. Thomas O'Hara, Mrs. R. J. McCoy, Mrs. R. H. Moore, Mrs. Mary Lou Fisher, Mrs. Herbert Murphy and Mrs. Sam Sisson. Mrs. Ronald Harris was interlocutor.

Special songs were by Mrs. Wood, Mrs. Sluyter, Mr. Bishop, Mrs. Bashore and Mrs. Fuller, and specialties included a hula number by Mrs. Robert Hanna and Mrs. Joe Horvath with Mrs. Moore as soloist; two sextette selections by the chorus; a monologue by Mrs. Dale Bowen, accompanied by Mrs. Sisson; "Mammy" by Mrs. Sisson; novelty dance, "Darktown Strutters," by Nancy Randall and Grace Moore. Mrs. Herbert Dillon and Mrs. Edna Staulter were accompanists.

Legion Poppy Sale To Start Here This Morning

Underwood-Orr Post No. 34, American Legion and Auxiliary, will stage the organization's annual Poppy Days in Tecumseh on May 24 through the 26, it was announced today. Some 5,000 of the tiny flowers have been purchased by the group, and they will go on sale this morning.

Funds derived from the sale of the flowers are used in carrying on the Legion's program of aiding needy or disabled veterans, and their families.

"You may be sure that the money that you spend for your poppy will be used for a worthy and worthwhile cause," a speaker said.

1 Killed, 2 Hurt In Plane Crash

PILOT FATALLY INJURED WHEN OVERLOADED SHIP CRACKS UP IN IRISH HILLS

The pilot was fatally injured and two other persons were seriously hurt when a 2-place Aeronca plane, in which they were riding, crashed near the golf course southeast of the Irish Hills Towers on US-112, Saturday at 6:15 p.m.

The pilot was William C. Smith, 30, of Vineyard Lake. He died soon after he was admitted to Herrick Memorial Hospital here. Also removed to the local hospital were Miss Celine Giffin, 22, and George R. Cropowicz, 22, both of Jackson. Miss Giffin's left leg was broken, and she suffered back and chest injuries. Chropowicz also suffered chest and back injuries and cuts.

State police from the Clinton post investigated the crash and Trooper Thomas Krusniak said that the ship had been taken without the knowledge or permission of the owner, Wesley Stange of Manchester. The ship was kept at the Brooklyn airport. It took off from there and crashed in a matter of minutes thereafter. A witness told the officers that the ship seemed to go into a nosedive and into the ground.

The Civil Aeronautics Authority also participated in the inquiry and C. F. Stillwagon, a state inspector, said that their report would show that the mishap was caused by three persons being carried in a ship that was built to carry only two people.

Civic Banquet To Be Sell-Out

CAPACITY CROWD ASSURED THIS EVENING FOR PROGRAM HONORING HERRICKS

A capacity crowd seems assured for the civic banquet, to be held this evening at 6:30, at Legion Memorial Home, honoring Mr. and Mrs. Ray W. Herrick whose gift of $72,000, made possible the building of a new addition to the institution, making it the second largest hospital in Lenawee county. The addition is nearly completed and will be formally opened to the public within a few days, it was said.

The banquet tonight has a threefold purpose. First, it will honor the Herricks, second it will serve as the time for the official dedication of the new addition and, third, it will mark the official change in the hospital's name—from Tecumseh Hospital to Herrick Memorial Hospital. The Herricks gave the money honoring the memory of Mr. Herrick's parents, Mr. and Mrs. Benjamin Herrick.

Dr. Clarence B. Hilberry, head of administration, Wayne University, will be the principal speaker. Dr. R. G. B. Marsh will act as toastmaster, and E. M. Campbell, president of the hospital board, will be in charge of the dedicatory service. Mr. Herrick also will appear on the program, speaking briefly.

The committee in charge of the affair, which is sponsored by the Rotary and Exchange Clubs, said today that 225 tickets already had been sold.

Hit and Run Drivers To Face Jail Terms

The third hit-and-run accident case in Tecumseh in as many weeks, brough a warning from police today that the practice must stop else they would ask the courts to impose straight jail sentences on offenders.

The latest case occurred last Thursday morning when a truck owned by H. S. Wilson of Manchester, and parked in the 300 block on South Evans street was hit and damaged. Police investigated and finally found a car that had been involved. It was driven by Mrs. Louise Vandervort, 31, of Jackson. She was arrested on a warrant signed by Wilson and in Justice Robert French's court was ordered to pay a fine of $25, costs of $8.60, and to serve five days in jail. The jail sentence was suspended.

JAMES L. ROHWEDER DIES IN TOLEDO, O.

Funeral services will be held in Toledo this afternoon for James L. Rohweder, 55, brother of J. H. Rohweder of Tecumseh, who died in that city early Tuesday morning after a five-day illness. Surviving are the widow, Mary, and a daughter, Mrs. Jack Campbell of Toledo, three brothers, George and Elmer of Toledo, and Mr. Rohweder of Tecumseh. Mr. and Mrs. J. H. Rohweder and their family will attend the service.

Why Are Business Men Looking Older?

We were at a meeting the other night at which several business men were in attendance. Before the program started we visited with half a dozen of them and, to a man, they admitted that they were tired, worried and confused. Two or three of them freely admitted that they "wished they were out of business." The government's silly regulations and controls, they said, make it impossible for a man to understand the operation of his business and, strange as it may seem, there appears to be no source of information in government to advise the business man about his problems, they said.

Do not be misled that the business men to whom we were talking were "new" in their field. They were men over 45 years old, men who had spent 20 years or more in their particular lines of business, and men who have always been regarded as successful. But today, from their conversation, one might think that their success was doubtful, and it was plain to understand that the reason for their confusion was not because they lacked the basic knowledge to operate their business. The plain facts were that with all of the knowledge they had, they still couldn't understand the puzzling directives that are being handed out by government, particularly the Office of Price Stabilization.

The average customer in a store in Tecumseh little knows what difficulties the owner of that particular store has in, first, obtaining the merchandise that he is offering for sale and, second, how little he knows about the price that he should charge for it. If he adds his regular percentage of markup it may be too low or too high. If it is too low he may be violating a fair trade practice, and if it is too high he may be violating another regulation. And to make matters worse, there seems to be no one in government to tell him whether he is right or wrong. And if he is wrong, he has been told that he may be subjected to a fine or imprisonment —possibly beheading.

We haven't been in Washington since the Korean "police job" started. All we know is what we've read in the newspapers and heard over the radio. We've also seen some pictures of the fellows who have been issuing the directives that are worrying the business men. It is our observation, from what we have read and heard, that the fellows who are making the directives don't know just waht they're all about and, judging from the pictures that we've seen of these fellows, maybe they're doing the best that they can, with the ability that they have.

In World War II we had the Office of Price Administration. It was nothing but the old NRA with its Blue Eagle, which was dreamed up earlier in his administration by President Roosevelt. The NRA wouldn't work because folk just wouldn't bow to such a scheme in peace time. Then came Pearl Harbor and we had an emergency. Bang, the old NRA was given a new mink coat, and a new name, OPA. Under the guise of patriotism, folk used red and green stamps, men lost one pair of their britches with a new suit, and the women haunted the black markets for a pair of nylons. Finally, months after the shooting war ended, OPA was repealed. But it wasn't done until the people got up on their ear and demanded action.

Today, Mr. Truman's "little police job" over in Korea has given the crackpots in Washington another idea. Don't forget—OPA furnished a lot of folk with jobs, controlled, as a result, a lot of votes, and gave peanut politicians a lot of authority. They even tried to tell the sheep when they could have their lambs. It just didn't work.

And in our opinion, OPS will not work—unless Congress and the people permit it to work. It is one of the most unrealistic schemes that government has ever attempted to saddle onto the public. In fact, it is so unrealistic that even the men in the pictures don't know how to make it work. But they are willing to try; they are willing to bungle around, worry the business men and the people generally. Mr. Truman's "little police job" has turned out to be an emergency—thank goodness, the politicians say. And now the politicians are having a grand time watching the business men jump through the hoop, when they, the politicians, snap their fingers.

Where is America going? Can't we realize, as thinking people, that we are now enjoying a none-to-mild form of Socialism that, in a few months or years, will be full-fledged Communism? Can't we see the handwriting on the wall. Where are prices going? Why are some products already disappearing from the market? How long will it be before we will be told by the bureaucrats what we can eat and wear and the little personal things in our lives will be dictated and regulated? Is that the kind of America our children must inherit because we, their parents, were lulled to sleep to the tune of alphabetical hymns?

The OPS is on its last legs if Congress will get up in the buggy. True, the White House and the top brass in Washington don't want it to die when its legal lease on life expires at the end of June. They want new laws and more money to continue the program, so that they can continue to worry the business men and the people; so that prices can go still higher, and so that more votes can be controlled by way of public jobs.

Congress has it within its power to kill the Office of Price Stabilization. It dont' need to actually chop its head off, it can just refuse to appropriate the funds to keep it going. And, unless we're sadly fooled, the "patriotic" politicians will soon scurry for new jobs if the money stops. You will find very few "dollar a year men" in the crowd.

As much as we dislike to think so, we doubt very much that there are enough statesmen in Congress who have the courage of their convictions to choke off OPS by cutting off the appropriation that makes it possible to function. Such an act might lose them some votes and many Congressmen, like other politicians, would hate to lose their jobs.

We'd like to see America given back to the Americans. If "the money changers are to be driven from the temple," there's only one way that it can be done. The people must demand action from their Congressmen and Senators. And then, if their elected representatives fail to act, correct the trouble through the ballot box.

A goodly number of strange faces in Washington might not be too bad an idea.

LOCALS AND PERSONALS

Sunday guests of Mr. and Mrs. Earl Wood were her sister, Mrs. Lulu Scheick, their daughter and husband, Mr. and Mrs. Samuel L. Lawrence of Tecumseh, their son and wife, Mr. and Mrs. Richard Wood and daughters, Barbara and Joyce, of Jackson. The occasion marked the 48th wedding anniversary of Mr. and Mrs. Earl Wood, and three generations of birthdays. Mr. Wood's, his son, Richard's and, granddaughter, Barbara's. A birthday and anniversary cake centered the table for the picnic dinner.

Here's something Special in Spaciousness

A LOT of folks like the two-door idea, because they feel that tiny tots are safer in the back seat.

But that's no reason why back-seat headroom should be dimensioned for midgets only.

So Buick engineers have done something about it, in the Buick SPECIAL *2-door Sedan pictured here.*

They've kept the compactness of over-all length that's important in modern garages.

But they've arched that sturdy steel top to give you he-man headroom—headroom in back as well as headroom in front—that makes a six-footer feel at home.

And they've designed a trunk that has "room for tourists."

Don't ask us how they did it. Come see for yourself.

Slip into those spacious seats—and while you're there, find out why this compact honey is one of the hottest numbers we've seen in years.

Find out how that F-263 valve-in-head Fireball Engine pours out the power and stretches the miles per gallon.

Find out how Buick's exclusive combination of torque-tube drive and coil springs on all four wheels puts big-car steadiness and stability into this nimble performer.

Find out how Dynaflow Drive* takes the strain out of traffic driving—and brings you relaxed to the end of a long day's cross-country driving.

And above all find out how much comfort and luxury and convenience you get for the prices you see featured here. The sooner you see your Buick dealer — the better off you'll be.

*Standard on ROADMASTER, optional at extra cost on other Series.

Equipment, accessories, trim and models are subject to change without notice.

America's Largest and Finest Low-Priced Car!

CHEVROLET

First and finest in the low-price field

TIME-PROVED POWERGlide Automatic Transmission

Here's why we say LARGEST!

It's LONGEST—measuring 197 5/8 inches from bumper to bumper. You can see that extra length—and feel it in the smoother ride!

It's HEAVIEST—tipping the scales at 3140 pounds.* You can feel Chevrolet's big-car solidness in its steady, even way of going!

It has the WIDEST TREAD—spanning 58¾ inches between the rear wheels. That wider base means better roadability—helps steady the ride!

You'd expect to pay a little more for the *largest* low-priced car . . . longest, heaviest, with the widest tread. But no! With all its extra size and weight—all its exclusive features—Chevrolet is the lowest priced line in the low-price field.

*Styleline De Luxe 4-Door Sedan, shipping weight.

Here's why we say FINEST!

FISHER BODY QUALITY • UNITIZED KNEE-ACTION RIDE • VALVE-IN-HEAD ENGINE ECONOMY • WIDE-VIEW CURVED WINDSHIELD • JUMBO-DRUM BRAKE SAFETY • SAFETY-SIGHT INSTRUMENT PANEL • TIME-PROVED POWERGlide AUTOMATIC TRANSMISSION. Combination of Powerglide Automatic Transmission and 105-h. p. engine optional on De Luxe models at extra cost.

The American Way
The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after an exciting day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer to top off the day.
For beer is the kind of beverage Americans like. It belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

Cub Scouts Will Hold Final Meeting of Season

Cub Scout Leaders of Pack No. 4, their parents and parents of perspective cubs met in the Baptist church, Monday evening at 7:30. Mr. and Mrs. Al Jones, the former a scout executive of Monroe council, told of interesting aids and displayed cub scouting material. A film strip, "The Den Meeting," was shown.

Five of the present den mothers will continue in office next year. The boys who are now Cub Scouts will be placed first in dens and new boys will be taken in later if enough mothers will be of assistance. Mrs. Robert French is the leader for organizing new dens. Mothers interested may contact her.

In case of rain Saturday, the Cub Scouts will spend the day in the Central gymnasium instead at camp, as planned. The Cubs will meet at the Scout cabin Saturday at 11 o'clock, rain or shine. Some 130 boys have signed up for the day's outing, when the American flag will be presented by the V. F. W. Auxiliary and accepted by the Cubs. This will be the last scout meeting until fall.

Den 5, Mrs. Charles Stephenson, mother, and Den 9, Mrs. James Elliott, mother, attended the Kiddies Capers program in Adrian, Saturday morning in the Eagle auditorium. All other dens will have a chance to attend a similar party later in the summer.

Diplomas Ready

(Continued from page 1)

Because of the Wednesday Memorial Day holiday, the Class Night program will be presented this year on Monday evening, May 28, at Central School. This program includes the presentation of the key by Cynthia Spafford; acceptance by Janet Erhart; class history by Evelyn Arnold, Kathryn Sisson, Mary Jane Dermyer, Howard Pennington and Richard Haight; class prophecy by Jolene Barron, Fred Feight, Tom Everlove, Doris Bilby and Jeanette Daniels; class poem by Donna Craig; giftatory by Pauline Bagshaw, Joean Hart, Betty Hayden, James Dick and Russell Hubbard; class will by Cap Orr, Kathron Hicks, Tom Rohweder and Joan Breitenwischer; president's address by Cynthia Spafford; class song by Shirley Finnegan and Lois Lawson.

The class motto this year is, "Not finished, just begun." The class colors are red and white, and the flower, red carnation.

At the Commencement next week Thursday evening, the high school band is scheduled to play the processional and the Star Spangled Banner at the outset of the program. The invocation will be by the Rev. Edward Escolme. The salutatory is by Gerald Aebersold.

Dr. Paul D. Bagwell, head of the department of written and spoken English of Michigan State College, will deliver the address. His subject will be, "Faith, Power and Purpose."

The valedictory will be by Cynthia Spafford.

General scholarships will be presented by Mr. Place, the superintendent, and Herrick Foundation Scholarships by the Rev. Mr. Escolme.

Miss Spafford will then announce the class gift.

The graduates will be presented by Mr. McDowell and diplomas will be awarded by J. W. Spafford and Paul Breitenwischer, members of the board of education. Mr. Escolme will pronounce the benediction.

The annual alumni banquet will not be held this year, Sam Sisson, president of the Alumni Association, has announced. The reason, Mr. Sisson said, is the fact that suitable quarters for holding and serving the dinner are not available, and, also, because the Alumni's mailing list of graduates cannot be found. He said that in all probability, the banquet would be resumed in 1952.

Following is a list of the seniors who will receive their diplomas next Thursday:

Gerald Arthur Aebersold, Evelyn Marie Arnold, Pauline Ann Bagshaw, Donald G. Bailey, Eris Bally, Bruce G. Baker, Jolene Elaine Barron, Richard L. Beasley, Doris E. Bilby, Joan E. Breitenwischer, Owen G. Campbell, Robert E. Coover, Ruth Irene Covell, Donna Jean Craig, Patricia Anne Craig, Jeanette Leone Daniels, Mary Jane Dermyer, James W. Dick, Larry D. Oil Industry Is Urged To Fill Storage Tanks

Houston—The oil industry has received a suggestion it fill its storage tanks and keep them that way a while.

An official of the Interior Department's oil and gas division said the industry must be ready for the 1951-52 winter season after meeting an anticipated 1951 record demand for petroleum and petroleum products.

C. L. Burrill, director of the program division, told the National Petroleum Council it is "desirable" that determined efforts be made to fill "all available storage this summer."

Mr. Burrill indicated such action would minimize any spot winter shortages that might result from weather and transportation difficulties.

Current storage levels, particularly for crude oil, probably will receive considerable attention next Thursday when the Texas Railroad Commission meets in Austin to set June's statewide crude production allowable.

The United States now is producing more oil than ever before, although refineries are operating well below their January peak.

The Texas Commission, the past two months, has cautioned that crude storage might rise too rapidly if production continues at record levels.

Crude stocks on April 2 totaled 242,479,000 barrels, the highest since Feb. 3. The April level was approximately the same as April last year, but was considerably below 1949.

—o—

Special taxes paid by motor vehicle owners climbed to an all-time peak of well over four billion dollars in 1950, Automobile Club of Michigan reports. With federal excise taxes pacing the parade at over a billion and a half, traffic experts point out that highway programs are falling far behind, congestion is growing, parking problems remain unsolved, and the traffic death toll is taking more than 30,000 lives annually.

PARTY A SUCCESS

The St. Elizabeth Altar Society dessert benefit party, sponsored by the officers of the church, was very successful. Dessert was served as the 45 guests arrived at the home of Mrs. Robert Bowers, Monday evening. Cards were the diversion with honors awarded at each table. The hostesses were Mrs. Robert Laidlaw, Mrs. Dean Briggs, Mrs. Richard Limes, Mrs. Paul Breitenwischer and Mrs. Bowers.

Sealed proposals will be received at the offices of the Board of Education, located in the High School Building, Tecumseh, Michigan, for interior alterations to the old high school building until 2:30 o'clock P.M., E.S.T., June 12, 1951, and publicly read aloud at the same time and place. Separate proposals will be received on the General Contract, Heating and Plumbing Contract and Electrical Contract.

Access to plans and specifications for bids may be had at the offices of the Architect, Warren S. Holmes Company, 2200 Olds Tower, Lansing, Michigan, at the Builders and Traders Exchange, Detroit, and Lansing, at the offices of the F. W. Dodge Corporation, Detroit, and at the offices of the Superintendent of Schools.

Plans and specifications may be secured of the Architect upon deposit of $10.00. All bids must be accompanied by a Certified Check or Bid Bond by a recognized Surety Company for 5% of the amount of the bid submitted. All checks shall be made payable to the Secretary of the Board of Education. No bidder may withdraw his bid within thirty days after the date set for the opening thereof.

The Board of Education reserves the right to reject any or all bids or accept the bid that, in the opinion of the Board of Education will serve the best interests of the School District.

Successful bidders will be required to furnish Performance, Labor and Material Bonds.

Miss Margaret Lowry was a Sunday guest of her sister and husband, Mr. and Mrs. Earl Haughn of Pontiac.

Mr. and Mrs. Bert Ousterhout and children, David and Barbara, were in Fowlerville, Sunday, attending a family gathering at the home of her sister and husband, Mr. and Mrs. Clark Rathbun. The occasion was to honor their daughter, Marvel Jane Kohn, who will complete her studies June 16 at the University of Michigan School of Medicine and will leave immediately for Oakland, Calif., to interne at the Highland Alemeda Hospital. Other guests were present from Lansing, Fenton, Detroit, and Fowlerville.

The Rev. B. O. Bashore spoke at the Culbertson school exercises on Tuesday evening.

There will be a trustees' meeting of the board of the Baptist church, following the services, Sunday morning.

Jerry Bowen of Purdue University, LaFayette, Ind., spent the week-end with his parents, Mr. and Mrs. Dale Bowen.

Mrs. Ray W. Herrick returned home Thursday after a five week's vacation in Scotland, England, France, and The Netherlands. Mrs. Herrick attended the flower festival in The Netherlands and visited her daughter, Jean Marie vanWaveren, in New York. Mr. and Mrs. Clyde Giltner returned home the first of last week, also from The Netherlands.

Mr. and Mrs. Lee Phibbs and Mr. and Mrs. Elliott McLain visited their daughter, Maureen McLain, at Albion College, Sunday. She accompanied them to Marshall for a dinner in observance of her parents' birthday anniversaries.

BRITAIN TO BUILD HUGE FOOD STOCKS

London—Great Britain plans to spend 23 times as much for strategic food reserves in the coming fiscal year as it did in 1950-51, the Food Ministry has disclosed.

The reserve consist mainly of supplies which would be scarce in case of war.

The Ministry will ask Parliament to spend 68,150,000 pounds ($190,831,200) for such supplies in the fiscal year starting April 1. In the past 12 months the outlay for this purpose was only 2,975,000 pounds.

VETERANS' MEMORIAL TO BE REDECORATED

The World War II Veterans' Memorial in Adams park is to be redecorated by Earl Bryan and the village will bear one-half of the cost of the work and Mr. Bryan will contribute the other half. The council approved Mr. Bryan's offer at its regular meeting, Monday evening. The memorial has been in need of repair for some time.

The council accepted the resignation of Neville Hart as Civil Defense director and Tim L. Neill was named to succeed him. Mr. Hart, a week ago, was named as principal of the high school here.

The petition of Chief's Aerie 1563 for the transfer of its liquor license from 117 E. Chicago Blvd., to 117 N. Ottawa street, was denied.

Current bills were approved, and reports of committee and department heads were read and placed on file.

Balanced Budget, Surplus Seen Likely on June 30

Washington—The first balanced budget in three years and—better still—the second biggest surplus in history is virtually in the big for fiscal 1951, now just three months from its end.

Some government officials said privately fiscal 1951 shows signs of ending June 30 in a surplus approximately $2,700,000,000 — the size of the deficit President Truman predicted for this year in mid-January.

That indicates a $5,000,000,000 or more improvement in the budget outlook in the short space of less than three months.

Combining to produce this phenomenal turnabout are (1) a flood of tax receipts far greater than expectations, and (2) lighter than expected expenditures, chiefly due to lagging deliveries on orders for military supplies.

The same factors give promise of cutting perhaps as much as $3,000,000,000 off the $16,500,000,000 deficit forecast by President Truman in January for fiscal 1952, starting next July 1, some government officials believe.

That is likely to mean the administration's tax program will find the going harder than ever in Congress, which has taken no action thus far on even the first part of a two-round tax increase President Truman suggested for this year.

PLANTS and SEEDS
For Your Summer Garden--

No matter your need, whether it be plants or seeds for your garden, we can supply them.

And talking about seeds, have you ever planted our pre-tested seeds? They're the kind that have been tested by the grower, and found to be hardy and fast-growing.

If you still have some planting to do — and most everybody has — it will pay you to buy our pre-tested seeds and watch them catch up with earlier plantings.

ST. JOSEPH ACADEMY PLANS SUMMER SESSION

The faculty of St. Joseph Academy at Adrian announces a summer session in the grade and high school departments for the coming year.

A demonstration school, conducted by the Dominican Sisters will be in operation in the kindergarten and the primary grades. A course in the new reading method will be offered for the intermediate grades and for high school, if there is a demand. High school courses will carry credits.

The dates for the summer session are June 26 to August 3. Registration is now open and anyone interested may call Sister Andrew Marie. Personal applications will be received during the hours of 3:30 p.m. to 4:30 p.m. and 6:00 p.m. to 8:00 p.m. Students interested in registering for the Fall term may do so at any time.

B. & P. W. CLUB

The Business and Professional Woman's Club will meet Monday evening, May 28, in the Fellowship Center of the Presbyterian church with the Golden Rule Division serving the dinner. Mrs. Iva Mulvaney will be in charge of devotions. The program committee includes Mrs. Ivah VanValkenburg, Mrs. Lillian Service and Mrs. Ethel Truesdale. The hostesses are Mrs. Marvin Watkins, Mrs. Edna Staulter and Miss Ann Carson.

DEPENDABLE CIRCLE

The Temple Dependable Circle of the Methodist church met in the church parlors, last week Wednesday afternoon, for their regular meeting with election of officers. Officers were re-elected for the coming year with Mrs. Gertrude Pangle as president, Miss Elizabeth Bemish, vice president; Mrs. Carl Burch, secretary and treasurer. Mrs. Mary McLain was the former secretary. A social time was enjoyed after the business meeting.

OBSERVES BIRTHDAY

Mrs. Milanda Comfort, aged 87 years, celebrated her birthday May 17, at the home of her daughter and husband, Mr. and Mrs. Perry Hayden. The Haydens entertained at a family dinner. The guests included Mr. and Mrs. Parker Comfort of Evanston, Ill., Mr. and Mrs. William Comfort of Detroit, Mr. and Mrs. Ralph Comfort and family and Mr. and Mrs. Russell Comfort and family.

The theatrical manager was interviewing applicants for crowd parts, and found them a disappointing lot. At last one man stepped forward and handed over a newspaper clipping.

"I've brought this along," he said, "to show you I'm just the sort of chap you're looking for."

The manager took the clipping. "The prisoner, he read," "conducted his own case and defended himself in a highly dramatic manner."

The man who is too busy to attend a committee meeting can find time to get in a game with the boys.

BLUE CROSS and BLUE SHIELD

the only health-care plans conducted by the Doctors and Hospitals of Michigan for the people of this state

These non-profit, voluntary health-care plans exist not to make money, but to give you and your family the best possible protection against unexpected hospital and surgical bills—at the lowest possible cost.

Here, truly, is "Protection that is Priceless"—protection not measurable in terms of money alone, but in terms of the wide hospital and medical *services* available to all members. For example,

THE BLUE CROSS HOSPITAL PLAN covers hospital bills *in full*—no matter how high the total amount—for a wide range of benefits and for up to 120 days. Here is one big reason why Blue Cross protection is so superior to other plans. With Blue Cross, there's no "red tape", no financial references or advance deposits when you are admitted to a participating hospital. All you do is show your membership card!

And for protection against Surgical and Medical bills—the Blue Shield Plan!

The Blue Shield Surgical Plan pays your doctor stated liberal amounts for surgical and medical procedures. The Medical-Surgical Plan includes payments for your doctor's calls at the hospital in non-surgical cases.

NO CONFUSION . . . NO "RED TAPE". JUST SHOW YOUR MEMBERSHIP CARD.

THIS IS YOUR TICKET TO WORRY-FREE RECOVERY

Protect yourself and your family—here's how to enroll

There's no physical examination, health statement or age limit for employed people—and their wives and minor children—who join BLUE CROSS-BLUE SHIELD through the Group Enrollment Plan where they work. Your employer can get all the details, quickly and easily.

NOW . . . *1 out of every 3 Michigan residents has Blue Cross-Blue Shield protection*

Highway facilities are lagging so far behind traffic needs in most states that the bare maintenance of pavements is becoming a problem. In a recent breakdown of maintenance expenditures in Indiana, it was reported that roads funds are spread so thin that only 92 cents a mile a day is available for state road upkeep.

Training in high schools reduces traffic accidents one-half, according to the Automobile Club of Michigan.

Eight of every 10 high school students become licensed drivers. The 16 year-old driver has a traffic fatality driving record nine times worse than the 45-50 year old who has the best record. Driver

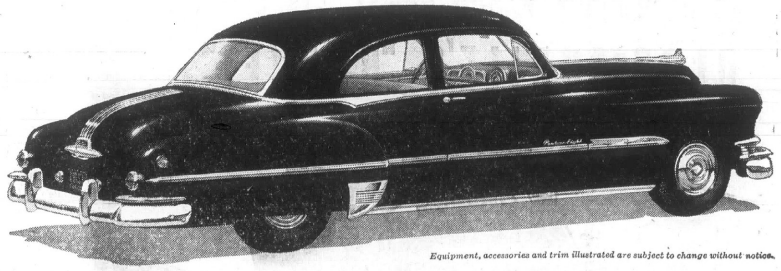
"Most *Dependable* Car in America!"

Everyone knows that Pontiac is famous for dependability. If you want *personal confirmation* of that fact, talk to some of our Pontiac owners. Talk to owners of high-mileage cars—owners who can speak from experience. You'll be surprised how many will say, "The most dependable car in America!"

That, essentially, is why the 1951 Pontiac is in such tremendous demand. To be sure, it is the most beautiful thing on wheels—a joy to drive and to ride in. But it's that reputation for dependability and long, trouble-free operation which causes so many people to make Pontiac their choice.

Bear that in mind when you consider your next new automobile. It's one of the big reasons why so many people are saying, "Dollar for Dollar, You Can't Beat a Pontiac!" Come in today —get the facts and figures that prove it.



Equipment, accessories and trim illustrated are subject to change without notice.

There Ain't No Use Horsin' Around
With An Iron Nag That May Cost Yuh Yur Life

Feller druv his Iron Nag into our stabul tother day kinda fast like and, Saints furbid, he whammed right into the side of anothur hoss and did a lotta damag. Course, tother feller didn't like it much cause his Nag got struck, but what kud we do. We jist smiled and said we'd pay the bill.

Now here's the moral of our yarn. If the feller what druv in hadda had his brakes in workin order, the aksident never'd happened. He said he new his brakes weren't working good, but was too late then.

Is yur Nag's brakes workin? Is she properly shod? How's her circulashun, her nirvous system? Are her reflexes good? How's her lamps, kin yuh see all right?

These things are mighty 'portant, speshully when yur drivin and other folk are ridin with yuh. One krack-up and its too late, then, to worry.

Why neglect trifles? Why don't yuh bring yur Iron Nag in fir a free check-up in our garagin-hospitul? We'll look her over—give her a physikul, so to speak—and tell yuh if she needs tonik, an operashun, or what.

Our Docktors can save her frum goin to the soap faktory—where all good hosses finally go—if yu'll giv us a chance. And we may save yuh frum goin to the semetiry, too.

Herricks Boost Gift To Hospital

CONTRIBUTE TOTAL OF $81,500 FOR THE CONSTRUCTION OF NEW BUILDING

Inflationary prices will neither hold down or involve the village financially in the construction of the addition to Herrick Memorial Hospital, now nearly completed, Ray W. Herrick, president of Tecumseh Products Company, told a banquet group of 225, last Thursday evening, when he presented a check for $2,500 to E. M. Campbell, president of the hospital board, to "cover unforeseen expenses." It was the second gift to be made to the village by Mr. and Mrs. Herrick, the first one of $79,000 making possible the hospital addition.

"It was more than a year ago," Mr. Herrick said, "that we announced our first gift to make possible the addition. We realize that since that time prices have advanced, and that there were unforeseen expenses. So that the village may not be involved financially, we have decided to increase the amount by $2,500, and we want to commend the board of trustees for an excellent job in handling the construction of the new building."

The civic banquet was held in Legion Memorial Home and was attended by some 225 persons who, representing the community at large, were there to say thank you to the Herricks for their generosity.

Tecumseh Hospital, as it was originally known, was Mr. Herrick's "dream come true." About 13 years ago he conceived the idea of building such an institution and, after a conference with more than 40 business leaders, he announced that he would, in cooperation with the "Products family," contribute one-half of the cost of the project if the gift could be matched by public contributions. He directed, personally, the money-raising drive and in less than two months $75,000 had been subscribed. When the hospital was completed and opened to the public it was turned over to the village for operation, free of debt.

Since that time, Tecumseh voted a $25,000 bond issue to build a second addition and these bonds have been nearly half paid off. Also, at the outset of the hospital's operation the village established a "petty cash" fund of $2,000. This is all of the tax money that has been used to build and operate the hospital, which today has a physical property value of between $300,000 and $400,000.

Unlike most hospitals, the local institution operates at a small profit, rather than in the red. It has served more than 16,000 persons since it was built.

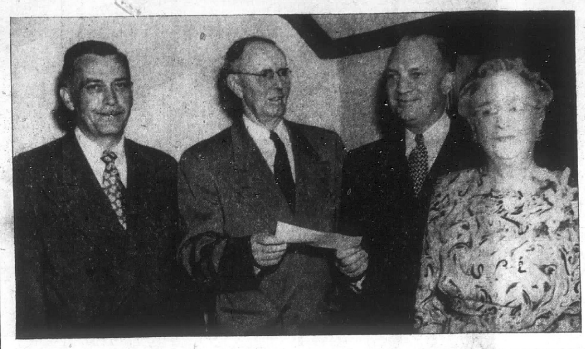
Herricks Boost Hospital Gift To $81,500



To offset the inflationary trend and unforseen expenses, Mr. and Mrs. Ray W. Herrick announced at a banquet last Thursday night that they were increasing their gift to the village to make possible the building of an addition to Herrick Memorial Hospital by $2,500, making their total contribution $81,500. In the picture above, left to right, are Frank K. Smith, vice-president of the hospital board, E. M. Campbell, president, and Mr. and Mrs. Herrick.

Park Is Ready For Graduation

RECREATION CENTER IS DDT'd IN PREPARATION FOR SERVICE, FRIDAY EVENING

Fair weather and clearing skies were hoped for today by members of the graduating class of Tecumseh High School as they prepared for the school's first "under the lights" commencement program in the village's history. If the weather is fair, Earl H. Place, superintendent, said, the service will get under way at Recreation Center, promptly at 8 p.m., Thursday. There will be accommodations for several hundred persons. However, if the weather is inclement, the service will be held in the auditorium of the Central School and admission will be by ticket and restricted to approximately 500.

"An out-of-door graduation program in Tecumseh would be an innovation," Mr. Place said, "although it is done annually at Ann Arbor by the University. This year, the graduates, because of the opportunity to accommodate additional hundreds of guests, asked that the service be held in Recreation Center. We sincerely hope for fair weather, because arrangements have been completed toward that end. The field has been DDT'd, to eliminate mosquitos and insects, and, under the lights, we feel that a very attractive program can be presented."

Dr. Paul D. Bagwell, head of the English department at Michigan State College, Lansing, will be the commencement speaker. His subject will be, "Faith, Power and Purpose."

The program will open with the band playing the Star Spangled Banner as the stars and stripes are hoisted to mast-level under spotlight. The invocation will be by the Rev. Edward Escolme of the Friends church. Gerald Aebersold will give the salutatory and the valedictorian is Cynthia Spafford.

Scholarships will be presented by Mr. Place and the Rev. Escolme. The class gift will be announced by Miss Spafford.

The graduates will be presented by James McDowell, principal, and the diplomas will be awarded by

Parade To Move Tomorrow At 10

TECUMSEH TO PAY FITTING TRIBUTE TO ITS WAR DEAD ON MEMORIAL DAY

Everything is in readiness for Tecumseh's Memorial Day observance tomorrow, Wednesday, and the parade, which is expected to be even larger than the one of a year ago, will move promptly at 10 a.m., Louis Schneider, marshal of the day, has announced.

As in the past years, the parade will form on North Ottawa street, the first call to sound at 9:15. Promptly at 10 o'clock it will move west on Chicago boulevard to Union street, and then north to Brookside cemetery, in the line of march will be units of all veterans organizations, Boy and Girl Scouts, two high school bands, school children and citizens.

At Brookside, there will be the wreath-laying service at the several veterans' lots, and another wreath will be placed in the waters of Evans Creek in memory of departed seamen. An airplane will fly over the cemetery and drop flowers, in memory of air corpsmen who gave their lives. A salute will be fired at the graves, and taps will be sounded.

The Rev. Alvin Brazee will offer the invocation at the Brookside service and the Rev. Richard O. Petersen, rector of St. Peter's Episcopal church, will deliver the address.

"We have attempted to schedule the parade and the service in such a way that it will not interfere with anyone who plans a holiday on Wednesday," Mr. Schneider said. "The entire service should be over not later than 11:15 in the morning, giving the public an opportunity to attend picnics and family gatherings during the remainder of the day."

As has been customary in the past, stores and other places of business in Tecumseh will be closed all day tomorrow.

BANQUET, JUNE 20

The Father and Son banquet of the Methodist Sunday School will be held Wednesday evening, June 20, with Magician Rew of Plymouth headlining the program. The Sunday School is sponsoring the banquet and Dr. T. Rentschler is chairman of the ticket committee. Reservations are to be made early.

REGULAR PUBLICATION THURSDAY, NEXT WEEK

Due to the Memorial Day holiday on Wednesday, The Herald this week is published on Tuesday instead of Thursday. This permits a complete circulation of the newspaper prior to the holiday.

Next week, The Herald will be published on Thursday, June 7, as usual.

Writer Is Invited To Sign Communication

The Herald is in receipt of a communication, anonymously signed by "A Disgusted Reader," who takes exception to an editorial published in this newspaper on Thursday, May 24, entitled, "Why Are Business Men Looking Older?" The author of the communication asks that it be published, but doubts that it will be.

The Herald, many times before, has stated its policy on communications. THEY MUST BE SIGNED by the writer. If the author desires that his name not be used when it is printed, in most instances the wish will be respected. However, The Herald insists upon knowing the source of its communications.

If the author of the communication referred to will come to The Herald office and sign it, it will be printed as requested.

The Herald is happy and willing to cooperate with its readers in expressing their opinions. The fact that they disagree with the newspaper's, editorially, does not matter.

Mrs. Lillian B. Marsh Buried In Brookside

Mrs. Lillian B. Marsh, aged 71 years, widow of the late James Marsh, died at her home, 411 S. Evans street, at 11:55 a.m., Wednesday morning, after a three-year illness. She was born February 23, 1880, in Azalia, Mich., the daughter of the late Nathan and Lucinda Prentice Austin. Mrs. Marsh had made her home in Tecumseh for the past 40 years and was a member of the Assembly of God.

Survivors are three daughters, Mrs. Harry Creger and Mrs. Nadine Mobley of Tecumseh, and Mrs. Clark Gordon of Saline; one son, Clarence of Tecumseh; two sisters, Mrs. Cora LeBaron of Tecumseh and Mrs. Matilda Reeves of Hamilton, Ohio; eight grandchildren and five great-grandchildren. Her husband, James Marsh, and three children preceded her in death.

Funeral services were held Saturday afternoon at 2:30 at the Collins Funeral Home with the Rev. A. S. Dimbat officiating, assisted by the Rev. Edward Escolme. Mrs. Ella Escolme and Mrs. Amos Wilson sang three songs with Mrs. Wilson as accompanist. The bearers were Euan Francouer, Ernest Hammack, Frank Marsh, Ray Marsh, Arlie LeBaron and Harold Flynn. Friends and relatives attended from Detroit, Farmington, Wayne, Britton, Dearborn, Tipton, Clinton, Ridgeway, Saline, Toledo, Ohio, and Tecumseh.

Cub Scouts Join In Lake Meeting

FINAL SESSION OF YEAR HELD AT WASHINGTON LAKE BY PACK NO. 4

The final meeting of the year for Cub Scouts of Pack 4 was held Saturday, at Camp Kanesatake, Washington Lake. Aden Mead was master of ceremonies, with games and contests under the direction of John Curth, Carlyle Mason, James Elliott and Clarence Champanois. Rain finally ended the out-of-door contests. The score keepers were Robert French and David Lock. Lunch was served at noon by the committee in charge.

The following Scouts were presented with awards: Robert LeBarron, wolf badge; Charles Baird, wolf and gold arrow, 3 silver arrows; Jim Creger, wolf and two silver arrows; Richard Holdridge, wolf; David Champanois, bear; Gary Abner, bear; Tommy Harri-

Dawn Patrol Is Coming, July 1

EXCHANGE CLUB TO BE HOST TO FLYING GROUP ON SECOND VISIT TO TECUMSEH

Plans for the second visit of the Michigan Dawn Patrol to Tecumseh on Sunday, July 1, were developed at the regular meeting of the Tecumseh Exchange Club, Monday evening, following dinner in the V. F. W. Hall.

This event, which will be under the sponsorship of Exchange, is expected to attract about 200 planes to Tecumseh. Ships from all over the state and from parts of Ohio and Ontario will fly to the local port, where the pilots and passengers will be served breakfast and participate in the receiving of prizes and awards.

The visit of the patrol will be the occasion for dedicating the new 2,300-foot runway at the port. Ribbon cutting ceremonies are being planned and a number of flying celebrities, who will be present, are expected to take part in the program.

Clarence Beach is general chairman of the event. All committees are to make full reports at the next meeting of the club, June 4.

"The occasion is important and spectacular for Tecumseh," Mr. Beach said. "We expect to entertain our flying guests royally, and we know that the people of the Tecumseh area will turn out to welcome the second visit of the Michigan Dawn Patrol to our community.

Grads Will Get College Awards

AT LEAST FIVE SCHOLARSHIPS WILL BE PRESENTED TO LOCAL STUDENTS

At least five scholarships, possibly more, will be presented to members of the graduating class of Tecumseh High School at the commencement program here, Friday evening, James McDowell, principal, said today.

"It is entirely posible," Mr. McDowell said, "that one or more additional awards may be forthcoming from other schools, but to date we have not been advised. However, if we do receive others, they, too, will be presented on Friday."

The Herrick Foundation has announced a boy and a girl winner of its scholarships, worth $500 each, annually for four years, and in addition an opportunity for employment at Tecumseh Products Company during summer vacations.

The winners of the Herrick scholarships are Gerald Aebersold of So. Oneida street, and Kathryn Ann Hicks of 16 Mill street.

A continuing scholarship at Michigan State College will be awarded to Jolene Barron of Potawatamie street.

Kenneth Swarts of Tipton, will receive a Regents-Alumni scholarship from the University of Michigan.

The State Board of Education scholarship from Western Michigan Normal College will be presented to Cap Orr.

It is expected that the Rev. Edward Escolme, a member of the Herrick Foundation committee, will present these scolarships. The other three will, in all probability, be presented by Earl H. Place, superintendent of schools, on behalf of the awarding colleges.

SOFTBALL MEETING HERE NEXT MONDAY

A meeting of representatives of all softball teams interested in playing under the lights in the Civic League at Recreation Center, will be held at Central School on Monday evening, June 4, Coach Duvall announced today. The schedule calls for softball games at the Center every Thursday evening, and the program will be completely outlined at Monday's meet

Tecumseh Is Invited To Ontario Ball Game

Mayor Tom Scott of Tecumseh, Ontario, has announced that their baseball team will be engaged in an important contest on Sunday, June 3, and that they would like some of their American friends to visit with them for the game.

The Tecumseh team, defending champions of the Essex County Baseball League, will engage Leamington, one of their keenest rivals. According to Mayor Scott, this year's race is one of the hottest in the league's history, with five teams presently tied for first place. Teams in the league other than Tecumseh and Leamington, are: Amherstburg, Belle River, Essex, Harrow, Kingsville, and McGregor.

Several local people have signified their intentions of traveling to Canada to see the game. While there it is expected that plans will be discussed for a visitation from Canada to Tecumseh, Michigan, this summer.

Is Your Bike Licensed? May 31 Is The Last Day

If you own a bicycle, and if the bicycle does not have a Tecumseh license attached, you'd better not ride it after Thursday, May 31.

The bicycle license warning was issued last week by the police department after Chief M. E. Clark had declared that less than half of the bicycles on the streets here had been licensed. An ordinance, passed by the Council several years ago, makes the license mandatory.

Bicycle licenses cost only 50 cents. Renewal licenses are only 25 cents. Police pointed out that the licenses are not a money-making scheme, but rather they are intended to make it easier for officers to trace stolen wheels. On all licensed bicycles, serial numbers, model numbers, etc., are on file with officers.

Licenses may be obtained at police headquarters any day except Sunday. Chief Clark urged public cooperation, pointing out that most folk, after bikes have been stolen, are unable to furnish officers with an adequate description to make recovery possible.

WAYNE PROFESSOR IS SPEAKER AT EXCHANGE

John E. Stuart, professor of history of Wayne University, Detroit, was the guest speaker at the regular meeting of the Tecumseh Exchange Club, Monday evening in the V. F. W. Hall. He was introduced by Henry Neitzel of Wyandotte, past president of Exchange in that city. Mr. Stuart discussed the American foreign policy in the present global crisis.

J. C. Mills of Lincoln Park, also was a guest, and entertained with several accordion numbers.

Other guests included: Hubert Dalley of Adrian, George Green, Murrell McLean, Kenneth Helfin, Robert Williamson, Ronald Harris and Fay Whelan of Tecumseh, Max W. Krell of Kingsport, Tenn., Ward Toner of Muskegon.

$450 DAMAGE TO CARS

Three cars were damaged in the amount of $450 last Thursday afternoon in a mishap on South Maumee street, according to police. Cars involved were owned by Edward Gottschalk, Rt. 2, Britton, Carthur F. Pollitz, Petersburg, and L. L. Bowman, Rt. 2, Manchester. No one was hurt.

CANDY BARS STOLEN

Police are investigating a complaint that over the weekend, boys entered the Bruce Foundry & Manufacturing Co., and stole several candy bars from a vending machine.

Mail Is Found At Quaker Pond

TWO SACKS FULL OF PARCEL POST, SPECIAL DELIVERY LETTER ARE DISCOVERED

Local and state police and Post-office Department inspectors are investigating the discovery of the equivalent of two sacks of parcel post and one special delivery letter near the Quaker Pond, Sunday, by fishermen. The find was made by Marvin Wagner, R. D., Tecumseh, Dale Campbell, Tecumseh, Lowell Perin, Adrian, and Edwin Gove, Green Road.

Police said that the men found the parcel post and a canvas mail bag while walking along the bank of the pond.

F. E. N. Thatcher, acting postmaster, said that inspectors would arrive here today to continue the inquiry. He said that the mail had not been delivered out of the local office.

Mrs. Bulah M. Byron To Be Buried, Thursday

Funeral services will be held from the Collins Funeral Home here Thursday afternoon at 3 o'clock for Mrs. Bulah M. Byron, 59, formerly of Adrian, who died suddenly at 4:30 a.m., Tuesday, at Leland Sanitorium, Ypsilanti, where she had been employed for about 10 years.

Born October 4, 1891, in Adrian, she was a daughter of the late Mr. and Mrs. Irving Finch. Surviving are several cousins. She was a friend of Mr. and Mrs. Glenn Miller of Tecumseh.

The Rev. Richard Petersen, rector of St. Peter's Episcopal church, will officiate at the service. Burial will be in Brookside cemetery.

MEMORIAL DAY IS A DAY TO REMEMBER — NOT TO KILL!

20 Michigan Folk Will Die In Traffic, Tomorrow

A score of Michigan people who leave their homes for their first summer outing the morning of May 30 will not get back to their homes that night; hundreds will be injured, the Michigan Department of Health warned today.

Congested, careless holiday traffic is the greatest hazard to life and limb on Memorial Day, the Department said. If you must drive, be a responsible driver. Have your car's brakes, horn, tires, lights, windshield wipers and steering mechanism checked now. Start early, going and coming. Drive at a sensible speed. Keep your mind on your driving and your eyes on the road. Obey all traffic laws and signs. Watch out for country corners and crossroads at dusk. Don't drink. Be ready and willing to give the foolish fellow your right of way at any time. In protecting the lives of others, you also protect your own.

Early season swimming is another Memorial Day danger. Be a responsible swimmer. Cool off and rest after vigorous exercise or a long hot trip before you enter the water. Swim during daylight hours, with at least one companion and, at a guarded beach if at all possible. Avoid swift or strange waters. Leave the water when you are chilled or tired. Refrain from showing off. The safe swimmer is the only good swimmer. Don't overload your boat. Remain seated all the time you are aboard. Start for shore if a storm threatens.

Take your holiday sunning in short intervals, with sun oil lotion. You can burn under a cloudy sky on a cool day and can burn more quickly near or on water.

Remember that a little swimming, golfing, tennis, rowing, softball or golf puts considerable strain on the heart at the beginning of the season.

Take it easy, driving, swimming, boating, sunning and playing. Accept your responsibility for your own safety, and your share of responsibility for the safety of others, the Health Department urged.

Memorial Day is a day to remember — not to kill.

Tecumseh Citizens Say Thank You

More than 200 persons, representing a grateful Tecumseh, attended a civic banquet here last Thursday evening in Legion Memorial Home, honoring Mr. and Mrs. Ray W Herrick. They came to say thank you, publicly, to Mr. and Mrs. Herrick for their fine gift to the community, a gift of more than $80,000, that has made possible the building of an addition to Herrick Memorial Hospital, making it the second largest institution of its kind in Lenawee county.

There are few communties in Michigan, in fact, in the United States, that can boast of numbering among its citizens, folk with the civic consciousness of the Herricks. Their gifts to this community in the past fifteen years have been many and generous. Never, it seems, has Tecumseh faced a civic or economic responsibility that they have not come forward with a plan to assume the bulk of the burden.

When Tecumseh Hospital was built some 13 years ago it was Mr. Herrick's brain child. He called together a group of civic leaders, he told them that he recognized the need for such an institution, and he and members of the Tecumseh Products Company family pledged half of its cost. Mr. Herrick then directed a campaign to raise the balance of the needed capital and, when the building was built and equipped. it was turned over to the Village of Tecumseh debt free.

Some years later, when the hospital had outgrown its walls, the village, by public vote, floated a $25,000 bond issue to build the first addition. At the outset of its operation, the village loaned the hospital $2,000 as a "petty cash fund." Insofar as the community is concerned, that is every penny that Tecumseh has ever invested in the institution by way of taxes. And now the bond issue is nearly half retired.

There also is another unusual thing about the hospital. It is self-supporting, operates at a small profit, and has money in the bank. There are few, if any, hospitals, large or small, anywhere, that can make such a boast.

In a few more days, the second addition to the hospital, the one that was built through Mr. and Mrs. Herrick's latest gift, will be opened to the public. It will be at the service of the community, twenty-four hours of the day, every day in the year. It will serve a need that has been felt for five years, because for that long the old hospital has been too small.

Thursday's banquet was a most fitting occasion for honoring the folk who, in reality, made it possible for Tecumseh to have a hospital. It also was the proper time to dedicate the new addition and to announce the official change in the name of the institution, to Herrick Memorial Hospital, in memory of Mr. Herrick's parents, the late Mr. and Mrs. Benjamin Herrick.

In years to come, the hospital will serve as a constant reminder to the citizens of Tecumseh of the civic-mindedness of a family and, to the Herricks, as a memorial to the parents they loved.

—o—

We Can't Have Our Cake And Eat It.

The average American family spends 15 per cent of its annual income on liquor, recreation and tobacco. This is a big slice of the family budget but thus far no one has come up with a scheme for the federal government to provide "free" excursion trips for everybody to their favorite bar or tobacconist's.

There is much talk in top government of the heavy burden of medical expense to the average family. Yet only four per cent of the average family income goes to pay doctor bills. Most American families have the resources to pay for adequate medical care if they would give it the priority it deserves.

As Americans, living under a democratic form of government, we don't want or need compulsory health insurance. It would result in tragic deterioration of the present high standards of our medical profession. Its cost to the nation both in dollars and in personal liberty would be intolerable. Under Great Britain's National Health Service some doctors have as many as four thousand patients on their lists and often see as many as twenty patients an hour —one every three minutes. This inferior assembly-line service costs the English people twice what was budgeted for it in its first year of operation. Some 400,000 additional employese—clerks, administrators, bookkeepers, and tax collectors siphon off millions of dollars of the medical funds before they can be used to provide any medical care for the people.

We also believe that this Health Service would hold back the rapid strides that have been made in medical science in the past few years. If you doubt such an advance, why is it that the death rate from wounds in the Korean War have been at the lowest rate in history. This, certainly, is a tribute to the magnificent work which the doctors, nurses and medical corpsmen attached to our fighting forces are doing under the most difficult and dangerous conditions.

But there is more to it than that—and it is found in the high protein diet of the American soldiers. Their rations include about a pound of meat a day, and meat is one of the best of the limited number of sources of whole protein. According to Dr. I. S. Raydin, professor of surgery at the University of Pennsylvania, and formerly a brigadier general in the medical corps, the amazing success in saving the wounded has resulted in part from "the recognition that high grade animal protein in diets may be almost as important as antibiotics (germ-killing medicines) in healing wounds faster."

This comes hard on the heels of the experience during World War II, when the enormous value of protein to troops was proven. Then, as now, military personnel received rations high in meat content. It was found, further, that protein has a definite beneficial effect on energy and morale, no less than in helping the sick and the wounded to regain their health.

What is true of a soldier is also true of a civilian. Research has firmly established the fact that large amounts of protein are badly needed by most everyone. But look at Great Britain again, where a Socialistic government is operating, and where compulsory health insurance is the style. The British citizen receives no more meat in a month than an American soldier in Korea does in a day.

In the United States voluntary health insurance plans will soon protect 75 per cent of our population. This is the irrefutable answer to the wasteful and inefficient centralized system of compulsion now proposed—a system which would be detrimental to medical science and the health of the people, and which would rob both the doctor and the patient of their individual freedom.

MOTOR COURT GUIDE OFFERED TO PUBLIC

Ocala, Fla.—Motor courts from Canada to Key West, Fla., are listed in the 1951 Guide Book issued by Quality Courts United.

The current guide book lists 225 high grade courts from the Atlantic Seaboard to the Mississippi. A new section includes the better courts in New England. A map index makes the use of the guide simpler for the tourist.

According to A. J. MacKay, president, members of Quality Courts United are subject to rigid inspection both before and after admittance to insure travelers of the best in accommodations.

The guide book can be obtained free by writing to Mr. L. Verburg, Guide Book Distributor, Brow's Auto Court, Fredericksburg, Va.

It's Construction That Counts

Long service, style and comfort are important when you purchase a new chair for your home.

In the 30 years that we have been in business, we have prided ourselves on the sturdy construction of the merchandise that we build. Our factory follows the style trends and, as for comfort, our chairs are "custom made" for YOU.

Come in and select a new chair for your home. When you buy from us you buy from the manufacturer—there is no middle-man's profit to pay.

How can you Tell till you Try It?

THE days and weeks are slipping by —and what have you done about it?

What have you done to find out how it feels to handle a high-powered and high-spirited '51 Buick?

We'll tell you this. In all the years that Buick has been building fine automobiles, there's never been the match for this one.

This is a car that likes to be compared —for power, for performance, for ease of control, for ride, and room, and comfort.

We can tell you its valve-in-head Fireball power sinks you back in the cushions at the touch of your toe.

We can tell you it's nimble-footed in traffic, or that it conquers hills with smooth and exultant momentum.

We can tell you it hugs the road and holds the curves as if it were drawn by an invisible magnet.

We can tell you that it has big, soft coil springs on all four wheels—or that its gas mileage will put a smile on your face.

We can tell you that Dynaflow Drive* will spoil you for any other type of power transmission.

But you'll never know till you try for yourself what all this really means.

How about coming in for a sample? Once you've experienced all this for yourself, the modest price tags on Buick SPECIALS, SUPERS or ROADMASTERS will look like a double bargain.

*Standard on ROADMASTER, optional at extra cost on other Series.

MICHIGAN MILK PRODUCERS ASS'N — Quality Dairy Products Cooperative Way

PROTECTION

The desire for Protection provides the motive for men joining together in a common cause. It inspired the establishment of our Free Government.

Throughout the ages mankind has been seeking protection—for self, for loved ones, for the right to live as the Creator intended man to live.

The desire for Protection inspired the establishment of the Michigan Milk Producers Association thirty-five years ago—protection for worried dairy farmers and the public which is so dependent upon them.

Through their organization, members of the M.M.P.A. have built a solid foundation for Michigan's Great Dairy Industry. Sixteen thousand of them working together as a unit provide millions of city dwellers with a constant supply of the most vital of all food products—pure, fresh milk—every day in the year, at an equitable price.

Through their cooperative activity every member also is protected—he knows he has a market for all the milk he produces with prompt payment guaranteed and at the price which the quality of his product justifies.

Such cooperative effort provides the utmost of protection for all concerned—it is in large measure responsible for the month of June being proclaimed throughout the land as DAIRY MONTH in recognition of the dairy industry's great contribution to the health and happiness of all Americans.

Traffic Deaths Are On Increase

TWENTY OR MORE TO DIE EACH WEEK-END, STARTING WITH MEMORIAL DAY

An average of more than 20 persons will be killed on Michigan highways each week-end between Memorial day and Labor day if the present upward trend in traffic fatalities continues, according to State Police Commissioner Donald S. Leonard.

Last year an average of 18 met death each week-end, Friday through Sunday, in the months of June, July and August. During this three-month period a total of 430 persons were killed, and 237, or 55 per cent, died on week-ends.

A State Police traffic experience report for the first three months of 1951 shows a 24 per cent increase in traffic deaths over last year. The number of registered motor vehicles and total travel likewise climbed considerably.

Leonard pointed out that nearly half of all traffic violations reported in fatal accidents during June, July and August of last year involved excessive speed or driving too fast for conditions. Rural areas accounted for 72 per cent of the deaths.

"Memorial day marks the beginning of an upward surge in travel which continues until Labor day," Leonard said. "As Memorial day comes on a mid-week day this year it eliminates the possibility of an extended holiday week-end for many persons. Traffic, however, will be extremely heavy over the holiday.

"State Police will maintain maximum highway patrols, but in order to keep the Memorial day traffic toll at a minimum and at the same time get off to a good start in establishing a summer time safety record, all motorists and pedestrians must cooperate by taking added precautions.

"Don't hurry, stay with the normal flow of traffic and be on the alert at all times. Head off the upward trend in traffic fatalities."

During the 1950 four-day Memorial holiday period 24 persons were killed in Michigan traffic accidents. The all-time high for this period was 58 in 1941, and the all-time low was five in 1944.

HOW DARK IS IT AT OCEAN'S BOTTOM?

Questions on the amount of light that penetrates to ocean depths brought out slide rules and call for physical statistics at a recent General Electric Science Forum.

Just how dark it is at the bottom of the ocean depends on the depth, it was decided.

At 3,000 feet, photographic plates exposed for two hours show some effect of the action of light. Plates similarly exposed at depths of about a mile, however, show no trace of exposure even after two hours.

Lenawee Scouts Plan Camporee In Hudson

The Lenawee district camping and activities committee and the commissioner staff have planned a Camporee for the Scouts and their leaders for June 8, 9 and 10. The event is sponsored by the Junior Chamber of Commerce of Hudson.

Royal Welch, a neighborhood commissioner of Adrian, is the general chairman for the Scout committee.

One of the outstanding events of the Camporee will be the presentation of the Governor's Trophy by Governor G. Mennen Williams.

Scout Troops will arrive Friday afternoon and early evening to set up their camp, as each troop is responsible for its own equipment the earlier part of the evening will be taken up in making camp in preparation for their stay, before taps, however, the Junior Chamber of Commerce will serve cocoa and donuts to the group.

Saturday, June 9, will be a big day, from reveille to retreat the day will be filled with contests, activities and demonstrations with the troops participating in water boiling contests, signaling, blindfold compass course, judging contest, first aid relay, knot tying relay, fire building, flap jack contest as well as their housekeeping on which they will be judged.

The Camporee offers to the troop the opportunity to try out their camping skills, see how other troops do it, participate in skill events with plenty of fun thrown in.

On Sunday morning the Scouts and their leaders will attend churches of their choice in Hudson, coming back to camp site to complete their camporee events, dinner and receive their recognitions.

This Camporee is open to all the Scouts of the council but it is especially for the Lenawee District Scouts. An invitation has been extended to Scout troops of neighboring counties to have a part in this event.

Mr. and Mrs. Paul Hoffman, former residents of Tecumseh, entertained in their home at Tallman, Michigan, Sunday, May 20, in honor of their son, Garland Virgil, who was confirmed at the St. John's Lutheran church of Free Soil, Mich. Garland was also an eighth grade graduate from Scottsville high school, and received many gifts for both events.

PYTHIAN SISTERS IN REGULAR MEETING

Mrs. Floyd Guy presided at the regular meeting of the Josephine H. Hall Temple, Pythian Sisters after the potluck supper, Wednesday evening. Mrs. Guy was presented with a 25-year membership certificate by Mrs. M. W. Mathews, most excellent chief. A memorial service was conducted for the late Mrs. Nan Jenkins, deceased. Mrs. Esther Beckman was soloist, singing, "Rock of Ages," and "Blest Be the Tie." Others taking part were Mrs. Guy, Mrs. Walter Hizer, Mrs. R. W. Puffer, Mrs. Verdi Skinner, Mrs. Grace Coffey, Mrs. Edwin Swift, Mrs. Bert Aten and Mrs. Fred Whelan.

During the business meeting it was voted to send a lace table cloth to the Grand Temple ways and means committee for a silent auction. Plans were made for a rummage and bake sale with Mrs. Glenn Wilson, Mrs. Hizer, Mrs. Swift and Mrs. Vincent in charge. Plans also were made to decorate the graves of deceased members on Memorial Day. Mrs. Luther Wood, Mrs. Henry Kempf and Mrs. Vincent were appointed to the auditing committee.

The next meeting will be June 13 at the Pythian Hall.

Herricks Boost

(Continued from page 1)

In a few well-chosen remarks in presenting the second gift, Mr. Herrick traced the history of the hospital since it was first "dreamed about" and since it has operated to the benefit of Tecumseh and the surrounding area.

"In thinking about it," he said, "I like to recall it as a book, page by page and chapter by chapter. I remember that when we first talked about it we were told that it couldn't be done, that it would not be successful, that its operation would be prohibitive in cost. Today, some of the folk who, 13 years ago opposed its construction, tell me that they wonder how we got along without a hospital before we had one."

Herrick paid tribute to the hospital board for its tireless work, and also to Miss Gertrude Spaulding, superintendent, and to members of the Hospital Auxiliary, which organization was formed 10 years ago. This group of women, now numbering more than 200, contribute of their time and effort in lifting many of the burdens of hospital operation, and have, in no small measure, made its success possible. One of their projects was the equipment of a laboratory, and there have been many others.

Mr. Campbell, in accepting the Herrick's latest gift, thanked them profusely for their generosity. "You just can't realize," he told them, "what a burden you have lifted from the shoulders of the board. In behalf of the hospital, its staff and the community, I desire to express sincere thanks."

Campbell also announced that in addition to officially dedicating the hospital as a part of the program, the board also had decided to change the name of the institution to Herrick Memorial Hospital, honoring Mr. Herrick's parents, the late Mr. and Mrs. Benjamin Herrick.

Dr. R. G. B. Marsh, chief of the hospital staff, presided at the banquet.

The speaker was Dr. Clarence Hilberry, director of administration of Wayne University.

"I congratulate Tecumseh as a most unusual community," Dr. Hilberry said. "There are scores of towns of Tecumseh's size and larger that need and want a hospital, but they do not seem to have it. ability and the know-how to get it. You folk here in Tecumseh should give the formula to other communities."

Cadet nurses from the Wayne University School of Nursing take courses at the local institution, the speaker said. That's too, is a tribute to Tecumseh and to its hospital because only institutions of a high rating could be considered.

The banquet was sponsored by the Rotary and Exchange Clubs. Doctors and nurses attended in a body, as did a large group of members of the Auxiliary.

The new addition to the hospital will be opened for public inspection in another week or 10 days. This will make it the second largest hospital in Lenawee county.

BUILDING COSTS SOAR FROM 3 TO 183 POINTS

Cleveland—Industrial construction costs have pushed up anywhere from 3 to 183 points in the first quarter of 1951, the Austin Company reported here.

The advance is current throughout the country due to the tremendous building activity that has created shortages of both materials and labor, the company stated.

Costs and prices are expected to continue to rise for several months at least until the relief can be experienced from the government's ban on nonessential construction. That's because the serious drain upon prevailing stockpiles is going into construction projects started before the present federal restrictions were imposed.

Paul Breitenwischer and J. W. Spafford, members of the board of education.

There will be no alumni banquet here this year, according to Sam Sisson, president of the Alumni Association. Loss of the mailing list and lack of suitable banquet accommodations were given as the reason. However, it is hoped that the banquet and program can again become a regular feature in 1952.

The school's Class Night program, usually on Wednesday evening preceding graduation, was held this year on Monday evening at the Central School because tomorrow is Memorial Day.

The key presentation was by Cynthia Spafford of the senior class, to Janet Erhart of the junior class; the class history was given by Evelyn Arnold, Kathryn Sisson, Mary Jane Dermyer, Howard Pennington and Richard Haight; Jolene Barron, Fred Feight, Tom Everlove, Doris Bilby and Jeanette Daniels gave the class prophecy; the class poem was by Donna Craig and the giftatory by Pauline Bagshaw, Jean Hart, Betty Hayden, James Dick and Russell Hubbard; class will by Cap Orr, Kathron Hicks, Tom Rohweder and Joan Breitenwischer; the class song was by Lois Lawson and Shirley Finnegan.

The Rev. B. O. Bashore, pastor of the Baptist church, delivered the baccalaureate service, Sunday evening, before a capacity audience at the Presbyterian church. This program included the traditional processional, played by Mrs. F. C. Dickinson at the organ; the invocation by the Rev. Donald Wilson, Presbyterian pastor; the scripture lesson by the Rev. Mr. Escolme. St. Andrews Choir sang a number and Mr. Place made a few brief announcements. The benediction was by the Rev. Richard O. Petersen, rector of St. Peter's Episcopal church.

Butler Motor Sales Wins Factory Honor

Mr. and Mrs. C. O. Butler were in Detroit last Thursday evening, guests at a banquet at the Book-Cadillac for the graduates of the Ford Merchandise School. Their nephew, James Spooner, parts manager of Butler Motor Sales, here, was on of the graduates.

Mr. Spooner had just completed a four week's course at the school. Earlier in the day, Mrs. Butler was a guest of the company at a ladies' party in Windsor. Top officials attended the dinner and L. W. Smead, Ford general sales manager, presented the certificates.

Butler Motor Sales also won another recent Ford honor, having been named a winner in the Flying Jamboree service contest. The local agency was in competition with dealers in the Central part of the U. S. As a result of the victory, Mr. Butler, Harry Schuch, service manager, and Mr. Spooner will spend June 7, 8 and 9 in New York as guests of the Ford company.

FRIENDSHIP CLUB

The regular meeting of the Friendship Club of Grace Lutheran church will be held Wednesday evening, June 6, at 8 o'clock in the basement of the church. Mrs. George Heeman and Mrs. Robert Mohr are the hostesses.

Country Club Party Scheduled For Wednesday

One hundred fifty to two hundred people are expected to participate, tomorrow, in the third annual Birthday Party of the Tecumseh Country Club, which will include day-long activities for both youth and adults.

"We sincerely hope that this affair will attract a large percentage of the membership, and guests also are welcome," C. O. Butler who, with Mrs. Butler, is general chairman of the event. "We have scheduled the party so that it will not interfere with the Decoration Day ceremonies locally, and events at the club will start after 11 o'clock in the morning."

The Country Club party will include golf, archery, shuffleboard, horseshoes, cards and softball for the grown-ups. For the youngsters, there will be movies, a treasure hunt, supervised games and races.

A buffet dinner will be served from 6 to 8 in the evening, and lunch will be served from 12 to 2 o'clock. Tickets have been mailed to the entire membership of the club.

Health Dept. Issues Some Polio Pointers

The Michigan Public Health magazine recently issued some dos and don'ts regarding polio and how the disease should be regarded by parents and adults, alike.

Here are the polio pointers:

If polio comes

Do allow children to play with friends they have been with right along. Keep them away from new people, especially in the crowded living of the home.

Do wash hands carefully before eating and always after using the toilet. Also keep food clean and covered.

Do watch for signs of sickness, such as headache, fever, sore throat, upset stomach, sore muscles, stiff neck or back, extreme tiredness or nervousness, trouble in breathing or swallowing.

Do put a sick person to bed at once, and call a doctor. Quick action may lessen crippling.

Do remember—at least half of all polio patients get well without any crippling.

If polio comes

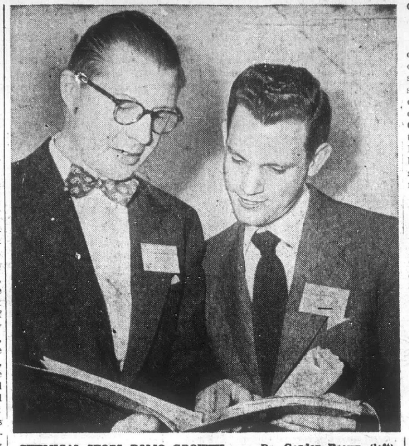
Don't get over-tired by hard play, exercise, work or travel.

Don't get chilled. Don't bathe or swim long in cold water, or sit around in wet clothes.

Don't have mouth or throat operations during a polio outbreak.

Don't take children to places where there is polio.

Don't take your child out of camp or playground, where there is good health supervision.



CHEMICAL STOPS POLIO GROWTH . . . Dr. Gordon Brown (left) and Dr. W. W. Ackerman, University of Michigan scientists, reported recently the discovery of a chemical compound which will stop growth and multiplication of polio virus in a laboratory culture of human tissues. This is the first time a chemical has stopped the growth of the virus. Use of the chemical, ethionine, was reported during the 35th annual meeting of immunologists in Cleveland.

Need "Fill-in" Seeds To Pep-Up Your Garden?

Maybe you didn't plant pre-tested seeds earlier in the spring when you made your garden? Now, perhaps, there are some "fill-ins," spots where the seeds didn't grow.

If you are having that trouble with your garden we invite you to plant pre-tested seeds this time. They are the seeds that have been tested by the grower and found to be the best. They're the hurry-up kind—the kind that catches up with the weather.

Try pre-tested seeds and then you, too, will be one of our regular garden seed customers.

A. B. HARDING HONORED BY TECUMSEH LODGE

A group of Knights of Pythias and Pythian Sisters gathered at the Pythian Hall, Wednesday evening, for a potluck supper in honor of the 82nd birthday anniversary of Arthur B. Harding. It was a surprise to Mr. Harding and a large candle-lighted birthday cake was presented to the honored guest.

E. H. VanVleet, a member of the Knights, paid tribute to Mr. Harding and told of his faithfulness to the lodge since his initiation in 1905. After Mr. VanVleet's remarks, Garth Hall, on behalf of the lodge, presented Mr. Harding with a leather billfold inscribed with his name and the K. of P. insignia in gold. In response, Mr. Harding reminisced on his years in the Pythian organization.

The drill team under the direction of Mrs. Henry Kempf, entertained the group.

Presbyterian Club To Hold Week-end Retreat

The Presbyterian Men's Club is making plans for a week-end retreat at Camp Kanesatake, June 8 to 10.

Designed for the man who wants to get away from the distractions of telephone, radio, and the other invasions of personal privacy, it will give him an opportunity to get acquainted with himself and God.

"In these days of high tensions, there is little opportunity for a recharging of the spirit," says the Rev. D. C. Wilson, pastor of the church. Men of the church who feel this need are invited to follow in the footsteps of Jesus and draw aside into a desert place and rest awhile."

The retreat will begin with dinner Friday evening at the camp. The next day's activities will include private worship, manual work, a period of quiet, corporate worship, good meals, discussion, and rest.

The program of the retreat will be carried out by all the men, with Mr. Wilson as retreat director. Mrs. Wilson will cook for the men. Camp will close Sunday morning, in time to return for church.

Competition

"How old are you, Sonny?" asked the inquisitive old man of the little boy on the beach.

"Six," came the brisk reply.

"Six," echoed the old man, "and yet you are not as tall as my umbrella."

The boy drew himself up to his full height. "How old is your umbrella?" he asked.

BRITISH NEWSMEN VISIT U. S. PAPERS

New York—A delegation of 20 British newspapermen has arrived in the United States to study the editorial, production, and distribution methods of American newspapers. The group, headed by Harold Riley Grime, arrived in New York abroad the Cunard liner Britannica.

The journalists represent British provincial newspapers with a combined circulation of more than 10,000,000. They will visit the New York World-Telegram and Sun on April 16, and thereafter will tour newspaper plants in Washington, Boston, Chicago, and other cities before returning to England on May 8.

Native—Nobody, it ain't quite dead yet.

$29,000 Is Subscribed By County Polio Fund

Lenawee county's 1951 March of Dimes which is held each year to raise funds for the National Foundation for Infantile Paralysis, was an outstanding success, Paul Ahleman of Adrian, chapter chairman, reported today.

Mr. Ahleman said the generous support given the March of Dimes this year resulted in the collection of $29,000 to date. Last year, the chapter raised $19,578.60 in this county.

"I would like to publicly thank everyone who contributed to the fight against polio by giving to the March of Dimes," Mr. Ahleman said. "Every dime and every dollar received is needed to pay hospital and medical bills of those stricken by this crippling disease during the past three epidemic years."

Robert E. Reese, eastern Michigan representative of the National Foundation, said incomplete returns from the state's 83 county chapters indicate a total of $834,000 has been raised. Of this, $503,000 was raised in the Eastern Michigan area.

Fifty percent of March of Dimes funds are retained by local chapters for paying medical and hospital costs of polio patients. The balance is sent to the National Foundation and used for research, education, training of personnel and for furnishing epidermic aid to chapters whose local treasuries become exhausted.

Test Rocket Is Shot 61 Miles Into The Air

Alamogordo, N. M.—The United States Air Force has shot a 1,000-pound test rocket 61 miles into the air above the New Mexico desert.

The air force is conducting tests aimed at finding out what goes on in the upper air. Specifically, officials said the tests, if successful, probably will open a new phase of aeronautical and weather-control developments.

Considered possible results are improved guidance of pilotless aircraft and long-range missiles and better defense for the United States from the hazards of bacteriological and atomic warfare.

The rocket was the first fired in the new tests. When it was at the top of its flight, about 100 pounds of sodium chloride was exploded. Experts hope to determine the source of sodium known to be in the upper atmosphere.

Graduates Get T.H.S. Diplomas

INDOOR COMMENCEMENT SERVICE HELD BECAUSE OF RAIN; AWARDS ANNOUNCED

Indoor commencement services were held here last Thursday evening for the 74 graduates of Tecumseh high school when an early evening shower caused a sudden change in the program, moving it from Recreation Center to the Central School Auditorium. It was not until nearly 8 o'clock, however, that school officials reached a final decision to hold the exercises indoors. The Recreation was in complete readiness for the program, chairs were in place and the field had been DDT'd to eliminate mosquitos and insects. The shower that caused the change in location lasted for only about 20 minutes.

Dr. Paul D. Bagwell, head of the English department of Michigan State College delivered the address before a capacity audience, using as his subejct, "Faith, Power and Purpose." The salutatory was by Gerald Aebersold and the valedictory by Cynthia Spafford. Scholarships were presented by Earl H. Place, superintendent, and by the Rev. Edward Escolme, a member of the Herrick Memorial Foundation Scholarship Fund.

The nursing scholarship usually awarded annually by Herrick Memorial Hospital Auxiliary was not given out this year. It was explained that no senior girl member of the class, interested in nursing, met the requirements set up for the scholarship award. It was indicated that the Auxiliary would resume the issuance of a scholarship next year, provdied a suitable candidate is available.

Graduates were presented by James McDowell, principal, and diplomas were awarded by Paul Breitenwischer and J. W. Spafford, members of the board of education. Both Mr. Breitenwischer and Mr. Spafford had daughters in the graduating class and each presented his daughter with a diploma.

The annual awards session for high school students was held on Friday morning in Central School with a general assembly. These awards were presented:

School-Health Program Working

ACCOMPLISHMENTS OF PAST YEAR ARE LISTED IN REPORT MADE PUBLIC

Tecumseh's school-health program, inaugurated several years ago and expanded during the last school year, met and solved many problems, according to a report made public today.

The report, released from the office of the superintendent, says:

There is perhaps no specific pattern for a school-health program. What serves the needs of one community falls flat on its face in another. But basically all programs include three phases. They are planning, health education, and health service.

This year a representative group from the school and community met three times to discuss health problems. At these sessions attention became focused on two needs. These needs are better dental hygiene, and adequate education to develop right attitudes toward sex. As a result, Ruth Rogers state dental consultant, met with two local groups. Two films were shown and discussed at community meetings. "Human Beginnings" was presented at a meeting of the West Branch Mothers' meeting and to a mothers' group in the hospital. "Human Reproduction" was

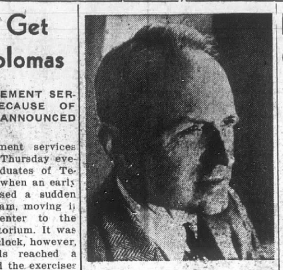
GETS 5 DAYS IN JAIL

Ellsworth Koebbe, 29, Saline, drew a five day jail sentence, a fine of $50 and costs of $8.60 when he was arraigned in Justice Robert French's court here on Monday on a charge of reckless driving. Police made the arrest at 4:45 a.m., June 3, and charged that they chased Koebbe's car at a speed in excess of 90 miles an hour on the Tecumseh-Clinton road.

RELEASED FROM HOSPITAL

Richard Putnam of Tecumseh, who was injured in an automobile mishap at Chicago Boulevard and Ottawa street, last week Tuesday afternoon, has been released from Herrick Memorial Hospital. Mr. Putnam was struck by a car driven by James Grady, Manitou Beach, and knocked to the pavement. Police investigated but no summons was issued to the driver. Putnam was not seriously hurt.



PULITZER WINNER . . . The Pulitzer Prize committee gave its 1951 fiction award to Conrad Richter for his novel, "The Town," a story of the American frontier family during the first half of the 19th century.

Student's Day To Be Observed

SPECIAL SERVICE IS PLANNED AT METHODIST CHURCH HERE ON SUNDAY

The Methodist church will observe Students' Day, formerly known as Children's Day, during the regular worship hour on Sunday morning, June 10. The Church School will assemble at 10:30 for an attendance record and offering and then, at eleven o'clock, will have a processional to the sanctuary where the groups will present a program to be announced by Orville Minney.

Glen Gould, Mrs. Vern Anderson, and Mrs. Francis Packard have arranged the following service: Organ Prelude; Processional Hymn "Onward Christian Soldiers;" Scripture Reading—Juniors; Prayer; Songs and Finger Plays by Beginners; Song "Children's Day" by Primary Department with Roger Mead and Louise Anderson as soloists; Piano solo "Memories of Spring," Judy VanWinkle; Reading, Mary Lee Packard; Piano solo "My Isle of Golden Dreams," Kay McClure; Songs and Playlet, Kindergarten Department; Announcements; Offertory, Wesleyan Singers; Doxology; Hymn "Fairest Lord Jesus;" Benediction; and Organ Postlude.

The special offering will help to provide scholarships and loans to Methodist students in colleges throughout our country. The following members are workers in the Church School: Superintendent, Mrs. Lenore West; Beginners, Mrs. T. Rentschler, Mrs. Clifford Deaner, and Mrs. Victor Peterson; Kindergarten, Mrs. Francis Packard, Mrs. Herbert McClure, and Mrs. Jay Callihan; Primary, Miss Bertha LaPointe; Juniors, Glen Gould and Mrs. Vern Anderson; Intermediates, Mrs. Robert Bonner and Aden Mead; Young Adults, Dr. MacNaughton; Older Adults, Mrs. Jennie Temple and Mrs. H. H. Loveland.

Price Ceiling Meeting In Adrian, This Evening

A large number of Tecumseh business men will soon be subject to a new pricing regulation, according to an announcement from the Office of Price Stabilization.

Ceiling Price Regulation Number 34 has just been issued affecting the prices that may be charged by the various service businesses. Among those affected are barbers, beauty shops, auto and appliance repair shops, laundries, dry cleaning shops, tailors, shoe repair shops, filling stations, recreation centers, amusement parks, and similar enterprises.

All firms affected by CPR No. 34 are required to file their ceiling prices with the Detroit office of the OPS by June 16.

To explain the conditions of the regulation to Lenawee firms affected, there will be a meeting tonight (Thursday) at the Eagles Hall in Adrian at 8 p.m. Officials of the OPS will be present to explain procedures and answer questions.

PLEADS NOT GUILTY TO DRUNK DRIVING

Jose Quior, 40, R. D., Tecumseh, entered a not guilty plea when he was arraigned in Justice Robert French's court on Monday, charged with driving while drunk. The trial date will be set later. Quoir was arrested on June 3 by police on North Mill street.

PURSE AND MONEY STOLEN

Mrs. Grace Payne, 409 So. Pearl Street, reported to police that someone had entered her house, last Wednesday night, while she was absent, and that her purse, containing $12, had been stolen.

Baseball Title Goes To Indians

TECUMSEH HIGH NINE DEFEATS BLISSFIELD TO WIN L.C.A.A. CROWN FOR 1951

Tecumseh High School's baseball team blanked the Blissfield nine at Recreation Center, last Friday, to win the L.C.A.A. title for 1951. The final score was Tecumseh 11, Blissfield 0.

The Indians had a perfect record in the season's league competition with seven consecutive victories. The Clinton high team finished in second place with six wins out of seven starts.

Last year, Pittsford held the L.C.A.A. title.

In the game here with Blissfield, Dave Murphy, top-flight pitcher for the locals, struck out 14 men and allowed only two one-base hits. John Sisson was out front in the hitting attack. He rung up two of the five hits that were made by the Indians, one of them a home run that brought in Lynn Hunt for a safe score in the fifth stanza. Dave VanWinkle and Hunt also accounted for extra tallies, with a double and a triple.

Dale Sinclair pitched for Blissfield but his fielding support was weak. Eight errors helped the Indians to win their easy victory. Tecumseh committed only two errors in the game.

Building Code Repealed Here

ORDINANCE, HOWEVER, REQUIRES THAT PERMITS TO ERECT BUILDING BE OBTAINED

The village council, in regular session on Monday evening, repealed Tecumseh's building ordinance which has been in effect for several years. It did, however, keep in force a section of the law that requires the issuance of permits to build a building or to move a building, and these permits may be obtained from the village clerk's office.

The building code has been under fire for some time by council members and recently, J. H. Rohweder, chairman of the council's ordinance committee, said that unless some interest in revising the law was shown, he would ask that it be stricken from the books.

In the future, persons desiring to build a building of any kind, or to move a building, must first obtain a permit by notifying the chief of police.

The council stressed the fact that the repeal of the ordinance does in no way affect the zoning ordinance.

The council asked for bids on 4,000 feet of concrete pipe, to be used in laying a storm sewer on West Brown and North Union street.

The tavern and SMD license of Rocket Tavern was transferred from Vincent Muzillo and Albert Fabiano to Mr. Muzillo as sole proprietor.

Robert Purkey was named as fire truck driver, along with Charles Manley. It is understood that in the near future, two truck drivers instead of one will be employed by the village, working in 24-hour shifts. Also, it was said that very soon all fire calls will be answered directly at the firehouse, instead of being relayed by the Michigan Associated Telephone Co.

The council enacted an ordinance making it a misdemeanor for children under the age of 18 years, to be on the street with any type of firearms, (including BB guns) unless they are accompanied by a person aged 18 years or older. It is understood that this ordinance was sought by police to end the reckless use of air guns in the village.

Current bills were audited and ordered paid, and reports of the several department heads and committee chairmen were read and placed on file.

Tecumseh Pays Tribute To Dead of All Wars

Tecumseh paid a fitting tribute to its war dead last week Wednesday, Memorial Day, with a three-block long parade through the business district and a program in Brookside Cemetery. Louis S. Schneider, veteran of World War I, was marshal of the day. The parade moved promptly at 10 a.m., and the exercises were concluded by 11:15.

At the cemetery, aside from the firing of taps, the laying of wreaths on veterans graves and the strewing of flowers from a plane, the Rev. Richard O. Petersen, rector of St. Peter's Episcopal church, delivered the address.

Graveside Service To Be Held Here Saturday

Graveside services for Frances Bryan Kennedy, who died in Winter Park, Florida, October 9, with interment of the ashes on the "BRYAN" lot in Brookside Cemetery, Tecumseh, will be held Saturday afternoon, June 9, 1951, at 2 o'clock, with the Rev. Edward Escolme officiating.

She was the widow of James B. Kennedy, who died in 1932. Their home had always been in Raisin township, and Tecumseh. After his death, she went south with her sisters and since then had lived in Florida.

These sisters, Bertha B. Hayden and Edna J. Bryan, from Winter Park, will be in attendance and glad to meet any relatives or friends who attend with the immediate relatives from Grand Rapids, Jackson and Adrian.

Students Have Perfect Records

54 BOYS AND GIRLS IN PUBLIC SCHOOLS NEITHER ABSENT OR TARDY IN 1950-51

Fifty-four students in the Tecumseh public schools had perfect attendance records in the 1950-51 school year, Earl H. Place, superintendent, said today. There are 1136 enrolled in the school.

"That is a very fine record," Mr. Place said, "considering the fact that for a student, to get his name on the list, had to be in school every day of the year, and was never tardy. The only grade that missed having at least one student on the list was the tenth."

The perfect attenders are:

KINDERGARTEN: David Blanden, Brenda Gallant and Brian Packard.

1ST GRADE: Eugene Verrier.

2ND GRADE: Thomas Barton, Larry George, Patrick Holdridge, Larry Titley and Danny Wiemer.

3RD GRADE: Harriet Blanden, Jane Crawford, Georgia Dinse, Jane Harsh, Steve Kruger, Judy Moynihan, Doris Oliphant, Richard Stephenson, Alice Jane Titley, Lena Trnax, Judith Truesdale and Sally Vincze.

4TH GRADE: John Browne, Billy Fielder, Marjorie Haviland, Donna Spangler, Magene Warren and Joanne Wing.

5TH GRADE: Larry Anderson, John Elliott, Joyce Hadsell and Yvonne Morningstar.

6TH GRADE: Ray Larned and Barry Packard.

7TH GRADE: Wilma Bumpus, Julia Crawford, Jackie George, Larry Hooten, Vickie Johnston, Robert Manley and Karen Murphy.

8TH GRADE: Anita Dickinson, Carole Loveland, Sally Miller, Linda Sisson and Marcia Treby.

9TH GRADE: Janis Boltz, Marie Boyce, Louise Dickworth, Bruce Hoekstra and Bruce Packard.

11TH GRADE: Eileen Beach, Rosanna Niedermier and Steve Vargo.

12TH GRADE: Rena Rebottaro.

Mrs. Grace McDermott, Former Resident, Dies

Funeral services for Mrs. Grace E. McDermott, widow of Charles T. McDermott, whose death occurred May 29 in her home at 812 North Locust street, Adrian, were held Thursday afternoon at 2 o'clock at the Vogt. & Schwartz Funeral Home in Adrian. The Rev. A. S. Dimbat of the Assembly of God church in Tecumseh officiated and burial was in Oakwood cemetery. Mrs. McDermott had been in her usual health and death occurred during the night. She was 78 years old.

Mrs. McDermott was born March 9, 1873, in Tecmuseh, the daughter of the late Mr. and Mrs. William Jordan. She had lived in Adrian for 45 years. She attended the First Baptist church and was a member of the Imperial Hive Lady Maccabees and the Woman's Benefit Association.

She was preceded in death by her husband, Charles McDermott, nine years ago, one son, William, in 1920, and one sister, Mrs. Cora Henderson. Mrs. McDermott is survived by one sister, Mrs. Maude Cummings of Tecumseh; a brother, Claude Jordan of Jackson; two granddaughters; four great-grandchildren and nieces and nephews.

The bearers were Claude Underwood, Leon English, Lyle Powell, George Tietz, Carson Nissen and L. H. Sebring.

DRAWS FINE OF $15

Floyd Kidd, 48, of Adrian, was arraigned in Justice Robert French's court here on Monday, charged with being drunk. He was sentenced to pay a fine of $15 and costs of $8.60. The arrest was made by police on Saturday evening.

Play Program Is In Making

SUPERVISED RECREATION WILL BEGIN HERE ON MONDAY, JUNE 18 THIS YEAR

Tecumseh's supervised recreation program will get under way on Monday, June 18, Coach Elver Duvall, director, said today. Mr. Duvall said that while the schedule is not complete in all department, it will be rounded out before the opening date. The mid-June start, it was explained, will first permit the completion of the Bible School course.

Free swimming instruction will again be given this year at "The Pit," with Miss Dorothy Bowen and Duane Furbush as instructors. This program will get under way on June 25 for all ages, adults as well as youngsters. The swimming charge at the pit this year is 15c.

In the baseball division it has been announced that there will be two teams, Tecumseh Merchants and Tecumseh Products. The Merchants play in the Independent League, the Products in the Southern Michigan Association.

Softball will be played under the lights every Monday and Thursday evenings at Recreation Center. There are two leagues, the Civic playing on Thursdays, and the Products on Mondays.

The afternoon playground period will be from 1:30 to 3:30 on Mondays through Thursdays at Central

Mrs. Martha Jane Nye, 72, Will Be Buried Today

Mrs. Martha Jane Nye, 72, died suddenly Monday afternoon at her home at 152 East Chicago Boulevard. Mrs. Nye has been a lifelong resident of Tecumseh and was the daughter of the late Mr. and Mrs. Alexander Park.

She was a member of Rebekah Lodge 338, Ivy Leaf Camp Royal Neighbors of America, Lady Maccabees, Past Noble Grand Club, the Ladies Auxiliary of the Patriarchs Militant, the V.F.W. Auxiliary, and of the Presbyterian church.

She is survived by two daughters, Mrs. Wilma Dowell of Jenson Beach, Florida, and Mrs. Esther Kiser of Adrian; one son, Olis of Tecumseh; two grandsons, David and Douglas Kiser and a nephew, Roy Palmer of Monroe. Her husband, Oceolle Nye, her parents, two sisters, Maude and May, and a son, Park, preceded her in death.

Funeral services will be held today (Thursday) at 2:30 p.m., at the Green Funeral Home, the Rev. Donald C. Wilson officiating. The Rebekah's will be in charge of a part of the service. The bearers will be Ernest Topps, Ed Furgason, Chet Richards, George Kopka, David Watson and Lester Tucker, members of the Odd Fellows. Burial will be in Brookside cemetery.

Atom Detection Plan For Polaroid Owners

A plan for recruiting a civilian corps of atomic radiation "minutemen" got underway today as John Saling began enlisting local owners of Polaroid Land Cameras for emergency radiation detection.

These cameras, tens of thousands of which are in use throughout the country, can produce a completely developed and printed picture in one minute. Owners may obtain free of charge through Tecumseh Camera Shop of which Mr. Saling is the manager, a tiny "telltale" clip which, when inserted inside the camera, renders it highly useful for measuring gamma radiation. The store is contacting all of the Polaroid camera owners to equip them with the clip, and is cooperating with local Civil Defense authorities in organizing the monitor corps.

The "tell-tale" clip method for radiation detection was developed by the Polaroid Corporation at the request of Dr. John W. M. Bunker, supervising atomic defense consultant to the Massachusetts Civil Defense Agency and Dean of the M.I.T. Graduate School. The plan is now being extended nation-wide.

The method does not replace radiological monitoring with instruments, but supplements it as a means of making information available within a minute or so of any alarm of atomic attack, real or rumored. He pointed out that it would serve to assure large numbers of persons in safe areas more promptly than any method yet devised.

Wind, Lightning Havoc Extensive

FRIDAY NIGHT'S STORM DAMAGED PHONE AND POWER LINES; TREES BLOWN DOWN

An intense electrical storm that rode in on a 98-mile-an-hour wind, Friday evening, did extensive damage in Tecumseh and throughout Lenawee county. Telephone and utility wires were broken when 2-foot-through trees were snapped like matches, but this immediate area was fortunate as compared to the Village of Clinton, where destruction was extensive.

Locally, the Michigan Associated Telephone Company reported that about 50 telephones were out of order as a result of the storm. Consumers Power Co. also reported some damage to its lines, both in the village and in nearby areas. A section of the western part of the village was without lights for nearly three hours.

Three fire calls were received, one right after the other, at 9:15, 10 minutes after the storm broke. The first call was to the John Lott home on Green Road, where lightning had struck. The fire was out when the department arrived. Another call came from Shawhee and Pearl street, where a live wire was sputtering in a tree. The third alarm was from the Tecumseh Iron & Metal Company, where lightning apparently ignited a pile of scrap material.

Trees were blown down on Pearl, Union, Mill, Pottawatamie and on other streets in the village, but there was little damage to buildings. Police opened streets to traffic with the aid of the Butler Motor Sales wrecker, which was put at their service to remove fallen limbs and trees. Water ran curb deep along the boulevard dur-

Moonlight Gospel Cruise Attracts Local Interest

The date of the Moonlight Gospel Cruise this year is Thursday, June 21. The newly decorated oil-fueled steamer Put-In-Bay leaves the dock in Detroit at 8:30 p.m., and returns at 11:30 p.m., and carries 2,500 passengers.

The originator of the Gospel Cruise in 1936 is the Rev. Bert Turner, the Irish evangelist who held meetings at the Tecumseh Friends church.

An inspiring religious program goes on continuously for the entire three hours of the cruise. The speaker will be R. G. LeTourneau, an outstanding Christian business man. Music will include TV and radio talent, the Hymn Timers, Choraliers and Harmonyaires Quartet, the Salvation Army Band, Clara Knorl, a converted opera singer, the First Nazarene Choir of Detroit, and the Pontiac Radio Revival Choir. The choir and girls' chorus of the local Friends Church will present some of the numbers on the program.

Plans locally are to charter several buses for Detroit and anyone who is interested is extended an invitation to join in the program. They may call Mabel Lockwood for boat tickets or bus reservations.

METHODIST CONFERENCE IN DETROIT, JUNE 13

The Detroit annual conference of the Methodist church will be held in the Nardin Park Methodist Church in Detroit beginning Wednesday, June 13, and ending on Sunday evening, June 16. Mrs. T. Rentschler is the lay delegate of the Tecumseh Methodist church and plans to attend some of the sessions. Bishop Marshall Reed will preside over the conference. Many local people know Bishop Reed and will remember that he graduated from the Tecumseh high school.

Conlin Speaks To Rotary Club

SAYS EDUCATION, COST OF STATE INSTITUTIONS, ARE RUNNING UP TAXES

Rising taxes are just as much of a headache to Michigan legislators as they are to the average taxpayer, Rollo G. Conlin, Tipton, state representative, told members of the Rotary Club here, Tuesday evening, when he spoke, following a dinner meeting at the Tecumseh Country Club. Taxes, he declared, are going up and up, and the unsolved problem is how to keep them from rising still farther.

Mr. Conlin discussed the just ended session of the Michigan legislature, told of the many problems facing the lawmakers, and declared that it is not the actual

St. Peter's Parish Picnic At State Park, June 10

St. Peter's annual church school and parish picnic will take place Sunday, June 10, at the State Park, Wamplers Lake. Transportation will be provided for those who desire it. The group will proceed to the State Park immediately after the 10 o'clock church service.

The summer schedule of services at St. Peter's begin Sunday, June 10, and will continue throughout the summer until after Labor Day. The hours on Sunday are 8 and 10 o'clock. The Thursday celebrations of the holy communion scheduled at 7 a.m. and 12 noon will continue throughout June and July.

Junior Baseball League Try-outs Next Wednesday

Junior American Legion baseball league try-outs will be held at Recreation Center, Wednesday, June 13, at 2:30 p.m.

Coach Elven Duvall will be in charge of the local team again this year. All boys from Tecumseh and Clinton, who are under 17 years of age, are eligible and are invited to try out for the team. Practices will be held every Wednesday and a regular league schedule of games will be played during the summer.

POPPY SALE NETS OVER $573 HERE

Mrs. Laine Holden, president of the American Legion Auxiliary, reports that $573.25 was raised during the annual American Legion and Auxiliary poppy sale. All of the proceeds from the poppy sale will be used to aid veterans and dependents locally, and in D. A. hospitals in Michigan. Both units wish to thank everyone who contributed in the local drive.

Do YOU Know How Much YOU Owe?

A lot of folk pride themselves on being "square with the world," financially. A comfortable feeling, they say. No debts to worry about—all bills are paid. But are they?

If Congress accepts the new Federal budget, just proposed by the Administration, the amount to be raised through taxation—direct and indirect—will total seventy-one billion dollars. That doesn't take into account state, county and municipal taxes, and school taxes.

So, if you are one of those folk who have that "comfortable" financial feeling, here's how it works out. The new budget saddles a tax burden of $1,589 on the average family. We're not talking, now, about the fellow who is rich, and neither are we talking about the fellow who is poor. We are talking about the AVERAGE fellow who is supporting his family.

According to the latest report of the Census Bureau, issued last October, 6,402,000 people—one out of every 24 persons in the United States—work for some branch of the government. That was last October, and it is entirely safe to believe that the number has increased materially in the last seven months.

The "Big Spenders" in government argue that the budget is air-tight, a model of economy and careful planning, and that it can't be cut anywhere without causing great damage. But the Hoover Commission has pointed the way to a $7,000,000,000 saving. Senator Byrd has presented a documented plan which would reduce the budget by about $9,000,000,000. Other authorities have come up with similar reports and recommendations.

As it stands today, the people have a clear choice to make. They can have a "do everything" government, with its emphasis on alleged social security from the cradle to the grave—and by the time they get through paying for it in ever-cheapening dollars they'll find that their living standards are comparable to those in England. Or they can have a government which pinches the pennies in every possible direction, and concentrates on unavoidable essentials, such as an adequate national defense. Then we will begin to do something tangible about inflation—and we'll enormously strengthen the hard economic base on which this nation's security depends.

YOU can take your pick, Mr. AVERAGE man. It's your money, it's your future, and it's your freedom which are at stake.

A Few Traffic Tickets Might Help

Spring is here, car windows are open, the weather is warm and everyone seems to be in a hurry to get where they are going. This seems to be particularly true on Chicago Boulevard, east and west, even in the business district.

As rough and as pitted as the Boulevard pavement is, there are certain periods of the day when the highway is little more than a speedway. It seems that many of the folk who drive the Boulevard—and half of them or more and folk who live here—feel that because they are on a through street the sky is the limit insofar as speed is concerned.

Truck traffic, too, has "caught on" rapidly, and if you attempt to drive the Boulevard at a safe "30 miles" you will not go far before a heavy transport of some kind will be blasting its horn, signalling you to pull over for faster traffic.

It seems next to impossible to make a left turn off the boulevard in safety. If you indicate such a turn, cars from behind immediately pick up speed, hurry around you at a neck-breaking clip, so that they can make a right turn at the next intersection. As we said before, everybody is in a hurry.

We don't believe in making any community a speed trap. That is bad for the town, it is bad for the folk who live in it, and the reputation spreads very, very rapidly. However, we do believe that there is no need for the terrific speed with which cars and trucks operate on the boulevard, day and night, and we sincerely believe that it should be stopped.

School is out for summer vacation. Every day, more and more children will be on the streets at play or running errands for their mothers. Certainly, if they find it necessary to travel the Boulevard they will be risking their necks, if present speeds are maintained.

If the police should suddenly crack down on Boulevard speeders we would not be surprised. Certainly they would be entirely justified in issuing traffic tickets for such open disregard of the law. And if and when these traffic tickets are issued, offending motorists should have little to say in their own defense.

They know, just as well as the police know, that speeds of 40 and 50 miles an hour on East and West Chicago Boulevard are not in keeping with the local safety program.

When Do We Get Our Traffic Light?

We understood, some months ago, that the State Highway Department and the Michigan State Police had approved the installation of another traffic light, either at the corner of Chicago Boulevard and Ottawa street, or at Maumee street.

Wonder when we're going to get it? When will it be installed?

We realize that great bodies move slowly—particularly bodies as great as the State of Michigan. However, the survey has been made, the need for the light has been shown, but still we wait, and wait, and wait.

Perhaps, if there's a serious accident at one of these intersections, the light will be forthcoming in a hurry.

It seems too bad that death or personal injury must be involved before the great State of Michigan can spend a few minutes making a traffic light installation.

MACON

Recent visitors in the home of Mr. and Mrs. Lewis Coller were Frank Morgan, Mr. and Mrs. Marvin Dubois, and Miss Jessie Wood of Detroit, also Mr. and Mrs. Vern Randall of Manitou Beach.

One of the choice building lots in Macon, the "Chapel" site, has been sold by the owner, Wm. Goetz, to E. L. Norton, lumber dealer of Saline, who plans to build a home here in the near future.

Mrs. Marion Spitler celebrated her birthday, May 30. Her daughter, Mrs. Allen French, surprised Mrs. Spitler with a party of relatives at a dinner in the home of Mrs. Carrie Payne. Many gifts were showered upon Mrs. Spitler. One gift which decorated the center of the table was a cake, baked and decorated by Mary Jo Howell, twelve-year-old daughter of Joseph Howell, jr., recently of Oklahoma. The guests included besides Mr. and Mrs. Allen French and son David, the following: Mr. and Mrs. Ronald Pilbeam, Mrs. Wilma Briggs, William Camburn, Mrs. Inez Halpin and Mrs. Clyde Springspeen of Flint, Howard Miller of Detroit, Edward Miller of Tecumseh, Ernest Camburn and son Elwyn of Jackson, in addition to Mrs. Payne and Mrs. Spitler.

RECRUITING OFFICER AT CLINTON THEATRE

Because of the ever-mounting importance of air power in the establishment of world wide peace, and as a salute to the picture "AIR CADET" which indicates the development of that power, the U. S. Army and U. S. Air Force are requesting their recruiting centers across America to give full cooperation. Their representatives from Adrian will be at the Clinton Theatre, Monday evening, June 11, to lend a hand in answering any questions the public might have.

"Air Cadet," which tells the dramatic story of the training of jet fighter pilots for Uncle Sam's air squadrons, will be shown two days only, June 10 and 11 at the Clinton Theatre. The picture was filmed at Randolph Field, Texas, and Williams Field, Arizona, with the complete co-operation of the U. S. Air Corp, and is the first film to depict the training of jet fighter pilots who have received their baptism of fire in Korea.

New Technique Tested To Treat Infections

A new laboratory technique that may save money for patients and enable doctors to begin treatment of bacterial infections with antibiotic drugs more quickly is being evaluated at the University of Michigan Hospital.

The technique employs the use of small paper discs impregnated with different kinds and amounts of well-known antibiotic drugs such as penicillin, streptomycin, terramycin and others, Dr. Dustin I. Dodson, of the U-M Department of Surgery, explained.

He is using the "disc" method to evaluate its ability to determine which antibiotic drug should be used against bacteria that cause various urinary infections.

The value to the doctor lies in the "disc" procedure's ability to indicate within twenty-four to forty-eight hours which drug is most effective for treatment, he said. Present standard laboratory techniques take from ten to fourteen days to give the same information, Dr. Dodson pointed out.

The patient will benefit by being able to have treatment start sooner which is very important in certain bacterial infections, he declared. Because the "disc" method is very rapid and simple to perform it will also benefit the patient financially, the doctor added.

Another beneficial aspect of the new test lies in the fact that once treatment begins, it is easy to follow the effect of the drug on the bacteria, Dr. Dodson said. He explained that bacteria can become resistant to a drug after treatment with it has been carried out for any length of time. In such a case, another antibiotic drug, or a different dosage of the same drug which was first used, must be given, he indicated.

To save on auto tires, motorist are reminded: 1. Tires will last twice as long at 30 m.p.m. as at 50 m.p.h. 2. High speed is much more harmful to tires in hot weather than in cold. Tire treads wear five times faster at 100 degrees than at 40 degrees. 3. Go slow on roads which have sharp projecting stones. 4. Take curves and turns slowly. Speeding around curves can multiply tire wear as much as 10 times.

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make *your* dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflow Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim—you'll find *more* room—*more* comfort—*more* luxury—a *smoother* ride—*more* conveniences—*more* thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Equipment, accessories, trim and models are subject to change without notice.

LOCALS AND PERSONALS

Mr. and Mrs. Charles Hanna and daughter Linda, of Clare, are spending the week with her parents, Mr. and Mrs. M. H. Thielan and also visiting their relatives and friends.

Lloyd Whelan of Toledo was a recent visitor in the M. H. Thielan home.

Mr. and Mrs. Darwin Smith of Macon were Saturday evening guests of Mr. and Mrs. Bertram Updike.

Mr. and Mrs. Donald Filter and family of Celina, Ohio, spent from Decoration Day through Sunday with their parents, Mr. and Mrs. Harold Anderson and Mr. and Mrs. Bert Filter.

Glen H. Gould of 205 E. Kilbuck will receive his MM degree in composition at Wayne University's commencement exercises at the State Fair Grounds, Detroit, on June 14. Mr. Gould is a graduate of Howe Military School, Howe, Ind., and received his Bachelor of Music degree at the University of Southern California in 1949. He served in World War II as a sergeant in the AAF. He is the son of Mr. and Mrs. N. O. Gould of the Kilbuck address.

SHOW HOURS EXTENDED FOR ART TREASURES

TOLEDO, O.—Extension of the exhibition hours of the Imperial Vienna Art Treasures has been announced at the Toledo Museum of Art. The exhibition, now showing at the Museum and to continue through June 24, will be open daily from 9 a.m. to 9 p.m., except Sunday at 1 p.m. to 9 p.m.

The longer hours were instituted so that visitors from other cities may have more time to see the exhibition and return to their homes the same day, and to make it possible for everyone to view the treasures leisurely without crowding, Museum officials said.

The famous Hapsburg collection of paintings, armor, tapestries and decorative arts will not be shown in any other city in this part of the country. This being the only chance they will ever have to see the treasures, thousands of visitors are coming here from Ohio, Michigan, Indiana and other nearby states. Twenty large galleries are given over to the collection, so there is ample room for everyone, Museum officials declared.

Expect Bang-Up Tourist Season

TRAVEL REQUESTS, ESPECIALLY IN MICHIGAN, SHOW SHARP INCREASE

If spring requests for travel information mean anything, Michigan's tourist industry is headed into a bang-up season, says Harry N. Rogan, travel manager of Automobile Club of Michigan.

Club travel counselors at 38 offices throughout the state are handling 14.5 percent more travel routing requests this spring than in 1950, when sour weather scotched an otherwise up-and-coming season.

Most routings being handled are for spring and summer vacations. And 42 percent of them, by actual count, are for Michigan destinations. "That bodes well for a $600,000,000 resort and travel year in Michigan," Rogan adds.

"These figures show that more and more Michiganians are considering vacationing grass less green on the other side of the fence. They're coming to realize, after expensive trips out-of-state in other years, what a tremendous vacation punch their own state of Michigan packs."

Travel routing requests from members in April showed that 80 percent of auto owners plan to vacation by car this summer. Michigan State Highway Department men say spring and summer highway construction and repair will in no case seriously detour vacationists anywhere in the state.

Auto crossings at the Straits of Mackinac, reported by the Highway Department, are up 28 percent for the first three months of 1951—another indicator of the traveling public's pulse.

Gasoline has been no hint from the Office of Defense Transportation to date that vacation travel will be curtailed in any way. And government officials have stressed the need for all workers to take the vacations which, they say, help heal psychological scars of this atomic era.

Vacation costs in Michigan, like nearly everywhere, will be slightly higher in costs this year, an Auto Club survey of Michigan resorts, hotels, motels, lodges and restaurants shows. In most cases, however, the hike will be no more than the advanced cost of living since 1950.

Resort owners interviewed during the survey reported their advance bookings up from 10 to 100 percent over last spring.

Demand for rentable cottages is at a new high. This indicates, says Rogan, that many families wish to cut vacation costs by cooking for themselves, doing their own housework, but being in a pleasant lakeside location for a change of scene.

Comfortable minimum expenses for a couple traveling 300 miles per day by car, says Rogan, will be $20 per day. This includes food, lodgings, gas, oil, but no "extras."

During June, July and August, Detroit's 250th Birthday Anniversary Festival is slated to pack both Michiganians and out-of-staters into the Motor City by the thousands. And other civic events will help lure fun-seeking vacationers.

DOUBLE WEDDING

The church in the Garden in Angola, Ind., was the scene of a double wedding, Saturday, May 26, when Ruth Walker of Tecumseh became the bride of Joseph R. Ammon, jr., of Flushing, and Helen Sellers of Fremont, Ind., and Joseph R. Ammon, sr., of Flushing, were united in marriage. Each couple acted as attendants for the other. The Rev. Glenn Utterback performed the ceremonies. Mrs. Ammon, jr., wore a grey ensemble with green accessories and Mrs. Ammon, sr., wore blue with red accessories. After a few days honeymooning in Tecumseh the couples will reside in Flushing.

TOP HAT SOLD

Mr. and Mrs. William Mudge, owners of the Top Hat, have sold the business to Mr. Rhinemiller, formerly of Blissfield. Mr. and Mrs. Mudge plan to move to Toledo as soon as their house there is available.

PERSONAL SHOWER

Mrs. Gordon Greiman entertained in her home recently at a personal shower honoring Miss Bea Andene Fisher, whose marriage to Charles Bowers, will be an event of June 16. Games were played and prizes won were presented to the honored guests. Miss Fisher received her "May basket" of personal gifts decorated in blue and white. Spring flowers were used for decorating. Refreshments were served by the hostess.

Harold Craig was in Indianapolis, Ind., for the races Memorial Day.

Rev. and Mrs. J. Morgan Reese who recently moved here from Bronson, the former the new pastor of the Congregational Christian church here, were honored at a reception last Thursday evening. The event was held in the church parlors. The program included talks by Rev. O. E. Priest of Macon and Rev. F. B. Clifford, and the Rev. Mr. Reese gave a response. Group singing was enjoyed and pictures were shown by Earl Griffin. Ice cream and cake were served.

Mr. and Mrs. Byron Covell were in Clinton Sunday, guests of their son and family, Mr. and Mrs. Harold Covell.

Mr. and Mrs. Clyde Brown have returned home after spending several days in Bloomington, Ill., with relatives and friends.

Mr. and Mrs. James Jones and family of Ferndale were week-end guests of Mr. and Mrs. Ernest Maschino and family.

Week-end guests of Mr. and Mrs. J. V. Ferman were Mr. and Mrs. Richard Ferman and children of Detroit.

Pfc. Robert Moore spent the week-end here with his parents, Mr. and Mrs. Bert Moore. Pfc. Charles Thomas of Cherrypoint, N. C., who is in military training with Robert at Columbus, O., also visited in the Moore home.

Mr. and Mrs. Leland Downing observed their twenty-fifth wedding anniversary Sunday when their son and wife, Mr. and Mrs. Merlyn Downing of Tecumseh and their daughter and husband, Mr. and Mrs. Robert Irwin arranged dinner to honor their parents. The guests arrived as a surprise and included Charles Wadsworth, Mr. and Mrs. Elihu Wadsworth and family and Mrs. Ted Seegert of Petersburg, Mr. and Mrs. Loren Upell and family of Liberty Center, O., Mr. and Mrs. Alfred Fuller of Wauseon, O., Mrs. Vivian Matthews of Tecumseh, Mr. and Mrs. Fenton Barrett and family and Mr. and Mrs. Earl Smith and family. Mr. and Mrs. Herbert Maynard of Tecumseh called at the same home in the afternoon.

The annual alumni banquet was held last Friday evening in the Methodist church. Dinner was served to one hundred and thirty guests. The program included: Invocation, Rev. F. B. Clifford; group singing led by Mrs. Norma Dibble of Adrian and Mrs. Beatrice Smith of Grass Lake accompanist; toastmaster, Charles Patterson, introduced Mrs. Myrtle Taylor with the welcome to seniors and Miss Ardis Moore gave the response; vocal duet by Miss Mary Bush and Ronald Croll; piano solo, Peggy Jo Pocklington; bass solo, Robert Youngiove; vocal solos by Gene Mackey and Willard Exelby; benediction, Rev. J. Morgan Reese. At the business session, conducted by Freddie Miller, president, the following officers were elected: President, Neal Judkins; vice president, Herman Miller; secretary and treasurer, Mrs. Neal Judkins; assistant secretary and treasurer, Miss Ardath Gripton. Dancing in school gymnasium was enjoyed later.

Quick Transit.

Mrs. Maloney was telling her neighbor that she had just received a telegram stating that her soldier son had arrived safely in India that morning.

The neighbor was amazed by the news.

"What!" she exclaimed. "That seems impossible, Mrs. Maloney. The telegram must have traveled at a terrific speed."

"Sure, and faith it must mave," said the proud mother. "Would you believe it, when I received the envelope the gum on it was still moist!"

Mrs. Lillian Service Honored By Co-workers

Mrs. Lillian Service is on a three week's vacation from her duties at the office of Consumers Power Co. Mrs. Service has resigned as a full time employee of the Consumers company, having served as cashier and bookkeeper in the local office for 30 years.

Thursday evening she was the honored guest at a dinner at the Legion Memorial Home when 53 employees of the company from Jackson, Adrian, Morenci, Blissfield and Erie were guests. S. Henry Smith, local manager, was toastmaster and introduced Roy McPhail, retired manager of the Adrian office, who in turn presented several of the guests who spoke briefly. Among them were H. J. Palmer and Harold Murphy of the accounting department at Jackson; Frank Adams, assistant general manager of the Jackson division, and Mr. Smith. Mrs. Service was presented with an orchid and a silver serving dish. She and Mr. Smith also received framed photos of themselves taken in the office recently.

Miss Gertrude Daisher succeeds Mrs. Service as cashier. After Mrs. Service's vacation she will relieve Miss Daisher and Richard Beemer while they are on vacation.

Miss Mary L. Southard Weds Ronald Woodward

The Church of the Nazarene in Ridgeway was the scene of a pretty wedding Friday afternoon, at 4 o'clock, when Miss Mary Louise Southard, daughter of Mr. and Mrs. Clifford F. Southard of Rt. 2 Tecumseh, became the bride of Ronald James Woodward, son of Mr. and Mrs. Clare Woodward also of Route Tecumseh. The Rev. C. A. Bearinger, pastor of the church, performed the double ring ceremony. They were attended by Kenneth and Marjory Heflin of Tecumseh.

The bride wore a street length dress of pink crepe, trimmed in white lace and black accessories and wore a baby orchid corsage. Miss Heflin wore aqua blue crepe with brown accessories and her corsage was of rosebuds and white carnations.

After spending the week-end at Vineyard Lake, they are residing on his parent's farm. Both attended Tecumseh high school. The bride has been employed at the Cozy Cafe and Mr. Woodward is engaged in farming.

All But.

The whole regiment knew that the British colonel was a bad horseman. When the order to move off was given, the band struck pp the regimental march The colonel's horse was not fond of music, and everybody was interested in its antics, so interested that the front rank of the first company bunched up in the middle.

"Ease off," shouted an officer.

"No, 'e aint," shouted a recruit, "but 'e soon will be."

One man's prediction about the future course of the war is as good as another's.

WHEAT FOR INDIA . . . Students from two St. Paul denominational colleges dramatize support for pending federal bill for aid to India by loading a truck for the "Wheat for India" caravan bound for Washington, D.C. The caravan included several autos of students from Macalester College, a Presbyterian-related school, and Augsburg College, a Lutheran institution. In Washington, the truckload of wheat was delivered to the India embassy. Students who could not go to Washington were urged to bombard their congressmen with mail advocating immediate relief for India's starving.

Truckers Course To Be Offered At State College

East Lansing—A new program in truck driver training will be launched by Michigan State College this summer.

Aimed at improved highway safety and efficiency for the trucking industry, the first course will be held July 9-20. Succeeding courses of two weeks duration will be held on a year-round basis.

One of two such programs in the nation, the plan is being developed by the MSC Continuing Education Service in cooperation with the Michigan Trucking Association. Graduates are expected to fill a demand for 1,200 new drivers needed by Michigan concerns during the next year.

An estimated 650 men will be trained annually in the classroom and "on the road," according to Leslie Silvernale, MSC coordinator of driving training. Trainees will work under driving experts and will use heavy equipment procured specially for the program.

Classroom instruction will deal with such topics as state and federal vehicle codes, preventive maintenance, freight handling, basic driving fundamentals, inspection of equipment, driving in traffic, backing to loading docks and parking.

LEGION TIDE OF TOYS FLOODS DOCK AT OSLO

Oslo—A consignment of five tons of toys sent by the American Legion was unloaded in Oslo recently.

The toys were collected by American children in the 1951 "Tide of Toys" campaign, and are being sent to children in 14 European countries.

In Norway the toys are to be distributed to orphanages, hospitals, kindergartens, and other children's institutions.

The W. C. T. U. will meet at the Friends church, Tuesday afternoon, June 12, at 2 o'clock.

Indian Snappers Club Elects New Officers

The Indian Snappers Camera Club met at the public library Monday evening with an attendance of one dozen. A short business session was conducted by the president and plans for the future were discussed.

A report of the visit to Monroe Camera Club was given by Mabel Lockwood, and announcement was made of the invitation of the Adrian Camera Club, asking Tecumseh to visit their club rooms and see the Salon Exhibit from June 10 to 16. The club decided to go to Adrian, Monday, June 11, in a group, meeting at the public library at 7 o'clock. Every member is invited to go and take along some friends.

Election of officers resulted as follows: President, Arlie LeBarron; vice president, Lester Tucker; secretary, Ardys Drewyor; treasurer, Margaret Swift.

Program chairman Lewis Lent introduced Ira Manwaring who showed colored movies he had taken of the air show in Detroit and of a fishing trip. Following this a reel taken by Mr. Lent was shown.

Legion Auxiliary Will Choose New Officers

The American Legion Auxiliary held its regular meeting in Legion Home, Monday evening. Mrs. Laine Holden presided at the business meeting and delegates to the American Legion convention in Detroit, August 3-4-5 were elected as follows: Mrs. Holden, Mrs. Vern Manwaring and Mrs. Harold Easton, with Mrs. Charles Howe, Mrs. Charles Osburn and Mrs. Joe Russell as alternates. The Auxiliary voted to raise its dues to $2 per year. The nominating committee to choose officers includes, Mrs. Albert Bagshaw, Mrs. Dale Tingley, Mrs. Ned Baldwin, Mrs. Robert Lowe and Mrs. Osburn.

The ritual team is sponsoring a dance revue by Rae Nita's pupils to be held at Central School, June 21. Tickets are now on sale.

GUIDED MISSILE CLASS . . . A reserve training assembly enables army ORC members of the 1325th AAA group and 1394th guided missile battalion to examine and assemble an air forces missile which the units have received in New York for study. Examining the missile, left to right, are Col. Vincent A. Lane, Lt. William Latzno, Arthur R. Musselman, Lt. Col. James A. Hart and Col. James Nesmith. Missiles play a large part in modern war.

Play Program

(Continued from page 1)

School playground. Classes will be conducted by Miss Sally Brown for kindergarteners through the sixth grade. The activities will include volley ball, outdoor basketball, paddle tennis, badminton, horseshoes, shuffleboard, kickball, dodgeball, softball, arts and crafts and mass games.

In the Junior League there will be three baseball teams — the North Tecumsehs, South Tecumsehs and Herrick Parkers. Coach Duvall will supervise. The games are scheduled for Wednesday afternoons at Recreation.

The American Legion baseball group is open to all boys from Tecumseh and Clinton under 17 years of age. Boys interested in playing should contact Coach Duvall.

Archery will be played on Recreation field every Tuesday and Thursday evenings from 6:30 to 8:30. Some of Tecumseh's outstanding archers will supervise.

There will be free movies for youngsters at Recreation every Wednesday night. These shows will start as soon as it is dark.

There also will be golf and tennis tournaments for boys and girls, men and women. Coach Duvall will supervise.

A Children's Story Hour will be conducted once each week by the Child Study Club at the public library. Details of this program will be announced later.

LEAGUE PICNIC

The Westminster League held its annual family picnic in the Fellowship Center of the Presbyterian church Tuesday evening, due to the cool weather. Mrs. Harold Clark, president, conducted a short business meeting, and an announcement was made of the Woman's Association's bake sale at McConnell's gas appliance store June 16. A social time was enjoyed by both adults and children with prizes for all. The children were also given a sweet treat.

SICILY DONKEY CART FLOWN TO MARSHALL

Rome—A bright-colored donkey cart has left here by plane for Washington where it will be given to Defense Secretary George C. Marshall as a gift from the people of Sicily.

The two-wheeled cart, designed and decorated by four Palermo artisans, will be handed over to General Marshall by Italian Ambassador Alberto Tarchiana.

PAPER DRIVE

The Young People of the Baptist church are having a paper drive Wednesday, June 20, for the benefit of the Lake Louise Campers.

W. S. C. S. LUNCHEON

The Woman's Society of Christian Service of the Methodist Church will have the first of a series of benefit luncheons in the country home of Mrs. W. G. Waldron, Wednesday, June 13. Mrs. Luther Wood, Miss Arlene Sherman, Miss Lizzie Beapish, and Mrs. T. Rentschler will be the hostesses. Those desiring transportation will meet at the church at 12:30 o'clock. Mrs. Robert Bonner, the new president, will preside during the business meeting, and Mrs. Edna Codling will present the program and devotions on the subject, "To Make All Lands Thy Own."

WED 32 YEARS

Mr. and Mrs. Robert Mohr entertained a group of friends and relatives at their home on West Chicago boulevard, Sunday for a surprise picnic dinner in honor of Mr. Mohr's parents, Mr. and Mrs. Waldo Mohr who were observing their 32nd wedding anniversary. The guests included Mr. and Mrs. Jack Curtiss and daughter, Mr. and Mrs. Lyman Curtiss, Mr. and Mrs. John Wintersteen, Miss Marie Wintersteen and Mr. and Mrs. Oscar Bryan. An anniversary cake centered the table.

seen at a P.T.A. meeting. In school some of the grades had unique projects aimed at producing better health attitudes and habits. They stressed nutrition and dental hygiene.

One specific health service was offered this year. It was vision testing of all school children. The Massachusetts Vision Test was used and was done by a trained technician. Of the 550 elementary children tested last fall, 47 failed. Forty of these were subsequently examined by an occulist or optician. Local organizations assisted financially with seven of these examinations. Others failed the test but were already under a doctor's supervision. It the high school, 465 took the test and 41 failed. About half of these reported they have been examined by a doctor since their test at school.

This year the Herrick Memorial Hospital provided school nursing service. Miss Elesa Simonson has given two and a half days a week to the school. In addition to assisting with planning, she has worked with the school and parents on specific problems. In cooperation with the family's doctor she has arranged for appointments at the University Hospital clinics, the Crippled Children's clinic, Huron Valley Child Guidance Center, and with eye and ear specialists. This summer she will be in the nurse's office at the high school building one day a week. The day will be announced later.

BIBLE SCHOOL, JUNE 11

Vacation Bible school will begin Monday, June 11, at 9 a.m., daily, at the Grace Lutheran church, according to the Rev. A. Jeschke, pastor of the church.

Motorists fed more than a billion coins into parking meters along the curbs of 2,500 communities last year. Studies indicate that the total parking meter "take" for the year amounted to more than $50,000,000. Only about four percent of the communities used the money wholly or in part to build off-street parking facilities.

Conlin Speaks

cost of state government that makes taxes high, it is the maintenance of the many state institutions, (hospitals, asylums, prisons and sanitoriums), plus the ever-mounting expense of education that is becoming a terrific burden. Education, he pointed out, is coming in for a lion's share of the tax money, approximately two-thirds of this year's budget going for that purpose and for welfare and old age assistance.

The actual cost of state government, Conlin declared, is approximately $11,000,000, but the state this year, including the cost of other services, will spend some $306,000,000.

Conlin defended the newly enacted gasoline-weight tax hike, but he indicated that he is not completely sold on the so-called corporation tax program.

Last week, the Rotary Club met on Tuesday evening at Legion Memorial Home and the Rev. Fr. Michael G. Collins of St. Elizabeth's church was the speaker. The Rev. Mr. Collins' theme was Memorial Day, and he urged a return to a more religious life in America to solve perplexing world problems.

MISS EMILY D. BAILEY FUNERAL HERE SATURDAY

Miss Emily D. Bailey, 78, a former resident of Tecumseh, died at 11:30 Tuesday night at the home of Mrs. Whitney Watkins, Clinton, where she had made her home for several years.

Miss Bailey was born in November, 1873, in Macon township, a daughter of the late Mr. and Mrs. Daniel and Henrietta Clarkson Bailey. For several years she was a bookkeeper in the New York Central offices here. She also taught school, and was an instructor in violin.

Surviving are a sister, Eleanor, of Warminster, Pa., and a niece and two nephews in Bristol, Conn.

Funeral services will be held at 2 o'clock Saturday afternoon from the Collins Funeral Home. Burial will be in Ridgeway cemetery.

ing the heaviest part of the storm and traffic moved at a snail's pace.

Clinton in this area was hardest hit by the blow that started in the vicinity of Battle Creek and continued as far south as Detroit. In the nearby village, dozens of trees were uprooted, sections of sidewalk were torn out and a heavy tree blocked traffic on M-52 when it fell, about two miles north of here.

Some damage also was reported in the Holloway-Britton-Ridgeway-Macon areas. Phone lines were down and trees were uprooted.

The storm broke about 9 p.m., and the rain continued for two hours.

Is The Weather Slowing Up Your Garden?

Many folk tell us the wet weather has retarded their garden's growth and, in some instances, replanting has been necessary.

If you are planting late, or find it necessary to replant some seeds, we'd suggest that you plant our pre-tested seeds—the kind that catch-up with the weather.

Pre-tested seeds, you know, are the kind that have been tested by the grower and found to be rapid in maturity, hardy and strong.

We've sold pre-tested seeds for years and, year after year, customers come back for more. Is there a better recommendation that you can think of?

Miss Shirley Finnegan Weds Clair Manwaring

The Baptist church was the scene of a lovely wedding, Sunday afternoon, June 3, at 1:30, when Miss Shirley Finnegan, daughter of Mrs. Annabel Finnegan of Holloway, became the bride of Clair Manwaring, son of Ira Manwaring and Mrs. Jessie Ehlinger of Tecumseh. The Rev. B. O. Bashore performed the single ring ceremony. The altar was decorated with large baskets and arrangements of garden flowers. The pews were marked with white satin bows.

Mrs. Kenton Hunt, at the organ, played the traditional wedding music and the Misses Marlys and Evelyn Arnold sang "Because," "One Alone," and "I Love You Truly," accompanied by Mrs. Hunt.

The bride, given in marriage by her uncle, H. E. Hall of Chicago, wore a white satin gown with a fitted lace jacket and tiny buttons down the front. Her fingertip veil was trimmed with seed pearls and edged with matching lace. She carried a bouquet of white baby mums centered with a large orchid. Her jewelry, tiny pearl earrings in a gold setting and a matching necklace, was a gift of the bridegroom.

Mrs. Vern Manwaring was matron of honor and wore an off-the-shoulder gown of pale green taffeta with matching mitts and a large organdy picture hat. She carried a bouquet of pale orchids. Miss Jacqueline Finnegan, maid of honor, wore a gown identical in style to the matron of honor.

Vern Manwaring was his brother's best man and Aaron Manwaring also attended his brother. The ushers were Larry Abbott of Frankfort and Lawrence Kopke of Holloway.

Mrs. Finnegan, the bride's mother wore a navy redincote with white accessories and Mrs. Ehlinger, the groom's mother, wore a black print dress with green accessories. Both had carnation corsages.

A reception was held in the church parlors for 200 relatives and guests immediately following the ceremony. The linen covered table was centered with the traditional wedding cake topped with a miniature bride and groom. White napkins with a gold inscription, "Shirley and Clair," added to the decorations, and the room was decorated with large baskets of garden flowers. Mrs. H. E. Hall, aunt of the bride, served the cake and was assisted by Mrs. J. W. Spafford, Mrs. Neville Hart, Mrs. Lawrence Kopke and two members of Mr. Manwaring's band from Frankfort. Miss Cynthia Spafford was in charge of the guest book. Guests were registered from Jackson, Bellville, New Boston, Clinton, Jonesville, Monroe, Dundee, Petersburg, Frankfort, Toledo, Ohio, Chicago, Illinois, New Castle, Penna., and Wichita, Kansas.

For traveling the bride changed to a two-piece white suit and wore the orchid from her bridal bouquet. Mrs. Manwaring is a graduate of Tecumseh high school and was employed at the Protane Gas Service office. Mr. Manwaring graduated from Tecumseh high school, received his Bachelor of Music degree from the University of Michigan and taught music this year at Frankfort, Mich. He has accepted a teaching position at the Gaylord high school this fall. After a wedding trip through Canada and the eastern states, they will spend a few weeks with their parents before moving to Gaylord.

Friday evening, Mr. and Mrs. Vern Manwaring entertained at a 7 o'clock rehearsal dinner in their home on Iroquois street for twelve guests. The linen covered table was centered with a bridal cake baked by Mrs. Manwaring and trimmed with fresh flowers. Spring flowers also were used throughout the rooms. After the dinner the attendants were presented with gifts from "Shirley and Clair."

Summer Sessions Open At Siena Heights, June 25

Registration for summer classes will be held at Siena Heights College, Saturday, June 9.

The formal opening of the summer session is slated for Monday, June 25 at 8:30.

The schedule reveals a comprehensive list of liberal arts subjects as well as a choice of vocational courses and a wide range elective among the fine arts.

Featuring among these is the painting seminar announced recently by Studio Angelico, which is attracting a number of artists from all sections of the country and not a few from abroad. Judging from the caliber of staff members and applicants, the indications are of a thoroughly professional character of work.

Guest painter, the Rev. Angelico Zarlinga, O. P., from Instituto Beato Angelico in Rome, Matthew Wm. Boyhan, resident artist at Studio Angelico, and Sister Helene, O. P., directress, are preparing to share their wealth of technical painting data and design experience with other members of the seminar.

Of particular interest to social workers are the courses in Child and Public Welfare.

The high school teacher as well as the librarian can fulfill state requirements by choosing from among a number of classes in Library Science. The elementary and kindergarten teacher can elect school-music, school-art, methods in reading, children's literature, or subjects as may enable her to qualify for higher certification.

Offering such as meal planning and table service, tailoring, textiles, and cookery fundamental may serve either the home economics teacher or the home-maker.

Siena Heights College is approved by the State Department of Public Instruction as a teacher training institution, and is accredited by the North Central Association of Colleges and Secondary Schools.

Ambassador Quartet To Sing In Ridgeway

The Ambassador Quartet of Olivet Nazarene College, Kankakee Illinois, will appear in the Ridgeway Church of the Nazarene, Sunday, June 10, at 11 a.m., the Rev C. A. Bearinger announced today.

Members of the Quartet are Paul White, Richmond, Indiana; Jack Fowler, Indianapolis, Indiana; Neal Kemp, Red Deer, Canada; Paul Williamson, Richmond, Indiana.

Every member of the quartet has traveled extensively and offer a varied program of musical numbers both vocal and instrumental. The quartet is on a fourteen-week tour of seven states which will total over 12,000 miles of traveling.

Rev. Jack Fowler, capable youth evangelist and a member of the quartet will bring a message. The Rev. Mr. Fowler is an accomplished violinist and two years was concertmaster of Olivet Symphony Orchestra.

DAUGHTER WEDS

Mrs. Annabel Finnegan, has announced the marriage of her daughter, Mrs. Patricia Snyder of Tecumseh, to Marvin Bacon of Petersburg, which took place May 25 at the Church in the Garden, Anderson, Ind. The Rev. Glenn Utterbach performed the ceremony. They are making their home in Tecumseh. Mr. Bacon is employed at Tecumseh Products Company.

City traffic congestion is adding well over $1 billion a year to the cost of operating American passenger cars. Studies show that current congestion adds a minimum of six-tenths of a cent a mile to cost of 185 billion miles driven in cities each year.

STANLEY O. BEAVERSON of Wauseon, O., has opened offices for complete bookkeeping work and tax service accounting in the Sage Building on W. Chicago boulevard. The offices formerly were occupied by the late Richard Roe, attorney, and have been completely remodeled and redecorated to suit the new tenant's convenience. Mr. Beaverson and his family plan to move to Tecumseh as soon as suitable housing can be obtained.

GOVERNMENT FORUM SLATED FOR JULY 9

East Lansing — Leading Michigan state and local government officials, educators and state administrators will meet July 9-27 at Michigan State College for the sixth annual Forum on State and Local Government.

Panels by top government officials headed by Gov. G. Mennen Williams, will be held each morning, followed by student discussions and field trips in the afternoon.

Purpose of the forum is to give students and lay persons a broad view of the major functions and problems of state and local government in Michigan.

Students will consist mostly of teachers and prospective teachers of civics, government and social studies in Michigan schools. However, any interested persons may enroll. Graduate and undergraduate credit is given for the course.

Television Situation Likely To Tighten Up

Chicago—Television sets are not likely to be available for long at current bargain prices, Chester D. Tripp, president of Television-Electronics Fund, Inc., said in disclosing what is believed to be the first published study of the television industry's inventory position. He predicted that the normal stasonal pattern would again be followed this year with demand rising sharply following the usual summer lull.

Large inventories built up in anticipation of shortages plus the normal seasonal decline in demand during the early months of the year have brought about sales at extremely attractive prices.

Mr. Tripp pointed out that the Television-Electronics Fund's continuing studies had indicated over three months ago a sharply rising inventory of unsold sets when figures for the first of the year showed well over 1,000,000 sets unsold as compared with only 350,000 or so unsold a year earlier. Mr. Tripp estimated the accumulated inventory on May 1 at between 1,750,000 and 1,850,000 sets, or about a three to three and a half months' supply based on average monthly sales for the preceding 12 months.

HOLLOWAY

The 41st annual reunion of the Pfund family was held Sunday noon in the basement of the Deerfield gym. Places were set for 65 and dinner was potluck. The afternoon was spent socially and the meeting will be in the same place next year.

Mr. and Mrs. James Mitchell and son entertained Sunday in their home honoring the June birthdays of James and Hugh Mitchell and Mrs. Hess Callander. Guests were Mr. and Mrs. James Derby of Adrian, Mr. and Mrs. Sam Mitchell and sons of Tipton, Mr. and Mrs. Hugh Mitchell and son Ted, and Mr. and Mrs. Hess Callander. A large decorated birthday cake centered the table and the honored guests received gifts.

The plate glass windows of the Bailey and Puffer store in Holloway were completely destroyed by the wind storm which swept through Holloway, Friday evening. The four plate glass windows and the smaller windows upstairs were blown out and the owners estimate the damage at near $500, covered by insurance.

The Holloway Mothers Club will hold their annual picnic June 14 at Wallbridge Park in Toledo. Members and their families are to meet at 9:30 a.m. at the home of Mrs. Russell Pooley. Dinner will be potluck.

Mr. and Mrs. Frank Ley of Milan were Sunday guests in the home of Mr. and Mrs. George Henry, sr.

Mr. and Mrs. Edward Mitchell and daughter Molly accompanied Mr. and Mrs. LaVern Moore of Blissfield to Ypsilanti, Sunday, where they took part in a Memorial of Washtenaw county.

Mr. and Mrs. Alton Wellnitz and children were Sunday guests of Mr. and Mrs. Russell Beaverson and family in Defiance, Ohio.

Mr. and Mrs. Claude Walters accompanied their son and family, Mr. and Mrs. Joe Walters to Monroe on Sunday.

Recent dinner guests of Mr. and Mrs. Ed DeGroot were Mrs. Dale Palmer and sons of Wichita, Kansas, Mr. and Mrs. Virgil Lowery, jr., of Adrian, Mr. and Mrs. Will Kopke, Mr. and Mrs. Lawrence Kopke and daughter, Mr. and Mrs. Robert DeGroot of Holloway. Monday, Mr. and Mrs. DeGroot and Mrs. Palmer were in Dearborn. Mrs. Palmer and sons will leave Wednesday for Pittsburgh, Pa., where they will join Dr. Palmer.

Thursday evening at the Holloway Presbyterian church approximately 50 members and friends gathered to hold a farewell party for the acting pastor, Warren Enyart and Mrs. Enyart. Ice cream and cake were served and the evening was spent socially. A gift of money was presented from the church to their pastor.

At a recent meeting of the South Holloway Extension Club, Mr. Ireland of the Ireland Baking Company decorated a number of lovely cakes for the members and the 17 guests of the North West Deerfield Extension Club. Refreshments were served to 17 members of the South Holloway Club and their guests. The next meeting will be held with Mrs. Sam Mitchell in Tipton.

Mrs. Harry Edwards is a patient in Herrick Memorial Hospital in Tecumseh. She is there for medical care and observation.

Mr. and Mrs. Carl Schmid of Petersburg was accompanied by Mrs. Harvey Lewis to the graduation of Allen Schmid from Michigan State held Sunday at East Lansing. Later they were dinner guests of Mr. and Mrs. Allen Schmid and son.

Mr. and Mrs. Warren Enyart were hosts to Mr. and Mrs. Herbert Enyart, Mr. and Mrs. Ronald Jones and Mr. and Mrs. John Webb, all of Lansing, on Sunday. Later they all attended the graduation of Warren Enyart from Adrian College.

Mr. and Mrs. Carl Gritzmaker and Mr. and Mrs. John Gritzmaker attended the graduation exercises of Max Gritzmaker held Sunday in East Lansing. Max was a member of the class of 1951 of Michigan State.

Mr. and Mrs. Sidney Sinclair spent the last of the week with Dr. and Mrs. J. J. Canfield of Middletown, Ohio.

Pvt. Leon A. Lewis of Camp McCoy, Wisc., spent Sunday with his parents, Mr. and Mrs. Art Lewis.

Mr. and Mrs. Roy Brosamer and family recently entertained in their home, Mr. and Mrs. James K. Waugh and family of Columbia City, Ind., Mr. and Mrs. John Wilkinson and family of Petersburg, Mrs. Nina Brown of Ida, and Mr. and Mrs. Lewis Boggs and family of Monroe.

Tuesday dinner guests of Mr. and Mrs. Marshall Drouillard were Mr. Edward Wernert of Toledo, and Rev. Bernard Wernert of Milford, Novitiate, Ohio. Afternoon guests included Mr. and Mrs. Gerald Brown of Adrian.

Mr. and Mrs. Matt Lunn and family entertained Decoration Day, Mr. and Mrs. Eryl Rainey and daughter Barbara of Detroit, and Miss Jean Norrie of Trenton.

Mr. and Mrs. Harry Edwards and Mr. and Mrs. Paul Kopke and children spent Decoration Day's evening in Toledo.

CREAM-RICH MILK Makes Our Foods Delicious

Every schoolchild knows the value of milk. In school they are taught about its body-building energy, how necessary it is to the everyday diet.

Whole milk is important, too, in building fine baked goods, including pies, cakes, cookies, rolls and bread. We never scrimp on milk quantity, and we also use plenty of eggs, sugar and shortening.

Maybe that's the reason why our baked goods taste "just like home made." If you haven't tried 'em, we like to have you do it.

Tecumseh Plans 2 Big Gala Days

CANADIANS ARE COMING ON JUNE 30; DAWN PATROL HERE ON JULY 1

The Canadians are coming! The airplanes are coming!

With these twin announcements, residents of Tecumseh and the entire area are assured that the week-end of Saturday, June 30 and Sunday, July 1 will be one of the liveliest and most interesting in the history of Tecumseh.

On Saturday, June 30, Tecumseh, Ontario, will make its biennial pilgrimage to its namesake town in Michigan. On Sunday, July 1, the Michigan Dawn Patrol, the largest in the United States, will make its rendezvous at the local airport.

The double events, coming on simultaneous days, are the result of cooperative efforts on the part of the Tecumseh Exchange Club, the Veterans of Foreign Wars, and the Chamber of Commerce. All of these organizations have traditionally sponsored promotions in the early part of the summer. By combining manpower and publicity in their events, it was felt that the energies of the various committees could be best channeled for effective results.

The visitation from Tecumseh, Ontario, is the result of a promotion of two years ago when hundreds of the Canadians saluted this Michigan community on the occasion of its 125th birthday. Last year a huge caravan from Tecumseh, Michigan, saluted their Canadian namesake at its Mid-Century Festival. The success of the two events and the nation-wide interest they

Dr. Dorothy A. Wood Dies In California

Word has been received here of the death of Dorothy A. Wood, M. D., which occurred June 8 at San Mateo, Calif. Dr. Wood was born in Tecumseh in 1893, the daughter of the late Fred B. and Louise Hailey Wood. She was a graduate of the medical school of Leland Stanford University where she also took graduate work in anesthesia. She practiced and taught in the University of California hospital, and for the last 10 years had been chief anesthetist at Mills Memorial hospital in San Mateo. Dr. Wood had been seriously ill for more than a year. She visited friends and relatives in Tecumseh in 1949.

Surviving are a brother, Frederick Bertram Wood, judge of the California appellate court; a sister-in-law, Alice Satterthwaite Wood; two nephews, Frederick B., and Perry S. Wood; two great nephews, all of California, and several cousins.

2-Year-Old Daughter Has Doctor Parents

The two-year-old daughter of Mr. and Mrs. Malcolm Bagshaw, residents of New Haven, Conn., should not lack for medical attention. Her father, Dr. Malcolm Bagshaw, is the son of Mr. and Mrs. Albert Bagshaw, W. Chicago boulevard. Her mother, Muriel Hanley Bagshaw, graduated from the Yale Medical School last Monday with honors.

Dr. Bagshaw is an intern at Grace hospital in New Haven and Dr. Muriel Bagshaw will intern there also, specializing in pediatrics.

Malcolm Bagshaw is a graduate of Tecumseh high school.

INFANT SON DIES

Robert Joseph Spence, aged seven weeks, infant son of Mr. and Mrs. Floyd E. Spence of R. F. D., Tecumseh, died at University Hospital, Ann Arbor, Tuesday night. Baby Spence was born April 23. Surviving are the parents, a brother, William Edward, and grandparents, Mr. and Mrs. Floyd Spence of Tecumseh, and Harlan Keran of Hudson, also several aunts, uncles and cousins. The body was taken to the Collins Funeral Home. Graveside services were held Wednesday afternoon, the Rev. O. E. Priest of Macon, officiating. Burial was in Brookside cemetery.

DRAWS FINE OF $25

Gayle Goodes, Tecumseh, pleaded guilty to a second offense drunk charge when he was arraigned in Justice Robert French's court during the past week. He drew a fine of $25 and costs of $8.60.

AUTO DEALERS HOSTS

Tecumseh automobile dealers were hosts, last evening, to the members of the Lenawee County Automobile Dealers Association at a dinner and program at the Country Club. Circuit Judge G. Arthur Rathbun acted as toastmaster, and Frank Purcell of Tecumseh Products Co., spoke.

Florence Sutton Butch, Former Resident, Dies

Mrs. Florence Sutton Butch, aged 63 years, died suddenly in her home, 4742 Third Ave., Detroit, Sunday night at 11:15. She was born August 6, 1887 in Tecumseh township, the daughter of the late Mr. and Mrs. Charles Sutton. Mrs. Butch has spent the past 41 years in Detroit. She was preceded in death by her brother, Guy, and her parents.

Survivors are her husband, Jack, and a brother Walter Sutton of Adrian, and several cousins.

Funeral services will be held this afternoon (Thursday) at 2:30 at the Collins Funeral Home. Burial will be at Riverside cemetery, Clinton.

In Case Of Fire You Call No. 250

VILLAGE WARNS THAT PHONE NUMBER IS AVAILABLE FOR NO OTHER PURPOSE

Effective today, when you tell the telephone operator to connect you with No. 250 it means but one thing—you are reporting a fire.

The private telephone line, No. 250, between the telephone office and the fire station, will, in the future, be used for no other purpose than to receive fire calls.

Robert Kroner, village clerk, made the announcement today for the Village Council, and he warned the public that it could no longer use the 250 phone for other conversations. Persons desiring to contact members of the fire department, or others in the fire station or council building should use telephone No. 674, he said.

Mr. Kroner said that effective today, two drivers instead of one will be available at the fire department. They will work in 24-hour shifts, on one day and off the next. The drivers are Charles Manley and Robert Purkey. Mr. Manley, who has been on duty full-time, and who has lived at the fire station, is moving from the station, and the building will be used exclusively for village purposes in the future.

The change was necessitated, Kroner said, when the Michigan Associated Telephone Company recently installed new switchboards here, making it inconvenient for the company to service fire cails as it had done previously.

"To report a fire now," Kroner said, "a telephone subscriber may either call No. 250 or he may tell the operator he wants the fire department. In either event, the operator will connect the subscriber with the department over the 250 line."

Kroner pointed out that the 250 line must always be available for fire calls. That is the reason why it cannot be used for other conversations and why the 674 phone has been installed.

"We hope," Kroner said, "that the public will cooperate with us in this new arrangement and we feel that within a very short time the old system of merely telling the telephone porator where the fire is and expecting her to report it to the department, will have been forgotten."

Britton Youth, Korean War Victim, Is Buried

Funeral services for Pfc. Leslie L. Cooley, son of Mr. and Mrs. Lloyd B. Cooley who live southwest of Britton, were held Sunday in the Niblack Funeral Home. Rev. O. E. Priest of Macon officiated. The burial was at Oak Grove cemetery in Morenci with the Glen H. Daykin Post, American Legion, conducting the service at the grave. The bearers were George Forsyth, Bert Moore, Perry Younglove, Willard Exelby, Herman Miller and Ronald Chesver.

Pfc. Cooley enlisted in the Army at Adrian in August 1949 and was sent to Korea in August 1950. He was killed Sept. 12, 1950. He is survived by his parents, two brothers, Floyd, jr., at home, Roger E. of Addison, one sister, Mrs. Doris Garland of southwest of Britton, and his grandparents, Mr. and Mrs. Daniel Merillat of Fayette, Ohio.

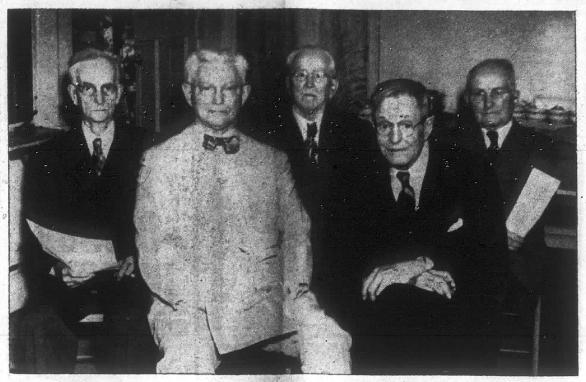
Story Telling Hours For Children Planned

The members of The Child Study Club, in cooperation with Miss Ruth Harding of the public library, is planning a series of story telling hours to be held following the Daily Vacation Bible School. As usual these will be in the public library.

Dates and hours will be announced definitely at a later date.

The present plan is to have entertainment for children from three to ten years of age.

They Represent 274 Years Of Medical Service



Five Lenawee county doctors, two of them from Tecumseh, who have practiced for more than 50 years, were honored at a dinner at the Country Club, Thursday evening, by members of the Lenawee County Medical Society. The doctors, pictured above, are, left to right, William E. Colbath of Fairfield, Esli T. Morden of Adrian, P. B. Hardy, Tecumseh, S. L. Spaulding of Hudson, and H. H. Loveland of Tecumseh. Their combined medical service to their community totaled more than 274 years. Drs. Morden and Spaulding each have practiced a little more than 50 years, while Drs. Hardy, Colbath and Loveland have practiced 59, 58 and 57 years, respectively. Dr. Spaulding practiced 48 years without a vacation. They were presented with 50-year certificates by Dr. C. A. Benz of Adrian, president of the society, and each spoke briefly. Dr. R. E. Dustin of Tecumseh, is secretary of the society. (Herald Photo)

New Postoffice Is Likely Here

GOVERNMENT APPROVES LEASE ON BUILDING TO BE BUILT ON LOGAN STREET

Tecumseh, it appears, is to have a new postoffice.

After years of discussion between the government and local civic groups, pointing the need for larger and more functional postoffice space for this village, it was announced this week that the Postoffice Department had agreed to lease a building, to be built on East Logan street by Howard W. Truesdale, on a lot adjoining the R. S. Moore & Son Company on the east. Mr. Truesdale owns the lot, and has been negotiating the lease with the government for more than eight months.

F. E. N. Thatcher, acting postmaster, said that formal approval of a lease on the proposed building had been received locally. He said that Mr. Truesdale had received a copy of the agreement.

"If we can get the steel needed to build the building, construction will be started in about two weeks," Truesdale said today in discussing the project. "It will take about three months to build the building, and the government should be able to occupy it about October 1."

The proposed new one story building would be 32 by 92 feet in size, and constructed of steel.

INFANT DAUGHTER DIES

The infant daughter of Mr. and Mrs. Lowell Maynard of 408 East Kilbuck street, died at the University of Michigan hospital, Ann Arbor, at 2:20, Sunday morning, where she had been admitted twelve hours earlier. The body was taken to the Collins Funeral Home. She is survived by her parents; two brothers, LeRoy and Barton Gillen and one sister, Sharron Gillen. Graveside services were held Tuesday morning at 10 o'clock with the Rev. Edward Escolme officiating. Burial was in Brookside Cemetery.

INJURED IN FALL

William Baldwin, 71, of 3550 Pennington Road, was injured in a fall in the downtown district, Monday. He suffered cuts in his head and face. Removed to Herrick Memorial Hospital by ambulance, he received treatment and was released.

Five Local Young Men To Get U. of M. Degrees

Five Tecumseh young men are numbered among the 3,814 students who will receive their degree at the 107th commencement service at the University of Michigan, Ann Arbor, on Saturday. Dr. Ralph Bunche, director of the United Nations and Nobel Peace Prize winner, will be the commencement speaker. Dr. Alexander Ruthven, retiring president of the University after 22 years of service, will preside.

The Tecumseh graduates are: George John Balbak, 415 W. Chicago boulevard, Bachelor of Science; Richard T. Hammel, 108 N. Union street, Doctor of Medicine; James C. Sisson, 311 E. Pottawatamie street, Bachelor of Science; Andrew J. Smith, R. D., Tecumseh, Bachelor of Architecture; Wilfred R. Waldron, R. D., Tecumseh, Bachelor of Arts.

Richard S. Murphy of Onsted, also will receive his Doctor of Medicine degree, and Jack A. Vealey of Britton, Bachelor of Arts degree.

Richard Hammel is the son of Dr. and Mrs. H. H. Hammel of Tecumseh. He will, after a month's vacation, begin in internship at Hurley Hospital in Flint.

Two Vacancies On School Board

SATTERTHWAITE AND SPAFFORD CHOOSE NOT TO RUN; PETITIONS CIRCULATED

Perry C. Satterthwaite and J. W. Spafford, treasurer and vice-president, respectively, of the board of education, have announced that they will not be candidates to succeed themselves in the district school election here, July 9. The announcement was made Tuesday evening, when the board met in regular session at the high school. Mr. Satterthwaite has served on the board for 18 years, Mr. Spafford for six years.

Tuesday, July 19, at 4 p.m., is the final hour for the filing of petitions of candidates in the election. It was understood today that petitions are now being circulated for Dwight Hodges and Aden Mead. There may be other candidates.

The board approved contracts for these new teachers in the public school system: Marjorie Ott, Adrian, commercial; Mrs. Margaret Ukele, Blissfield, fifth grade; Mrs. Mary Wescott, Tecumseh, first grade; Miss Dolores Bultman, Kalamazoo, English; A. J. Schwartz, Grand Rapids, mathematics, science; Donald Brazee, Trout Creek, social studies. There still are vacancies in the staff for a second grade teacher, and vocal music instructor.

Bids were opened for the remodeling of the Central Building and these are now being canvassed by the board.

The gift of the 1951 graduating class, a bronze tablet for the high school, was formally accepted. New aluminum letters for the front of the new high school were ordered.

Moore Disposes Of Coal Business

WILL NO LONGER CARRY FUEL IN TECUMSEH; HAYDEN FUEL IS PURCHASER

Robert H. Moore, head of R. S. Moore & Son Company, dealers in lumber, building supplies and coal, announced today that his firm had disposed of its coal interest in Tecumseh to the Hayden Fuel & Supply Co., effective as of June 1. Mr. Moore said that his company would continue to handle coal in its yard at Britton, and that the sale would in no way affect its business in that village.

"We feel," Mr. Moore said, "that our principal business is lumber and building supplies, and we intend, in the future, to devote all of our time n Tecumseh to that branch of our enterprise." The Moore company had been in the coal business here for more than 60 years.

R. S. Moore & Son Co., operates yards here, in Britton, in Dundee and in Clinton. Coal is not carried in the Dundee and Clinton yards. Mr. Moore has been particularly active in the building business for 15 years and his company services construction not only in Lenawee county but in adjoining counties as well. A year ago the firm won a national citation for its keen interest in the nation's housing program. Its yards here and in the other towns in which it operates have been greatly expanded during

Opening of Addition To Hospital Is Delayed

Formal opening of the new $81,500 addition to Herrick Memorial Hospital, nearly doubling the size of the institution, still must wait for the contractors to lay the rubber tile flooring, Miss Gertrude Spaulding, superintendent, said today. It has been expected that the hospital addition would be in use in May but lack of materials to finish the floor has caused the unusual delay.

Miss Spaulding said that as soon as the addition is finished it is planned to hold a formal opening, permitting the public to inspect the building.

A banquet, honoring Mr. and Mrs. Ray W. Herrick, who gave the $81,500 needed to build the addition, and a ceremony dedicating the institution which in the future will be known as Herrick Memorial Hospital, was held last month in Legion Memorial Home. This banquet was sponsored by the Hospital Auxiliary, and the board and staff of the hospital, assisted by the Rotary and Exchange Clubs.

BIBLE SCHOOL TO CLOSE ON FRIDAY

The Vacation Bible school, held at Central School building, will come to a close Friday with a program in the auditorium Friday evening. A display of the work of the children will be shown from 7:30 until 8 o'clock and the program will be presented at that time, by the various departments.

Head-on Auto Crash Sends Four To Hospital

A head-on collision involving two automobiles and a truck, June 5, caused injuries to Mrs. Jean Murphy, 31, daughter of the late Elwood Comfort of Tecumseh and Albion; her husband, the Rev. Lloyd Murphy, 33, of Walkerton, Indiana, his mother, and Mrs. Katherine Murphy, 65, of Detroit. The accident happened north of Pontiac on the Dixie highway.

The elder Mrs. Murphy suffered multiple fractures of both legs, a skull fracture and chest injuries. Mrs. Jean Murphy suffered fractures of the right leg and right arm, and face injuries. Rev. Lloyd Murphy has a fractured right leg, and serious head and chest injuries. They are in the Pontiac General Hospital. A sister of Mrs. Murphy, Miss Carol Comfort, a nurse at the Bixby Hospital, has been assisting in the care of the injured. Mrs. Bertine Comfort, of Holloway, mother of Mrs. Murphy, and her son, Bruce Comfort, a student at Bethel College, in Mishawaka, Indiana, have been visitors at the Pontiac Hospital.

Dickinson Will Retire, July 1

ASSISTANT POSTMASTER TO QUIT AFTER 42 YEARS; HUNT TO SUCCEED HIM

Frederick Dickinson, after serving for 42 years in the postoffice department in Tecumseh, over 25 years of that time as assistant postmaster, will retire on June 30, F. E. N. Thatcher, acting postmaster, said today. Kenton Hunt, with 22 years service in the office, will succeed Mr. Dickinson as assistant.

Mr. Thatcher also announced that there would be other changes in the postoffice personnel after June 30.

Milburn Brooks, for over 28 years a carrier in Tecumseh, will be transferred to a clerkship in the office. Mrs. Helen Bowen, who has been a substitute clerk in the office, has made application for a regular clerkship, succeeding Nina Heath, who retired last November 30. Katharine Hunt is expected to be named to a regular substitute clerkship.

The appointment of Roger Gillespie to succeed E. J. Aebersold as a rural carrier on Route 1 is awaiting confirmation in Washington. Mr. Aebersold retired March 31, after 35 years of service. Mr. Gillespie has been a village carrier.

The office is awaiting the confirmation of the appointment of Gerald Foote as a village carrier, July 1, suceeding Mr. Gillespie. Robert Hamilton is expeceed to be named a substitute carrier, taking mail to Herrick Park and the Brown street areas.

Mr. Thatcher said that the delivery of mail to Tecumseh Acres is expected to be approved soon, and that either a rural or village carrier would be used for this service. Also, he said that other fringe areas are being considered for carrier service.

The Tecumseh postoffice is now a first class office, due to its increased revenue. The volume of business at the office this year is expected to be ten per cent greater than it was a year ago, when the first class recognition was approved in Washington.

MRS. MARION SAWYER TO BE BURIED TODAY

Mrs. Marion Sawyer, 50, of Holloway, died Monday afternoon at Herrick Memorial Hospital, after an extended illness. Born in Adrian, July 29, 1900, she married Wilson Sawyer, December 26, 1922, in Pontiac. They lived a short time in Adrian before moving to Holloway where they made their home. Mrs. Sawyer was a member of the Presbyterian church and was active in the Ladies Aid and many other church organizations.

Besides her husband, Wilson, she is survived by a daughter, Mrs. John Williamson of Jackson; a grandson, Michael Williamson; two brothers, Merrill Grandy of Dearborn and Elwood Grandy of Napoleon; a sister, Mrs. Thelma Hercher of Dearborn and a number of nieces and nephews.

She was preceded in death by her parents, Mr. and Mrs. Edward Grandy and a son, Gerald W. Sawyer, who was killed November 19, 1944, at Saipan.

Funeral services will be held today (Thursday) at 2 o'clock at the Everiss Funeral Home in Adrian. The Rev. Robert McCachran will officiate. Burial will be in Oakwood cemetery.

Ceiling Prices Must Be Posted

SERVICE FOLK MUST COMPLY WITH REGULATION THIS WEEK-END, OPS SAYS

Tecumseh business men dealing in services for which a charge is made are reminded today by the Office of Price Stabalization that by this coming weekend they must file their ceiling prices and have them posted in their places of business.

CPR No. 34 applies to barbers and beauticians, filling stations, bowling alleys, golf courses, repairs of various kinds, appliance servicing and installation, shoe repairing, cleaning, and a host of other services. The ceiling price is the highest flat price charged during the base period, December 19, 1950 to January 25, 1951.

Business men affected by the regulation are required to take the following four steps: (1) Preserve for examination by OPS all records regarding prices during the base period. (2) Prepare a signed statement of ceiling prices and keep it available for examination by any person. (3) Post the ceiling prices in a clearly visible place in the establishment no later than June 16. (4) File a signed copy of the statement with the district OPS office no later than June 16.

The district office of the Office of Price Stabilization at which Tecumseh businesses are to file is on the 10th floor, Book Building, Detroit 26.

Officers Named By Scout Ass'n

ANNUAL MEETING OF GIRL SCOUT GROUP HELD IN CAB-IN AT ELLIOTT PARK

The Tecumseh Girl Scout Association met in the Scout Cabin last week Wednesday evening for its annual meeting and election of officers. Mrs. Lila Rutherford was elected president of the association for the coming year. Newly elected executive board members are: Mrs. Victor Peterson, vice president; Mrs. Elvan Duvall, secretary-treasurer; Mrs. Julius Vincze, custodian; Mrs. Clarence Beach, supply secretary; Mrs. Lyle Grigg, corresponding secretary; Mrs. T. Rentschler, registrar. The retiring president, Mrs. Duvall, appointed Dr. and Mrs. T. Rentschler to audit the treasurer's book. To complete her term in office, Mrs. Duvall heard the annual reports of all officers, troop leaders and committee chairmen and the summary of events indicated a successful year for Tecumseh Scouts.

During the year, a Leaders Club was formed which met four times. The association, functioning under the revised constitution, held five meetings. Two large folding tables were purchased for the cabin, and a large supply of literature and visual aids for leaders were obtained.

Three new policies have been established. Scouts from seventh grade up may wear the alternate senior Scout uniform; disbanded troops must dispose of their troop funds within one calendar year or such funds automatically revert to the association treasury; and only best grade of pins will be presented to Scouts in the future.

Individually, troops contributed to the community through projects for Herrick Memorial Hospital, Parrett Nursing Home, the Rotary Club in conjunction with the Halloween celebration, and the Memorial Day committee. The association will resume its meetings in September.

MRS. MAUDE FOX DIES; BURIAL HERE, TODAY

Mrs. Maude Fox, 73, widow of Ford Fox and a former resident of Franklin township, died Monday night at Chelsea, She had been in failing health for nearly two years and was confined to her bed for the last five weeks.

Mrs. Fox is survived by a son, Leon; a daughter, Lucille, both of Chelsea; one granddaughter; a sister, Mrs. Eva Hunt of Tipton, and several nieces and nephews.

Funeral services will be held Thursday afternoon at 2 o'clock in Chelsea and burial will be in Brookside cemetery, Tecumseh.

ROTARY CLUB MEETS

Why Are We Marking Time?

In the last six weeks or two months we have heard but very little, officially, regarding the proposed change in Tecumseh's form of government from that of a village to a city. The Chamber of Commerce, as we understand it, is committed by resolution to attempt to bring about such a change, and a committee has been working for months on end, preparing to submit the project to the peolpe.

At the present time, if we are correctly advised, the reason for the delay is because the government issue has been tied to a proposal to extend Tecumseh's boundaries, and there are several schools of thought on the latter issue. A few months ago it was announced that the boundary disagreement had been settled, that definite new boundaries had been established, and that the movement would proceed along the plans outlined at that time. Since then, however, it appears that there has been reason to again change the boundary lines—just where, no one seems to know.

We frankly confess that we don't know, accurately, where the new boundary lines should be established. We doubt very, very much if there is anyone in the village who knows just how large Tecumseh will be in 20 or 30 years. The only way new boundaries can be established is for an interested group of citizens to give the matter careful study and then submit their proposal to an election. Finally, regardless of where the boundaries are fixed, the people must decide before any change can be made. If the people disapprove, then a new attempt must be made and, should that fail, subsequent proposals must be submitted until the people's approval is forthcoming.

The idea that we, as human beings, can establish a perfect boundary is silly. To err is human—the best that any of us can do is to do our best.

We have said before that we believe that Tecumseh should change its form of government from that of a village to a city and, we also have said, that we believe that when this is done there should be some enlargement of present boundaries. We have not changed our mind, and neither do we believe that the problem is so difficult that it defies solution.

We believe that there are far more people in Tecumseh today who believe that Tecumseh's village form of government is outmoded than there were six months or a year ago. We have had many people express such an opinion to us, and they have offered sound reasons for their conclusions.

Tecumseh is, insofar as government is concerned, living under an antequated form that is more than 50 years old. The state law establishing the home rule plan has been amended so many times that even the lawyers don't understand it. Likewise, Tecumseh is one of the very few communities of its size still operating under this form. There are scores of towns much smaller than Tecumseh that have shaken off this horse-and-buggy-type of government for the new and workable city form.

In Tecumseh, however, we still seem to be content to go along in the same old rut. We've been a one-traffic-light-town for so many years that we hate, it seems, to make any change.

There are certain facts, however, that we cannot deny. We cannot, for instance, deny that Tecumseh, between the years of 1940 and 1950, made the greatest gain in population of any community in Lenawee county. That was shown in the U. S. Census report.

It cannot be denied, either, that Tecumseh has led all other communities of its size in the country in the building of new houses. This year, it would seem that about $1,000,000 worth of new housing will be constructed here and last year the figure was about the same. Tecumseh needs still more houses and barring a war or some other form of disaster, the 80 to 100 new houses a year schedule may be maintained for several years.

The population of Tecumseh has doubled in the last 15 or 20 years. It has grown materially since the Federal Census a year ago which showed the population to be between 4,000 and 5,000. If it maintains this steady growth in the next ten years, Tecumseh will be a community of between 8,000 and 10,000 people in 1960.

The facts are plain, Tecumseh is outgrowing its old-fashioned government. We should no longer continue to operate our community as we did when we were half our present size. We must recognize our growth, recognize our increased responsibilities, anticipate our future needs and act accordingly.

We are very, very serious when we say that we honestly believe that Tecumseh's present form of government is outmoded. We are so firmly convinced of this fact that we would be willing to sacrifice any boundary changes—if some sacrifices must be made—in order to bring about the desired new government. We think that it would be wise to extend Tecumseh's boundaries at the time the form of government change is effected but, if that is the stumbling block we'd be in favor of kicking it out of the way and proceeding with the single issue.

We want to see Tecumseh grow. We want to see Tecumseh take its place in the affairs of the county as a grown-up. We want to see more representation on the county board of supervisors. Tecumseh is the second largest tax unit in the county but it has only one voice on the county board. That, in our opinion, is wrong. It can be corrected, and we can have four representatives on that board. However, we can't do it and remain a village.

We hope, sincerely, that the Chamber of Commerce committee can see its way clear to submit one or both of the issues to the electors here within a reasonable time. It will take six months, perhaps more, before any change can be brought about. In all probability, if the machinery was set in motion this month, it would be next March before Tecumseh would be able to function under city form of government.

If we are fearful of making mistakes, we will accomplish nothing. We doubt, however, that when the proposals are submitted to the voters that the error will be too great because, by and large, people must be satisfied before they approve. And if a majority of the people are satisfied, who is there to complain.

To act with caution is commendable, but to delay too long is sometimes dangerous. In our opinion, we have already waited too long to bring about a change in our local, long-ago-outmoded system of government.

PAST MATRONS, PATRONS HONORED BY O.E.S.

The Past Matrons and Past Patrons were honored at a regular meeting Thursday evening of Tecumseh chapter of O.E.S. Mrs. Warren Benham presided and 14 Past Matrons and 8 Past Patrons were escorted to the East and presented with gifts.

A memorial service was conducted by the Past Matrons for members deceased during the past year, including Mrs. Olive Hendershot, Mrs. Cora Teachout, Mrs. Helen Sager, Mrs. Mertie Jones, Mrs. Maude Ross and Mrs. Lucretia Buler.

A proficiency class was held for several interested members.

During the meeting it was voted to recess during the summer months, meetings to be resumed in September. Mr. and Mrs. Jennings Frayer took photographs of the officers, Past Matrons and Patrons, and members in various groups. Refreshments were served by Mrs. James Barton and committee.

FELLOWSHIP POTLUCK

WIT-WISDOM PICNIC

The Wit and Wisdom Club will hold its annual summer picnic, Monday, June 18, with a potluck supper at 6:30 at the home of the Rev. and Mrs. Alvin C. Brazee at Iron Creek.

If you're a perfect driver, your foot can reach the brake in .75 of a second in a driving emergency. At 20 miles an hour you travel 22 feet on a good pavement before you can start braking. At 60 you travel 66 feet before gaining control, and 270 feet before stopping. Most drivers require much more stopping room.

The younger generation, that was the subject of so much discussion a few years ago, is out to save the civilization of the world for the benefit of the older generation.

Hammer and Sickle.

Since the Russian hammer has cracked the atom, everybody is wondering how wide a swath the Soviet sickle can cut.

Law Not Infallible.

The law of supply and demand is not infallible. Look how many reformers we have, and how little reform.

THESE folks are enjoying something that's being pioneered by Buick.

It's freedom from the blinding glare of bright summer sunlight.

It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield.

These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass† with a cool, soft, blue-green tint, in every glass area of the car, front, side and back.

Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows.

This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night.

As we've said, this is something Buick owners were the first to enjoy. It takes its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflow.*

As we've also said—rather modestly—"Smart buy's Buick."

Come in soon and find out what an understatement that really is.

†Optional at extra cost—available on most models. (Not presently available in California and Massachusetts.)

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

No other car provides all this:
DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER
When better automobiles are built BUICK will build them

CORP. HAROLD BRADY IS NOW IN OKINAWA

HQ. RYCOM — Corporal Harold E. Brady, son of Mr. and Mrs. James W. Brady, jr., 315 West Logan Street, Tecumseh, Michigan, has arrived on Okinawa to assume duties in the Far East Command. He is assigned at present with the 87th Ordnance Battalion, a unit of the Army of Occupation of the Ryukyus Islands.

Prior to his arrival on Okinawa, Corporal Brady served in Korea with the United Nations forces there. He has been awarded the Silver Star, Bronze Star, Purple Heart, Combat Infantry Badge, three Presidential Unit Citations, the Korean Campaign Ribbon, and the United Nations Ribbon.

Corporal Brady enlisted in the Army at Detroit, Michigan in September, 1949 for a period of three years. He is a graduate of the Tecumseh High School.

FRIENDSHIP CLUB MEETS

The Friendship Club of Grace Lutheran church held its meeting in the basement of the church, Wednesday evening. Plans were completed for serving the Father and Son banquet, Friday evening. Mrs. Bert Filter is in charge of the dining room and Mrs. Paul Maves the kitchen. Arrangements were also made for a rummage sale to be held in the fall. Games were played and refreshments were served by the hostesses, Mrs. George Heeman and Mrs. Robert Mohr.

LIBRARY NOTES

Several people have made gifts of books to the Library recently. These have been received gratefully and are on the shelves for distribution. This is a good time of year to clear your bookcases and help your library.

New books that have been accessioned are Kaufman, Jubel's Children; Westcott, The Hepburn; Nuttall, The Gift; Henerson, Circus Doctor; Nash, Living Your Faith; Buck, God's Men; Wentworth, The Ivory Dagger; Phillips, The Golden Lie; Mason, Proud New Figgs; Larrimore, The Lovely Duckling; Pope, Upholstering Home Furniture; Benedict, Your Best Friends Are Your Children; Schoonover, The Golden Exile.

The library has a number of current magazines and the building is comfortable. Come there to spend a pleasant and profitable afternoon or evening.

TRI-STATE GRADUATE

Fred C. Aebersold, son of Mrs. Lois Aebersold, 205 S. Oneida St., Tecumseh, Michigan, graduated from Tri-State College, Angola, Indiana on June 7. He received the degree of bachelor of science in electrical engineering. While in Tri-State, Mr. Aebersold was an active member of the Electrical Engineering Society, Tau Sigma Eta, honorary engineering society, and was listed in "Who's Who Among Students in American Colleges and Universities." Aebersold attended Tecumseh High School.

MISCELLANEOUS SHOWER

Mrs. Clarence Beach and daughter, Ileen, entertained at a miscellaneous shower Friday evening, members of Mrs. Beach's birthday club and employees of Brandt's store, honoring Miss Dorothy Jean Brandt. Miss Brandt's marriage to Ivan Gorr of Petersburg will be an event of June 21, in the Presbyterian church. The color scheme of blue and white was carried out through the rooms. Baskets of peonies and iris were used for decorating. Card bingo was the diversion and prizes won were presented to the honored guest. Miss Brandt received her gifts under a decorated umbrella in the dining room. Refreshments were served by the hostesses. Out of town guests included Mrs. Marion Alderdyce of Milan, Mr. Paul Gorr of Petersburg and Mrs. David Faling of Ypsilanti.

SPRING MUSIC FESTIVAL

Jack Tonneberger, organist and choir master of the Augsburg Evangelical Lutheran church in Toledo, presented a Spring Festival at the church at 4 o'clock Sunday afternoon. The group included the Aeolien choir (adults), Chancel (students), Catechetical (7 - 8 grades) and the Luther chorus composed of children up to the 6th grades. Anthems sung throughout the year were featured and Mr. Tonneberger presented several numbers personally. Mr. and Mrs. Robert Welch and Mr. and Mrs. Al Tonneberger were among the local people who attended.

FIRE

PHONE 250

For No Other Purpose Than To Report A Fire Are You Permitted To Call This Number

Please Read Carefully

The method of calling the Fire Department in Tecumseh has been changed. In the future, if you should desire to report a fire here is what you do:

Pick up your telephone and call 250 or say to the operator, "I want to report a fire." The operator then will ring the number 250.

The 250 telephone will be used in the future for no other purpose than for FIRE CALLS.

Heretofore, if you desired to talk with anyone at the fire department, or at the council building, you called 250. This can no longer be done. If you desire to talk to someone at the department, or at the Council Building, you should call 674. The 250 line, remember, is for FIRE CALLS ONLY.

REMEMBER! Do Not Call 250 Except To Report A Fire

New Officers Are Named By The Exchange Club

The Tecumseh Exchange held its regular meeting Monday evening with an election of officers. Clarence Beach was elected as president; George McCombs, vice president; Kenton Hunt, secretary and Joseph R. Garno, treasurer. The three new members elected to the board of control are Chester Beach, the Rev. Fr. Michael G. Collins and M. H. Thielan. Those having one more year to serve on the board are Owen Partridge, Frank Rice and Wallace Whiting.

O. H. Minney gave a very interesting talk on "jet engines and air craft," during the program period.

ADDISON IS HOST TO AUXILIARY MEMBERS

Several members of Herrick Memorial Hospital Auxiliary were guests of the Addison Hospital Guild, Monday. The group was entertained at a luncheon at the cottage of Mrs. Gorton Price at Devils Lake and later a tea was served at the Congregational church in Addison. Mrs. Dale Bowen gave a brief history of Herrick Memorial Auxiliary and was presented with a corsage and a gift from the Addison Guild. Other members who attended were Mrs. Frank K. Smith, Mrs. Hilda Will, Mrs. Ronald Harris, Mrs. Edward Boss, Mrs. Vincent Haight, Mrs. Joseph Rohweder and Mrs. Bowen.

GOOD CHEER CLASS

The Good Cheer Class of the Baptist church will meet Friday evening, for a picnic at the home of Mr. and Mrs. Floyd Bryan. Members are asked to bring hot dogs and buns for their family.

Flag Day Is Observed By D. A. R. on Friday

Flag Day was observed by twenty-seven members of Abi Evans chapter, D.A.R., with a picnic luncheon, Friday, at the cottage of Mrs. Louis S. Schneider at Wamplers Lake. Featured was a birthday cake, made by Mrs. J. M. Artman honoring the anniversary of Mrs. O. W. Laidlaw. New officers were in charge of the meeting. Mrs. Burtsel Claus, president, named her committees for the coming year. Mrs. J. Floyd Elliott told of a G.A.R. flag which was at one time the property of the late H. W. Stevens. The flag is of silk with a gold fringe. Plans are being made to have it framed.

Mrs. Neil Pearson presented the program of the afternoon, giving an interesting and instructive talk on, "The American Flag—Its Origin and Use." The remainder of the afternoon was spent socially. Regular meetings will be resumed in September, after the summer recess.

Laine Holden Named As Legion Commander

Laine R. Holden was elected commander of Underwood-Orr Post, American legion, at its annual meeting, Thursday evening. Mr. Holden succeeds Roy Brisbin. Other new officers are Robert Lowe, first vice commander; Warren Puffer, second vice commander; Roy Richard, chaplain; Donald Woods, sergeant-at-arms; Louis S. Schneider, historian; Warren Peck, adjutant. Mr. Holden and Mr. Peck were elected delegates and Mr. Schneider and Harold Easton, alternates, to the state convention in Detroit in August.

The installation of the new officers will be held July 5, with the 40-8 ritual team in charge. A fish fry will be served at this meeting.

PINK AND BLUE SHOWER

Mrs. Keith DesErmia entertained twelve women in her home north of town, Friday evening, at a "pink and blue" shower, honoring Mrs. Richard Eggleston. Various games were played and baby books were made. Prizes were awarded to Mrs. Norman Fielder, Mrs. George Wright, Mrs. Warren Struerer, Mrs. Lyle Widmeyer, Mrs. Dale Colson, and Mrs. Blanche Hull. Mrs. Eggleston was presented with a shower of gifts. Refreshments were served by the hostess. the past 10 years.

The sale of the coal business did not involve any land, buildings or trucks. Only loading and unloading yard equipment and fuel were disposed of.

P. C. Satterthwaite is the owner of the Hayden Fuel & Supply Company, located on South Evans street. He has been in business there since 1935 and, during the past few years, has expanded his yard to meet the needs of the growing community.

"We will be happy to service the Moore customers in Tecumseh in the future," Mr. Satterthwaite said.

Tecumseh Plans

brought about, led civic leaders to decide that the two towns should take alternate years in playing host to each other, with 1951 being the turn of this Michigan village.

In telephone conversations to local authorities earlier this year, Mayor Tom Scott of the Ontario community reported that interest was developing rapidly. "Many of our people who missed being in Michigan two years ago," Mayor Scott stated, "have declared that they will not miss the event this time. Others who made the trip at that time have declared that the fine time they had has led them to eager anticipation of this year's event."

The Exchange Club which is sponsoring the Dawn Patrol, chose Sunday, July 1, out of several alternate dates which they might have had for the flyers, so that the best possible tie-in could be made with the events of the day before. It is hoped that some Canadian planes might be able to attend on the basis of the Canadian promotion of the day before.

The skies over Tecumseh will be filled with visiting planes as they merge on the Tecumseh airport early in the morning. Between 200 and 300 planes are expeceed to arrive for the breakfast which will be served by the Exchange Club. Prizes will be given and the new 2800 foot runway at the airport will be dedicated with appropriate ceremonies.

A number of flying celebrities will be present and a throng of local visitors will be on hand to witness the arrival of the planes. The VFW will assist police authorities in the enormous task of parking cars and patrolling the field.

The Exchange Club has emphasibed that the general public is invited to attend the breakfast at the same fee that will be charged the visiting pilots. Breakfast will start being served at 6:30 in the morning.

Committees for the events of both days are busy with details which will be announced as speedily as they develop.

New Postoffice

brick and concrete. Truesdale would complete the structure, including heating and plumbing. The government would supply the furniture and fixtures.

The postoffice is now located on N. Evans street, in rented property. The quarters are crowded and do not afford ample working space, government employees say. The postal department owns a lot on S. Pearl street, purchased some years ago, but Washington has let it be known that it may be many years before a government-owned building will be built here. The government refused to sell the lot to Truesdale as a site for his building.

Year's Work Reviewed By Local F.F.A. Chapter

The local high school chapter No. 15 of the Future Farmers of America reviews its accomplishments of the past year in a report just made public. The report follows:

On October 17 our chapter sent Fred Feight, and Fred Long to Kansas City to represent the chapter in the National FFA Convention. When the boys returned they gave a complete account of the trip to the chapter; and also to the Rotary Club. Each year the Rotary Club has helped finance this educational trip to the two outstanding boys in agriculture for the previous year.

This year the Rotary Club helped the chapter a great deal since they also purchased a registered Duroc gilt for the chapter. The chapter has started a pig chain, this was started by placing the pig on Melvin Schafer's farm. He is to use approved practices in caring for the pig and have it bred to a registered boar. When the pig farrows the chairman of the pig committee has his choice of any one of the young pigs. This pig is then placed on another farm of an interested member, and the remaining pigs remains the property of Melvin. The object of the pig chain is to help the chapter members to become established in a line of farming in which they are most interested. It also gets them started in pure bred stock.

On March 3, our chapter played host to the county FFA Convention. The all-day session met in the old high school at which time contests in parliamentary procedure, public speaking and demonstrations were held. Our parliamentary procedure team, which consisted of Don Bailey, Fred Feight, Ray Jackson, Chuck Bishop, and Fred Long won the silver or second rating. Merlyn Wagner won the gold, or first award in public speaking.

On February 22, the Tecumseh and Clinton chapters visited Michigan State College during Farmers' Week. It was an all-day trip which was enjoyed by everyone. Points of interest were the radio station, agricultural exhibits, demonstrations, and the experimental barns. The cow with the fistula in its side was one of the greatest attractions since the boys could look into the cow's stomach.

On March 20-21, four members of the chapter attended the State Convention held in East Lansing at the College. Charles Bishop and Richard Young were chapter representatives. Fred Feight received the State Farmer Degree for his outstanding farming program. Merlyn Wagner participated in the State Public Speaking Contest, and received a silver or second place award. The Chapter wants to thank Merlyn for doing such a splendid job in representing them right through the locals, regionals, and state contests. Merlyn won a total of $55 in these contests, and also a trip through Ohio.

On May 10, the first Rural-Education day was held. Students from rural schools watched demonstrations in soil testing by our adviser, Mr. Burns, and milk testing by Richard Young and Jim Hargrave. The girls visited the Home Economics room, and enjoyed a program by Mrs. Kuhn. The purpose of the event was to allow rural students to familiarize themselves with the school and to become acquainted with the Vocational Agriculture Department.

Our chapter sponsored a seed sale to help finance our activities. Ardyth Eaton and Erwin Pennington won first and second places respectively. The chapter earned a total of $54 in their seed sales.

Our basketball team had a fairly good season, we won three games and lost two. Fred Long is manager of our FFA athletic activities.

On May 22, the chapter held elections for the coming year. Fred Long was elected to succeed Ray Jackson as president. Lynn Hunt was elected vice-president; Erwin Pennington as sentinel; Charles Bishop, Richard Young, and Merlyn Wagner were elected to serve in their present offices as secretary, treasurer, and reporter. Melvin Schafer was elected as chairman of the pig chain and Jim Hargrave as chairman of the supervised farming programs.

At the Honors Assembly on June 1, Fred Feight was awarded the DeKalb Award. This award is given to the outstanding senior in agriculture each year. Fred was presented with a medal and certificate for his good work.

Merlyn Wagner and Charles Bishop were told, at the assembly, that they would represent the chapter at Kansas City next October.

On June 2, Fred Long, Charles Bishop, and our adviser, P. F. Burns received a trip to Detroit to a baseball game and a free meal as a result of the two boys tieing for first place in a Tractor Rodeo. The Tractor Rodeo was sponsored by the Adrian Kiwanis Club. It is to be an annual event for FFA members from now on, since it turned out so well the first time.

Our chapter may look back with satisfaction on this last year. In spite of time taking reorganization we have accomplished much. It is sincerely hoped and expected that we will continue to improve throughout the coming summer months and in the future years.

P. F. Burns, our adviser will attend Michigan State College for the remainder of the month. He is working on his master's degree in agriculture. He will make farm visits to FFA members on week ends during this month.

Health Dept. Warns On The Use of Insecticides

Read your insecticide label most carefully, the Michigan Department of Health warned Michigan growers and gardeners today.

Many of the newer effective insecticides contain parathion, a chemical which can be fatal to animals and humans alike if it is used improperly, according to the Division of Industrial Health.

If your insecticide lists parathion as an ingredient, follow the directions and precautions exactly. If there are no precautions attached do not use the insecticide at all until you have contacted your local health department or county agricultural agent. Scrub your hands after handling it, even though it is in a sealed bag or container. Keep it far out of reach of children.

The chemical parathion is poisonous when it is breathed in, when absorbed through the skin or when swallowed, even in very small quantities. The amount of the chemical which can seep through contaminated clothing is dangerous.

Parathion insecticides can be used safely by properly instructed individuals who understand their dangers and equip themselves for safety, the Department said.

Dollar for Dollar you can't beat a Pontiac

A Beautiful Long-Time Investment!

We admit that one of the very important attractions of the new Silver Streak Pontiac is its captivating appearance. Nearly everyone says it is a really beautiful car. But if Pontiac didn't have something *in addition* to its beauty, it couldn't possibly be in such tremendous demand today. That additional something is Pontiac's famous dependability. Talk to any Pontiac owner in town and you'll hear a wonderful story of months and years and thousands of miles of enjoyable driving with a minimum of routine service attention.

When you add to the pride of driving the most beautiful thing on wheels the never-ending pleasure of its performance and dependability—plus the knowledge that Pontiac is outstanding as a used car value—then will you realize that, Dollar for Dollar You Can't Beat a Pontiac—a beautiful, *long-time* investment! Come in and get the facts.

A boy element

From where I sit ... by Joe Marsh

Hope "Cappy" Told Him Where To Get Off!

"Cappy" Fisher — who just retired after thirty-five years as a railroad conductor — was telling about a salesman who was often one of his passengers.

"That man was so busy," says Cappy, "he used to bring a dictaphone on the train to catch up on his letters. On one trip he'd been rushing around so much he clean forgot to bring his ticket. Left it on his desk."

When Cappy started to tell him not to worry about the ticket, the salesman busts out with "Who's worried about the ticket? It's just that now I don't know what city I was going to get off at!"

Cappy might have been pulling our leg, but from where I sit, lots of us get so wrapped up in ourselves we often forget "where we're going." Some folks get so narrow they even begrudge their neighbors the right to enjoy a glass of beer now and then. Let's not forget that just as trains run on steam and oil, democracies run on freedom and tolerance!

Kin Yuh Imagin Butler's Kow Hands Washin Their Dirty Hands In Silver Finger Bowls?

Waal, its finnally happined. Sure as yur alive, Butler's ol Kow Hands has done it all.

Last week-end we flu to New York by airplane and landed smack in the Waldorf Astori. We was guests of the Ford kompany bekause we sold so danged many parts, and did such a good job puttin em on Iron Hosses.

The guest list frum our Stabul inkluded Mr. Butler, hisself, Harry Schuch, chief surgin, and Dick Boyd, vice-president in charge of office, who went in the place of Jim Spooner, parts manager, who was unable to go. It was the largest flight of planes to converge on LaGuardia field in history, except by the Army. Some 1,600 Ford folk flew in.

Great town, New York. Lots of sun-burned-mouths—everybody goppin. Got along all right until they lit the Devil's Porriage, and then we thot the hull place was goin up. But the pay off was to see Surgin Schuch washin his hands in the finger bowls, filled with rose petals.

Waal, it's a great life—in New York. But we likes it best our here in the country where everybody's our friend—and where the automobiles are Fords. Ho hum.

1000 Canadians Coming, June 30

CHATHAM BAGPIPERS ARE INCLUDED IN CARAVAN; DAWN PATROL, JULY 1

A flurry of developments and announcements during the last week has produced details which indicate that Tecumseh will have two grand gala days on June 30—Canada Day—and on July 1 with the arrival of the Michigan Dawn Patrol. Mayor Tom Scott of the Ontario town has been calling here almost daily to report developments as they occur.

Perhaps the announcement which will create the most local interest is that the Chatham Legion Bagpipe Band will again be on hand. This organization, which is widely known throughout Canada, was in Tecumseh on the occasion of the Canadians' visit here two years ago and was in Tecumseh, Ontario, last year when the residents of the Michigan community paid its mass salute to its Canadian namesake.

Not only will the pipe band be here for Canada Day, but they have also stated that they will remain to salute the flyers of the Dawn Patrol on Sunday. Their presence here has created interest in several parts of Ontario. A full busload of Chatham residents is going to join the Tecumseh caravan, and Mayor Scott reports that he has received inquiries on the affair from as far away as Wallaceburg.

Among the features of the day will be the first inter-town tug-of-war between teams representing the two communities. A team made up of the Ontario town's fire department has challenged a team from the United Products Workers of Tecumseh, Michigan. The challenge was enthusiastically accepted by the local union, and Mayor Scott has warned the visiting team to bring a change of clothing in anticipation of their being pulled across some river or creek.

The Tecumseh Merchants baseball team will be trying for its first win against Ontario town's Indians. Last year the Michigan team lost decisively to the Canadians while the game two years ago ended in a draw.

It is expected that the caravan from Canada will arrive here about noon. A time table schedule of events will be announced in next week's Herald. It will include a parade, ceremonies in which the Canadians will be presented an oil painting of Chief Tecumseh donated by Earl Bryan, local artist, the baseball game, the tug-of-war, and other events. Efforts are now being made to arrange for a trap shoot between teams from the two towns, again with the local community looking for its first victory.

The Great Lakes Carnival with rides and other attractions will open next Tuesday on the grounds across from the Central school and will remain in operation until the departure of the Canadians on Saturday evening.

The Exchange Club's plans for Sunday's Dawn Patrol are practically completed. Announcements are being mailed again this week to flyers all over the state announcing the presence of the bagpipe band and other attractions.

The Flying Farmers of Michigan are also being sent invitations. Through the cooperation of the Protane Gas Company there will be plane, cars, and tractors present using protane gas for fuel, and a number of farmers have expressed interest in these exhibits.

With over a thousand Canadian visitors on Saturday, and over two hundred airplanes visiting on Sunday, the week-end of June 30—July 1 will see Tecumseh devoting almost all of its energy to playing the part of the perfect host.

REV. ESCOLME SPEAKS AT YPSILANTI DEDICATION

Sunday evening, the Rev. Edward Escolme delivered an address at the Friends Church in Ypsilanti, at the dedication of an addition to the Friends church there. A group of men were in charge of the evening service at the Tecumseh Friends church. The program consisted of a song by Dick Butler; duet by Robert Heasley of Manchester and Louis Winter of Clinton; poem by Robert Chase of Clinton; scripture reading by Sheldon Chase. A group of men, George Meads, Robert Baird, Walter Welmer and Melvin Muhn closed the meeting with short talks.

Story Telling Hours Will Begin June 27

Story hours will be held at the public library on Wednesday afternoons for the next six weeks. There will be story telling for two age groups: those children aged from three to five will meet in the basement and the children from six to 10 years will meet in the west reading room of the regular library. The time for both groups is 2 to 3 o'clock in the afternoon. There is no admission required. This is a free community service given by the members of the Child Study Club and the librarian.

Story tellers for June 27 are Mrs. June VanCamp and Mrs. Catherine Cobb.

All children are invited to attend these story telling hours.

Town May Care For Trunk Lines

STATE INDICATES APPROVAL FOR VILLAGE TO REPAIR M-50-52 IN CORPORATION

Temporarily, at least, the Village of Tecumseh is making the necessary repairs to State Trunk Lines M-50-52 inside the corporate limits and soon, it has been indicated, a permanent arrangement for such repair may be made with the state. It was hinted today at the office of A. G. Leitch, village engineer.

At the present time, the engineer's office said, the state has made available a $3,500 appropriation for repairs on M-50-52, East and West Chicago boulevard, and on North Evans and Mill streets, M-52. Heretofore, all road repair on the trunk lines was done by the County Road Commission and often had to be delayed until equipment and men were available.

Also, is was said, in the past the village has done a considerable amount of work on the trunk lines for which it received nothing from the state in return. Mr. Leitch believes that such a practice is wrong, and that inasmuch as state funds are available for such a purpose, the village should be reimbursed for the work that it does now and in the future on the trunks.

It was pointed out that the $3,500 appropriation will not permit any major repair work on the trunklines. Rather, the money must be used for patching, sweeping, etc.

The village and the state both recognize the need for major repairs to Chicago boulevard, (M-50-52) and it has been hinted that this section of the trunks may, in the not-to-distant future receive a 2-inch black-top coating. If this were done, it was said, outside contractors would be called in to do the work, because of the rapidity with which it would have to be accomplished.

FORMER BRITTON GIRL HOOKS RUGS FOR HOBBY

Mrs. Ben Roberts of Tecumseh is in receipt of a clipping from a Long Beach, Calif., newspaper, telling about a hobby that her niece, Mrs. Rilla Hickey of that city has adopted, and in which she realizes a considerable amount of pleasure. Mrs. Hickey will be remembered by many folk in this community as Rilla Helm, formerly of Britton.

Mrs. Hickey creates hooked rugs and the one photographed by the newspaper is 33 x 54 inches. She designs the rugs herself, and builds them from scrap materials she purchases at rummage sales or from salvage stores. Nothing but wool material is used. The cost is very nominal.

"For the women who moan that they don't like bridge, but what else is there to do, besides housework, Mrs. Hickey has solved the problem," the newspaper article says. The former Britton girl has made six of the rugs during the past year.

Hooked rug making is a throwback to the colonial days, but the art really originated in England long before the days of the colonies. Mrs. Hickman does not shear her rugs but instead, leaves the loops to beautify the design. And in that method there's a trick. All strips used in weaving must be of exactly the same width, she says.

Originator of Tulip Festival Is Honored

Miss Lida Rogers of Holland, Michigan, received an honorary master's degree in education Saturday at the commencement exercises at Michigan State Normal College.

Miss Rogers has several nieces in Tecumseh, two of whom, Mrs. Paul Keyser and Mrs. Joseph Tressler, attended the exercises. She also has made many friends in Tecumseh during her occasional visits here. Miss Rogers is head of the Biology Department at Holland senior high school, which position she has held for 38 of her 52 years of teaching.

In this position she has done much to promote civic beauty and conservation. She originated the Tulip Festival at Holland in a talk before the Woman's Literary Club in 1927, and since 1933 her students have reforested 80 acres of abandoned farm land in their school forest near Lake Michigan.

She has recently received certificates of merit, one from the U. S Forest Service for her work in conservation and one from the Michigan Horticultural Society for promoting the Tulip Festival, as well as for her work in horticulture.

Miss Rogers is spending a few days with Mr. and Mrs. Paul Keyser.

Say Socialism Greatest Fear

ROTARY CLUB HEARD DISCUSSION ON NATIONAL TREND AT COUNTRY CLUB MEETING

A Socialistic government is the greatest fear of thinking Americans, three Adrian men warned members of the Rotary Club, Tuesday evening, when they discussed the dangers that threaten democracy, following dinner at the Country Club. The members of the Adrian group were Maurice Stubnitz, president of the Stubnitz-Green Corp., LaVon Kuney, attorney, and Harry Bradley, former county treasurer.

The United States, unless something is done to halt the trend, is following in the footsteps of England, where the swing is definitely Socialistic, Mr. Stubnitz warned his listeners. He pointed to the fact that in England many of its untitilles and industries already are nationalized, that socialized medicine is a failure, and that rapidly the liquid wealth of the country is being dissipated. What would happen, without the aid of American billions, is anybody's guess, he said.

Mr. Kuney, pointing to the Socialistic trend in America, warned of the ever-increasing number of bureaus, both state and federal, and of the loss of liberty under such a system.

"Everybody is talking about conditions that exist today, but nobody seems to be doing anything about them," Kuney said. "The solution to the problem is through the ballot box."

Mr. Bradley struck at the Socialistic movement on a state and county level, declaring that little by little the ism is creeping upon the public. More bureaus, commissions and units are being formed on the local level, he said, and more and more are the people losing their individual rights. The trend, he said, is to get something for nothing and today, folk are actually being urged to do this by government representatives.

After the panel discussion the meeting was opened for a round table discussion. The session continued for 45 minutes after the regular closing time.

Three new members were submitted to the club. They are A. G. Leitch, Robert Hanna and Kenneth Davidson.

Permits Needed For Alterations

BUILDING AND MAJOR REPAIRS MUST BE APPROVED BEFORE WORK IS DONE

If you live within the village limits of Tecumseh, and if you plan any building or major repairs, you first must obtain a permit to do the work, even though the building ordinance recently was repealed, M. E. Clark, chief of police, warned today.

"The permit is issued at the village clerk's office, and it costs nothing to obtain the permit," Chief Clark said. "However, if folk build or make major repairs without first obtaining the grant from the village, the law makes it illegal for them to occupy the property until a permit is granted and an inspection has been made."

The village council, about a month ago, repealed the building ordinance which had been on the books here for several years. It felt that the code was too clumsy and moved too much red tape to be workable in a community of Tecumseh's size. However, the council did not repeal the section that requires that permits first must be obtained berore building or repairs can be accomplished, and the chief of police said today that the remaining section would be strictly enforced.

The repeal of the building ordinance, it was pointed out, in no way affects the workability of the zoning ordinance which is in full force and effect. Tecumseh, some years ago, enacted a rigid zoning code which carries penalties for violations.

"Although the building ordinance, for the most part, has been repealed," Clark said, "the village still retains control over construction and repairs, through the issuance of permits. In this way Tecumseh may keep a close check on building and alterations, and see to it that the zoning ordinances is in no way violated."

Once a property owner has applied for a building or repair permit the first inspection is made by the police department, to determine whether or not such proposed constructions conforms to the zoning code. If it does, then approval is given and the work may be started. When the work is finished, a second inspection is made, and a use and occupancy permit is issued.

TWO FIRE ALARMS

The fire department answered two alarms, Tuesday. The first call shortly after noon, was to the home of Orville Farver, 416 W. Chicago, where the smoke pipe to a oil burning hotwater heater plugged, filling the basement with smoke. There was little damage. The second call, in the afternoon, was to the John Keeney farm, west of Tipton. A motor in a barn shorted and burned.

Garden Club Honored By State

MICHIGAN FEDERATION PRESENTS BLUE RIBBON FOR FLOWER SHOW IN 1950

The Tecumseh Garden Club won a signal honor this week when it was presented with a blue ribbon award by the Michigan Federation of Garden Clubs for excellency in its flower show, staged here on June 16, 1950, at the American Legion Memorial Home. The presentation was made by the state to Miss Mary McWilliams, president of the local club.

The Michigan Federation held its meeting this year in Petoskey June 12 to 15, and two of the ribbons were awarded. The other honor went to Battle Creek.

For the 1950 show, Mrs. Clarence Beach was general chairman and Mrs. Nell Pearson was staging chairman. The theme of the show was, "A June Wedding," and featured table settings, arrangements and specimens.

Tecumseh Garden Club is again planning a fall flower show this year, probably in September, with Mrs. Lyman Curtiss as general chairman.

John A. Wyrill Dies At Home In Oklahoma

Word has been received here of the death of John A. Wyrill, aged 85 years, of Muskogee, Oklahoma, on June 10, at Muskogee General Hospital. He had been in failing health two years.

Mr. Wyrill was a son of the late William and Marietta Wyrill and was born, March 14, 1866, in Macon township. His entire life was spent in Tecumseh, except the last five years when he went and made his home with his daughter and husband, Mr. and Mrs. O. W. Elliott, in Oklahoma. Early in life he married Anna C. Beland. He learned the sheet metal trade from the late Satterthwaite brothers, and was employed by the D. L. Whitenack Hardware for over 40 years, by Spitler and Horn Hardware, also C. A. Seitz Plumbing Shop and the Tingley Heating and Plumbing Shop. He was a member of the Presbyterian church.

Mr. Wyrill was preceded in death by his wife, Anna C., in 1937 and a son, Glenn F. in 1939.

Funeral services were held June 12, at Muskogee, Oklahoma, with Dr. George Baston officiating. Burial was at Greenhill Cemetery.

Road Work Here May Be Expanded

VILLAGE BUYS HEAVY ROLLER TO AUGMENT ITS STREET REPAIR EQUIPMENT

The Village of Tecumseh soon may be in the street repair business on a much larger scale than it has been in the past and, at the same time, do as much or more work than it has done, and more economically, too.

The council, in regular session on Monday evening, approved the purchase of a 3-ton gas-propelled roller at a cost of $1,200, and spent an additional $65 for the purchase of a boiler that can be used in heating tar to be used in road repair work. It now is in the market for a tar spreader and, once this has been purchased, the street department will be in a position to do most of its own street resurfacing and patching.

A. G. Leitch, village engineer, declared today that with very little added expense to the village, once the equipment is locally owned, it will be able to resurface and patch Tecumseh's streets without calling in outside contractors. In the past, contractors have been paid as much as $13,000 annually for this work. Mr. Leitch believes it can be done under village supervision at a saving of about $4,000.

Leitch pointed out that several years ago, when the old waterworks pumping station in the eastern part of Tecumseh was in operation, the village purchased a 11,500-gallon tank for tar, and it was buried at that location. The tar was heated by the same steam engines that were used to pump water. Road tar was purchased in car-load lots, heated and spread on the streets by local workmen. That was before outside contractors were used to do the work.

However, when the pumping station was abandoned for wells in the western part of the village, so was the 11-500-gallon tank. Only recently has the tank been dug up, placed on a firm footing and again been made available for tar storage. It will be heated by the $65 boiler, purchased this week by the village.

The village engineer explained that once the village is in a position to buy its tar in car-load lots and heat and spread it for patching and rebuilding of the streets, there will be no need for employing outside contractors to do the work. He also declared that it not only will be more economical, from the taxpayer's standpoint, but it also will be better for the

Play Program In Full Swing

SWIMMING CLASSES BEGIN ON MONDAY; ELEMENTARY STUDENTS AT CENTRAL

Tecumseh's supervised summer recreation program is now in full swing and boys and girls interested in swimming instructions will register at The Pit on Monday, Elven Duvall, director of the project, said today.

The swimming instruction program, sponsored by the Tecumseh Recreation Council, will get under way at 9 o'clock on June 25 at The Pit, Mr. Duvall said. Miss Dorothy Bowen will give instructions in swimming and life-saving and will be assisted by Duane Furbush. Duvall stressed the fact that the lessons will be given without charge, but it will be necessary for participants to pay The Pit owners 15 cents for the use of the pit. Last year the swimming project was the most popular part of the play program and hundreds of students were enrolled.

In the first night's softball games, last week, in the Civic League the Firebaliers romped over the Jokers, 12 to 4, and the Butler Motors defeated Tipton by a score of 12 to 9. There has been a revision in the game time in the Civic League, due to the withdrawal of the VFW team from play. The team scheduled each week to play the VFW will draw a bye. For the balance of the season, games will be played at 7 and 8:30 p.m.

A midget baseball league has been organized by Coach Duvall and will play games once a week and practice once a week. The league is made up of the following teams: Northsiders, Southsiders, and Herrick Parkers. All boys between the ages of eight and 14 are urged to sign up in their respective areas.

A supervised play program for elementary students is now under way at Central School playground, operating from 1:30 to 3:30 daily under the direction of Miss Sally Kemp.

"This supervised playtime is for all students, both boys and girls, in the elementary grades," Duvall said, "and mothers are urged to bring or send their children to the Central park."

The play facilities available are softball, kickball, dodgeball, volleyball, horseshoes, croquet, shuffleboard, out-of-door basketball, and many mass games.

"This supervised play program is available to every school student in Tecumseh," the director pointed out, "and is sponsored by the Tecumseh Recreation Council. Residents should feel free to bring or to send their children to participate in the events."

Ora Lamkin Dies: Funeral on Friday

Orman Lamkin died Tuesday evening at the home of Charles Kemp, in Tecumseh. He was born on a farm northwest of Tipton, August 9, 1889, and had always lived in this vicinity. He left the farm in 1936 and moved to Tipton. For five years, he and his wife have made their home with Charles H. Kemp, a brother of Mrs. Lamkin. Mr. Lamkin has been in failing health for three years. September 21, 1892, he married Minnie Kemp. They celebrated their 50th wedding anniversary in 1942.

Mr. Lamkin was a member of the Congregational church in Tipton, and was the last charter member of the Knights of Pythias of Tipton. Survivors, besides his wife, Minnie, are two daughters, Mrs. Harold D. Harrison of Royal Oak and Mrs. Kenneth D. Hall of Tecumseh; one grandson, Robert W. Hall. He was preceded in death by two brothers, Arthur, a twin, and Frank.

Funeral services will be held Friday afternoon at 2 o'clock at the Green Funeral Home with the Rev. Edward Escolme officiating. Burial will be at Tipton cemetery.

Where Has The Hamburger Gone?

Now that meat is somewhat short in local markets, it appears that practically everybody has something to say about the cause. Government officials say one thing. Representatives of the livestock producers and other elements of the meat industry say another. Spokesmen for consumer groups say still another.

Quite naturally, these statements are often in complete contradiction. So a large part of the public, interested as it is in the meat controversy, has lost sight of a few fundamental facts.

The government can set the legal price at which meat is sold at wholesale and retail. The government can issue orders rolling back the price of meat by some arbitrary percentage. The government can threaten law violators with vigorous prosecution.

However, the government can't make anybody raise meat if he finds that controls and regulations and red-tape are taking the profit out of the business and just leaving him with the risk. And, try as hard as enforcement officials will, they can't stop black markets when individuals see a chance to make a quick, easy profit. Our experience during OPA days is sufficient evidence of that.

In normal times, no one sets the price of meat. It is determined by the ever-changing conditions of a supply and demand market. Now the government is attempting to set the price and the troubles are setting in. For the truth is that these controls always lead to rationing, black markets, unsanitary practices, and less meat for the consumer.

And while producers, processers and customers are stewing about cattle, meat and prices, markets' stocks of both beef and pork grow shorter and shorter. In many markets, hamburger is gone "for the duration," and prices on other meats keep going up and up.

In our opinion, one of the main ways to stabilize meat prices is to encourage production—to develop a sound balance between supply and demand. And that is what present government policies are failing to do.

Everybody Has A Tax Interest

Secretary of the Treasury Snyder recently observed that any further increases in income taxes must fall with the greatest weight on people with small and moderate incomes. He pointed out that 58 per cent of all taxable income now goes to those who earn less than $5,000 a year.

This should destroy, once and for all, the old illusion that we can pay for the government by the simple method of soaking the rich. As the New York Times recently said in an editorial, "It may be an unpleasant fact, but it is a fact nevertheless, that, thanks to our reluctance to tax courageously in the past, we have now reached the point where the individual income tax is already far too steeply progressive . . . Political taxation, in short, has at last been stretched to its full limit; the time has come when, whether we like it or not, we must approach the problem on the economic level."

In the higher brackets, the income tax is now only one step short of confiscatory. Moreover, if the government taxed the incomes of the wealthy a flat 100 per cent, the additional revenue gained would hardly make a dent in today's governmental budgets. The families with the modest incomes must carry the load.

This should have one extremely awakening effect. Everybody, from the man who works with his hands to the executive who runs a big company, now has a direct and personal interest in taxation. And because tax money is spent only by government, he also has an interest in governmental extravagance and waste.

Today, taxwise, everybody's pocketbook is involved. It doesn't matter whether it is the part-time worker, the student who is working his way through college by earning during summer vacations, or the man on regular payroll or salary. The whole public, out of a universal self-interest, is now in a position to demand, and to receive, economy in government.

The Lowest Type of Vandalism

Recently The Herald has received two complaints from residents about the theft of flowers from the graves of their loved ones in Brookside Cemetery. The complainants were disturbed, naturally, to think that anyone would steal from the dead. What type of individuals, they asked, would remove flowers from a grave?

We have, in years gone by, heard similar reports from lot owners in Brookside. We suppose that similar thefts occur in other cemeteries throughout the county and the state.

We presume that the flowers were removed from the graves by youngsters—youngsters old enough to think—because all of the thefts have occurred at night when small children should be at home and in bed.

But regardless of who took the flowers, we can think of no lower form of vandalism. We can't imagine what type of home training the vandals had—be they young or old.

Certainly, the graves of the dead are sacred. If loved ones place flowers on the graves of their dead they should be allowed to remain there until they are removed by a relative or someone in authority. Such vandalism cannot be condoned and, should cemetery officials be fortunate enough to find out who is doing it, they should be made to pay for their acts.

COST-OF-LIVING INDEX

The official cost-of-living index for mid-April showed only a small increase over mid-March, the first indication that the sharp ten-month living cost spurt since the outbreak of war in Korea is dying down. Ewan Clague, Commissioner of Labor Statistics, forecast a period of at least temporary stability, although he would not make a prediction as to how long living costs may stay pegged.

No casualty in Korea represents futility; the boys fighting in that far-away land may be giving aggression a real lesson as well as a good licking.

If mankind is to benefit from the mistakes of the past there will have to be a widespread acquaintance with what is popularly referred to as history.

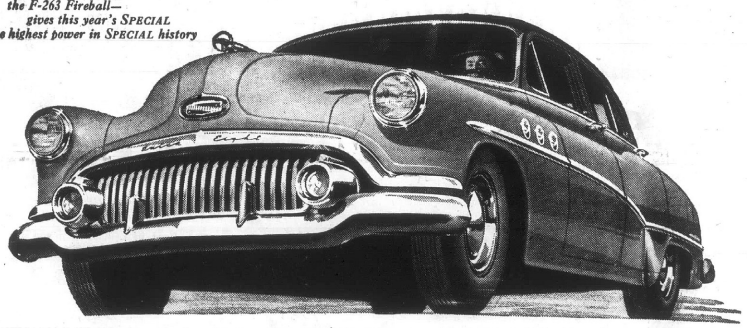
Buick's newest engine—
the F-263 Fireball—
gives this year's SPECIAL
the highest power in SPECIAL history



Remember-only BUICK has a FIREBALL ENGINE

We get a chuckle, sometimes, over all the fuss that's being made about "new engines."

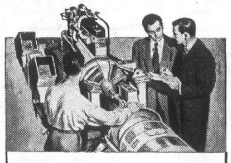
You'll note that the key feature of their design in every case is the valve-in-head principle—whether these engines are already in production or still in the dream stage.

Fact is, it takes this design to get the most from "high compression"—and how high you can go depends upon the available fuel. Using this design, wartime aircraft engines operated on 100 octane gasoline.

It also takes this design to get the more-miles-per-gallon which folks like in an automobile.

So what gives us a chuckle is this:

No other type of engine has ever been used in a Buick—which means that Buick owners, all along, have been getting a lot of things that others have just "discovered."



When you come to check the field you'll find that there's a sweet freedom from roughness to this engine's operation—tracing to the fact that the whole mechanism itself is engineered smooth, and the further fact that every Fireball Engine gets a Micropoise balancing after assembly.

But that's not all. They get something more—vastly more—because *today's Fireball Engine has one standout feature found in no other automobile.*

That name "Fireball" isn't just a trick word. It describes what happens in this engine. Inrushing fuel rolls into a swirling ball of gasoline vapor compacted around the spark plug. And when the fat spark sets it off, a cyclone of power lets go.

Of course, a Fireball Engine, being a valve-in-head, keeps pace with high-test fuel, when it comes to "high compression."

But what's more important in the present state of the world is this: *A Fireball Engine is designed to handle the not-so-high-test fuel we may be getting in the not-too-distant future.*

So, if you want to sample all that's fine in motorcar engines, your Buick dealer is the man to see. Come in soon, and find out what the rest of the world has been missing.

Equipment, accessories, trim and models are subject to change without notice.

Jack Carson ropes Ginger Rogers in this scene from "The Groom Wore Spurs," presented by Universal-International. Sun., Mon., Tues., June 24, 25, 26, at the Clinton Theatre.

Miss Bea Audeen Fisher Weds Charles M. Bower

The Zion Lutheran Church at Ottawa Lake was the scene of a lovely summer wedding, Saturday evening at 6:30, when Miss Bea Audeen Fisher, of Rt. 3, Blissfield, daughter of Mr. and Mrs. Floyd L. Fisher, became the bride of Charles M. Bower, 619 Dennis street, Adrian, son of Melvin H. Bower, Adrian, and Mrs. Roger V. Wilson, of Tecumseh. The Rev. A. O. Zietner, pastor of the Liberty

Mrs. Charles M. Bower

Corners Lutheran church, performed the double ring ceremony. The church was decorated with green palms and lighted candelabra. The pews were marked with white satin bows.

The bride, given in marriage by her father, wore a gown of imported Chantilley lace over satin-nylon marquisete with a fitted bodice. The yoke was outlined with rhinestones and seed pearls in a scalloped effect. The skirt, accented with a scalloped-shaped peplum in back, formed the train. She wore a lace-trimmed veil, attached to a tiara of tulle, lace and small crystal blossoms. Her jewelry was a peal choker and earrings to match. She carried a white orchid and stephonis, tied with white satin streamers, and a white Bible.

Miss Joyce Bower of Tecumseh, sister of the bridegroom, was maid of honor. The bridesmaids were Claudia George of Tecumseh, Patricia Lou Baum of Toledo, and Wilma Lou Fisher of Palmyra. Kay Francis Fisher of Sylvania, Ohio, was flower girl. The attendants wore white taffeta dresses with net over skirts, and sweetheart necklines, with lace bodice inserts, cape sleeves and matching mitts. The maid of honor, carried a colonial bouquet of white carnations, and the bridesmaids' colonial bouquets were of white daisies. The flower girl carried a basket of white daisies. Walter Baker of Adrian, served Mr. Bower as best man. The ushers were Duane Fisher and Jerry Jacobs of Adrian. The ring bearer was Dwight Neil Fisher, brother of the bride. The entire bridal party was in white, the men wearing white coats.

Mrs. Adlar, organist of the church, played nuptial music and Miss Marvel Jean Schroder, of Toledo, cousin of the bride sang, "Through the Years," and "Because." During the ceremony she sang "The Lord's Prayer."

Mrs. Fisher, the bride's mother, wore a navy blue sheer dress with navy and white accessories and a white deep-throat orchid. Mrs. Wilson, the bridegroom's mother, wore a navy blue sheer with navy and white accessories and carried a deep-throat orchid. Mrs. Lawrence Fisher, grandmother of the bride, wore a black sheer crepe dress with black and white accessories and a corsage of white carnations. The bridegroom's grandmother wore navy blue fille crepe with white accessories and a corsage of white carnations.

A reception was held in the American Legion Hall at Blissfield for some 400 guests. The bride's table was centered with a white four-tiered wedding cake topped with a miniature bride and groom. Mrs. Beatrice Baum of Toledo, aunt of the bride, cut the cake. Those who assisted with serving were Ivadell McCarty of Blissfield; Merrie Lou Elliott of Adrian, Sharon Fisher, Sylvania, Ohio, and Thelma Siering and Helen Vergota of Blissfield. Mrs. Vera Zarnow of Britton was at the guest book.

Guests attended from Adrian, Coldwater, LaSalle, Ottawa Lake, Blissfield, Plymouth, Sturgis, Detroit, Deerfield, Palmyra, Britton, Tecumseh, Toledo and Celina, Ohio, SanFrancisco, Calif., and Grafton, West Va.

For traveling the bride changed to a yellow rayon gabardine suit, with white accessories and wore the orchid from her bridal bouquet.

Mr. and Mrs. Bower left for a wedding trip through the southern states.

Mrs. Bower is a graduate of Blissfield high school, and attended Davis Business College, Toledo. She is employed at the village office in Tecumseh. Mr. Bower attended Adrian high school and is employed at Tuttle Mfg. Co., Adrian. He served four years in the U.S. Army in 11th Airborne, two and one-half of which time he was in Japan.

Mr. and Mrs. Melvin H. Bower, 619 Dennis St., Adrian, entertained a rehearsal luncheon in their home Friday, June 15, honoring the wedding party and their parents. Charles and Bea presented their attendants with gifts.

DAUGHTER WEDS

Mr. and Mrs. Charles Thomas of Jerome, are announcing the marriage of their daughter, Patricia Ann, to Tom Rutherford, son of Howard Rutherford of Tecumseh. The wedding took place at the Iron Creek church with the Rev. Alvin Brazee officiating. They were attended by Mr. and Mrs. Lawrence Kopke of Holloway. After the ceremony, a wedding dinner was served at the home of the bride's parents. The couple left later on a trip through northern Michigan and will reside in Tecumseh.

HOLLOWAY

Garrigan—Gritzmaker

It was an all-white wedding at Peoples church of Lansing, Saturday, as Miss Wiladine Mae Garrigan exchanged marriage vows with Max Sawyer Gritzmaker of Holloway in a 4 o'clock double-ring ceremony. Officiating was Rev. C. Brandt Tefft.

The bride chose a gown of heavy white duchess satin, designed with a deep Gainsborough cowl of shirred Chantilly lace. Wide bands of the same lace were appliqued to the sweeping panniers extending from the waist into the chapel length train. Her fingertip veil of French silk illusion was caught up by a satin calot edged with shirred illusion and pearls. She carried white glamelias in bouquet.

Her attendants were gowned identically, in white marquisette frocks fashioned with strapless bodices and topped by jackets of eyelet embroidered organdy. The full floor length skirts were detailed by large pockets of eyelet embroidered organdy. Her flower girl wore a dainty frock of white taffeta and nylon net. Her waist was encircled by a white ribbon, caught at the sides by tiny clusters of rosebuds. The new Mrs. Gritzmaker is the daughter of Mr. and Mrs. William E. Garrigan of East Lansing. The bridegroom is the son of Mr. and Mrs. John D. Gritzmaker of Holloway.

The maid of honor was Miss Jayne Kermeen of Memphis, Tenn. Bridesmaids were Miss Carroll Arrowood of Charleston, W. Va., Miss Bette Biter of Charlotte, N. C., Miss Jane Gritzmaker of Holloway, and Miss Kay Sepeter of East Lansing. Lynda Repert of Cambridge, Ill., served as flower girl. Calvin Gritzmaker of Adrian, brother of the bridegroom acted as best man. Ushering guests were Derril Shantz of Fairview, Harry Lee of Grand Rapids, Bert Hinsdale of Blissfield, and Joseph Calhoun of East Lansing.

The mother of the bride was attired in a pale blue floor length dress of chiffon with a yoke and side panels of lace. Her corsage was of pink roses. Mrs. Gritzmaker, mother of the bridegroom chose a rose floor length dress of crepe and lace. Her corsage was of white roses. Both mothers wore white accessories.

Immediately following the ceremony, a reception was held in the church parlors.

Before departing tor a week's honeymoon trip on Lake Erie and northern Ohio, the bride donned a navy blue crepe suit, trimmed in white. The newlyweds plan to return for a brief visit with both parents and friends before driving to Wichita, Kan., where Mr. Gritzmaker will report to the Air force base, July 1.

The bride is a graduate of Stephens College for women, Columbia, Mo., and the bridegroom graduated June 2 from Michigan State College.

The Volunteer Class of the Holloway Presbyterian church will meet Tuesday evening, June 26, with Mr. and Mrs. Elwyn Green. Supper will be picnic style and served at 6:30. The entertainment will be under the direction of Mr. and Mrs. Paul Kopke and devotions will be led by Lyle Calhoun.

The Ladies Aid of the Holloway Presbyterian church will meet Thursday afternoon at 1 p.m. with Mrs. Gail Austin. The leader for the afternoon will be Mrs. Harvey Lewis and devotions will be conducted by Mrs. Bertine Comfort. Mrs. Austin will be assisted in serving by Mrs. Harvey Lewis, Mrs. Art Lewis, Mrs. Howard Swift and Mrs. Velma Haughn.

The South Holloway Extension Club will meet Tuesday afternoon, June 26 with Mrs. Sam Mitchell in her home near Tipton. Mrs. Lillian Bakus of Ottawa Lake will give a demonstration on corsages from garden flowers. Each member is to furnish their own flowers. The meeting will be called promptly at 1:30.

Mr. and Mrs. Virgil Lowery, sr., entertained at a family dinner celebrating the birthday anniversary of Mrs. Donald Lowery and Father's Day. Guests were Mr. and Mrs. Virgil Lowery, jr., Mr. and Mrs. Donald Lowery and daughter, Brenda, of Adrian, and Mr. and Mrs. Robert Betz and son Gary of Holloway.

Mrs. Roger Richards, president of the Holloway Ladies Aid asks each member of the Ladies Aid to bring a gift for the Granada Mission at the next meeting to be held Thursday.

Mrs. Bertine Comfort is remaining in Pontiac to be near her daughter and husband, Mr. and Mrs. Lloyd Murphy who were injured in a head-on collision near Pontiac, June 5. Mrs. Catherine Murphy, mother of Mr. Murphy was in the car with them and all are patients at Pontiac General Hospital. Their condition is fair and slightly improved.

Little Susan Mitchell was one year old on Sunday and in observation of the occasion her parents, Mr. and Mrs. Dale Mitchell celebration with a supper for 20 guests. The table was centered with a lovely birthday cake and Susan received many little gifts.

Ron Beaverson of Detroit spent the week-end with his sister and husband, Mr. and Mrs. Alton Wellnitz and family.

The Winners Class of the Holloway Presbyterian church met for their monthly meeting Friday evening with Mr. and Mrs. John Calhoun. Routine business was conducted and refreshments were served to a very small attendance.

Mr. and Mrs. Harvey Lewis entertained last week-end, Dr. and Mrs. George Lewis and family of Des Moines, Iowa, Mr. and Mrs. Allen Schmid and son Phillip of East Lansing. Sunday guests were Mr. and Mrs. Gail Austin and girls of Holloway and Mr. and Mrs. Dan Austin and daughter Ruth Ann of Tecumseh and Mrs. Lou Hayes of Lapeer who is remaining for a week's visit in the Lewis home and with other relatives.

Pfc. Leon Lewis of Camp McCoy, Wisc., spent the week-end with his parents, Mr. and Mrs. Art Lewis. Leon has been transferred from the 194th to the 847th F.A.B.

Saturday evening guests of Mr. and Mrs. Paul Kopke and family were Mr. and Mrs. Victor Kudzia and family, Mr. and Mrs. Harold Sell and Mr. and Mrs. Melvin Sell all of Toledo. Sunday, Mr. and Mrs. Kopke and family attended the Maurer reunion held at Fort Meggs, Maumee, Ohio. Sunday evening guests were Mr. Allen Edwards and Mrs. Edith Caradet of Toledo.

Girl Scout Play Days Will Begin on June 27

The Tecumseh Girl Scout Association has announced its first series of "play days" for registered Girl Scouts this summer. June 27, July 11, July 18 and July 25 the Scout Cabin will be open for all Brownies, Intermediates and Senior Scouts. There will be supervised play and work periods in G. S. activities, including out-of-door, nature, campcraft, handicraft, singing, games, dramatics, folk dancing and many others.

Each day's activities will begin at 10 a.m., with a flag raising and group singing. After lunch, there will be a rest period and story hour. From one o'clock until 3:30, the time will be spent in group work. This will be followed by the flag lowering and goodnight circle. The Scouts will be dismissed at 4 p.m., to avoid the heavy traffic.

Since the play days will be conducted with volunteer help, it is necessary to have applications in the hands of the camp director, Mrs. E. E. Duvall, before June 27, to insure adequate supervision. The cost will be 25 cents per day, payable at the beginning of each play day. This will help pay for milk and handicraft materials. The balance of the cost will be paid by the association. Each scout is to bring her own lunch and a small rug or blanket for rest periods. In case of inclement weather, the programs will be conducted in the Scout Cabin. Scouts may attend any or all Play Days.

REGISTRANTS MAY ENLIST FOR SERVICE

Selective Service registrants may now voluntarily enlist in the Army or Air Force even after they have taken or been notified to take preinduction physical examinations, it was announced today by Major Harry G. Drapeau, Michigan's Army and Air Force Recruting Officer.

"Prior to the issuance of the new order, which goes into effect today for one month, men who had received their notice for physical exams were automatically denied the right to enlist voluntarily. Now, only those who have received notice for actual induction are ineligible to enlist voluntarily," Major Drapeau said.

Men desiring to enlist before they receive their induction notice are requested to visit their nearest U. S. Army and U. S. Air Force recruiting office immediately at the Chamber of Commerce building in Adrian.

EULA MAE MEADS WEDS ARNOLD RIES

Mr. and Mrs. Oscar Meads are announcing the marriage of their daughter, Eula Mae to Arnold V. Ries, son of Mr. and Mrs. Vernon Ries of Sand Creek.

The wedding took place June 18, at the Chapel in the Garden in Angola, Ind. Their attendants were Mr. and Mrs. Gayle J. Fisher.

A dinner was served to the bridal party and parents of the bride and groom, Monday evening at the home of the bride's parents, Mr. and Mrs. Ries will make their home near Sand Creek.

HIDDEN LAKE GARDENS VISITED BY WOMEN

The Tecumseh Garden Club met Friday for a potluck luncheon at the home of Mrs. F. L. O'Rourke at Hidden Lake Gardens. Seventeen members were in attendance. After the business meeting a tour of the gardens was enjoyed and Mrs. O'Rourke showed colored movies of the gardens in bloom. An invitation was read from the Seneca Garden Club to attend their flower show on Wednesday and several members are planning to accept.

HONORED AT SHOWERS

Mrs. Ray Bandemer entertained at a miscellaneous shower Friday evening at the home of her parents, Mr. and Mrs. Percy Bowen, complimenting Miss Dorothy Jean Brandt. A social hour was enjoyed. A double ring formed the centerpiece for the refreshment table and shells were used for name cards. Miss Brandt was presented with a shower of gifts.

Monday night, Mrs. Richard Fielder entertained at her home in Herrick Park at a jam, jelly and receipe shower, complimenting Miss Brandt and Mrs. David Faling. The girls opened their gifts from two tables, centered with decorated umbrellas. Cards were the diversion with prizes awarded being presented to the honored guests. A dessert luncheon was served by the hostess. Miss Alice Lovell of Dexter was an out-of-town guest.

BRIDE-TO-BE HONORED

Miss Betty Jo Hanna entertained at a dessert luncheon Monday evening at her home honoring Miss Joan Hart, a bride of next Sunday. Three tables were decorated with garden flowers and umbrella nut cups. Cards were the diversion with honors to Jolene Barron and Pauline Bagshaw which were in turn presented to Miss Hart. Miss Hart received a "kitchen shower" of gifts from a table with a floral centerpiece. Mrs. Edwin Bihlmeyer of Clinton was an out-of-town guest.

In the Ridgeway news column, it is reported that the Bookmobile will be at the library in that village, Monday. Instead, the children's story hour will begin at the library, Monday, and the Bookmobile will not be there.

Hospital Auxiliary In Final Meeting of Year

Herrick Memorial Hospital Auxiliary held its final meeting of the season last week with a picnic supper in the basement of the Fellowship Center of the Presbyterian church. Old members entertained new members as their guests for the evening. One hundred women were in attendance.

Mrs. Ruth Keyser presided at the meeting. Reports on the Hospital Tea were received. Miss Gertrude Spaulding gave a report on the hospital proper, stating that the cooling system is now available for the air-conditioner to be installed in the obsterical room. The Auxiliary is sponsoring this project. The group has also taken over the project of remodeling the entrance and reception room at the hospital to include the nurses chart room. There will be an archway between the two rooms, and an information booth.

For the program, Mrs. Frank Smith read an article written for one of the hospital magazines by Miss Spaulding entitled, "Why I Like Rural Hospitals," for which she won first place in competition. Mrs. Ogland Lay, Mrs. Gerald Osworth and Mrs. Harry Stanifer presented a shadow skit "of an operation." Mrs. Don Heesen and her committee served the dinner.

o

BAPTIST JUNIOR LEAGUE ENTERTAINS UNION

The Baptist Junior League entertained the Baptist Ladies Union in the church parlors, Tuesday evening. Mrs. Ralph Young was in charge of devotions. Mrs. Lewellyn Sisson presided at the business meeting. Miss Johanna Young played two piano solos; Rev. B. O. Bashore showed two religious movie films and Mrs. Bashore gave a brief talk on the American Baptist Convention in Buffalo, which she attended last week. Refreshments were served by Mrs. Charles Beland, Mrs. Donald Creger and Mrs. L. W. Becker. Mrs. Carl Kempf and Mrs. Delbert Tallman poured.

An invitation was extended to the Junior League to attend the Ladies Union picnic, to be held Thursday, July 19, at the Leon Van Valkenburg cottage at Sand Lake.

Plans have been completed for the first barbecue sponsored by the Happy Home Builders class to be held on the church lawn, June 29. In case of rain the barbecue will be held in the church dining room.

Road Work Here

(Continued from page one)

village generally.

"Sometimes, in fact very often, when you employ outside contractors for this work you have to wait until they are available to your community," Leitch said. "And sometimes, just because of that reason, tar is spread and repairs are made under weather conditions that are not advantageous. If we have our own equipment, we will be able to do our own work, under advantageous conditions."

Once the road repair system, with locally owned equipment, gets into operation, Leitch believes that Tecumseh will be able to do almost 100 per cent of its own patching and repair works on its streets. With the equipment he now has, and plans to acquire, blacktopping of side streets also can be done more economically.

"I don't think there is any doubt but that Tecumseh can save at least 25 per cent of the cost of doing the work as compared to contractors' prices," Leitch declared. "If we do this, we can pay for the cost of the equipment in one year, and be able to use it at a genuine saving to the taxpayers in subsequent years."

The village now is doing a large amount of road work, particularly curbs and gutters. These are to be installed on Pearl street, north of the boulevard, on a part of Ottawa street and Logan street. More curb may be laid at a later date.

"The council recognizes that there is a terrific amount of work to be done here, not only in the street department but in the sewer and water departments as well," Leitch said. "However, we must bear in mind that finances are short—that money doesn't go as far today as it used to—and that we must do the most important things first. We will get to everything, just as fast as we can, and we will do as much as our finances permit."

o

Father and Son Banquet Attended By Seventy-five

Seventy-five men and boys attended the father and son banquet at Grace Lutheran church last week Wednesday evening. The Men's Club of the church sponsored the banquet and the Ladies Friendship Club prepared and served the dinner. A color scheme of blue and white was used in decorating.

Paul Maves was general chairman. Alfred Schwede was toastmaster and introduced Rhae Henkel who gave the toast to the sons. The response was by Merlyn Wagner. Musical numbers included a solo by Frederick Ward; vocal duet by Carl Bailey and Frederick Jeschke; harmonica solo by Frederick Jeschke; selections by the Boys Harmonica Band. The Rev. A. Jeschke on his accordion accompanied the group in assembly singing. He also played several other selections. Rev. Adelbert Schultz of Monroe gave the address, using as his topic, "The Relations of Fathers and Sons of the Apache Indians." Ralph Comfort concluded the program with a descriptive talk and showed pictures taken on a trip through Lake of the Woods, Canada.

OBITUARY

Frances Bryan Kennedy

Frances Bryan Kennedy was born December 5, 1860, the daughter of Edwin J. and Mary C. Bryan, of Raisin township. She attended the district school in Raisin township, and married James Kennedy September 25, 1884. With her husband she lived on the farm in Raisin township for the next thirty years, moving to Tecumseh in 1914, where they purchased a home on East Chicago Boulevard. James Kennedy died in 1932, and in 1934 Frances Kennedy moved to Winter Park, Florida, where she resided until her death, October 9, 1950.

Having no children of her own, the deceased raised two foster children, and is survived by one of them, Mrs. Florence Allen, of Grand Rapids, Michigan.

Frances Kennedy had been in poor health for the past ten years prior to her death. She is survived by two sisters, Mrs. Bertha Hayden, and Miss Edna Bryan, both of Winter Park, Florida.

Interment of her ashes took place at a service at the Bryan lot in Brookside Cemetery, Tecumseh, Saturday afternoon, June 9, with the Rev. Edward Escolme, pastor of the Tecumseh Friends Church, officiating.

Among those attending the services were: Asenath B. Hosmer, Detroit; Mrs. Bertha Hayden and Miss Edna Bryan of Winter Park, Florida; Mrs. Wm. McIntyre, Mr. and Mrs. Delmar Bryan and son, of Adrian; Mr. and Mrs. Henry Raymond, Seneca; Mrs. Florence Allen, Mr. and Mrs. Richard Neahr and daughter Sylvia of Grand Rapids, Mich.; Prof. and Mrs. Theophil Hildebrandt, of Ann Arbor.

Need For Immunization Greater Than Polio Fear

Should Michigan children be immunized during the polio season?

Many such questions on the advisability of giving Michigan children immunization treatment for diphtheria, whooping cough and tetanus or booster shots during the late summer poliomyelitis season have come to the Michigan Department of Health during the past week.

To help answer the questions in the minds of parents, the Department today issued this statement.

The Michigan Department of Health recommends that the established initial immuinzation procedure calling for the child's immunization to be underway by six months and completed by his first birthday be continued. Careful studies show that the danger of unprotected children under one year having serious cases of either diphtheria of whooping cough, alone, is much greater than the risk of the infant's contracting paralytic polio.

Some evidence is now accumulating which appears to indicate that there is a greater incidence of paralysis among poliomelitis victims who have had immunization treatment within a month of the onset of the disease. For this reason, when polio is prevalent in a community, physicians may wish to defer immunization of older children and defer booster doses until after the polio incidence has subsided.

NEW ENSIGN TOTAL

Under a four-year-old plan, devised by Rear Admiral James L. Holloway, Jr., the Navy will get the largest group of new officers it ever had in any peacetime year. Under the plan, candidates for Navy commissions are given a four-year education in colleges and universities throughout the nation at Government expense. This year, 1,949 such students will graduate and are required to accept commissions as ensigns in the regular Navy for two years. In addition, 696 midshipmen will graduate from the Naval Academy, making a total of 2,645 new ensigns.

REGISTRATION NOTICE

FOR

Annual School District No. 7 Election

To Be Held On

MONDAY, JULY 9, 1951

NOTICE IS HEREBY GIVEN that pursuant to an order of the Board of Education of the School District of District No. 7 that the Registration of the Qualified Electors of said District will take place on June 25 to June 30, inclusive, at the time and places indicated below:

TECUMSEH HIGH SCHOOL OFFICE
June 25-26-27-28-29 from 9 a.m., to 4 p.m.,
and on Saturday, June 30, from 3 p.m., to 8 p.m.

and at any other time or place designated by said Board of Education.

TAKE NOTICE—Those Qualified Electors Who Have Previously Registered In This School District Need Not Re-Register, Provided that those in Permanent Registration Districts must vote in at least one Election each two year period to keep their name active on the Registration Books.

THE LAST DAY OF REGISTRATION SHALL BE
SATURDAY, JUNE 30, 1951
REGISTRATION BY AFFIDAVIT

Any absent voter whose name is not registered and who shall claim the right to vote by Absent Voter's Ballot at any Election or Special Election, may at the time of making application for Absent Voter's Ballot, present to the Secretary of the Board of Education, an affidavit for registration which is worded in proper form.

REGISTRATION OF ABSENTEE BY OATH

If any person whose name is not registered shall offer and claim the right to vote at any Annual Election or Special Elec-tion, and shall, UNDER OATH, state that he is a resident of such Precinct and has resided in the SCHOOL DISTRICT the required length of time next preceding such Election, designating particularly the place of his residence, and that he possesses other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the SCHOOL DISTRICT on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he shall then be permitted to vote at such election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a SCHOOL DISTRICT to another election precinct of the same SCHOOL DISTRICT, shall have the right, on any registration day, as provided, on application to the Secretary of Board of Education, to have his name transferred from the registration book of the precinct from which he HAS REMOVED to the registration book of the precinct in which he THEN RESIDES. Such elector shall have the right to have such transfer made on any ELECTION or Special Election day, by obtaining from the Board of Inspectors of such Election or Special Election of the precinct from which he HAS REMOVED, a CERTIFICATE OR TRANSFER, and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE THEN RESIDES.

HOLLOWAY

The Winners Class of the Holloway Presbyterian church will hold their monthly meeting Friday evening with Mr. and Mrs. John Calhoun.

Mrs. Raymond Frost was pleasantly surprised Monday evening when 14 of her friends came to her home bearing pink and blue gifts for the baby-to-be. Games were played with Mrs. Matt Lunn, Mrs. Paul Kopke and Miss Zora Kerr winning the prizes which were in turn presented to the honored guest. Refreshments were served by the friends at the close of the evening and Mrs. Frost received many tiny gifts.

Miss Phyllis Moore and Mrs. Laverne Moore of Blissfield accompanied Mr. and Mrs. Edward Mitchell to Lansing, Monday evening, where they attended a party honoring the appointed officers of the Department Auxiliary Association Ladies Auxiliary Patriarchs Militant, of Lansing auxiliary.

Mrs. Howard Swift accompanied her nephew from Tecumseh to Camp Polk, La., where they will visit Pvt. Ned Swift who is stationed there. She will be gone about a week.

Mr. and Mrs. Marshall Drouillard entertained Mrs. Anna Brosamer of Adrian last week end and Sunday callers were Mr. and Mrs Harry McNutt and Mr. and Mrs. Carl Dell of Toledo and Mr. and Mrs. Deff Willmow of Adrian.

The Only Way

The charm courses don't emphasize it, but actually there is no way a woman can get into a 1951 car gracefully, short of having the vehicle built around her.—Detroit News.

Republican Women Are Organized In Township

A group of Tecumseh women met in the basement of the library Wednesday evening of last week and outlined a program for the Republican party in 1952 in this area.

Mrs. Guy T. Pocklington of Ridgeway, membership chairman of the Federation in Michigan was a guest of the group, as was Mrs. J. C. Beardsley, a representative of the young Republican group. Tecumseh also has a member of the G. O. P. State Central Committee, Mrs. Florence Howe.

Mrs. Richard Walker was named local chairman for the testimonial luncheon for former representative Earl C. Michener, to be held in Jackson, July 6.

Mrs. Fred Marsh and Miss Bess Spayde, under Mrs. Howe's leadership, will contact women in Tecumseh township urging attendance at a luncheon at the Country Club in October. Mrs. Hilda Will was named president and Mrs. Joe Rice, secretary and treasurer for the local federation of Republican women.

MISCELLANEOUS SHOWER

Mrs. Peter Knight entertained at a miscellaneous shower Friday evening at her home on West Pottawatamie street, honoring Miss Joan Hart, whose marriage to Duane Bihlmeyer of Clinton will take place Sunday, June 24. Games were played and prizes won were presented to the bride-elect. The rooms were decorated with garden flowers and Miss Hart received her gifts under a pink and white umbrella. Refreshments were served by the hostess.

O. E. S. LUNCHEON

The Past Matrons Club, O. E. S., will meet Wednesday, June 27, with Mrs. Lavern Russell, Rt. 1, for a potluck luncheon at 12:30.

THE TECUMSEH HERALD

ONE HUNDREDTH YEAR—NUMBER THIRTY-NINE | TECUMSEH, MICHIGAN, JUNE 28, 1951 | FIVE CENTS A COPY

Canadian Caravan Arrives Saturday Noon; Dawn Patrol, Runway Dedication, Sunday

Town To Be Host To Tecumseh, Ont.

1,000 CANADIANS EXPECTED AS GUESTS; DEDICATE AIR STRIP ON SUNDAY

The skirling of bagpipes and the humming of airplane motors will combine to fill the air in Tecumseh on Saturday and Sunday, June 30 and July 1, when the Canada Day-Dawn Patrol events will be staged in a planned two-day celebration.

Details of the twin affairs are now complete and residents of Tecumsen and for miles around may be assured of thrilling and interesting programs. The main events will be Saturday afternoon and Sunday morning, although the Great Lakes Carnival Company is now in operation in the park across from Central School.

Canada Day will get under way about noon on Saturday with the arrival of the caravan from Tecumseh, Ontario - Tecumseh, Michigan's namesake town. The Canadians are coming about 1,000 strong, according to Ronald E. Harris, secretary of the Chamber of Commerce. The Canadians will leave the Ontario village at 9 a.m., Saturday, arriving here about noon.

The events, following their arrival, will get under way with a parade, scheduled to form at 12:30 on Ottawa street, north of the Boulevard, and to move westward on the boulevard at 12:45. At Union street the parade turns to Brookside Cemetery, where a wreath will be laid on the Veterans' Memorial, and the pipers will play a lament to the heroes of the wars in which the two nations were allies.

The Tecumseh-to-Tecumseh Day, now three years old, was inaugurated in 1949 when the Canadians visited this community 1,506-strong to help us to celebrate our 125th anniversary. Last year, more than 2,000 from this village went to Tecumseh, Ontario, for a second celebration. This year, the Canadians are returning the visit and next year it will be Tecumseh, Michigan's turn. The event is attracting international attention as the largest mass movement for international goodwill and neighborliness in America.

The following units will participate in the parade: The Chatham Legion Bagpipe Band, vehicles by local car dealers, Canadian Legion colors, guards, and squad, Veterans of Foreign Wars, colors, guards and squad; American Legion Veterans, colors, guards, and drill team; Canadian Legion Auxiliary, Tecumseh high school band, American Legion Auxiliary drill team, and the Raisin River Riders Saddle Club.

At two in the afternoon there will be brief ceremonies at the Recreation Center in which Mayor Scott of the Canadian town will be presented with a picture of Chief Tecumseh, after whom both towns were named. The picture is the work and gift of Earl Bryan, local

Partridge New President of Rotary Club Here

Mel G. Partridge was seated as president of the Tecumseh Rotary Club, succeeding L. W. Larsen, when that organization met at the Tecumseh Country Club, Tuesday evening, for its dinner and program. Other officers seated with Mr. Partridge are Hal Kelso, vice president, Lester Rogers, secretary, and George Green, sr., treasurer.

Mr. Larsen, in turning the gavel over to the new president, expressed appreciation for the club's cooperation during his term of office and noted advances made by the organization during the year. The secretary's report showed the loss of four members during the year, and the acceptance of 13 new members, bringing the club's strength to 58. The treasurer's report showed the club to be sound, financially.

Mr. Partridge briefly outlined some of his plans for the new club year and made his committee appointments.

M. L. Dannells, past-president of the club, presented Mr. Larsen with a past-president's pin.

WINS SCHOLARSHIP

Tom Everlove, son of Mr. and Mrs. Bernhard Everlove, Tecumseh high school graduate with the class of '51, has been awarded a competative scholarship at Hillsdale College, it was announced today. Tom will enroll at Hillsdale in the fall for a pre-law course.

10:00—Ribbon cutting ceremony for new runway dedication.
10:30—Awarding of prizes to visiting pilots.
11:00—Events concluded to permit church attendance.

Here Are Some Notes On 2-Day Celebration

Because of the Dawn Patrol on Sunday, it is expected that more Canadians than usual may wish to stay overnight. If you have accommodations that might be available, call the Chamber of Commerce.

* * *

Local merchants are requested to take Canadian money at par on Saturday. If you absolutely cannot do so, inform the customer of your position so that neither he nor you will be embarrassed. There is, of course, no objection to giving Canadian change for Canadian currency.

* * *

It is repeated that there is no charge for admission to the field or for parking at the Dawn Patrol. And it is also repeated, that the general public may buy its breakfast at the Dawn Patrol for the same charge that the visiting pilots will pay.

* * *

The Woman's Society of Christian Service of the Tecumseh Methodist church announces that it will serve a cafeteria luncheon from eleven-thirty until two o'clock on Saturday, June 30, in the Social Room for the convenience of the visitors from Tecumseh, Ontario, Canada, as well as the local people. Miss Vera Gilbert and Mrs. T. Rentschler are co-chairmen of the arrangements.

St. Peter's Will Hold Independence Service

St. Peter's church will observe Independence Day with two celebrations of the holy communion at 6:30 a.m., and 8 a.m., July 4. Special prayers for our country will be offered at these services.

A celebration of the holy communion has been scheduled at 11:15 a.m. throughout all the Sundays in July at St. Peter's along with the 8:00 o'clock and 10:00 o'clock services.

CEILING PRICE SIGNS NEEDED BY JULY 1

Local retailers of consumer goods under Ceiling Price Regulation 7 are reminded this week that by July 1, items must be marked or tagged with ceiling prices. Also by July 1, they may not offer or sell any article covered by this regulation, unless there is a ceiling price sign posted prominently in the store. These signs are available at the Chamber of Commerce for merchants affected.

ENTERS GUILTY PLEA IN ACCIDENT CASE

Robert E. Bathgate, Monroe, entered a plea of guilty when he was arrainged in Justice Robert French's court here, June 25, charged with leaving the scene of an accident without identifying himself. He was released to return for sentence on July 7.

Police said that the Bathgate car struck a car driven by Larry Hart, Tecumseh, at 2 a.m., June 24, on East Chicago boulevard. Bathgate stopped, but did not identify himself. Hart furnished police with the license number and Bathgate was picked up by Dundee officers.

My office will be closed from June 15 to July 15, inclusive. H. H Hammel, M. D. adv. 6-28

LENAWEE REPUBLICANS TO JOIN IN 'FOUNDERS' DAY CEREMONY AT JACKSON

Jackson, Mich.,—Republicans of Lenawee county have been invited to participate in the Founders' Day ceremonies at Jackson, July 6, commemorating the 97th birthday of the GOP.

The celebration this year is part of Jackson's "Parade of Progress" week, with the theme "Progress Through the American Way" culminating in a gigantic parade Saturday, July 7.

Principal events on the Founders' Day program are a reenactment of the founding of the party by a selected group of Jackson citizens in a colorful pageant, and a speech by United States Senator Everett M. Dirksen, of Illinois.

The reenactment pageant—"Achievement Under the Oaks"—will be staged at Jackson's Cascades Park in the evening and will be followed by Senator Dirksen's address. Senator Dirksen served as a Congressman from Illinois before his election to the Senate and has been listed as one of the outstanding members of Congress by Washington newspapermen.

At noon, there will be a testimonial dinner for former Congressman Earl C. Michener, of Adrian, and in the afternoon the Republican State Central Committee will hold a special meeting, followed by a reception. There will be free dance after the evening program is concluded.

United States Senator Homer Ferguson and Republican Congressmen from Michigan will be present and delegations from other States will attend, said J. V. LaVanway, chairman of the Founders' Day Committee.

It was back in 1854 that a group of courageous Michigan citizens gathered under the oak trees of Morgan's Grove at Jackson to proclaim their dissatisfaction with the national administration of that day and demand a return to good, plain, honest government.

Owen J. Cleary, of Ypsilanti, Republican State Central Committee chairman, pointed out that the GOP was founded as a "patriotic movement to combat the demoralizing political tendencies of the time" and said that party members this year would "rededicate themselves to the great principles of the Founders."

"This year, as never before, those principles are important to the American people,' Cleary declared.

Kindergarten Children Need Physical Check-up

Miss Elisa Simonson, public health nurse, will be at her office in the Central School each Monday during the summer months to give physical check-ups to children who will be entering kindergarten in the public schools, next September. She has requested that all youngsters, who will be going to school for the first time in the fall, have their check-ups early.

Instruction blanks, to be filled out by parents, regarding the check-ups and the child's entrance into school, were left by the census taker with the parents, this year. However, if they have been mislaid, additional blanks are available at the school.

The pre-kindergarten check-up is necessary before a child may enter the public schools.

PLEADS NOT GUILTY TO DRUNK DRIVING

Lawrence Martin, 42, R. F. D., Blissfield, was arrested here at 11:35 p.m., June 23 by police, charged with drunk driving. In Justice Robert French's court the following day he entered a plea of not guilty and bail was fixed at $150. He was remanded to the custody of the sheriff for inability to furnish the bond. His trial is scheduled for July 14.

TO RIDE IN PARADE

The Raisin River Riders will ride in the parade for Tecumseh, Ontario, Day, Saturday. They are asked to meet at Ottawa and East Logan street at 12:30 p.m.

The Flower and Gift Shop will be closed, July 1 to July 15, inclusive. Open for business as usual on July 16. adv. 7-5

Barbecue supper on Baptist church lawn, Friday, June 29 at 5 p.m. Adv. 6-28

Chatham Pipers To Play Here, Saturday

The Bagpipe Band of the Chatham Branch No. 28 of the Canadian Legion will play in Tecumseh on Canada Day, June 30, and at the Dawn Patrol on July 1. This colorful organization became interested in Tecumseh two years ago when Tecumseh, Ontario, first visited the Michigan town. They were also present in the Canadian city last year when the Michigan caravan made its trip across the border. It was at their request that they will be present this year. Drummer Len Sketcher called and offered the services of the band on the basis of the deep friendships that they have formed in both of the Tecumsehs. The band will be in charge of Robert Patterson, manager, and "Sandy" Kennedy, pipe major. In addition to playing at the formalities on Saturday and Sunday they have agreed to stage impromptu concerts and parades at various places around town.

W.B. Alexander Dies In Adrian

WAS ONE OF COUNTY'S BEST KNOWN LAWYERS; HAD PRACTICED FOR 50 YEARS

William B. Alexander, aged 71 years, one of Lenawee county's best known lawyers, died in Bixby Hospital, Adrian, Sunday morning at 1:30. He had been ill for a year with a lung and bronchial condition and had received treatment in both Adrian and Detroit. He had been able to practice on a limited scale, but was stricken again only a day before his death.

Born in Rollin village March 13, 1880, Mr. Alexander was the son of William P. and Addie Alexander. He attended the Addison district school, graduated from Addison high school an then came to Adrian where he began the study of law in the offices of Watts, Bean and Smith. Later he entered the University of Michigan, receiving his law degree in 1901.

After being admitted to the bar, Mr. Alexander returned to Adrian and rejoined the old law firm, which had been reorganized due to the death of Seth Bean and the retirement of Judge Watts. Clarke E. Baldwin had been made a member of the firm and in 1905 the firm name was changed to Smith, Baldwin and Alexander. It remained that way until the death of Henry C. Smith, when the firm name was changed to Baldwin and Alexander. After the death of Clarke E. Baldwin the firm name continued as such until Clarke W. Baldwin, a son of the former partner, was admitted to membership. At the present time the firm name is Alexander & Baldwin.

Mr. Alexander was one of the most highly respected members of the Lenawee County Bar Association. His legal knowledge was vast, his judgment was sound, and his opinions were widely sought, in and out of his profession. He always remained conservative and retiring.

He was a charter member of the Lenawee Country Club, Devils Lake Yacht Club and the Adrian Club, the Adrian Lodge of Elks, the Masonic orders and the Knights Templar. He was a vice president of the Lenawee County Savings Bank, and of the Citizens Gas Fuel Co. He was a co-owner of the Adrian Beverage Co.

Surviving are his wife, formerly Miss Jeanette Robinson, a daughter, Jane; a sister, Miss Effie Alexander of Adrian, and two brothers, David of Cement City and Harry of Adrian.

Funeral services were held Tuesday afternoon from the Everiss Funeral Home, the Rev. Robert McCachran of the Presbyterian church, officiating. Burial was in Oakwood Cemetery, Adrian.

STORY HOUR CANCELLED

The Child Study Club has announced that there will be no Children's Story Hour on Wednesday, July 4, at the library.

"Freedom Under God" Observance Here, July 4

The Rev. B. O. Bashore, pastor of the Baptist Church of Tecumseh today pledged his support to a nation-wide "Freedom Under God" observance of the 4th of July, sponsored by fifty famous Americans including Former President Herbert Hoover and General Douglas MacArthur.

According to the Rev. Mr. Bashore, the 175th anniversary of the Declaration of Independence will be observed by churches ringing their bells at noon on July 4th; by clergymen of all denominations preaching sermons on "Freedom Under God" on the Sabbath preceding Independence Day; and by millions of Americans pausing on the 4th of July to read the Declaration of Independence.

Sponsor of this celebration is a newly formed "Committee to Proclaim Liberty." Membership includes top-ranking figures in religion, labor, management, education, government, and the entertainment world.

"The purpose of the Committee," Mr. Bashore declared, "is to revive a custom long forgotten in America—spiritual emphasis of the 4th of July. It's time again," he continued, "for all Americans to thank God for their Freedom."

The local clergyman pointed out that on America's first Independence Day church bells rang, prayers were said, and copies of the Declaration of Independence were read by everyone.

"By reviving this custom in Tecumseh," Bashore said, "the Baptist church will join with hundreds of other churches of all denominations in symbolizing America's Freedom Under God.'

New Officers Installed By The Exchange Club

The Tecumseh Exchange Club held its installation of the newly elected officers Monday evening, after the regular dinner. Hoig Gay, district governor of Exchange of Adrian, installed the following new officers: Clarence C. Beach, president; George W. McCombs, vice president; Kenton Hunt, secretary; Russell Garno, treasurer; board of control for two years, Chester A. Beach, the Rev. Fr. Michael G. Collins and Merton Thielan; board of control for one year, Owen Partridge, Frank Rice and Wallace Whiting. Kenneth Hall is the retiring president.

Richard Cammorn of Adrian was a guest with Mr. Gay.

The club has recessed for two months but there will be one meeting in July and one in August. Dates and places will be announced at a later date.

SCHOOL MEETING NOTICE

The annual meeting of School District No. 5, Tecumseh, will be held at 8 p.m., on Tuesday, July 12, at the home of Mr. and Mrs. Murray Day, corner of M-52 and Occidential Road. One director will be elected and such other business as may come before the meeting will be transacted. After the meeting a social time will be enjoyed. Each family is to bring cake or wafers. adv. 7-5

Traffic Deaths Drop Slightly

ACCIDENTS AND INJURIES FOR 6-MONTH PERIOD ARE UP, HOWEVER

The upward trend in Michigan traffic deaths which prevailed for six consecutive months halted in April when 138 persons were killed, 21 fewer than during the same month last year.

According to the State Police monthly statistical report, however, injuries and accidents increased sharply. The report also pointed out that the fatality total of 139 during April of 1950 was exceptionally high for that month, accounting to some extent for the decline in April this year.

There were 3,904 persons injured, an increase of 790, or 25 per cent, over the 3,114 injured in April of last year. Accidents totaled 13,122, up 2,008, or 18 per cent, over 11,114.

Both injuries and accidents have shown increases for eleven consecutive months with the exception of a slight reduction, less than one per cent, in injuries during February.

Figures for the first four months of this year show 459 traffic deaths, an increase of 44, or 11 per cent, over the 415 for the same period last year. Injuries totaled 13,411, up 1,733, or 15 per cent, over 11,768, and accidents totaled 55,645, up 7,704, or 16 per cent, over 47,941.

Fatalities on rural trunkline highways increased 15 per cent while urban deaths were down four per cent.

Estimated travel for March, the latest month available, was 1.85 billion miles, 12 per cent higher than the 1.65 billion miles for the same month last year. Travel for the first three months of 1951 totaled 5.1 billion miles, or 12 per cent over the 4.6 billion miles last year. The death rate per 100 million miles of travel was up, 6.6 over 6.1.

Brother of C. O. Butler Is Buried In Cadillac

Funeral services were held from the Peterson Funeral Home in Cadillac, Wednesday afternoon, for William H. Butler, 69, of that city, brother of Charles O. Butler of Butler Motor Sales, Tecumseh. Mr. Butler had been in failing health for several years, and critically ill for about a month. He died Monday morning.

Surviving are two brothers, Charles O., Tecumseh, and John of Miami, Fla., and two sisters, Mrs. Alice Scott and Mrs. Florence Gorham of Battle Creek.

Mr. and Mrs. C. O. Butler left here Tuesday for Cadillac and attended the service there on Wednesday.

TO TRAIN IN SURGERY

Dr. John R. Thompson has announced that he will begin special training in general surgery at the Maumee Valley Hospital, Toledo, on July 1. Dr. Thompson will continue to maintain his office here, and will see patients by appointment only during the period. He will, however, be out of town three or four days of each week.

Injuries Fatal To John Murphy

WELL KNOWN DAIRY FARMER ATTACKED BY BULL; FUNERAL SERVICES SATURDAY

John E. Murphy, 72, well known dairy farmer in this community, died at 12:30 a.m., Wednesday, in Herrick Memorial Hospital, the result of injuries suffered last Friday when he was attacked by a bull on his farm.

Mr. Murphy, a life-long resident of this area, was born November 30, 1878, the son of Dr. and Mrs. John E. Murphy. He was active in the industrial life of Tecumseh, as well as in agriculture, and was associated with many local business enterprises. At the time of his death he was a member of the board of directors of the Meyers Aircraft Co.

Surviving are his wife, Marion Bills Murphy, two daughters, Mrs. Ivaletta Bishop and Mrs. Suzanne Dicks, both of Tecumseh, two grand children, a brother, Tom L., of Tecumseh, and two sisters, Mrs. Eva Tuefel and Mrs. Mary Murphy, both of Macon. Also, by several nieces and nephews. He was preceded in death by his first wife, Ora B. Gillespie Murphy in 1947, and by two brothers.

Mr. Murphy was a member of the Presbyterian church, and a life member of the Masonic lodge and the Eastern Star.

The body was taken to the Green Funeral Home and remained there until Thursday morning when it was removed to the farm home, where friends may call until noon on Saturday. Masonic services will be held at 2:30 Saturday afternoon from the Green Funeral Home, the Rev. Donald Wilson, pastor of the Presbyterian church, officiating. Burial will be in Brookside cemetery.

Probate Judge Dies In Sleep

FUNERAL SERVICES HELD WEDNESDAY AT HUDSON FOR JUDGE MAURICE E. TRIPP

Funeral services were held Wednesday afternoon from the Congregational church at Hudson for Judge Maurice E. Tripp of the Lenawee county probate court, who died in his sleep at his home in that city, Saturday night. The Rev. Thomas Toy officiated and burial was in Maple Grove cemetery, Hudson.

Judge Tripp was in Adrian on Saturday and had consulted a doctor there during the afternoon. Saturday evening he was in the business district of Hudson when he was taken ill. His wife's sister, Mrs. Della Lamb, was notified. Mrs. Tripp was in Berea, O., visiting her son and family. The judge was taken to his home and put to bed. He was found dead at 6 a.m., Sunday, when Mrs. Lamb went to his room.

Judge Tripp, a devoted public official, was born January 23, 1881, in Osseo. His boyhood days were spent on a Hillsdale county farm. He graduated from Pittsford high

Herald To Be Published On Tuesday Next Week

In keeping with an established custom, The Herald next week will be published on Tuesday instead of Thursday, because of the Fourth of July holiday on Wednesday. This permits distribution to subscribers before the holiday, and allows The Herald "family" to enjoy a day's vacation on the Fourth.

Correspondents and advertisers will please keep in mind the early publication date. Advertising copy will not be accepted after noon on Monday.

Regular publication of The Herald on Thursday will be resumed on July 12.

Places Move To St. Joe; McDowell Superintendent

Earl H. Place, superintendent of schools here for the past three years, and who resigned a month ago to take a similar position at St. Joseph, Michigan, leaves tomorrow with his family to assume his new office in St. Joe, July 1.

James McDowell, former high school principal here and who has been named to succeed Mr. Place, will enter upon his new duties on July 1 as will Neville Hart, former commercial department instructor in the high school. Mr. Hart has been named as principal, succeeding Mr. McDowell.

There Are Two Sides To The Story

Has agriculture been profiting unduly at the expense of the consumer? A great many people think that is the case, and it is a theory which has been effectively argued by distinguished economists and others. But there is another side to the story, and it is well presented by Herschel D. Newsom, master of the National Grange, in the June issue of Country Gentleman. Mr. Newsom's article is descriptively entitled, "The Farmer's Side of It."

Mr. Newsom says frankly, "All of us who live by agriculture must face the brutal fact that if a popularity poll were taken through the nation today, the farmer perhaps would get the lowest rating in history. More than that, he would be accused by many town and city families as a government-supported gouger who has caused the cost of living to spiral." He admits that some farm prices are out of line and that there are flaws in the government's farm program. Then he says, "I want to say that the farmer and his programs are NOT to blame for the high cost of living which worries all of us . . . There is no villain except inflation."

Agriculture, Mr. Newsom feels, has been made the scapegoat for sins of omission and commission over which it has little or no control. It is true that there has been a very fast rise in the prices of many farm products since the Korean war began. But, he observes, "In the two years before June, 1950, the average of farm prices declined 26 per cent — and this decline, which led almost to the verge of another farm-fed depression, went virtually unnoticed in the city press. Most farm prices have not yet caught up with either wages or prices of industrial goods."

Mr. Newsom implements this statement with some impressive statistics. The average of farm prices still is almost 15 per cent below 1947—by contrast, both corporate profits and hourly wages of factory workers are 18 per cent above that level. In 1947, he says, net farm income was $18,000,000,000. In 1949 it was $14,000,000,000, and in 1950 it was down still more to $13,000,000,000. He writes, "Last year the 20 per cent of the U. S. population that lives on the farms received only 12 per cent of the national income."

Mr. Newsom is the first to admit that serious mistakes have been made in the price-support program—such as the potato-support fiasco which stirred up so much bitter criticism some time ago. But, as a general rule, he writes, "those supports have helped to hold food prices down." Here his reasoning runs like this: government purchases have taken surplus products from the market at times of unreasonably low prices. These surpluses have been held in reserve, and have been fed back into the market when prices threatened to go unreasonably low. As a consequence, he says, "Consumers have benefitted as much or more than farmers from most of these programs."

Finally, Mr. Newsom feels that inflation must be fought on all fronts. He advocates financing rearmament on a pay-as-we-go basis, strictly limiting all government functions which do not directly further the defense effort, and sharply restricting credit for luxuries and non-essential purposes. If these measures fail to do the job, he continues, price, wage and rationing controls must be applied equally to the whole economy. In advocating this program, Mr. Newsom is largely in agreement with our leading economists.

Something to Think About

Chemical and organic poisons used by farmers, fruit growers and stockmen "literally by the ton," may explain the mysterious new Virus X, and the increase in other diseases, such as heart ailments, cancer and leukemia, according to the testimony of Louis Bromfield, noted novelist and much-publicized farmer.

"It is safe to say," he told a special House Committee, investigating the use of chemicals in food products, "that there is scarcely an article of food which average citizens consume which has not at some time been treated with some poisonous spray or dust."

He pointed out that while very little is known of the long-range effects of such poisons as retenone or pyrethrum, and such compounds as DDT, chlordane, etc., many authorities are alarmed over what their cumulative effects on humans may be.

"Put in the simplest terms, what is poisonous to the organic structure of an insect, must also be poisonous in sufficient immediate quantities, or in sufficient accumulated quantities to other life as well."

As an alternative to the use of these high-powered insecticides, pesticides and disinfectants, Bromfield names properly treated and enriched soil. In fact, he has for many years headed a group of farmers who have demonstrated that properly healthy plants not only withstand insect attacks, but are less likely to be attacked. These experiments have indicated that great reduction at least can be made in the need for pest-control poisons.

One cannot but wonder whether or not the farmer-novelist is chewing on the right end of the string. In the past few years heart ailments, cancer, and allied diseases have increased materially. There are few folk who have not pondered the reason. Certainly there is a reason.

Around about the Fourth of July, the eleven convicted Communist leaders, whose final appeal was denied by the Supreme Court, will finally go to jail. While this seems a most appropriate time for it, we still wonder what they're doing loose at this moment. A mere pickpocket gets prompter service from our corrective institutions. Apparently, it pays to be really dangerous.

HOLLOWAY

Dr. and Mrs. Dale Palmer and two sons returned to their home in Wichita, Kansas, after visiting with Mr. and Mrs. DeGroot and other relatives for the past two weeks.

Mrs. Grace Rainey and Mrs. Winifred Rainey of Birmingham are visiting for a few days with Mr. and Mrs. Walter German and Mr. and Mrs. Matt Lunn and family.

Dr. Thomas Rogers of Adrian College will conduct the services next Sunday in the Holloway Presbyterian church.

Mr. and Mrs. Ken Kopke accompanied friends from Ann Arbor and spent the week-end at East Tawas.

The Holloway Vacation Bible School was finished Friday evening when the 53 pupils put on a very interesting program for their parents and friends. Songs and recitations were given under the direction of the two leaders, Miss Mariam Senseney and Miss Paulie Breid of the Youth Home Missions of Fort Wayne, Ind. They were assisted by Mrs. Jerry Fairbanks, Mrs. William Budwit, Miss Lois Lawson and Miss Margaret Ann Lunn. Certificates were presented to those who completed their courses. Mr. Lyle Calhoun, superintendent, presented each of the ladies with gifts from the Sunday School.

Judy Fairbanks, daughter of Mr. and Mrs. Rolland Fairbanks, is confined to her home with a broken bone in her leg. She would appreciate cards.

The Ladies Aid of the Holloway Presbyterian church met Thursday afternoon with Mrs. Gail Austin. Routine business was conducted by the president, Mrs. Roger Richards and plans were started for the fair booth. Refreshments were served by the hostess and her committee. Several gifts were brought for the Granada Missions.

Mr. and Mrs. Matt Lunn and Mr. and Mrs. Clark Sinclair were in Lansing, Friday evening, on business.

HOLD REUNION

"The Union Street Gang" held a reunion at the home of Mrs. Orval Minney, Saturday afternoon. A social time was enjoyed. This was the first time the group had been together in seven years, and included Mrs. Kenneth Munson and son of San Francisco, Calif., Mrs. Carl Stevens and sons of Grosse Isle, Mrs. Nilo Manso and children of Detroit, and Mrs. William Powell and children of Tecumseh.

Where Have You Been all its Life?

THIS ad is addressed to the fellow known as "the man on the street."

From that vantage point, you must have noticed that a lot of folks are driving 1951 Buicks.

You must have noted that you can spot one of these beauties—by its sparkling forefront—its gleaming fender ports—(three for the SPECIAL and SUPER, four for the ROADMASTER)—and by its fluent grace of lines and contours.

You've probably noticed, also, that these Buicks give a good account of themselves in traffic—ease to a gentle stop—get away to a nimble start when the light says, "Go."

You may even have noticed that these cars have a level-gaited stride that traces, as we've said before, to the fact that each wheel rides beneath its own coil spring.

But what we'd like to know is—when are you going to try one?

It's about time you climbed in the driver's seat.

It's about time that you sensed for yourself the thrill that comes from feeling your shoulders sink back in the cushions, when your toe gives the gas treadle a gentle nudge.

It's about time for you to be on the receiving end of those admiring glances which are the due of folks smart enough to pick the smart buy of the year.

What's holding you back? It can't be prices—for as you can see for yourself, you can own a SPECIAL for less than the price of some sixes—and SUPERS or ROADMASTERS are just as smart a buy in their fields.

So why not end the suspense? The welcome mat is out at our showrooms. We hope to greet you soon.

130 Fathers and Sons At Methodist Banquet

"The Western Cowhand Roundup," was the billing for the father and son banquet of the Methodist church, held last week Wednesday evening at the church with some 130 in attendance. The Linger family was the best represented at the banquet. The family group included R. M. Linger, 91, of Adrian, his son, Ernest, of Tipton, two grandsons, Garrett Linger of Tipton and Roger of Tecumseh, and three great-grandsons, Terry and Michael of Traverse City, and Gary of Tipton.

Places were marked with bright plaid place mats, red napkins and tiny red bandana bags as nut cups. A miniature farm yard centered each table with cactus plants, yellow candles and brown bottles used in decorating. Mrs. Aden Mead, Mrs. J. C. Cameron, Mrs. Elven Duvall and Mrs. Roma Waters were in charge of the decorating.

Roy Rew, a magician, of Plymouth, was the central feature on the program. Dr. Norman McNaughton asked the invocation, and Arthur Eaton, as ranch boss, was master of ceremonies. Glen Gould led in group singing. Gary Crawford, as the young cowhand, gave the toast to the fathers, and Orval Minney, as the old hoss wrangler, responded. Edward Beal, cowboy yodler, sang several songs and the address, "Roundup Time," by Wilfred Waldron, jr., led to the highlight of the program, featuring Mr. Rew, the magician. Taps were sounded to close the meeting.

The banquet was arranged by the church school and dinner was served by the young ladies of the church assisted by the youth group.

Among the men who assisted were Paul Hadsell, Mr. Gould, Aden Mead, Arthur Crawford and Dr. T. Rentschler. Mrs. Lenore West and Mrs. Robert Bonner were in charge of the dinner preparation.

PAST PRESIDENTS' SUPPER

The Past Presidents of the Tecumseh Monday Club held a potluck super Monday evening at the home of Mrs. Maynard Mulvaney with ten in attendance. Many items pertaining to the coming club year were discussed. The group will meet September 3 at the home of Mrs. Guy T. Pocklington of Britton.

Woman's Association Holds Final Meeting

The Woman's Association of the Presbyterian church held its final meeting in the Fellowship Center Wednesday evening, with Mrs. Frank Smith presiding. Mrs. J. F. Rector offered prayer and reports of the synodical meeting in Alma, June 12-14, were given by Mrs. Richard Molles, Mrs. S. W. Boyce, Mrs. Margaret Kidman, Mrs. D. C. Wilson and Miss Mary Whitelock. Mrs. James Barton gave her report on the bake sale June 16.

It was decided not to have a summer picnic but to open the fall season in September with a potluck supper. Mrs. Fay Shuyter, the program chairman, presented Miss Edith Ingersoll as leader, who in turn presented, Mrs. Winifred Bates, Mrs. C. R. Puffer and Mrs. Clyde Bailey in a program entitled, "From Coal to Orchids." This concerned the adopted missionaries of the church, one of whom is located in the coal fields of West Virginia, the others in Mexico, the land of orchids. Mrs. John R. Lott was in charge of devotions and after the meeting, Mrs. Harold Naser and committee served refreshments.

Tecumseh Electric Supply To Move Onto Boulevard

The Tecumseh Electric Supply, operated by Forest Abner and George Derby, will move from its present quarters on North Evans street, to the store building owned by Hubert VanCamp and recently vacated by VanCamp's Market on W. Chicago boulevard, it was announced today.

In making the announcement, Mr. Abner said that the work of remodeling the VanCamp building to suit the convenience of the electric company was now under way and that the actual transfer of the stock would take place this week. A formal opening is planned early in July.

The Electric Supply building on Evans street is owned by Abner and he said that it had been rented to Donald Parrett for the operation of an auto parts store, July 1.

Safety Film Is Shown To Village Employees

A film on safety, pointing out the dangers of disregarding common-sense rules of the streets and highways, was shown to members of the street department here, Friday afternoon, in the village barn on N. Pearl street. The program was staged by a representative of an insurance company at the direction of A. G. Leitch, village engineer.

"We would like to stage similar programs a couple of times a month to call the attention of village employees to the necessity of safety," Mr. Leitch said in discussing the event. "If, as a result of such training, we may avoid accidents and save human lives, we will be more than repaid for our efforts."

Street employees were warned at the conclusion of the film, to properly guard streets where work is being done, to guard parked equipment against accidents, and to use special caution when highway work might impair the easy movement of both vehicles and pedestrains.

"People judge a community by the way the folk who live in it react to safety rules," they were told. "If you do not respect amber lights and stop signs at home, transients soon observe it and they, too, do likewise."

Hayden To Speak At Meeting of Threshers

Two great religious services will conclude the 7th annual reunion of the National Threshers' Association at the home of LeRoy Blaker, near Alvordton, Ohio, on Sunday, July 1.

At 2:30 p.m. a laymens' rally will be held with Perry Hayden, "Quaker Miller of Dynamic Kernels Foundation," Tecumseh, as the speaker and general chairman. County chairmen are, Roy Bever, Bryan, Ohio; Harry Schwall, Wauseon, Ohio; Rev. B. O. Bashore, Tecumseh; and Otto Gilmore, Hillsdale, Mich. There will be special music by the Millcreek Womens Chorus and the Wright Township Men's Chorus.

At 8:00 p.m. Mr. Hayden will again be in charge of the service and will show his color sound movie, "God Is My Landlord." Both services will be held in a large tent.

Farm Loan Association Opens Blissfield Office

The National Farm Loan Associations announce the opening of a new full time office at Blissfield, beginning July 1. The secretary-treasurer, Glenn C. Hendershot, states that the office will be located at 104 South Lane street, and will serve the farmers of Monroe and Lenawee counties. Heretofore, Lenawee county farmers have been served by the office in Hillsdale and the Monroe county by the Ann Arbor office.

Mr. Hendershot, is a resident of Tecumseh. Directors of the Lenawee county association are Harold Acker of Morenci, president, Howard Evans of Tipton, vice-president, C. Blair Parker and Carl Lehman of Adrian, and Carl E. Emmons of Sand Creek.

The directors recently declared a five percent dividend on outstanding members' stock as of June 30. This is the fifth consecutive year in which a similar dividend has been paid.

Friends Bible School Program Friday Evening

The children of the Friends church Vacation Bible School will present their program Friday evening at 7:30, at the church. An exhibit of the work will be made and the program will include Bible drills, stories and a program by the children. Awards to the children also will be made at this time.

Parents and friends are invited to attend.

SEMI-ANNUAL ASSEMBLY

Jehovah's witnesses of Northwestern Ohio, Michigan and part of Indiana are planning their semi-annual circuit assembly at Fremont, Ohio, June 29 through July 1.

Good Business

A farmer, paying his first visit to the seashore, asked a boatman if he could buy some of the water to take home to show his wife.

The boatman assented and charged the farmer a quarter.

A few hours lated the visitor returned to the shore. By now the tide had gone out, and the man gazed open-mouthed at the spectacle.

"By gosh, mister," he said, "you've done a good business today."

Probate Judge

school, attended Hillsdale College and in 1908 received his law degree from the University of Michigan. On September 19, 1906, he was married to Mary Helen Collins of North Adams.

For a few months after his graduation from the University, Judge Tripp was associated with the late Senator Charles Townsend. In 1909 he opened law offices in Hudson and in 1913 he establishede the law firm of Tripp and Burleigh, with offices in both Hudson and Detroit.

Judge Tripp was elected to the probate bench in November of 1932 and had held the office continuously since that time. He was active in Lenawee and Michigan Democratic circles, and had assumed a role of leadership in the care and study of juvenile delinquents. He was instrumental in the founding of the Huron Valley Child Guidance Clinic near Ypsilanti, and it was largely through his efforts that the county opened its Children's Home in July of 1949.

Judge Tripp at one time was a candidate for the state supreme court. He once refused to run for the office of attorney general in Michigan. He was a former circuit court commissioner, served Hudson as its city attorney, and was a member of the board of education in Hudson for six years. In 1948 he was cited by the Adrian Exchange Club in its Book of Golden Deeds for his work with juveniles.

He was a member of the Hudson F & A. M., Knights of Pythias, Hudson Exchange Club, Hudson Service Club, and the Delta Tau Delta fraternity.

Surviving besides his wife are two sons, Maurice E., jr., of Berea, O., and Detroit, and Robert W., also of Detroit; a daughter, Mrs. Raymond Roy of Tucson, Arizona, and seven grandchildren.

Children Need Vacation Care

DANGER FROM ACCIDENTS GREATER IN SUMMER THAN OTHER PERIODS

Summer vacation days are dangerous days for pre-teens and early teens, the Michigan Department of Health warned parents today.

Forty per cent of accidental deaths of children five to fourteen years of age occur during June, July and August.

Running into or playing in the streets, crossing streets carelessly and bicycling in the streets constitute the gravest danger, with automobile crashes and drowning vieing for second place. Fires, falls and farm machinery also take their tolls.

Enrolling your children in a supervised park or playground program for the summer is a good safety precaution. Teach them why they must not play in the streets or run into the streets after a pet, ball or playmate. Teach them by example and by word of mouth to cross only at crosswalks and with the light. Teach them bicycling safety and be sure they can handle a bicycle well before they take it into the street.

Make sure that your pre-teen and teen age children do their swimming at a guarded beach. Put matches out of young children's reach and teach them to stay away from all fires. Remove stumble-traps from your homes. Keep the children off farm machinery, especially the tractor.

Keep a weather eye out for the playing child as you drive in residential, playground or theatre areas. Give every child a "brake" so he may enjoy his summer vacation.

Drive most carefully when you have children in your car: you are piloting the most precious cargo in the world.

ATOMIC FILM WILL BE SHOWN HERE, TODAY

Mrs. Hilda E. Will, who is locally in charge of nursing in event of atomic warfare under the Civil Defense program, with 198 county nurses under her instruction, has been notified by the Fifth Army Headquarters that an atomic film will be shown in the cafeteria of the new school building, this afternoon at 2:30 and in the evening at 8 o'clock. The film will show the actual action and results in atomic warfare and will be followed by instructions.

TOO HELPFUL

Oklahoma City — Wesley Sanford worked up his garden and planted it. To his delight, a nice rain fell that night and Sanford envisioned the lucious vegetables he was going to reap as a result of his labors. Rushing home from work a short time later, he was met by his wife who delightedly informed him that she had just "finished plowing and raking the garden plot so that you can go out and plant the seeds."

Lanning School Holds Eleventh Annual Reunion

The eleventh annual reunion of the Lanning School, Raisin, district No. 1 fr, was held Sunday, June 24, at the farm home of Amos Wilson with 50 former pupils and teachers enjoying a potluck dinner at one o'clock.

LeRoy Titley, president, presided at the business meeting. Florence Halstead gave the secretary's report. It was voted to continue the reunion on the last Sunday in June, and to accept Leon VanValkenburg's invitation to meet at his cottage at Sand Lake next year. The same officers were re-elected as was the program chairman.

The program inculded; A piano solo by Marjorie VanValkenburg; piano solo by Alice Titley; harmonica solo by Dean VanValkenburg; vocal solo by Mrs. Amos Wilson. A letter was read by Dean VanValkenburg from Walter Norris in New York City. A telegram was received from Emory Wilson, Mercedes, Texas, and during the program it was read. It was 70 years ago that Mr. Wilson quit school. Short talks were given by Mrs. Emma Preston of Tipton, and Mrs. LeRoy Titley of Tecumseh, former teachers.

Guests were present from Clinton, Tecumseh, Tipton and Ridgeway.

MUSICAL TEA

The Tecumseh Music Club is sponsoring a Musical Tea at the home of Mrs. Robert McCoy, 214 N. Union street, this afternoon (Thursday) from 2 to 4 p.m. A very interesting musical program has been planned. The public is invited. A free will offering will be received.

artist.

Following the ceremonies will be the annual Tecumseh-Tecumseh baseball game, and a Tecumseh-Tecumseh tug of war, also at the Center. The formal events will end in the late afternoon so that the Canadians and Americans will have an opportunity to renew old acquaintances and form new ones.

Tired committeemen will be up at five on Sunday morning to prepare to welcome the swarms of planes, pilots, and local visitors to the Dawn Patrol who will arrive at Tecumseh Airport. Breakfast will start being served at 7 a.m. and will continue as long as there are persons wishing to be served. The committee emphasizes that the general public may buy breakfasts at the same dollar fee which will be charged the visiting pilots. It is also emphasized that there is no admission charge either to the air field or for the parking of cars.

The Chatham pipers will also be on hand to provide the visitors with something new in the way of entertainment at Dawn Patrol. The pipers will be the guests of the Exchange Club for breakfast on the field at 8 a.m., and will play until the dedication services are finished.

There will be a loudspeaker on the field so that the public can be informed concerning the types of planes arriving, as well as the knowledge of the arrival of distinguished visitors. At 10 a.m., a ribbon will be cut for the official dedication of the new 2,600 foot runway at the port. Following this, prizes will be given to a number of the visiting pilots.

All events are scheduled to close before eleven o'clock to permit church attendance. There will be cars present to carry any of the visitors to the church of their choice or for a tour of the town.

Feel Free To Telephone Your Orders To Our Store

We realize that there are times when it is inconvenient for you to shop, personally, at our store. The many, many activities of a housewife and mother make time one of the things that there is too little of.

And because we recognize how busy housewives and mothers are, we urge you to call us by phone, telling us what you need in the grocery and food lines. We will be very happy to be of service, we will treat your order as though you were in our store, personally, and we will make delivery promptly.

Miss Joan Rae Hart Weds Duane Bihlmeyer

The First Presbyterian church was the scene of a lovely summer wedding, Sunday afternoon at 4 o'clock, when Miss Joan Rae Hart, daughter of Mr. and Mrs. LaRue M. Hart, became the bride of Duane A. Bihlmeyer, son of Mr. and Mrs. Edwin Bihlmeyer of Clinton. The Rev. Donald C. Wilson performed the double ring ceremony. The church was decorated with palms and hampers of white delphinium and daisies and the pews were marked with white bows and greens.

The bride, given in marriage by her father, chose a white satin dress with a lace reddingote that buttoned up the front to a Peter Pan collar. The ruffle around the waist fell in scallops down the dress front, and the veil was finger tip length with a pearl crown. Her bridal bouquet was of white roses and yellow baby iris tied with white ribbon streamers and roses.

Mrs. Jesse Gray was matron of honor and Miss Nancy Wilson of Gaylord was bridesmaid. Their gowns were red and royal blue with satin underdress and net ballerina-length skirts. They wore matching mitts and hats trimmed with daisies. Each carried baskets of daisies.

Richard Wegner played nuptial music and accompanied Misses Marlys and Evelyn Arnold who sang, "With This Ring," "Through The Years" and "The Lord's Prayer."

James Hindes of Clinton was best man and the ushers were Glen Bihlmeyer, Larry, Albert and Vere Hart.

Mrs. Hart, the bride's mother, wore a pale blue dress with white accessories and a corsage of red roses. Mrs. Bihlmeyer, the groom's mother, wore an aqua print with white accessories and a corsage of pink roses.

Immediately following the ceremony a reception for 200 guests was held in the Fellowship Center of the church. Miss Joan Lewis and Mrs. Bonnie Meades poured. The Misses Wilma Wiedmayer and Pauline Bagshaw cut and served the cake and Joan Bihlmeyer was in charge of the guest book. An all-white four-tiered wedding cake and a groom's cake centered the linen covered table. The room was decorated with baskets of cut flowers.

For traveling the bride changed to a white crepe dress with white accessories and a yellow rose corsage. Mrs. Bihlmeyer is a graduate of Tecumseh high school and Mr. Bihlmeyer is a graduate of Clinton high school. He is employed at Tecumseh Woodworking Co. After a trip to Niagara Falls and Canada the couple will reside with the bride's parents until their new apartment is ready.

Guests were registered from Plymouth, Deerfield, Morenci, Macon, Dexter, Holloway, Brooklyn, Manchester, Blissfield, Swarts Creek, Hudson, Gaylord, Grand Blanc, Flint, Jackson, Ridgeway Adrian, North Adams, Clinton, Ann Arbor and Tipton.

Thursday evening, Mr. and Mrs. Hart entertained in their home fifteen members of the wedding party at a rehearsal dinner. Gifts were presented to the attendants after the dinner.

I Average 30% Savings in Food Costs WITH AN R.O.P. "PERFORMANCE TESTED" BEN-HUR America's Finest farm and home freezer

When buying meats, I buy in bulk quantities — sides or quarters. When buying vegetables, I buy by the crate, bushel, or hamper. And I do the buying "in-season" when prices are lower, quality higher. And I freeze them all in my BEN-HUR. It's the 12.5 cubic foot size and holds up to 625 lbs. of frozen foods.

But cutting food costs isn't the only reason I'm sold on a BEN-HUR. It cuts meal preparation time considerably. I can cook several meals at a time — freeze them in the BEN-HUR for quick warm-up at serving time. And there are so many more conveniences my BEN-HUR affords me.

COME IN AND SEE BEN-HUR "America's Finest" FREEZERS TODAY. WITH FOUR MODELS TO CHOOSE FROM THERE'S A SIZE TO MEET THE NEEDS OF YOUR FAMILY EXACTLY.

Miss Dorothy Jean Brandt Bride Of Ivan W. Gorr

Miss Dorothy Jean Brandt, daughter of Mr. and Mrs. Ernest C. Brandt, and Ivan William Gorr, son of Mr. and Mrs. Paul Gorr of Petersburg, exchanged their marriage vows Thursday evening at 7:30 in the First Presbyterian church. Palms, white floral arrangements and lighted candles provided the altar background for the double ring ceremony performed by the Rev. Donald C. Wilson, pastor of the church. White satin bows marked the pews for the immediate families.

The ushers were James Gorr, cousin of the groom, George Nemire, Victor Traego and Richard Kurczewski. Mrs. Fred Dickinson, church organist, played nuptial music and accompanied Marlys and Evelyn Arnold as they sang, "I Love You Truly," "O Promise Me," and "The Lord's Prayer," before the entrance of the bridal party.

The bride, given in marriage by her father, was attractively gowned in white Chantilly lace and organza over taffeta. The fitted bodice featured a portrait neckline and the cap sleeves were of shirred lace. The full skirt of organza had a lace peplum which cascaded into a full train. A double fingertip veil of French illusion fell from her lace cap and she wore mitts of the same lace. A single strand of pearls, a gift of the bridegroom, was her only jewelry. She carried a colonial bouquet of white baby iris centered with white roses and tied with white satin ribbon.

The bride's attendants were gowned in identical floor length gowns of mint green organza over taffeta, styled with round necklines and full skirts and each wore haloes and matching mitts.

The matron of honor was Mrs. David Faling, who, with Dorothy Jean, just received their B.S. degrees at Michigan State Normal College. Mrs. Faling carried a colonial bouquet of split pink carnations centered with pink sweetheart roses, tied with pink ribbon. The bridesmaids were Miss Laura Schipper of Ecorse and Miss Donna Jane Campbell of Plymouth, a sorority sister. They carried colonial bouquets of split white carnations centered with pink sweetheart roses and tied with green ribbon. Little James Richard Brandt, nephew of the bride, dressed in a white suit, carried the rings on a white satin pillow.

Max Brandt, brother of the bride, served as best man for Mr. Gorr.

Mrs. Brandt, mother of the bride, wore a rose lace dress with white accessories and a corsage of blue carnations. Mrs. Gorr, mother of the groom, wore a powder blue crepe dress, trimmed with lace, and white accessories. Her corsage was of pink carnations. The three grandmothers wore corsages of white gardenias.

A reception for 250 guests was held at the Tecumseh Country Club where the newlyweds greeted the guests. Mr. and Mrs. Clarence Beach and Mr. and Mrs. Raymond Hagan of Petersburg were host and hostesses. The refreshment table was lovely with its green cloth, centered with arrangement of pink carnations, roses, baby breath and lighted tapers. Presiding were Mrs. Harold Wilson, Mrs. Harry Faling, Mrs. Clinton Stahl and Mrs. Ed Aebersold. Mrs. Ray Bandemer of Detroit and Mrs. Richard Fielder of Tecumseh cut and served the cake. The Misses Patricia Hammack and Jane Gritzmaker of Holloway, both college firends of the bride, served the punch. Others assisting were the Misses Mary Brown, Jane Hanna, Marlyn Lindsley and Mrs. George Nemire. Mrs. Max Brandt was in charge of the guest book. Mrs. James Record of Adrian and Mrs. Ralph Sharp of Ypsilanti were in charge of the gifts.

The bride is a graduate of Tecumseh high school with the class of 1947 and attended Michigan State Normal at Ypsilanti for four years, graduating June 16. She is a member of the Theta Lambda Sigma sorority. Mr. Goor graduated from Petersburg high school in 1947 and attended for four years Toledo University, graduating June 14, with a BBA degree. He is affiliated with Delta Tau fraternity.

When Mr. and Mrs. Gorr left on their honeymoon the bride was wearing an ensemble of blue and white print with a navy linen duster. Her accessories were white with a corsage of white roses.

Friends and relatives were registered from Detroit, Ecorse, Coldwater, Plymouth, Ypsilanti, Adrian, Monroe, Toledo, Petersburg, Mt. Pleasant and St. Petersburg, Fla.

ENTERTAINS CAST
